Cheng, a former McKinsey management consultant, reveals his proven, insider's method for acing the case interview.

UBS WETFEET, INC.

Case Closed is an award-winning, detailed guide to acing the consulting interview. Other consulting prep materials are written by those who have been out of the industry for decades. Case Closed is the only guide written by former McKinsey consultants and interviewers who have been intimately involved in the interview process in the last 2 years. This authoritative resource covers some never-covered-before topics, including: How to write your resume to attract the attention of resume-graders and recruiters at McKinsey, Bain, and BCG Why the "personal experience" (fit) interview matters, what interviewers are probing for, and what types of experiences to prep How the interviewers evaluate your case performance: what matters, and what doesn't How to tackle non-traditional cases that interviewers may throw at you, which no canned framework from the typical case interview books can help with How to prep if you have 60 days, 30 days, or just 2 weeks before your expected first interview How to hack both in-person interactions and video interview interactions, in a time of COVID-19 The surprisingly good - and surprisingly bad - questions to ask your interviewer during Q&A How to master innovative, universally-adaptable case interview frameworks. Any candidate can regurgitate the frameworks from Case In Point or Case Interview Secrets; nothing there will "wow" an interviewer

Countless example cases spanning profitability, new market entry, new product / growth, pricing, M&A, and even non-traditional archetypes Whether you are a current undergrad or MBA looking for an internship or full-time role, or an experienced professional, Case Closed is an investment into your professional future. Stand out from the pack with the latest, cutting-edge secrets to wow your consulting case interviewers. Sean Huang's former proteges span undergraduates, MBAs, advanced degree holders, and experienced hires. These students have landed job offers at top consulting firms, including McKinsey, BCG, and Bain; many have also used the structured thinking he has taught them to land roles at Goldman Sachs IBD, Google BizOps & Strategy, as well as at Fortune 500 strategy groups. "Case Closed has been a lifesaver. It truly contains everything you need to know to ace your consulting interviews and Sean explains things in a clear manner that is easy to understand. After studying Case Closed, I landed my dream job at McKinsey and I've raved about this book to all my friends."-McKinsey New York full time offer, Wharton MBA "I used to be intimidated by the notorious consulting case interviews. For anyone looking to get a job offer to a top consulting firm, Case Closed is honestly the best interview prep book (and I've read all of them). The case interviews in Case Closed were by far the best and most similar to the cases I got in the actual interviews."-Bain San Francisco internship offer, UC Berkeley Haas (undergraduate) "In my panic, I read all of the case interview frameworks from different case prep books. And that ended up confusing me more because there were so many frameworks but no easy way to remember when to use

what. Case Closed walks you through the interview process in such a great way that I started loving case interviews and landed the job." -BCG Boston full time offer, University of Virginia (undergraduate)

This book reveals that the mind automatically sorts information into distinctive pyramidal groupings. However, if any group of ideas are arranged into a pyramid structure in the first place, not only will it save valuable time and effort to write, it will take even less effort to read and comprehend it *Careers in Real Estate* WETFEET, INC. When silent-film star Roscoe Arbuckle is accused of crushing an actress to death during a wild 1920s party, Pinkerton agent Dashiell Hammett struggles to sort out fact from fiction in an array of conflicting witnesses testimonies; a case that is further complicated by an influential newspaper's demand for a guilty verdict.

The use of complex graphs in case interviews has exploded. Interviewees have a very short time to look at the graph, analyze it, extract what is important and apply it to their answer. This book was designed to help understand the role of graphs in consulting (both during an interview and on the job). The authors introduce the Ivy Graph Framework to assist the analysis of graphs during interviews. In addition the book provides ten sophisticated cases with numerous graphs per case.

Connor Grey is a druid consultant for the Boston PD on their "strange" cases. So his world is turned upside down when he suddenly finds that he himself has become one. Wrongly accused of a terrorist attack that rocked the city to its core, Connor evades arrest by going underground, where rumors of war are roiling. A final confrontation between the Celtic and Teutonic fey looks inevitable-with Boston as the battlefield...

In the latest thriller featuring the legendary Boston PI, Spenser and his young protégé Mattie Sullivan take on billionaire money manager running a network of underaged girls for his rich and powerful clients. Ten years ago, Spenser helped a teenage girl named Mattie Sullivan find her mother's killer and take down an infamous Southie crime boss. Now Mattie--a college student with a side job working for the tough but tender private eye--dreams of being an investigator herself. Her first big case involves a fifteen-year-old girl assaulted by a much older man at one of Boston's most prestigious private clubs. The girl, Chloe Turner, only wants the safe return of her laptop and backpack. But like her mentor and boss, Mattie has a knack for asking the right questions of the wrong people. Soon Spenser and Mattie find ties between the exploitation

of dozens of other girls from working class families to an eccentric billionaire and his sadistic henchwoman with a mansion on Commonwealth Avenue. The mystery man's wealth, power and connections extend well beyond Massachusetts - maybe even beyond the United States. Spenser and trusted ally Hawk must again watch out for Mattie as she unravels a massive sex-trafficking ring that will take them from Boston to Boca Raton to the Bahamas, crossing paths with local toughs, a highly-trained security company, and an old enemy of Spenser's--the Gray Man--for a final epic showdown.

In the third gripping crime novel in Ace Atkins's New York Times bestselling series, small town sheriff Quinn Colson takes on deadly criminals and even deadlier weather... A year after becoming sheriff of Tibbehawh County, Mississippi, Quinn Colson is faced with a pardoned killer's return to Jericho. Jamey Dixon now preaches redemption and forgiveness, but the family of the woman he was convicted of killing isn't buying it. They warn Quinn that his sister's relationship with Dixon could be fatal. Others don't think the new preacher is a changed man, either—a couple of dangerous convicts who confided in Dixon about an armored car robbery believe he's after the money they hid. So they do the only thing they can: break out and head straight to Jericho, leaving a trail of bodies in their wake. Colson and his deputy, Lillie, have their work cut out for them. But they don't count on one more unwelcome visitor: a tornado that causes havoc just as the manhunt heats up. Communications are down, the roads are impassable—and the rule of law is just about to snap.
