"A sharp, funny, and eccentric debut ... Pond makes the case for Bennett as an innovative writer of real talent. ... [It]reminds us that small things have great depths."-New York Times Book Review "Dazzling...exquisitely written and daring ." -O, the Oprah Magazine
Immediately upon its publication in Ireland, Claire-Louise Bennett's debut

began to attract attention well beyond the expectations of the tiny Irish press that published it. A deceptively slender volume, it captures with utterly mesmerizing virtuosity the interior reality of its unnamed protagonist, a young woman living a singular and mostly solitary existence on the outskirts of a small coastal village. Sidestepping the usual conventions of narrative, it focuses on the details of her daily experience—from the best way to eat porridge or bananas to an encounter with cows—rendered sometimes in

story-length, story-like stretches of narrative, sometimes in fragments no longer than a page, but always suffused with the hypersaturated, almost synesthetic intensity of the physical world that we remember from childhood. The effect is of character refracted and ventriloquized by environment, catching as it bounces her longings, frustrations, and disappointments—the ending of an affair, or the ambivalent beginning with a new lover. As the narrator's persona emerges in all its eccentricity, sometimes painfully and often hilariously, we cannot help but see mirrored there our own fraught desires and limitations, and our own fugitive desire, despite everything, to be known. Shimmering and unusual, Pond demands to be devoured in a single sitting that

will linger long after the last page.

When South African conservationist Lawrence Anthony was asked to accept a herd of 'rogue' elephants on his Thula Thula game reserve in Zululand, his common sense told him to refuse. But he was the herd's last chance of survival - dangerous and unpredictable, they would be killed if Anthony wouldn't take them in. As Anthony risked his life to create a bond with the troubled elephants and persuade them to stay on his reserve, he came to realize what a special family they were, from the wise matriarch Nana, who guided the herd, to her warrior sister Frankie, always ready to see off any threat, and their children who fought so hard to survive. With unforgettable characters and exotic

wildlife, this is an enthralling book that will appeal to animal lovers and adventurous souls everywhere.

"Sparkles in every way. A love letter to

the open lonely American heartland...A must-read." —People "The kind of book that restores your faith in humanity." —Toronto Star Welcome to Little Wing. It's a place like hundreds of others, nothing special, really. But for four friends—all born and raised in this small Wisconsin town—it is home. And now they are men, coming into their own or struggling to do so. One of them never left, still working the family farm that has been tilled for generations. But others felt the need to move on, with varying degrees of success. One trades commodities, another took to the rodeo circuit, and one of them even hit it big as a rock star. And then there's Beth, a woman who has meant something special in each of their lives. Now all four are brought together for a wedding.

Little Wing seems even smaller than before. While lifelong bonds are still strong, there are stresses—among the friends, between husbands and wives. There will be heartbreak, but there will also be hope, healing, even heroism as these memorable people learn the true meaning of adult friendship and love. Seldom has the American heartland been so richly and accurately portrayed. Though the town may have changed, the one thing that hasn't is the beauty of the Wisconsin farmland, the lure of which, in Nickolas Butler's hands, emerges as a vibrant character in the story. Shotgun Lovesongs is that rare work of fiction that evokes a specific time and place yet movingly describes the universal human condition. It is, in short, a truly remarkable book—a novel that once

read will never be forgotten.

"I can't imagine reading this book without being challenged and instructed, amused, amazed and aroused, and ultimately delighted." —John Simon, *New York Times Book Review* Milan Kundera's brilliant collection of essays is a passionate defense of art in an era that, he argues, no longer values art or beauty. With the same dazzling mix of emotion and ideas that characterizes his bestselling novels, the internationally acclaimed author revisits the artists whose works help us better understand what it means to be human. Elegant, startlingly original, and provocative, *Encounter* combines many of the

author's signature themes with personal reflections and stories.

The bestselling novel of love and sacrifice under fascist rule, and “a treat for the mind. One of the best books I have read in a long time” (Isabel Allende). Raimund Gregorius, a professor of dead languages at a Swiss secondary school, lives a life governed by routine. Then, an enigmatic Portuguese woman stirs his interest in an obscure, and mind-expanding book of philosophy that opens the possibility of changing Raimund's existence. That same night, he takes the train to Lisbon to research the book's phantom author, Amadeu de Prado, a renowned physician whose principles led him to confront Salazar's dictatorship. Raimund, now obsessed

with unlocking the mystery behind the man, is determined to meet all those on whom Prado left an indelible mark.

Among them: his eighty-year-old sister, who maintains her brother's house as if it were a museum; an elderly cleric and torture survivor confined to a nursing home; and Prado's childhood friend and eventual partner in the Resistance. The closer Raimund comes to the truth of Prado's life, and eventual fate, an extraordinary tale takes shape amid the labyrinthine memories of Prado's intimate circle of family and friends, working in utmost secrecy to fight dictatorship, and the betrayals that threaten to expose them. “A meditative, deliberate exploration of loneliness, language and the human condition” (The San Diego Union-Tribune), *Night Train to*

Lisbon “call[s] to mind the magical realism of Jorge Amado or Gabriel Garcia Marquez . . . allusive and thought-provoking, intellectually curious and yet heartbreakingly jaded,” and inexorably propelled by the haunting mystery at its heart (The Providence Journal). Night Train to Lisbon was adapted into Bille August’s award-winning 2013 film starring Jeremy Irons, Lena Olin, Christopher Lee, and Charlotte Rampling.

One of the most revered essayists and novelists of his generation, Frederic Morton has captured with matchless immediacy the glamour of Vienna before World War I and the storied opulence of the Rothschild family in his bestselling and award-winning works. Now, in his first book in more than fifteen years, he delivers a luminous look at his own unique pursuit of the American dream. Like many Austrian boys in 1936, the author idolizes Fritz Austerlitz, the Austrian American who went to Hollywood and emerged as Fred Astaire. When his family is forced to flee Vienna, Fritz Mandelbaum becomes Fred Morton and immigrates to New York City. Though he does not learn English until he is sixteen years old, Morton

nonetheless goes on to succeed as a writer. The author sets out ten scenes from his pilgrim life and his remarkable road to success: from watching a poorly dubbed Astaire in Vienna to delivering apricot tarts as a baker's assistant in New York; from Salt Lake City where as a young English instructor he met Vladimir Nabokov to a Christmas spent with the Rothschilds at Château Mouton. *Runaway Waltz* is a soulful, beautifully written portrait of one man's extraordinary quest for fulfillment and enduring transformation.

"I loved this novel truly, madly, deeply."
—Nina George, bestselling author of *The Book of Dreams* and *The Little Paris Bookshop* In this international bestseller

by the award-winning novelist Mariana Leky, a heartwarming story unfolds about a small town, a grandmother whose dreams foretell a coming death, and the young woman forever changed by these losses and her loving, endearingly oddball community. On a beautiful spring day, a small village wakes up to an omen: Selma has dreamed of an okapi. Someone is about to die. Luisa, Selma's ten-year-old granddaughter, looks on as the predictable characters of her small world begin acting strangely. Though they claim not to be superstitious, each of her neighbors newly grapples with buried secrets and deferred decisions that have become urgent in the face of death. Luisa's mother struggles to decide whether to end her marriage. An old

family friend, known only as the optician, tries to find the courage to tell Selma he loves her. Only sad Marlies remains unchanged, still moping around her house and cooking terrible food. But when the prophesied death finally comes, the circumstances fall outside anyone's expectations. The loss forever changes Luisa and shapes her for years to come, as she encounters life's great questions alongside her devoted friends, young and old. A story about the absurdity of life and death, a bittersweet portrait of small towns and the wider world that beckons beyond, this charmer of a novel is also a thoughtful meditation on the way loss and love shape not just a person but a community. Mariana Leky's *What You Can See from Here* is a moving tale of grief, first love, reluctant

love, late love, and finding one's place in the world, even if that place is right where you started.

The reader can then follow the interaction between the fictional character, the little pig Joanna, and the artist. A train and its numerous passengers become the setting for this beautifully illustrated narrative. As the story unfolds, Joanna has many requests to make to her creator: from her clothing (that she would prefer to be stripey), to catching up with another train to see who could possibly be inside it. WINNER OF THE 2017 LEIPZIG BOOK
FAIR PRIZE—When Natascha Wodin’s
mother died, Natascha was only ten
years old—too young to find out what
her mother had experienced during
World War II. All the little girl knew was
that they were detritus, human debris
left over from the war. Years later,
Natascha set out on a quest to find out
what happened to her mother during
that time. Why had they lived in a camp
for “displaced persons”? Where did her
mother come from? What had she
experienced? The one thing she knew is

that her parents had to leave Mariupol in
Ukraine for Germany as part of the Nazi
forced labor program in 1943. Armed
with this limited knowledge, Natascha
resolved to piece together the puzzle of
her family’s past. The result is a highly
praised, beautiful piece of prose that has
drawn comparisons to W. G. Sebald in its
approach. Like Sebald, Natascha’s aim is
to reclaim the stories of those who can
no longer speak for themselves. The
author is not only in search of her own
family’s history, but she is also aware
that she is charting unmarked territory:
accounts of the plight of forced laborers
and displaced persons are still a rarity
within literature about World War II and
its atrocities. Natascha’s personal
homage to her mother’s life story is an
important lyrical memorial for the

thousands of Eastern Europeans who were forced to leave their homes and work in Germany during the war, and a moving reflection of the plight of displaced peoples throughout the ages. This is a darkly radiant account of one person's fate, developing momentous emotive power—its subject serves as a proxy for the fate of millions.

A beautifully written, darkly funny coming-of-age story from an award-winning, bestselling German author making his American debut. Mike Klingenberg doesn't get why people think he's boring. Sure, he doesn't have many friends. (Okay, zero friends.) And everyone laughs at him when he reads his essays out loud in class. And he's

never invited to parties - including the gorgeous Tatiana's party of the year. Andre Tschichatschow, aka Tschick (not even the teachers can pronounce his name), is new in school, and a whole different kind of unpopular. He always looks like he's just been in a fight, his clothes are tragic, and he never talks to anyone. But one day Tschick shows up at Mike's house out of the blue. Turns out he wasn't invited to Tatiana's party either, and he's ready to do something about it. Forget the popular kids: Together, Mike and Tschick are heading out on a road trip. No parents, no map, no destination. Will they get hopelessly lost in the middle of nowhere? Probably. Will meet some crazy people and get into serious trouble? Definitely. But will they ever be called boring again? Not a

chance.

Umberto Eco published his first novel, *The Name of the Rose*, in 1980, when he was nearly fifty. In these “confessions,” the author, now in his late seventies, looks back on his long career as a theorist and his more recent work as a novelist, and explores their fruitful conjunction. He begins by exploring the boundary between fiction and nonfiction—playfully, seriously, brilliantly roaming across this frontier. Good nonfiction, he believes, is crafted like a whodunnit, and a skilled novelist builds precisely detailed worlds through observation and research. Taking us on a tour of his own creative method, Eco recalls how he designed his fictional

realms. He began with specific images, made choices of period, location, and voice, composed stories that would appeal to both sophisticated and popular readers. The blending of the real and the fictive extends to the inhabitants of such invented worlds. Why are we moved to tears by a character’s plight? In what sense do Anna Karenina, Gregor Samsa, and Leopold Bloom “exist”? At once a medievalist, philosopher, and scholar of modern literature, Eco astonishes above all when he considers the pleasures of enumeration. He shows that the humble list, the potentially endless series, enables us to glimpse the infinite and approach the ineffable. This “young novelist” is a master who has wise things to impart about the art of fiction and the power of words.

Night Train to Lisbon Simon and Schuster

When Keith Stapperpfennig and his family give their grandfather the trip of a lifetime--an all expenses paid holiday to any destination in the world--the eccentric old man arbitrarily chooses China, and he asks Keith to accompany him. But when Keith loses all the money for the journey at a casino, he goes into hiding--mostly under his desk--and his grandfather--equally uninterested in actually traveling to China--heads down the road to engage in a similar subterfuge. And it is here that the novel opens, two men in hiding, mere miles apart. But when his grandfather dies unexpectedly, Keith is left to continue the farce alone. With the aid of a guidebook, Keith writes a series of

letters home to his brothers and sisters, detailing their imaginary travels and the bizarre sights they see. These start off harmlessly, but before long he starts adding invented details: non-stop dental hygiene shows on television, dog vaccinations at the post office--and the letters get longer and longer. Engaging, strange, and ultimately moving, this hilarious novel from Tilman Rammstedt won him the prestigious Ingeborg Bachmann Prize in 2008 and confirmed him as one of Germany's most compelling writers.
