"Both a page-turning drama and an inspiration for every reader"--Hillary Rodham Clinton Soon to Be a Major Television Event The nail-biting climax of one of the greatest political battles in American history: the ratification of the constitutional amendment that granted women the right to vote. "With a skill reminiscent of Robert Caro, [Weiss] turns the potentially dry stuff of legislative give-and-take into a drama of courage and cowardice."--The Wall Street Journal "Weiss is a clear and genial guide with an ear for telling language ... She also shows a superb sense of detail, and it's the deliciousness of her details that suggests certain individuals warrant entire novels of their own... Weiss's thoroughness is one of the book's great strengths. So vividly had she depicted events that by the climactic vote (spoiler alert: The amendment was ratified!), I got goose bumps."--Curtis Sittenfeld, The New York Times Book Review Nashville, August 1920. Thirty-five states have ratified the Nineteenth Amendment, twelve have rejected or refused to vote, and one last state is needed. It all comes down to Tennessee, the moment of truth for the suffragists, after a seven-decade crusade. The opposing forces include politicians with careers at stake, liquor companies, railroad magnates, and a lot of racists who don't want black women voting. And then there are the "Antis"--women who oppose their own enfranchisement, fearing suffrage will bring about the moral collapse of the nation. They all converge in a boiling hot summer for a vicious face-off replete with dirty tricks, betrayals and bribes, bigotry, Jack Daniel's, and the Bible. Following a handful of remarkable women who led their respective forces into battle, along with appearances by Woodrow Wilson, Warren Harding, Frederick Douglass, and Eleanor Roosevelt, *The Woman's Hour* is an inspiring story of activists winning their own freedom in one of the last campaigns forged in the shadow of the Civil War, and the beginning of the great twentieth-century battles for civil rights.

Based on the author’s own experiences as a cadet at the exclusive United States Military Academy at West Point, *Battle Dress* is the brutally honest tale of seventeen-year-old Andi Davis, who views her acceptance at West Point as a chance to escape her dysfunctional family and prove to herself that she has what it takes to survive “The Beast,” insider terminology for Basic Training. But nothing could have prepared Andi for the rigors that follow—nor for the inner strength that she will need to succeed as a woman in a nearly all-male society. Compelling and powerful, but never militaristic, this is a tale of triumph that won’t fail to move readers.

"Every man who knocks on the door of a brothel is knocking for God." - G. K. Chesterton What if lust for porn is really a search for true passion? In a world where there are 68 million searches for pornography every day and where over 70 percent of Christian men report viewing porn in the last year, it's no surprise that more and more men struggle with an addiction to this false fantasy. Common wisdom says if they just had more willpower or more faith, their fight would be over. Is the answer really that simple? According to the counselor and ministry leader Michael John Cusick, the answer is no—but the big truth may be much more freeing. Backed by scripture, Cusick uses examples from his own life and from his twenty years of counseling experience to show us how the pursuit of empty pleasure is really a search for our heart's deepest desire—and the real key to resistance is discovering and embracing the joy we truly want. Cusick's insights help readers understand how porn struggles begin, what to do to prevent them, and most importantly, how to overcome the compulsion once it begins. In the end, this powerful book shows us all how the

barrier built by porn addiction can become a bridge to abundant life.
