"The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted

concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God."-Ellen G White

The Great Controversy Between Christ and Satan: From the Destruction of Jerusalem to the End of

the Controversy

Houghton Mifflin Harcourt Billions of years ago, humans abandoned their cradle and are now scattered across the galaxies. But the legends speak of a time when the sun threatened to burn away the inner worlds of the solar system when it became a red giant, and a remnant of mankind returned to Earth from the farthest stars to install a machine to move humanity's cradle out of danger. Since then, the remnant communities built settlements in the

cracked and broken slopes of the old continental plates, exposed to the elements when the Earth was moved. Now nestled in the outer reaches of the solar system, Earth faces a new challenge—the sun has begun to collapse into a white dwarf. As the sun grows smaller and the world gets colder, the quest for the mythical machine that can move the planet closer to the fading sun becomes a race to save the planet from final extinction. playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to a new fight—the fight to stay alive.
