Known throughout her life as Mother

Teresa, Saint Teresa of Calcutta spent her whole life working for the poor and the underprivileged. Born in 1910, Saint Teresa was a Roman Catholic nun and missionary who moved to India and founded the Missionaries of Charity. Even after her death in 1997, the Missionaries of Charity is working for people dying with HIV/AIDS, tuberculosis, and leprosy, running orphanages, schools and soup kitchens, operating dispensaries and mobile clinics, and providing counseling to children and their families. There are more than 5,000 sisters associated with this Roman Catholic organization and it is active in 133 countries around the world, all thanks to their founder, Mother Teresa. After her death, the process of canonization began with beatification, which proved that she had done miracles. Thus, in 2016 Mother Teresa became Saint Teresa of Calcutta. So, who was Mother Teresa? Where was she born and what prompted her to commit to a life dedicated to the service of others? How has she served humankind and how was she honored for her service? Let's find out in this e-book dedicated to the life of Saint Teresa of Calcutta.

A Fruitful Branch on the Vine, Jesus Wayland

This historic work reveals the inner spiritual life of one of the most beloved and important religious figures in history-- Mother Teresa. During her lifelong service to the poorest of the poor, Mother Teresa became an icon of compassion to people of all religions; her extraordinary contributions to the care of the sick, the dying, and thousands of others nobody else was prepared to look after has been recognized and acclaimed throughout the world. Little is known, however, about her own spiritual heights or her struggles. This collection of her writing and reflections, almost all of which have never been made public before, sheds light on Mother Teresa's interior life in a way that reveals the depth and intensity of her holiness for the first time. Compiled and presented by Fr. Brian Kolodiejchuk, M.C., who knew

Mother Teresa for twenty years and is the postulator for her cause for sainthood and director of the Mother Teresa Center, Mother Teresa brings together letters she wrote to her spiritual advisors over decades. A moving chronicle of her spiritual journey—including moments, indeed years, of utter desolation—these letters reveal the secrets she shared only with her closest confidants. She emerges as a classic mystic whose inner life burned with the fire of charity and whose heart was tested and purified by an intense trial of faith, a true dark night of the soul. "If I ever become a Saint-- I will surely be one of "darkness." I will continually be absent from Heaven-- to light the light of those in darkness on earth." --Mother Teresa
