## HANEY OCONNELL

---

**The Art of Swearing** Penguin UK  
 From the best-selling author of *The Outsiders*, S.E. Hinton's *Tex* explores friendships, conflict, depression, self-destructive behavior, and truth and acceptance. This edition includes a new and exclusive Author's Note. Easygoing and reckless, Tex, likes everyone and everything, especially his horse, Negrito, and Johnny Collins' blue-eyed sister, Jamie. Life with his older brother, Mason, would be just about perfect if only he would stop complaining about Pop, who hasn't been home in five months. While Mason worries about paying the bills and getting a basketball scholarship--his ticket out of Oklahoma--Tex just seems to attract

trouble. When everything seems to be falling apart, how can Tex find a way to keep things together?

**Cuss Control** Tin House Books  
 For over a generation, shocking cases of censorship at America's colleges and universities have taught students the wrong lessons about living in a free society. Drawing on a decade of experience battling for freedom of speech on campus, First Amendment lawyer Greg Lukianoff reveals how higher education fails to teach students to become critical thinkers: by stifling open debate, our campuses are supercharging ideological divisions, promoting groupthink, and encouraging an unscholarly certainty about complex issues. Lukianoff walks readers through the life of a modern-day college student, from orientation to the end of freshman year. Through this lens,

he describes startling violations of free speech rights: a student in Indiana punished for publicly reading a book, a student in Georgia expelled for a pro-environment collage he posted on Facebook, students at Yale banned from putting an F. Scott Fitzgerald quote on a T shirt, and students across the country corralled into tiny "free speech zones" when they wanted to express their views. But Lukianoff goes further, demonstrating how this culture of censorship is bleeding into the larger society. As he explores public controversies involving Juan Williams, Rush Limbaugh, Bill Maher, Richard Dawkins, Larry Summers—even Dave Barry and Jon Stewart—Lukianoff paints a stark picture of our ability as a nation to discuss important issues rationally. *Unlearning Liberty: Campus Censorship and the End of American*

Debate illuminates how intolerance for dissent and debate on today's campus threatens the freedom of every citizen and makes us all just a little bit dumber.

**Artemis** Ballantine Books

Reissued to coincide with the publication of *Geek Love*.

One Ring Circus Chronicle Books

The New York Times bestseller now in paperback. One of the preeminent linguists of our time examines the realms of language that are considered shocking and taboo in order to understand what imbues curse words with such power--and why we love them so much. Profanity has always been a deliciously vibrant part of our lexicon, an integral part of being human. In fact, our ability to curse comes from a different part of the brain than other parts of speech--the urgency with which we say "f&\*k!" is instead related to the instinct that tells us to flee from danger. Language evolves with time, and so does what we consider profane or unspeakable. *Nine Nasty Words* is a rollicking examination of profanity, explored from every angle: historical, sociological, political, linguistic. In a particularly coarse moment, when the public discourse is shaped in part by once-shocking words, nothing could be timelier. *Maybe Swearing Will Help* St. Martin's Press

You can run from something, or toward something—but can you do both at the same time? Book four in the Newbery-winning cycle from Cynthia Voigt. Bullet Tillerman runs. He runs to escape the criticism of his harsh, unforgiving father. He runs to numb the pain of his mother's inability to express her love. He is the star of the school track team, but he isn't a team man and doesn't want to be. Bullet runs for himself. So Bullet doesn't understand why he's been asked to train a new team member, and he's not looking forward to the task. But in coaching Tamer Shipp, Bullet learns some things about himself—who he is, and who he can perhaps become.

*Spontaneous* Delacorte Press

This book is for all you motherfathers in need of creative ways to avoid swearing. Whether you are at work, or around children, this book will give you a plethora of fun ways to express yourself without cussing.

Tex W. W. Norton & Company

What it means to be a man or a woman is questioned today like never before. While traditional gender roles have been eroding for decades, now the very categories of male and female are being discarded with reckless abandon. How does one act like a gentleman in such confusing times? The

Catholic Gentleman is a solid and practical guide to virtuous manhood. It turns to the timeless wisdom of the Catholic Church to answer the important questions men are currently asking. In short, easy- to-read chapters, the author offers pithy insights on a variety of topics, including • How to know you are an authentic man • Why our bodies matter • The value of tradition • The purpose of courtesy • What real holiness is and how to achieve it • How to deal with failure in the spiritual life Holiness IPG

This hilarious book has 30 single sided pages of swear words to color! These pages of cuss words and dirty phrases are sure to bring a smile to anyone with a twisted sense of humor and makes a great present for adults who curse like a sailor! This funny adult coloring book is a great way to relax and makes the perfect novelty gift for grownups who have filthy mouths! *This Dirty Adult Coloring Book* Features: 30 Detailed Coloring Pages Beautiful Designs To Relieve Stress & Have Fun Single-Sided 8x10 Pages *Cussing Animals Coloring Book. Funny Swear Words for Adults Only* C.J. Nye Royce Melborn, a skilled thief, and his mercenary partner, Hadrian Blackwater, make a profitable living carrying out dangerous assignments for conspiring nobles-until they are hired to pilfer a famed sword. What appears to be just a simple job finds them framed for the murder of the king and trapped in a conspiracy that uncovers a plot far greater than the mere overthrow of a tiny kingdom. Can a self-serving thief and an idealistic swordsman survive long enough to unravel the first part of an ancient mystery that has toppled kings and destroyed empires? And so begins the first tale of treachery and adventure, sword fighting and magic, myth and legend. When author Michael J. Sullivan self-published the first books of his *Riyria Revelations*, they rapidly became ebook bestsellers. Now, Orbit is pleased to present the complete series for the first time in bookstores everywhere.

It's Decorative Gourd Season, Motherfuckers Ignatius Press

A hilarious collection of the most resplendent and refined examples of colorful language. Swearing really can be a beautiful thing as this collection of elegant expletives demonstrates. Calligrapher, sign writer, and illustrator of the highest distinction Lord Dunsby presents over 40 of his favorite insults, all rendered beautifully in his faultless style. Wankers, douche bags, assholes, pricks, bastards, and a whole lot more are expertly recreated in this uproarious and

frivolous collection- it really does put the art of swearing into a new perspective!

*Swearing* Encounter Books

A humorous, trenchant and fascinating examination of how Western culture's taboo words have evolved over the millennia

Swearing is Good for You Oxford University Press

"Entertaining and thought-provoking...Byrne's enthusiasm for her esoteric subject is contagious, damn it." —Melissa Dahl, New York Times Book Review In this sparkling debut work of popular science, Emma Byrne examines the latest research to show how swearing can be good for you. She explores every angle of swearing—why we do it, how we do it, and what it tells us about ourselves. Packed with the results of unlikely and often hilarious scientific studies—from the "ice-bucket test" for coping with pain, to the connection between Tourette's and swearing, to a chimpanzee that curses at her handler in sign language—*Swearing Is*

Good for You presents a lighthearted but convincing case for the foulmouthed. *An Encyclopedia of Swearing* Routledge Swearing is and always has been regarded as undereducated, obscene, rude, and profane in society. However, the number of times we swear daily is huge. This stylish, beautifully illustrated book recounts the complete history of swearing, detailing extraordinary and interesting information on this beautifully offensive topic.

*On Cussing: Bad Words and Creative Cursing* Orbit

An ARTery Best Book of the Year An Art of Manliness Best Book of the Year In a culture that has become progressively more skeptical and materialistic, the desires of the individual self stand supreme, Mark Edmundson says. We spare little thought for the great ideals that once gave life meaning and worth. Self and Soul is an impassioned effort to defend the values of the Soul. "An impassioned critique of Western society, a relentless assault on contemporary complacency, shallowness, competitiveness and self-regard...Throughout Self and Soul, Edmundson writes with a Thoreau-like incisiveness and fervor...[A] powerful, heartfelt book." —Michael Dirda, Washington Post "[Edmundson's] bold and ambitious new book is partly a demonstration of what a 'real education' in the humanities, inspired by the goal of 'human transformation' and devoted to taking writers seriously, might look like...[It] quietly sets out to challenge many educational pieties, most of the assumptions of recent literary studies—and his own chosen lifestyle." —Mathew Reisz, Times Higher Education "Edmundson delivers a welcome championing of humanistic ways of thinking and living." —Kirkus Reviews *The Catholic Gentleman* Simon and Schuster

An irreverent and impeccably researched defense of our dirtiest words.

*Nine Nasty Words* Basic Books

Grasping how to swear is a crucial skill to any English-speaker, but it can be a tricky business. Owing to the rich and complex history of swearing, a single word can have a host of different meanings - from

expressing surprise, excitement, anger, celebration, disgust or simply that you're fucked off. If you don't get it right, you could really be in the shit. How to Swear, by graphic artist and swearing-connoisseur Stephen Wildish, uses all manner of charts and flow diagrams to teach you all you need to know, including: the building blocks of an effective insult; the adverbial uses of various types of animal excrement (horseshit, apeshit etc); and the different parts of speech a swear word can fulfil: 'Fucking fuck, the fucking fucker's fucked'. This charming (and rude) book will take you right to the heart of the wondrous world of swearing, with a lot of laughs on the way.

**Theft of Swords** Penguin

This is the only encyclopedia and social history of swearing and foul language in the English-speaking world. It covers the various social dynamics that generate swearing, foul language, and insults in the entire range of the English language. While the emphasis is on American and British English, the different major global varieties, such as Australian, Canadian, South African, and Caribbean English are also covered. A-Z entries cover the full range of swearing and foul language in English, including fascinating details on the history and origins of each term and the social context in which it found expression. Categories include blasphemy, obscenity, profanity, the categorization of women and races, and modal varieties, such as the ritual insults of Renaissance "flyting" and modern "sounding" or "playing the dozens." Entries cover the historical dimension of the language, from Anglo-Saxon heroic oaths and the surprising power of medieval profanity, to the strict censorship of the Renaissance and the vibrant, modern language of the streets. Social factors, such as stereotyping, xenophobia, and the dynamics of ethnic slurs, as well as age and gender differences in swearing are also addressed, along with the major taboo words and the complex and changing nature of religious, sexual, and racial taboos.

*Interpersonal Pragmatics* Penguin

Published together for the first time, this

anthology of essays on boxing covers the sport in all its forms and at its many levels. Written in bestselling author Katherine Dunn's characteristic vernacular, these pieces range from portraits of legendary fighters such as Sugar Ray Leonard, Roberto Duran, Marvin Hagler, and Mike Tyson to the unsung stories of trainers, amateurs, promoters, cutmen, and a pair of pugilistic priests. Spanning 30 years and including all who make up the vibrant boxing world, this compilation--from one of the most original voices in American sports literature--finely elevates the sport and communicates its beauty, passion, and character.

**Go Teen Writers** Harper & Row Barnes & Noble Import Division

A #1 New York Times bestseller! Sarah J. Maas's brand-new CRESCENT CITY series begins with House of Earth and Blood: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce Quinlan had the perfect life-working hard all day and partying all night-until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose-to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom-and the power of love.
