What does  
your spiritual  
DNA look like?  
In terms of  
your spiritual  
identity,  
where do you  
come from  
and where are

you going? We  
live in an age  
when many  
Christians  
have  
experienced  
several  
denomination  
al and  
religious

communities. Many wonder what to do with these experiences. At the same time many congregations are made up of people who come from different traditions, and the question is how to bring these diverse experiences into the life of the congregation in an enriching way. If we take as our starting point, the call of Abraham and Sarah to take a journey to an unknown land with the promise that their

descendants would be a blessing to the nations, what might this look like in terms of our spiritual lives? Join with the author as he draws on his spiritual journey that has taken him into several denominational traditions, as well as his experiences as a pastor and historical theologian, to discern values and concepts that can help congregations and individuals make sense of their diverse spiritual experiences,

so that together we might fulfill the Abrahamic calling, reaffirmed in Christ, to be a blessing to the nations.

### **The Call**

Thomas Nelson  
Ever since the house of Rothschild first rose to pre-eminence in the turbulent era of the Napoleonic wars, mythology has surrounded the family and its firms. Conservative aristocrats, radical democrats, socialists from Marx onwards,

anti-semites from Wagner to Hitler - all have reserved a special place in their critiques of modern capitalism for the Rothschilds. They have been portrayed as the power behind not just one throne but many. They have been charged with financing revolutions and counter-revolutions. They have been seen as the final arbiters of war and peace in Europe. This book is the

first of two volumes presenting a history of the house of Rothschild that reveals the phenomenal economic success of this secretive family. *Contagious* Baker Books  
A comprehensive collection of lifestyle information, including tips on eating, exercising, and fashion. [Why Study History?](#) Fortress Press  
Five hundred years after Martin Luther and his Ninety-Five

Theses ushered in the Reformation, bestselling author and controversial bishop and teacher John Shelby Spong delivers twelve forward-thinking theses to spark a new reformation to reinvigorate Christianity and ensure its future. At the beginning of the sixteenth century, Christianity was in crisis—a state of conflict that gave birth to the Reformation in 1517. Enduring for

more than 200 years, Luther's movement was then followed by a "revolutionary time of human knowledge." Yet these advances in our thinking had little impact on Christians' adherence to doctrine—which has led the faith to a critical point once again. Bible scholar and Episcopal bishop John Shelby Spong contends that there is mounting pressure among Christians for a radically

new kind of Christianity—a faith deeply connected to the human experience instead of outdated dogma. To keep Christianity vital, he urges modern Christians to update their faith in light of these advances in our knowledge, and to challenge the rigid and problematic Church teachings that emerged with the Reformation. There is a disconnect, he argues,

between the language of traditional worship and the language of the twenty-first century. Bridging this divide requires us to rethink and reformulate our basic understanding of God. With its revolutionary resistance to the authority of the Church in the sixteenth century, Spong sees in Luther's movement a model for today's discontented Christians. In fact, the questions they

raise resonate with those contemplated by our ancestors. Does the idea of God still have meaning? Can we still follow historic creeds with integrity? Are not such claims as an infallible Pope or an inerrant Bible ridiculous in today's world? In Unbelievable, Spong outlines twelve "theses" to help today's believers more deeply contemplate and reshape their faith. As an educator, clergyman,

and writer who has devoted his life to his faith, Spong has enlightened Christians and challenged them to explore their beliefs in new and meaningful ways. In this, his final book, he continues that rigorous tradition, once again offering a revisionist approach that strengthens Christianity and secures its relevance for generations to come. *Our Own God* Broadleaf Books

Native is about identity, soul-searching, and the never-ending journey of finding ourselves and finding God. As both a citizen of the Potawatomi Nation and a Christian, Kaitlin Curtice offers a unique perspective on these topics. In this book, she shows how reconnecting with her Potawatomi identity both informs and challenges her faith. Curtice draws on her personal

journey, poetry, imagery, and stories of the Potawatomi people to address themes at the forefront of today's discussions of faith and culture in a positive and constructive way. She encourages us to embrace our own origins and to share and listen to each other's stories so we can build a more inclusive and diverse future. Each of our stories matters for the church to be truly

whole. As Curtice shares what it means to experience her faith through the lens of her Indigenous heritage, she reveals that a vibrant spirituality has its origins in identity, belonging, and a sense of place. Called to Bless NavPress This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public

From a former marine and Yale Law School graduate now serving as a U.S. Senator from Ohio and the Republican Vice Presidential candidate for the 2024 election, an incisive account of

growing up in a poor Rust Belt town that offers a broader, probing look at the struggles of America's white working class. THE #1 NEW YORK TIMES BESTSELLER "You will not read a more important book about America this year."--The Economist "A riveting book."--The Wall Street Journal "Essential reading."--David Brooks, New York Times Hillbilly Elegy is a passionate

and personal analysis of a culture in crisis--that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline

feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren

would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of Hillbilly Elegy plays out, we learn that J.D.'s grandparents, aunt, uncle, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism,

poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, Hillbilly Elegy is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a

large segment of this country. The New Testament ECW Press "Written in a highly readable and accessible style, this new edition retains the key features that have contributed to its popularity, including hundreds of case studies that provide illustrative guidance on a wide variety of topics, including fee setting, advertising for clients, research ethics, sexual attraction,

how to confront observed unethical conduct in others, and confidentiality . Ethics in Psychology and the Mental Health Professions will be important reading for practitioners and students in training."-- BOOK JACKET. The Grammar of Untold Stories Pocket Books Sixteen essays ranging from lyric essays to narrative journalism address how we make sense of what

we cannot know, how we make change in the world, how we heal, and how we know when we are home. Collectively, these essays convey the longing for agency and connection, particularly among women. They will resonate with readers of all ages, but perhaps especially with women in the second half of life, those dealing with aging parents, retirement, illness, and accompanying vulnerabilities. Here readers

will find  
comfort within  
keen  
reflection  
upon life's  
ambiguities.

"...and then  
Noah loaded  
the dinosaurs  
onto the ark."  
Assertions like  
these seem  
comical until  
you realize  
that many  
Christian  
parents aren't  
kidding when  
they teach  
them to their  
children as  
facts. Every  
day,

impressionabl  
e young minds  
are  
conditioned to  
blindly accept  
wild biblical  
tales of  
floating zoos,  
talking  
shrubbery,  
900-year-old  
humans, the  
undead,  
curses,  
levitation,  
demon/human  
hybrids and  
men who  
obtain super-  
human  
strength from  
the length of  
their hair.  
Allegiance to  
these  
teachings is  
expected,  
often  
demanded.  
Curiosity is  
muted. Doubt  
is frowned

upon as a sin. And for those who dare to raise a dissenting hand, the threat of Hell looms ominously. A former religious radio host raised in the cradle of Christianity, Seth Andrews battled his own doubts for many years. His attempts to reconcile faith and the facts led him to a conclusion previously unthinkable, and this once-true believer ultimately became the founder of one of the most

popular atheist communities on the internet. The Next Mormons Harper Large Print Willa Havisham is a firm believer in Cupid and the goosebumps and heart-thumps of his lightning bolts from the blue! But now two of her biggest loves have got her in a swizzle. First Willa learns that her beloved Bramble library is about to be shut down, and then it

looks like JFK, Willa's heart's desire, has fallen for someone else. Maybe Cupid isn't as dependable as Willa first thought . . . ? Ethics in Psychology and the Mental Health Professions Brazos Press For years Elle Dowd considered herself an advocate for justice, but her well-meaning support always took a back burner to what Martin Luther King Jr. called the tension-free, ordered

"negative peace" of white moderates. Then Michael Brown, a Black man, was murdered by a white police officer in Ferguson, Missouri, and the subsequent Uprising changed everything. In Baptized in Tear Gas, minister and activist Elle Dowd tells the gripping story of her transformation into an Assata Shakur-reading, courthouse-occupying abolitionist with an arrest record, hungry for the revolution. Thanks to deep relationships with people in Ferguson and St. Louis, and to experiencing a fraction of the system for herself--including the fear of rubber bullets, the shock of sound cannons, and running from tear gas--Dowd fully committed to the work of anti-racism and abolition. Now she wants to help other white allies do the same. Like in baptism, this transformation requires parts of us to die: our lack of power analysis, our commitment to white niceness, our tone policing, our respectability politics--all of those impulses we have been socialized by since birth must die so that something new can be resurrected in our lives and in the world. The uprising in Ferguson changed Dowd, and through it, God made her

into something new. Now it's our turn.

**Facing the**

**Music** Oxford University Press Revised edition of the authors' *Ethics in psychology and the mental health professions*, 2008.

*Prominent Families of New York*

Lighthouse Publishing

Updated in its 13th edition, Joseph

Devito's *The Interpersonal Communication Book*

provides a highly interactive presentation

of the theory, research, and skills of interpersonal communication with integrated discussions of diversity, ethics, workplace issues, face-to-face and computer-mediated communication and a new focus on the concept of choice in communication. This thirteenth edition presents a comprehensive view of the theory and research in interpersonal communication and, at the

same time, guides readers to improve a wide range of interpersonal skills. The text emphasizes how to choose among those skills and make effective communication choices in a variety of personal, social, and workplace relationships. *Making Sense of the Bible [Leader Guide]* Macmillan Novel describes the problems of a family in which husband and wife are oppressed and

frustrated by the roles that they are expected to play. Evangeline Knapp is the ideal housekeeper, while her husband, Lester is a poet and a dreamer. Suddenly, through a nearly fatal accident, their roles are reversed; Lester is confined to home in a wheelchair and his wife must work to support the family. The changes that take place between husband and

wife and between parents and children are handled in a contemporary manner. Jesus according to the New Testament HarperCollins Throughout his major works, Leo Tolstoy argues that the central problem of the modern world is its delusional character. We have become delusional about the utility of science, the effects of music, the nature of love and the

divine, and the inescapable reality of death. A Prophet of Modern Delusions: Tolstoy's Critique of Modernity explores Tolstoy's arguments regarding these delusions. In so doing, it illustrates the continuing relevance of Tolstoy's writings to those who desire to understand the complexities of modernity and who wish to be roused from deeply

entrenched ways of thinking that may be delusional.

### **The House of Rothschild**

Wm. B. Eerdmans Publishing  
From #1 New York Times bestselling author Karen Kingsbury comes a life-changing holiday tale of love and hope after heartbreak. Two years after the car accident that took Erin Baxter's life, her father, John Baxter, still lives in constant grief. John's heartbreak

prompts him to invite Kendra Bryant, the transplant recipient who now has Erin's heart, to Christmas Eve dinner despite protests from his remaining children. Ashley and Luke want to protect their ten-year-old niece who is the only surviving child of Erin's, but John remains determined and believes that meeting this woman is something his deceased daughter would want. Meanwhile, Kendra Bryant

is struggling to come to terms with the tragedy that gave her a second chance. It is only when she witnesses the Baxter's unwavering faith in God that she begins to heal and allow peace and happiness back into her life. At the same time, Maddie West, the eighteen-year-old daughter of Brooke Baxter West, continues to pray for meaning this Christmas. When she discovers a

newfound  
friendship with  
a boy she  
never  
expected to  
see again, she  
begins to  
believe in  
miracles,  
especially  
around  
Christmastime  
. A Baxter  
Family  
Christmas is a  
heartwarming  
story that  
brings  
together two  
families in the  
midst of  
tragedy and  
loss, all with  
the help one  
very special  
child.

**Hillbilly  
Elegy**

Hachette UK  
What is the  
purpose of  
studying

history? How  
do we reflect  
on  
contemporary  
life from a  
historical  
perspective,  
and can such  
reflection help  
us better  
understand  
ourselves, the  
world around  
us, and the  
God we  
worship and  
serve? Written  
by an  
accomplished  
historian,  
award-winning  
author, public  
evangelical  
spokesman,  
and respected  
teacher, this  
introductory  
textbook  
shows why  
Christians  
should study  
history, how

faith is  
brought to  
bear on our  
understanding  
of the past,  
and how  
studying the  
past can help  
us more  
effectively  
love God and  
others. John  
Fea shows  
that deep  
historical  
thinking can  
relieve us of  
our  
narcissism;  
cultivate  
humility,  
hospitality,  
and love; and  
transform our  
lives more  
fully into the  
image of Jesus  
Christ. The  
first edition of  
this book has  
been used  
widely in

Christian colleges across the country. The second edition provides an updated introduction to the study of history and the historian's vocation. The book has also been revised throughout and incorporates Fea's reflections on this topic from throughout the past 10 years.

*The Skinny Confidential*  
Pan Macmillan  
Why am I here? What is God's call in my life? How do I fit God's

call with my own individuality? How should God's calling affect my career, my plans for the future, and my concepts of success? First published in 1997 by distinguished author and speaker Os Guinness, *The Call* remains a treasured source of wisdom for those who ask these questions. According to Guinness, "No idea short of God's call can ground and fulfill the truest human

desire for purpose and fulfillment." In this newly updated and expanded anniversary edition, Guinness explores the truth that God has a specific calling for each one of us and guides a new generation of readers through the journey of hearing and heeding that call. With more than 100,000 copies in print, *The Call* is for all who desire a purposeful, intentional life of faith.
