ALEX DEVYN

Merry Wives and Others WaterBrook

Be productive without sacrificing peace of mind using Lazy Genius principles that help you focus on what really matters and let go of what doesn't. If you need a comprehensive strategy for a meaningful life but are tired of reading stacks of self-help books, here is an easy way that actually works. No more cobbling together life hacks and productivity strategies from dozens of authors and still feeling tired. The struggle is real, but it doesn't have to be in charge. With wisdom and wit, the host of The Lazy Genius Podcast, Kendra Adachi, shows you that it's not about doing more or doing less; it's about doing what matters to you. In this book, she offers fourteen principles that are both practical and purposeful, like a Swiss army knife for how to be a person. Use them in combination to "lazy genius" anything, from laundry and meal plans to making friends and napping without guilt. It's possible to be soulful and efficient at the same time, and this book is the blueprint. The Lazy Genius Way isn't a new list of things to do; it's a new way to see. Skip the rules about getting up at 5 a.m. and drinking more water. Let's just figure out how to be a good person who can get stuff done without turning into The Hulk. These Lazy Genius principles--such as Decide Once, Start Small, Ask the Magic Question, and more--offer a better way to approach your time, relationships, and piles of mail, no matter your personality or life stage. Be who you already are, just with a better set of tools.

Fowler's Publicity Carson-Dellosa Publishing

From the creator of the immensely popular Happy Planner and Me and My BIG Ideas, Stephanie Fleming, comes Plan a Happy Life(TM)--a delightfully practical book that shows you how to simplify, organize, and live with intention, all while having fun.

The Lazy Genius Way Chazen Museum of Art

This New York Times bestselling book is filled with hundreds of fun, deceptively simple, budget-friendly ideas for sprucing up your home. With two home renovations under their (tool) belts and millions of hits per month on their blog YoungHouseLove.com, Sherry and John Petersik are home-improvement enthusiasts primed to pass on a slew of projects, tricks, and techniques to do-it-yourselfers of all levels. Packed with 243 tips and ideas--both classic and unexpected--and more than 400 photographs and illustrations, this is a book that readers will return to again and again for the creative projects and easy-to-follow instructions in the relatable voice the Petersiks are known for. Learn to trick out a thrift-store mirror, spice up plain old roller shades, "hack" your Ikea table to create three distinct looks, and so much more.

Design, Vienna, 1890s to 1930s Fourth Estate

99 Activities to Nurture Successful and Resilient Children is a comprehensive and interactive programme filled with practical activities, aimed at schools and education professionals in order to support children in developing their happiness and resilience. Covering twenty eight skill areas, this book encompasses seven key themes for development: Self-awareness Relationships Confidence Seeking solutions Growth mindset Caring Optimism

The author has created ninety-nine fun, creative and engaging classroom activities, which clearly and expertly guide the professional in supporting a child's happiness and emotional resilience. Children as young as seven can access the programme and get involved with each activity. This vital resource focuses on all the core areas that contribute to the growth of a child's most important positive qualities, providing a much-needed burst of enthusiasm and expertise to the field. 99 Activities to Nurture Successful and Resilient Children will empower children and help them build a fundamental skill-set that will help them to successfully navigate life and to grow as confident, aware, resourceful, independent, and motivated individuals.

Christianity Today Capstone Classroom

Barbara Buenger traces the development of Viennese modernism from turn-of-the-century Jugendstil (as Art Nouveau was known in German-speaking countries) to early twentieth-century Expressionism, and interwar Art Deco. This exhibition catalogue features 103 fine and decorative art works produced by the Vienna Secession and Wiener Werkstätte movements between the 1890s and 1930s. The fully illustrated catalog features textiles, furniture, ceramics, paintings and prints, books, metalwork, glass, and a variety of other objects from a private midwestern collection. Distributed for the Chazen Museum of Art, University of Wisconsin-Madison

Journal of the Assembly, Legislature of the State of California Artisan

In many ways, the history of domestic humor writing is also a history of domestic life in the twentieth century. For many years, domestic humor was written primarily by females; significant contributions from male writers began as times and family structures changed. It remains timeless because of its basis on the relationships between husbands and wives, parents and children, houses and inhabitants, pets and their owners, chores and their doers, and neighbors. This work is a historical and literary survey of humorists who wrote about home. It begins with a chapter on the social context of and attitudes toward traditional domestic roles and housewives. The following chapters, beginning with the 1920s and continuing through today, cover the different time periods and the foremost American domestic humorists, and the humor written by surrogate parents, grown children about their childhood families, husbands, and Canadian and English writers. Also covered are the differences among various writers toward traditional domestic roles--some, like Erma Bombeck and Judith Viorst, embraced them, while others, like Caryl Kristenson and Marilyn Kentz, resisted them. Common themes, such as the isolation and competitiveness of housework, home as an idealized metaphysical goal and ongoing physical challenge, and the urban, suburban, and rural life, are also explored.

The Bullet Journal Method McFarland

Kid-friendly crafts and recipes for traditional holiday festivities—from an autumn wreath to paper snowflakes, matzo bark to a popcorn Kwanzaa collage. Holiday Crafting & Baking with Kids will bring the whole family together for some good holiday fun. Children ages four and up will love selecting their own materials and digging into these cheerful projects. There is something here for everyone and every winter occasion Thanksgiving, Hanukkah, Kwanzaa, Christmas, New Year's, and Boxing Day! Order your copy of "The Beginner's Guide to Stargazing: Locating and Identifying Celestial Objects in the Night Sky, For Teens," and discover the universe's wonders from your backyard. Don't wait—start your journey among the stars now!

The American Architect and Building News Penguin

Joel Beath and Elizabeth Price explore this question drawing inspiration from a diverse collection of apartment designs, all smaller than 50m2/540ft2. Through the lens of five small-footprint design principles and drawing on architectural images and detailed floor plans, the authors examine how architects and designers are reimagining small space living. Full of inspiration we can each apply to our own spaces, this is a book that offers hope and inspiration for a future of our cities and their citizens in which sustainability and style, comfort and affordability can co-exist. Never Too Small proves living better doesn't have to mean living larger.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

The Calendar of St. Willibrord from Ms Chronicle Books

THE NEW YORK TIMES BESTSELLER Transform your life using the Bullet Journal Method, the revolutionary organisational system and worldwide phenomenon. The Bullet Journal Method will undoubtedly transform your life, in more ways than you can imagine! Hal Elrod, author of The Miracle Morning In his long-awaited first book, Ryder Carroll, the creator of the enormously popular Bullet Journal organisational system, explains how to use his method to: * TRACK YOUR PAST: using nothing more than a pen and paper, create a clear, comprehensive, and organised record of your thoughts and goals. * ORDER YOUR PRESENT: find daily calm by prioritising and minimising your workload and tackling your to-do list in a more mindful and productive way. * PLAN YOUR FUTURE: establish and appraise your short-term and long-term goals, plan more complex projects simply and effectively, and live your life with meaning and purpose. Like many of us, Ryder Carroll tried everything to get organised - countless apps, systems, planners, you name it. Nothing really worked. Then he invented his own simple system that required only pen and paper, which he found both effective and calming. He shared his method with a few friends, and before long he had a worldwide viral movement. The system combines elements of a wishlist, a to-do list, and a diary. It helps you identify what matters and set goals accordingly. By breaking long-term goals into small actionable steps, users map out an approachable path towards continual improvement, allowing them to stay focused despite the crush of incoming demands. But this is much more than a time management book. It's also a manifesto for what Ryder calls "intentional living": making sure that your beliefs and actions align. Even if you already use a Bullet Journal, this book gives you new exercises to become more calm and focused, new insights on how to prioritise well, and a new awareness of the power of analogue tools in a digital world. *** This book has been printed with three different colour designs, black, Nordic blue and emerald. We are unable to accept requests for a specific cover. The different covers will be assigned to orders at random. ***

Parenting by God's Promises

Happy New Almanac Year! It's time to celebrate the 230th edition of The Old Farmer's Almanac! Long recognized as North America's most-beloved and best-selling annual, this handy yellow book fulfills every need and expectation as a calendar of the heavens, a time capsule of the year, an essential reference that reads like a magazine. Always timely, topical, and distinctively "useful, with a pleasant degree of humor," the Almanac is consulted daily throughout the year by users from all walks of life. The 2022 edition contains the fun facts, predictions, and feature items that have made it a cultural icon: traditionally 80 percent-accurate weather forecasts; notable astronomical events and time-honored astrological dates; horticultural, culinary, fashion, and other trends; historical hallmarks; best fishing days; time- and money-saving garden advice; recipes for delicious dishes; facts on folklore, farmers, home remedies, and husbandry; amusements and contests; plus too much more to mention—all in the inimitable Almanac style that has charmed and educated readers since 1792.

Cat-a-Day

A sweet rhyming picture book that reminds young readers that to make their dreams come true, "a spoonful of faith is all it takes!" from debut author-illustrator Jena Holliday. Layla wakes up nervous to go to her new school, so she looks to Mama to help her feel better. The mother and daughter duo head to the kitchen and combine all the necessary ingredients--kindness, hope, warm hugs, and prayers--to create a new tradition of confidence and happiness. Written and illustrated by Jena Holliday, this tender picture book serves as a boosting reminder to trust in God, to have faith, but most importantly, to believe in your ability to turn a bad day around. A fun metaphor for transforming your mood, A Spoonful of Faith is Jena's playful rendition of turning comfort food into soul food. An encouraging and hopeful picture book, perfect for anyone nervous about activities such as going back to school.
