Dad's Maybe Book Baker Books
USA TODAY BESTSELLER It is time for
Christian patriarchy to end. Biblical
womanhood--the belief that God designed
women to be submissive wives, virtuous
mothers, and joyful homemakers--
pervades North American Christianity.
From choices about careers to roles in
local churches to relationship dynamics,
this belief shapes the everyday lives of

evangelical women. Yet biblical
womanhood isn't biblical, says historian
Beth Allison Barr. It arose from a series of
clearly definable historical moments. Barr
presents historical insights and shares a
better way forward for the contemporary
church by ● giving context for
contemporary teachings about women's
roles in the church ● explaining why
biblical womanhood is more about human
power structures than the message of
Christ ● interweaving her story and
experiences as a Baptist pastor's wife ●
shedding light on the #ChurchToo
movement and abuse scandals in

Southern Baptist circles and the broader
evangelical world This book moves the
conversation about biblical womanhood
beyond Greek grammar and into the realm
of church history--ancient, medieval, and
modern--to show that this belief is not
divinely ordained but a product of human
civilization that continues to creep into the
church. "A powerful work of skillful
research and personal insight."--Publishers

WINNER OF THE ARAB AMERICAN BOOK

AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR The stunning debut of a brilliant nonfiction writer whose vivid account of his grandparents' lives in Egypt, Tunisia, Palestine, and Los Angeles reclaims his family's Jewish Arab identity There was a time when being an "Arab" didn't mean you were necessarily Muslim. It was a time when Oscar Hayoun, a Jewish Arab, strode along the Nile in a fashionable suit, long before he and his father arrived at the port of Haifa to join the Zionist state only to find themselves hosed down with DDT and then left unemployed on the margins of society. In that time, Arabness was a mark of cosmopolitanism, of intellectualism. Today, in the age of the Likud and ISIS, Oscar's son, the Jewish Arab journalist Massoud Hayoun whom Oscar raised in Los Angeles, finds his voice by telling his family's story. To reclaim a worldly, nuanced Arab identity is, for Hayoun, part of the larger project to recall a time before ethnic identity was mangled for political ends. It is also a journey deep into a lost age of sophisticated innocence in the Arab world; an age that is now nearly lost. When We Were Arabs showcases the

gorgeous prose of the Eppy Award-winning writer Massoud Hayoun, bringing the worlds of his grandparents alive, vividly shattering our contemporary understanding of what makes an Arab, what makes a Jew, and how we draw the lines over which we do battle.

The Book of Longings Princeton University Press

Beyond the Trial is a collection of three fictional stories: Erased Reproach, Rude Awakening, and Shadows from the Past. It tells the story of three African women who faced several challenges in their lives: unwanted pregnancy, early widowhood, domestic abuse, and rejection. They chose to turn their setbacks into stepping stones and their trials into testimonies. They exhibited strength of character, resilience, and a determination to succeed in spite of all the odds they faced. It is a must-read for teenagers, young adults, teachers, parents, and grandparents. It is highly educative and entertaining with crucial moral values highlighted. Join Funke, Nkechi, and Ada as they wade through their individual trials to find love, reconciliation, forgiveness, restoration,

and lasting peace. There should be a copy in every home! It is an ideal gift item for youths.

The Doctrines of Grace Henry Holt and Company

Drew Thomas is a comic shop nerd until one fateful day. An unlikely meeting with a cop and a skateboard sends his life in a completely new direction. He starts high school and, along with his group of misfit friends, soon becomes a contender on the Cincinnati skateboard scene. Along the way he quickly learns that life off the board isn't so simple. The party life is snatching his friends away from their boards. He winds up stuck in an on-again and off-again love triangle. And he realizes that not fitting in just may be the death of him. YESTERDAY ERASED is a hard-to-put-down, 109,000-word commercial fiction piece, based on my own experiences growing up. It deals in themes any young adult, skateboarder or not, can relate to and leaves you pondering your life when you're done. No matter who you are, you'll find a piece of yourself in this book! The author, Andy Schrock, spent most of his time growing up on a skateboard. He now makes a living creating content online as

well as running his own skateboard company, ReVive Skateboards. He lives in Cincinnati, Ohio with his wife and their son.

Lev Grossman's new novel *THE BRIGHT SWORD* is out now! The New York Times bestselling novel about a young man practicing magic in the real world, now an original series on SYFY "The Magicians is to Harry Potter as a shot of Irish whiskey is to a glass of weak tea. . . . Hogwarts was never like this." —George R.R. Martin "Sad, hilarious, beautiful, and essential to anyone who cares about modern fantasy." —Joe Hill "A very knowing and wonderful take on the wizard school genre." —John Green "The Magicians may just be the most subversive, gripping and enchanting fantasy novel I've read this century." —Cory Doctorow "This gripping novel draws on the conventions of contemporary and classic fantasy novels in order to upend them . . . an unexpectedly moving coming-of-age story." —The New Yorker "The best urban fantasy in years." —A.V. Club Quentin Coldwater is brilliant but miserable. A high school math genius, he's secretly fascinated with a series of

children's fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more dangerous than he ever could have imagined. . . . The prequel to the New York Times bestselling book *The Magician King* and the #1 bestseller *The Magician's Land*, *The Magicians* is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination. [The Secret Wife of Aaron Burr](#) Harvest House Publishers
Twenty-nine-year-old Satoru Fujinuma is floundering through life. Amid his daily drudgery, he finds himself in the grip of an incredible, inexplicable, and uncontrollable phenomenon that rewinds time, a condition that seems to only make his

drab life worse. But then, one day, everything changes. A terrible incident forever changes Satoru's life as he knows it...and with it, comes a "Revival" that sends Satoru eighteen years into the past! In the body of his boyhood self, Satoru encounters sights he never imagined he would see again--the smile of his mother, alive and well, his old friends, and Kayo Hinazuki, the girl who was kidnapped and murdered when he was a boy the first time around. To return to the present and prevent the tragedy that brought him back to his childhood in the first place, Satoru begins plotting a way to change Hinazuki's fate...But up against the clock and a faceless evil, does eleven-year-old Satoru even stand a chance?

[When We Were Arabs](#) Thomas Nelson
Inspired by a woman and events forgotten by history, bestselling author Susan Holloway Scott weaves together carefully researched fact and fiction to tell the story of Mary Emmons, and the place she held in the life—and the heart—of the notorious Aaron Burr. He was a hero of the Revolution, a brilliant politician, lawyer, and very nearly president; a skillful survivor in a raw new country filled with

constantly shifting loyalties. Today Aaron Burr is remembered more for the fatal duel that killed rival Alexander Hamilton. But long before that single shot destroyed Burr's political career, there were other dark whispers about him: that he was untrustworthy, a libertine, a man unafraid of claiming whatever he believed should be his. Sold into slavery as a child in India, Mary Emmons was brought to an America torn by war. Toughened by the experiences of her young life, Mary is intelligent, resourceful, and strong. She quickly gains the trust of her new mistress, Theodosia Prevost, and becomes indispensable in a complicated household filled with intrigue—especially when the now-widowed Theodosia marries Colonel Aaron Burr. As Theodosia sickens with the fatal disease that will finally kill her, Mary and Burr are drawn together into a private world of power and passion, and a secret, tangled union that would have shocked the nation . . . Praise for *I, Eliza Hamilton* "Scott's devotion to research is evident . . . a rewarding take on a fascinating historical couple." —Library Journal "Readers will be captivated." —Publishers Weekly (starred review) "Packed with

political and historical as well as domestic details." —Booklist
Erased Kensington Books
 Do you ever find yourself wondering . . . Is it actually possible to know, beyond the shadow of a doubt, that I am going to heaven? If you say that my salvation is "eternally secure" and that I can never lose it, does that mean that I can commit any sin and still go to heaven? How can an understanding of "eternal security" make a difference in my Christian life? With the wisdom and skill of a man who has personally wrestled with these questions, internationally-known pastor and bestselling author Charles Stanley addresses the age-old issue of grace vs. works in this compassionate, straightforward book. With questions at the end of each chapter, *Eternally Secure* is an excellent choice for individual or group study. "I know from experience that until you settle once and for all the question of whether or not you are eternally secure, joy will elude you. Therefore, it is my prayer that God will use this book in your life and that in the very near future you will be able to face life with the confidence that comes through knowing you are

eternally secure." Charles Stanley
 Previously published in hardcover (0840790953).
Eternal Security Penguin
 There is no question that we live in an age of weak theology and casual Christianity. We have substituted intuition for truth, feeling for belief and immediate gratification for enduring hope. Evangelicalism desperately needs to return to the doctrines that once before reformed the world: radical depravity, unconditional election, particular redemption, efficacious grace and persevering grace. James Boice and Philip Ryken not only provide a compelling exposition on these doctrines of grace, but also look briefly at their historical impact. The authors leave no doubt that the church suffers when these foundational truths are neglected and that she must return to a Christianity that is practical-minded, kind-hearted, and most importantly, biblically based.
Yesterday Erased Penguin
 If You Love God's Word You Will Love This New Testament! The Disciples' Literal New Testament sets you free from our artificial 460 year old chapter and verse structure,

replacing it with paragraphing that reflects the flow of thought in the original Greek writings. Paragraph headings make that flow of thought explicit to you, speeding your understanding of the NT books. This translation retains the writing style of the apostles themselves, rather than transforming their Greek ways of writing into an elegant or contemporary English writing style, as has been beautifully done so many times. It is the same translation as the author's New Testament TransLine, first published by Zondervan in 2002. Now you can read the New Testament as the original writers intended it, and see it with a clarity formerly available only to those who could carefully study their Greek New Testament. You can even see the difference in writing style between Matthew, Mark and Luke! Used along with your standard Bible version, you will profit from both methods of translation. *Easily grasp the relationship of the whole and the parts of each book with the big-picture overview outlines that use the words of the original author. *Gain quick insight into the flow of thought from descriptive paragraph headings that summarize the main point of each paragraph in its

context. *You can visually follow the apostles' thinking because the 'Intelligent Paragraphing' visually displays their main and subordinate thoughts. *The hindrance to your understanding caused by our artificial chapter and verse structure is eliminated by paragraphing based on the Greek writings. *You will more fully appreciate the minds and thinking patterns and intent of the original writers because the translation corresponds more closely to their words and their grammar and their sentence structure. *Deepen and expand your understanding of the New Testament by meditating on the notes containing alternative renderings, explanations of what is being said, and different views of the meaning. *Animal Man Vol. 1* Harvard University Press

Based on five years of investigative reporting and research into forensic psychology and criminology, *Erased* presents an original profile of a widespread and previously unrecognized type of murder: not a "hot-blooded," spur-of-the-moment crime of passion, as domestic homicide is commonly viewed, but a cold-blooded, carefully planned and

methodically executed form of "erasure." These crimes are often committed by men with no criminal record or history of violence whatsoever, men leading functional and often successful lives until the moment they kill the women, and sometimes children, they claimed to love. A surprising number go on to kill a second or even third wife or girlfriend, often in exactly the same way. In more than fifty chilling case studies, Marilee Strong examines the strange and complex psychology that drives these killers—from the murder a century ago that inspired the novel *An American Tragedy* to Scott Peterson, Mark Hacking, Jeffrey MacDonald, Ira Einhorn, Charles Stuart, Robert Durst, Michael White, Barton Corbin, and many others. *Erased* also looks at how these men manipulate the legal system and exploit loopholes in missing persons procedures and death investigation, exposing how easy it can be to get away with murder.

Boy Erased Crossway

After his mother's death triggers his Revival ability, Satoru finds himself 18 years in the past! While he's relieved to see his mother and his old friends again,

his thoughts are focused on future kidnapping and murder victim Hinazuki Kayo. Putting his plan to save her in motion, he starts a conversation with her. However, he finds himself at a loss for words when Kayo asks him a shocking question... "Would you kill for me?" Beyond the Gender Binary Harvest House Publishers

This edition collects the bizarre adventures of Animal Man, a second-rate super hero struggling with real-life issues and moral dilemmas. Buddy Baker is a caring husband, devoted father, animal activist and super-powered being. But as he attempts to live up to all of his roles, he soon finds that there are no black and white situations in life. With a strong focus on storytelling, these thought-provoking and innovative tales make the reader question the actions of Animal Man as well as their own behavior in similar situations. Collects issues #1-9.

Erased Yen Press LLC

Can an orthodox Christian, committed to the historic faith of the Church and the authority of the Bible, be a universalist? Is it possible to believe that salvation is found only by grace, through faith in

Christ, and yet to maintain that in the end all people will be saved? Can one believe passionately in mission if one does not think that anyone will be lost forever? Could universalism be consistent with the teachings of the Bible? In *The Evangelical Universalist* the author argues that the answer is 'yes!' to all of these questions. Weaving together philosophical, theological, and biblical considerations, he seeks to show that being a committed universalist is consistent with the central teachings of the biblical texts and of historic Christian theology.

"*I Will Not be Erased*" Ink Monster LLC With America's confidence in the Bible at an all-time low and the strength of her spiritual convictions waning, it is essential for Christians—especially Christian leaders—to be well-grounded in biblical theology. To have a clear and comprehensive understanding of the key doctrines of evangelicalism. In response, professor and award-winning author Bruce Demarest has made plain God's glorious plan of salvation, his provision for the human dilemma through Christ's work on the cross, and the application of saving grace to unbelievers. Demarest's unique

approach defines each topic, identifies its most pressing issues, examines the ways in which the doctrine has been understood historically, and interprets the Bible's revelation. The result is a clear and carefully constructed doctrinal statement that you can defend, live out, and communicate to others. This singular, comprehensive treatment of one of Christianity's essential doctrines gives definitive, Bible-based answers about salvation and the cross— and about related theological issues such as grace and regeneration. It's perfect for clarifying your theology and gaining deep understanding of this foundational theme. Part of the Foundations of Evangelical Theology series.

Erased, Vol. 1 Little, Brown Books for Young Readers

"The king of children's horror..." Sunday Express You're not paranoid if they really are after you. Someone is messing with Liam's world. All the rules have changed and his life has unravelled completely. He can't even trust his own memories. What he does know is that someone is watching him. Someone thinks he's dangerous. Liam has to fight back. There are no bystanders

in this terrifying game. Only players and victims. And Liam isn't going to be a victim. "If you're into completely out-there thrillers this is for you. Mind readers, brain implants, mad professors - this one's got the lot." Flipside Magazine "A contemporary thriller with overtones of Orwell and Huxley about it." Rhyl Journal "A gripping read for the older teens/young adult age range. You would not wish to swap places with Liam Connor!" Children's Books UK "This is a gripping thriller that draws you into the story ... Fans of the Alex Rider series will enjoy this. It's an exciting, fast paced book that will have you on the edge of your seat until the last page." Word Up

The Cross and Salvation (Hardcover)

Scholastic Inc.

Fourteen joyous, funny and life-affirming essays from gal-dem's talented writers gal-dem, the award-winning online and print magazine, is created by women and non-binary people of colour. by the Guardian as "the agents of change we need", and these essays tackle important subjects including race, gender, mental health and activism, making this essential reading for any young person.

Believer's Bible Commentary Encounter Books

"To be someone—to be anyone—is about...not being someone else. Miller's amused and inspired book is utterly compelling." —Adam Phillips "A compendium of expressions of wonder over what might have been...Swept up in our real lives, we quickly forget about the unreal ones. Still, there will be moments when, for good or ill, we feel confronted by our unrealized possibilities." —New Yorker We live one life, formed by paths taken and untaken. Choosing a job, getting married, deciding on a place to live or whether to have children—every decision precludes another. But what if you'd gone the other way? From Robert Frost to Sharon Olds, Virginia Woolf to Ian McEwan, Jane Hirshfield to Carl Dennis, storytellers of every stripe consider the roads not taken, the lives we haven't led. What is it that compels us to identify with fictional and poetic voices tantalizing us with the

shadows of what might have been? Not only poets and novelists, but psychologists and philosophers have much to say on this question. Miller finds wisdom in all of these, revealing the beauty, the allure, and the danger of sustaining or confronting our unled lives. "Miller is charming company, both humanly and intellectually. He is onto something: the theme of unled lives, and the fascinating idea that fiction intensifies the sense of provisionality that attends all lives. An extremely attractive book." —James Wood "An expertly curated tour of regret and envy in literature...Miller's insightful and moving book—both in his own discussion and in the tales he recounts—gently nudges us toward consolation." —Wall Street Journal "I wish I had written this book...Examining art's capacity to transfix, multiply, and compress, this book is itself a work of art." —Times Higher Education *Erased* Yen Press LLC

Don't miss Tessa and Dastien in the exciting finale of the USA Today Alpha Girls series. Tessa—part witch, part werewolf, raised human and now the unofficial leader of a newly minted supernatural alliance—gets a distressing

call from her brother, Axel, in the middle of the night. Tessa and her mate, Dastien, race to save Axel, but Tessa's learned that nothing is ever easy in the supernatural world. She has seconds to make a choice, but there's only one thing Tessa can do to save the two most important men in her life—sacrifice herself. The last thing Dastien hears from Tessa was her plea—help Axel. But then their bond goes silent. He can't hear her. He can't feel her. And there's no sign of the attackers who took her. Dastien does everything he can to save Axel before calling his friends in a

panic but when Dastien's finally reunited with her, there's no sign of recognition in her eyes. No magic in her touch. No wolf beneath the surface. Everything that made Tessa who she was...has been erased. "I love this series. I just think that it keeps getting better and better." — A Reader Lives A Thousand Lives "I have enjoyed every minute of this book and will read what ever Aileen Erin wants to write at this point." - Smada's Book Smack hr It's time to binge the complete Alpha Girls series!
