Bela knjiga, Timski doktor - karika koja nedostaje IFDT

Sixteen-year-old Miles' first year at Culver Creek Preparatory School in Alabama includes good friends and great pranks, but is defined by the search for answers about life and death after a fatal car crash. An ALA Best Book for Young Adults & ALA Quick Pick. Reprint.

Срби у Белој Крајини: језичка идеологија у процесу замене језика DATA STATUS

Haunting is what happens when the past is disturbed and the victims of previous violence, who are thought to be buried and forgotten, are brought back to the present and made to live

again. Serbian fiction writers of the 1980s exhume the ghosts of the past, re-remembering the cruelty of the twentieth century, reinterpreting the heroic role of the Partisans and the extraordinary measures taken to defend Yugoslavia's recently won independence and socialist revolution. Their uncanny and ghostly imagery challenges the assumptions of the master discourse promoted by the country's orthodox communist authorities and questions the historical roots of social and cultural identities. The instability of this period of transition is deepened during the wars of the 1990s, when authors turn from the memory of past violence to face the ferocious brutality of new conflicts. The haunting evocations in their work continue to articulate fresh uncertainties as the trappings of modern civilization are stripped away and replaced by the destructive

logic of civil war. The past returns once more with renewed energy in the struggle to make sense of a vastly changed world.

Kako razumeti osobenosti emocionalnog povezivanja Da li čeznete za bliskošću, ali se čini da je ne možete postići? Ako imate dobar odnos, zar ne biste želeli da on bude sjajan? Da li se osećate izostavljenim, zato što se nije pojavio niko ko vas smatra dovoljno dopadljivim, da bi razmislio da se poveže s vama? Da li vaš posao potiskuje vreme i zainteresovanost za dublji odnos? Zar nije upravo Bog pogledao dole, saosećajući sa vama, i poslao vam pravog prijatelja? Šta je to što sprečava da doživite ono za šta ste bili stvoreni? Koji stil emocionalne vezanosti imate - udaljavajući ili površan, pribijajući ili anksiozan ili zbunjujući (ponekad se čvrsto držite uz nekoga, a u ostalim slučajevima imate strah od bliskosti)? U ljudskom umu i srcu nalazi se želja da pripadamo - da budemo duboko, blisko povezani sa barem jednim ljudskim bićem. To nije samo veza koja uključuje seksualnu sjedinjenost, već ona koja ujedinjuje srce sa srcem i um sa umom. Bog je tu želju stavio u nas, kako bismo imali tu vrstu zajednice sa Njim. Vi svoje veze možete preobraziti u sigurne i ispunjene! Znanje je moć, a ova knjiga će vam pomoći da, najpre, razumete, a onda i uradite ono što je neophodno, kako biste preobrazili svoje odnose. Na raspolaganju vam je radna sveska koja će vam pomoći da prepoznate i izvršite promenu u pozitivnom smeru. Radnu svesku ćete naći na www.fixablelife.com

'Two young women plunging into post-war Bosnia like two Alices into Wonderland . . . smart, energetic, passionate, announcing a major talent.' - Aleksandar Hemon Sara hasn't seen or heard from her childhood best-friend, Lejla, in years. She's comfortable with her life in Dublin, with her partner, their avocado plant, and their naturist neighbour. But when Lejla calls and demands she come home to Bosnia, Sara finds that she can't say no. What begins as a road trip becomes a journey through the past, as the two women set off to find Armin, Lejla's brother who disappeared towards the end of the Bosnian War. Presumed dead by everyone else, only Lejla and Sara believed Armin was still alive.

Confronted with the limits of memory, Sara is forced to reconsider the things she thought she understood as a girl: the best friend she loved, the first experiences they shared, but also the social and religious lines that separated them, that brought them such different lives. Translated into English by Lana Bastašić, *Catch the Rabbit* tells the story of how we place the ones we love on pedestals, and then wait for them to fall off, how loss marks us indelibly, and how the traumas of war echo down the years.

Nanomedicina Author House

Grenzüberschreitungen" - das Überwinden von Grenzen in ethnischer, kultureller und fachlicher Perspektive pragen das Werk von Gabriella Schubert, die qua Beruf und Berufung zum Dialog der Völker und Kulturen einladet. Mit der Festschrift Grenzüberschreitungen wird eine Wissenschaftlerin geehrt, die sich in ihrer langjährigen Lehr- und Forschungstätigkeit zur

Kultursemiotik, zu Selbst- und Fremdbild, Sprache und Identität sowie zu den Volksliteraturen in Südosteuropa grosse Anerkennung im In- und Ausland (u.a. Mitglied der Serbischen und der Ungarischen Akademie der Wissenschaften sowie des Præsidiiums der Südosteuropa- Gesellschaft) erworben hat. Zahlreiche Symposien und Buchveröffentlichungen zeugen davon, dass ihr besonders die deutsch-sudslawischen Beziehungen am Herzen liegen - eben die Überwindung von Grenzen. "Grenzüberschreitungen" spiegeln sich ebenfalls in den Beiträgen der Festschrift für Gabriella Schubert wider, die 57 Kollegen, Weggefährten, Schüler und Freunde der Jubilarin zum Geburtstag widmen. In dem Band vereinen sich Beiträge aus Balkanologie, Sudslawistik, Südosteuropastudien, Rumanischer Philologie, Byzantinistik, Religionswissenschaft, Soziologie und südosteuropäischer Geschichte, die sich alle thematisch mit den Traditionen und Identitäten in Südosteuropa auseinandersetzen. Prvi kongres o prevenciji dopinga u sportu RH Childrens Books Set in a luxurious grand hotel just outside Lisbon, at the height of the Second World War, Estoril is a delightful and poignant novel about exile, divided loyalties, fear and survival. The hotel's guests include spies, fallen kings, refugees from the Balkans, Nazis, American diplomats and stateless Jews. The Portuguese secret police broodingly observe the visitors, terrified that their country's neutrality will be compromised. The novel seamlessly fuses the stories of its invented characters with appearances by historical figures like the ex-King Carol of Romania, the great Polish pianist Jan Paderewski, the British agent Ian Fleming, the Russian chess grandmaster Alexander Alekhine and the French writer and flyer Antoine de St Exupery, who forms a poignant

friendship with a young Jewish boy living alone in the hotel. Prilozi za proučavanje istorije Sarajeva Northwestern University Press

The Scent of Rain in the Balkans Head of Zeus Ltd

Ovakav konceptualno potpuno originalan pristup, stvara izuzetne mogućnosti za profilisanje novih oblika obrazovanja i usmerenja na našim fakultetima i fakultetima u širem regionu kojima je srpski jezik blizak, jer već naveliko otkucava sat ukazujući da je napokon došao poslednji trenutak dase u okviru različitih smerova prirodnih, tehničkih i medicinskih nauka uvede susmerenja vezano za nanomedicinu kao deo master studija prvo, a potom i zaseban master studija, budući da je ova oblast već postala jedna od najatraktivnijih u celom svetu i da će tokom 21. veka biti nesporno prva oblast izbora. To će biti najunosnije zanimanje, je posle eksplozije u informatici koja se polako stišava bližeći se svome vrhuncu, nova eksplozija silne dinamike očekuje se u nanomedicini. Ona će biti neka vrsta nauke koja će u sebi na multidisciplinarnan način objedinjavati prirodne, tehničke, biološke i medicinske nauke. Zbog toga, da bi ostvario celovit uvid u sva neophodna znanja potrebna za razumevanje problema kojima se bavi nanomedicina i da bi strateži odgovorile tako zahtevno postavljene ciljevima od strane autora, ova i prethodne dve knjige istog autora su pisane sa namerom da budu i monografska dela, zbog čega su protkane nizom primera iz autorove prakse. dr Vukoman Jokanović

Knjige na srpskom jeziku Otto Harrassowitz Verlag

The Fortress is one of the most significant and fascinating novels to come out of the former Yugoslavia. Ahmet Shabo returns home to eighteenth-century Sarajevo from the war in Russia, numbed by the death in battle or suicide of nearly his entire military unit. In time he overcomes the anguish of war, only to find that he has emerged a reflective and contemplative man in a society that does not value, and will not tolerate, the subversive implications of these qualities.

Looking for Alaska Pan Macmillan

This examination of realia in Byzantine religious painting provides valuable information on Byzantine dress, household effects and implements, while introducing at the same time an alternative, literally 'objective', approach to the study of the formative processes of Byzantine art.

Best Sellers - Books :

- [Icebreaker: A Novel \(the Maple Hills Series\) By Hannah Grace](#)
- [It Ends With Us: A Novel \(1\) By Colleen Hoover](#)

As topical today as when it was first published in 1938, this book tells of Bartholomew Cubbins (from Caldecott Honor winner Bartholomew and the Oobleck) and his unjust treatment at the hands of King Derwin. Each time Bartholomew attempts to obey the king's order to take off his hat, he finds there is another hat on his head. Soon it is Bartholomew's head that is in danger . . . of being chopped off! While The 500 Hats is one of Dr. Seuss's earliest works, it is nevertheless totally Seussian, addressing subjects that we know the good doctor was passionate about: abuse of power (as in Yertle the Turtle), rivalry (as in The Sneetches), and of course, zany good humor!
