Harry and Meghan Paper Dolls Ten Speed Press
 Reveals Shocking Revelations about Prince Harry, Meghan Markle, and the British Royal Family—and the Divisive Rifts Between Them This explosive exposé, *Royals at War*, takes readers inside a riven Buckingham Palace to provide the definitive account of the unfolding abdication crisis of 2020—dubbed Megxit—during which the Duke and Duchess of Sussex, Prince Harry and Meghan Markle, became royal outcasts. Through revealing interviews with royal family insiders, friends, aides, historians, royal watchers, and others with intimate knowledge of The House of Windsor, this tell-all book looks back at the events, motives and crises which led to Harry (sixth in line to the throne) dramatically abandoning his birthright—in a move not seen for nearly a century, when King Edward VIII also gave up the crown for the woman he loved as Europe teetered on the brink of fascism and war. Like Edward and Wallis Simpson, the catalyst for the scandal here is also an ambitious, controversial

American woman. Dylan Howard, bestselling author of *Diana: Case Solved* and *Epstein: Dead Men Tell No Tales*, charts how Meghan's relationship with Harry was viewed as controversial from the start—and how her brief honeymoon with the British public began to sour shortly after she and Harry announced in November 2018 that they would be leaving Kensington Palace to move to Frogmore Cottage, an hour outside London. As senior royals expressed disapproval, the public at first seemed to enjoy the royal spat, with many still supporting Team Meghan—until it emerged that the bill to renovate Frogmore Cottage to Meghan's lavish expectations would be \$3 million . . . and be picked up by British taxpayers. Finally, in a move nobody saw coming, Harry announced he was turning his back on the role he had been groomed for since birth—giving up his HRH title, repaying the renovation costs of Frogmore Cottage, abandoning his royal duties, and leaving Britain for good. Buckingham Palace reeled. Howard's unique access and insight into this constitutional crisis will not only address the tensions and tantrums behind closed palace doors, but seek to answer the questions many are still asking: Has Prince Harry ever really recovered from the death of his mother Diana—and the resentment he feels against the

institution that tried to destroy her? Why did Meghan, once hailed as a breath of fresh air, rile up the monarchy? Why did she refuse to conform to royal conventions in the way that Catherine did before her? Did the public and media criticism of Meghan go too far? And just how valid are the accusations of racism? How did these modern royals treat the tabloids differently to tradition? And did it backfire? What next for Harry and Meghan? And how will they—and the institution they've turned their back on—react to their new lives outside the confines of the Palace and free from the strict codes and conventions that bind all members of the Royal Family? Caught in a trap by virtue of a life entombed in a gilded cage, *Royals at War* answers these questions and more . . . and reveals how Harry's infatuation with Meghan and desire to modernize the monarchy could yet end in disaster for the House of Windsor. Played out against the cataclysm of the British tabloid's laser focus on the duchess' every movement—for good or ill—this is the true story of Harry and Meghan's split from the Establishment . . . and perhaps just the beginning of a whole new Monarchy, redefined for the modern age.

HARRY & MEGHAN Coffee House Press

With the echo of regal church bells still ringing in the ears of royalists and well-wishers worldwide, Fiona Macdonald take a look at the quirky, odd and downright bizarre circumstances surrounding the weddings of the kings, queens, princes and princesses of Britain. One must leave one's sense of decorum at the palace gates as the author tells the wacky stories surrounding the preparations, dresses, ceremonies and national moods that went with the excitement of a royal wedding, from England's resident marriage addict Henry VIII, through Anne Hyde, the 'commoner' who birthed two queens, right up to Prince Charles, Princess Diana and their son and daughter-in-law to be. Featuring facts, figures and family trees, *Royal Weddings, A Very Peculiar History* is sure to keep one in the spirit of things, even after the last fleck of confetti has touched the ground.

"Love is the way. Love is the only way. Those who follow in my way follow in the way of unconditional, unselfish, sacrificial love. And that kind of love can change the world." --Bishop Michael Curry Two billion people watched Bishop Michael Curry deliver his sermon on the redemptive power of love at the royal wedding of Prince Harry and Meghan Markle (now the Duke and Duchess of Sussex) at Windsor Castle. Here, he shares the full text of the sermon, plus an introduction and four of his favorite sermons on the themes of love and social justice. The world has met Bishop Curry and has been moved by his riveting, hopeful, and deceptively simple message: love and acceptance are what we need in these strange times.

The Power of Love Hachette+ORM

The New York Times bestselling biography of Meghan Markle, the American actress who won Prince Harry's heart. Women who smash the royal mold have always fascinated the public, from Grace Kelly to Princess Diana. Now acclaimed royal biographer Andrew Morton, the New York Times bestselling author of *Diana: Her True Story*, brings us a revealing, juicy, and inspiring look at Meghan Markle, the confident and charismatic duchess whose warm and affectionate engagement interview won the hearts of the world. When Meghan Markle and Prince Harry were set up by a mutual friend on a blind date in July 2016, little did they know that the resulting whirlwind romance would lead to their engagement in November 2017 and marriage in May 2018. Morton goes back to Meghan's roots to uncover the story of her childhood growing up in The Valley in Los Angeles, her studies at an all-girls Catholic school, and her fraught family life—a painful experience mirrored by Harry's own background. Morton also delves into her previous marriage and divorce in 2013, her

struggles in Hollywood as her mixed heritage was used against her, her big break in the hit TV show *Suits*, and her work for a humanitarian ambassador—the latter so reminiscent of Princess Diana's passions. Finally, we see how the royal romance played out across two continents but was kept fiercely secret, before the news finally broke and Meghan was thrust into the global media's spotlight. Drawing on exclusive interviews with her family members and closest friends, and including never-before-seen photographs, Morton introduces us to the real Meghan as he reflects on the impact that she has already had on the rigid traditions of the House of Windsor, as well as what the future might hold.

Meghan and Harry Hachette+ORM

A behind-the-scenes look into the life of Meghan Markle and her romance with Prince Harry—a dishy, delightful must-read filled with exclusive insights for anyone obsessed with the Royal Family. Leslie Carroll's books on royalty are "an irresistible combination of *People Magazine* and the History Channel."—Chicago Tribune When Prince Harry of Wales took his American girlfriend, Meghan Markle, to have tea with his grandmother the queen, avid royal watchers had a hunch that a royal wedding was not far off. That prediction came true on November 27, 2017, when the gorgeous, glamorous twosome announced their engagement to the world. As they prepare to tie the knot in a stunning ceremony on May 19, 2018, that will be unprecedented in royal history, people are clamoring to know more about the beautiful American who captured Prince Harry's heart. Born and raised in Los Angeles to a white father of German, English, and Irish descent and an African American mother whose ancestors had been enslaved on a Georgia plantation, Meghan has proudly embraced her biracial heritage. In addition to being a star of the popular television series *Suits*, she is devoted to her humanitarian work—a passion she shares with Harry. Though Meghan was married once before, Prince Harry is a modern royal, and the Windsors have welcomed her into the tight-knit clan they call "The Firm." Even a generation ago, it would have been unthinkable, as well as impermissible, for any member of Great Britain's royal family to consider marrying someone like Meghan. Professional actresses were considered scandalous and barely respectable. And the last time an American divorcee married into the Royal Family, it provoked a constitutional crisis! In *American Princess*, Leslie Carroll provides context to Harry and Meghan's romance by leading readers through centuries of Britain's rule-breaking royal marriages, as well as the love matches that were never permitted to make it to the altar; followed by a never-before-seen glimpse into the little-known life of the woman bringing the Royal Family into the 21st century; and her dazzling, thoroughly modern romance with Prince Harry.

Imagining the End Lulu.com

A royal prince and father offers wisdom on cultivating virtue in this "keepsake for a lifetime and for many generations to follow." Harry and Meghan The Wedding Paper Dolls Simon and Schuster

A ROYAL ENGAGEMENT IS ANNOUNCED. At 10am on 27th November 2017, Clarence House announced the exciting news that Prince Harry is engaged to Meghan Markle, with a wedding planned for spring 2018. The Queen and the Duke of Edinburgh "are delighted for the couple". The Duke and Duchess of Cambridge "are very excited to hear the news about Harry and Meghan". To mark the engagement of Prince Harry to Meghan Markle, Pitkin is delighted to publish this very special new royal souvenir in celebration of this truly modern love story. Born on 15th September 1984, Harry, christened Henry Charles Albert David, is the second child of Prince Charles and Princess Diana and younger brother to Prince William. Harry is the fourth grandchild of the Queen and Prince Philip, and currently 5th in line to the British throne. His bride-to-be Rachel Meghan Markle, known simply as Meghan, was born on 4th August 1981 and grew up in Los Angeles, California. She is the daughter of Thomas Markle, an Emmy award-winning lighting director of Irish and Dutch descent, and Doria Ragland, an African American psychotherapist and yoga teacher. As an accomplished screen actress, Meghan fulfilled her childhood dream of being a television star. This is the tale of how the dashing Prince met and fell in love with the beautiful American actress. Despite their differing backgrounds and career paths, the new royal couple are united in their commitment to charitable campaigns and devotion to one another. Meghan now faces a new chapter as she becomes a senior member of the Royal Family. We have no doubt that she will embrace this duty with her natural charm and elegance. With lavish illustrations and some previously unseen images, this is a souvenir to cherish.

Black Privilege Createspace Independent Publishing Platform

Pierced by grief and charged with history, this new poetry collection from the award-winning author of *Prelude to Bruise* and

How We Fight for Our Lives confronts our everyday apocalypses. In haunted poems glinting with laughter, Saeed Jones explores the public and private betrayals of life as we know it. With verve, wit, and elegant craft, Jones strips away American artifice in order to reveal the intimate grief of a mourning son and the collective grief bearing down on all of us. Drawing from memoir, fiction, and persona, Jones confronts the everyday perils of white supremacy with a finely tuned poetic ear, identifying moments that seem routine even as they open chasms of hurt. Viewing himself as an unreliable narrator, Jones looks outward to understand what's within, bringing forth cultural icons like Little Richard, Paul Mooney, Aretha Franklin and Diahann Carroll to illuminate how long and how perilously we've been living on top of fault lines. As these poems seek ways to love and survive through America's existential threats, Jones ushers his readers toward the realization that the end of the world is already here—and the apocalypse is a state of being.

The Bench Harvard University Press

An instant New York Times bestseller! Charlamagne Tha God—the self-proclaimed “Prince of Pissing People Off,” cohost of Power 105.1’s *The Breakfast Club*, and “the most important voice in hip-hop”—shares his eight principles for unlocking your God-given privilege. In *Black Privilege*, Charlamagne presents his often controversial and always brutally honest insights on how living an authentic life is the quickest path to success. This journey to truth begins in the small town of Moncks Corner, South Carolina, and leads to New York and headline-grabbing interviews and insights from celebrities like Kanye West, Kevin Hart, Malcolm Gladwell, Lena Dunham, Jay Z, and Hillary Clinton. *Black Privilege* lays out all the great wisdom Charlamagne’s been given from many mentors, and tells the uncensored story of how he turned around his troubled early life by owning his (many) mistakes and refusing to give up on his dreams, even after his controversial opinions got him fired from several on-air jobs. These life-learned principles include: -There are no losses in life, only lessons -Give people the credit they deserve for being stupid—starting with yourself -It’s not the size of the pond but the hustle in the fish -When you live your truth, no one can use it against you -We all have privilege, we just need to access it By combining his own story with bold advice and his signature commitment to honesty no matter the cost, Charlamagne hopes *Black Privilege* will empower you to live your own truth.

American Princess Createspace Independent Publishing Platform

Photographer Chris Jackson has been by the Royal family's side on domestic visits and overseas tours for the past fifteen years, resulting in an unparalleled photographic archive of the evolving British Royal family. Occupying a front-row seat to history, Jackson's assignments have taken him to the four corners of the Earth to document the extraordinary breadth and devotion of the Royals to causes such as cancer research, mental health, and HIV awareness in Africa. In his own words in captions and texts, he reveals the magic as well as the logistics of what it's like to photograph the Royal family. The result is this unique collection of photographs of the modern British Royal Family the archive of this multi-award winning Royal Photographer and current Royal Photographer of the Year. From the modern-day fairy tale of the Duke and Duchess of Cambridge's wedding to the births of Prince George and Princess Charlotte and their soon-to-be new sibling to Prince Harry and Meghan Markle's historic marriage to countless Royal tours in between, this book presents the British Monarchy and Queen Elizabeth II, its most enduring icon, through the lens of one of its most trusted photographers. Whether it's Prince George's first day of school, the Duchess of Cambridge playing cricket in Mumbai, or the Invictus Games, Jackson records

moments both large and small with a warmth and sincerity that has made him a media standout. Organized by theme, from State Occasions to Charity works to a typical year in the Royal Diary,

this book celebrates fifteen years of the Royals in intimate portraits of a singular family's role on the world stage at a unique moment in time.
