Dictionary of Foreign Quotations Sourcebooks, Inc.

The 2014 Ukrainian crisis has highlighted the pro-Russia stances of some European countries, such as Hungary and Greece, and of some European parties, mostly on the far-right of the political spectrum. They see themselves as victims of the EU "technocracy" and liberal moral values, and look for new allies to denounce the current "mainstream" and its austerity measures. These groups found new and unexpected allies in Russia. As seen from the Kremlin, those who denounce Brussels and its submission to U.S. interests are potential allies of a newly re-assertive Russia that sees

itself as the torchbearer of conservative values.

Predating the Kremlin's networks, the European connections of Alexander Dugin, the fascist geopolitician and proponent of neo-Eurasianism, paved the way for a new pan-European illiberal ideology based on an updated reinterpretation of fascism. Although Dugin and the European far-right belong to the same ideological world and can be seen as two sides of the same coin, the alliance between Putin's regime and the European far-right is more a marriage of convenience than one of true love. This unique book examines the European far-right's connections with Russia and untangles this puzzle by tracing the ideological origins and individual paths that have materialized in this permanent dialogue

between Russia and Europe.

"Gass has produced a book that burrows inside us then wails like a beast, a book that mainlines a century's terror direct to the brain."--Voice Literary Supplement

The Wrath & the Dawn Penguin

Winner of the Montserrat Ordóñez Prize 2018 This book provides an original and exciting analysis of Colombian women's writing and its relationship to feminist history from the 1970s to the present. In a period in which questions surrounding women and gender are often sidelined in the academic arena, it argues that feminism has been an important and intrinsic part of contemporary Colombian history. Focusing on understudied literary and non-literary texts written

by Colombian women, it traces the particularities of Colombian feminism, showing how it has been closely entwined with left-wing politics and the country's history of violence. This book therefore rethinks the place of feminism in Latin American history and its relationship to feminisms elsewhere, challenging many of the predominant critical paradigms used to understand Latin American literature and culture.

The de Vincent brothers are back—and so is the intrigue that surrounds them—in New York Times bestselling author Jennifer L. Armentrout's sizzling new novel . . . Nicolette Bresson never thought she'd return to the de Vincents' bayou compound. It's where her parents work, where Nikki grew up . . . and where she got her heart broken by Gabriel de Vincent himself. Yet here she is, filling in for her sick mother. Avoiding Gabe should be easy, especially when so much of Nikki's time is spent trying not to be stabbed in the back by

the malicious hangers-on who frequent the mansion. But escaping memories of Gabe, much less his smoking-hot presence, is harder than expected—especially since he seems determined to be in Nikki's space as much as possible. Gabriel spent years beating himself up over his last encounter with Nikki. He'd wanted her then, but for reasons that were bad for both of them. Things have now changed. Gabe sees more than a girl he's known forever; he sees a smart, talented, and heartbreakingly beautiful woman . . . one who's being stalked from the shadows. Now, Gabe will do anything to keep Nikki safe—and to stop the de Vincent curse from striking again.

More than just an expression of religious authority or an instrument of social control, the Inquisition was an arena where cultures met and clashed on both shores of

the Atlantic. This pioneering volume examines how cultural identities were maintained despite oppression. Persecuted groups were able to survive the Inquisition by means of diverse strategies—whether Christianized Jews in Spain preserving their experiences in literature, or native American folk healers practicing medical care. These investigations of social resistance and cultural persistence will reinforce the cultural significance of the Inquisition. Contributors: Jaime Contreras, Anne J. Cruz, Jesús M. De Bujanda, Richard E. Greenleaf, Stephen Haliczer, Stanley M. Hordes, Richard L. Kagan, J. Jorge Klor de Alva, Moshe Lazar, Angus I. K. MacKay, Geraldine McKendrick, Roberto Moreno de los Arcos, Mary Elizabeth Perry, Noemí Quezada, María Helena Sanchez Ortega, Joseph H. Silverman This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices

Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1995.

"Has all the lush world-building and intoxicating magic of the Harry Potter universe" —

Entertainment Weekly

"Lush and sweeping swords-and-sorcery romance" — The New York Times
 Assassin's Creed meets Fantastic Beasts and Where to Find Them in this gripping, epic fantasy romance trilogy. My heart wasn't part of the deal when I bargained for my life, But assassins so rarely keep their word. Exiled Charmer Leena Edenfrell is running out of time. Empty pockets forced her to sell her beloved magical beasts—an offense punishable by death—and now there's a price on her head. With the realm's most talented murderer-for-hire nipping at her heels, Leena makes Noc an offer he can't refuse: powerful mythical creatures in exchange for her life. Plagued by a curse that kills everyone he loves, Noc agrees to Leena's terms in hopes of finding a cure. Never mind that the dark magic binding the assassin's oath will eventually force him to choose between Leena's continued survival...and his own.

 Presented at a symposium held in 1990 to celebrate the Getty Museum's acquisition of the only known illuminated copy of *The Visions of Tondal*, twenty essays address the celebrated bibliophilic activity of Margaret of York; the career of Simon Marmion, a favorite artist of the Burgundian court; and *The Visions of Tondal* in relation to illustrated visions of the Middle Ages. Contributors include Maryan Ainsworth, Wim Blockmans, Walter Cahn, Albert Derolez, Peter Dinzelbacher, Rainald Grosshans, Sandra Hindman, Martin Lowry, Nigel Morgan, and Nigel Palmer.

Histoire de la Savoie d'après les documents originaux depuis les origines les plus reculées jusqu'à l'annexion Random House

Mixing documents, interviews, fiction, theory, poetry, psychiatry and anthropology, "Polysexuality" became the encyclopedia sexualis of a continent that is still emerging. Originally conceived as a special Semiotext(e) issue on homosexuality at the end

of the 70s, "Polysexuality" quickly evolved into a more complex and iconoclastic project whose intent was to do away with recognized genders altogether, considered far too limitative. The project landed somewhere between humor, anarchy, science-fiction, utopia and apocalypse. In the few years that it took to put it together, it also evolved from a joyous schizo concept to a darker, neo-Lacanian elaboration on the impossibility of sexuality. The tension between the two, occasionally perceptible, is the theoretical subtext of the issue. Upping the ante on gender distinctions, "Polysexuality" started by blowing wide open all sexual classifications, inventing unheard-of categories, regrouping singular features into often original configurations, like Corporate Sex, Alimentary Sex, Soft or Violent Sex, Discursive Sex, Self-Sex, Animal Sex, Child Sex, Morbid Sex, or Sex of the Gaze. Mixing documents, interviews, fiction, theory, poetry, psychiatry and anthropology, "Polysexuality" became the encyclopedia sexualis of a continent that is still emerging. What it

displayed in all its forms could be called, broadly speaking, the Sexuality of Capital. (Actually the issue being rather hot, it was decided to cool it off somewhat by only using "capitals" throughout the issue. It was also the first issue for which we used the computer). The "Polysexuality" issue was attacked in Congress for its alleged advocacy of animal sex. Includes work by Alain Robbe-Grillet, Félix Guattari, Paul Verlaine, William S. Burroughs, Georges Bataille, Pierre Klossowski, Roland Barthes, Paul Virilio, Peter Lamborn Wilson, and more. *Romances of Chivalry in the Spanish Golden Age* Springer
This book is intended as counter-evidence to the perception of Linguistics as the domain of dusty schoolroom grammar, where proponents of one theoretical orientation or the other spend their brief breaks in the playground bashing the others over the head with their favorite abstractions. The discipline may appear to outsiders as fragmented and, worse still, lacking in relevance to the real world outside its gates. The purpose is to show that Linguistics, in all its varied branches, can be

entertaining as well as thought-provoking, and that its domain is indeed a coherent one despite all the internecine squabbling. The subject is introduced in an unconventional way as a kind of fable with an historical moral that professional linguists, as well as students, should enjoy as a commentary on the state of the discipline today.

The Poetics of Novels

BRILL

The co-monarchy of Mary I and Philip II put England at the heart of early modern Europe. This positive reassessment of their joint reign counters a series of parochial, misogynist and anti-Catholic assumptions, correcting the many myths that have grown up around the marriage and explaining the reasons for its persistent marginalisation in the historiography of sixteenth-century England. Using new archival discoveries and original sources, the book argues for Mary as a great Catholic queen, while fleshing out Philip's important contributions as king of England. It demonstrates the many positive achievements of this dynastic union in everything from culture,

music and art to cartography, commerce and exploration. An important corrective for anyone interested in the history of Tudor England and Habsburg Spain.

The Dying Animal

Macmillan

Reproduction of the original: History of the Rise of the Huguenots by Henry M. Baird
Histoire de Savoie d'après les documents originaux
Lexington Books

This is novelist Philip Roth's account of his 86-year-old father's last year. Suffering from a brain tumour and fighting death, Herman is accompanied through each fearful stage of his final ordeal by his son, who, marvelling at his father's long, stubborn engagement with life, recounts a relationship full of love and dread. Conspicuous throughout the book are Herman's tough integrity and moments of humour, but it is also an intensely painful story, as Philip Roth has to decide whether or not to terminate his father's life.

The Moth & the Flame

Manchester University Press

A thrilling, harrowing novel of war, intrigue and dark, uncontrollable magic, Toll the Hounds is

the new chapter in Erikson's monumental series - epic fantasy at its most imaginative and storytelling at its most exciting. In Darujhistan, the city of blue fire, it is said that love and death shall arrive dancing. It is summer and the heat is oppressive, but for the small round man in the faded red waistcoat, discomfiture is not just because of the sun. All is not well. Dire portents plague his nights and haunt the city streets like fiends of shadow. Assassins skulk in alleyways, but the quarry has turned and the hunters become the hunted. Hidden hands pluck the strings of tyranny like a fell chorus. While the bards sing their tragic tales, somewhere in the distance can be heard the baying of Hounds...And in the distant city of Black Coral, where rules Anomander Rake, Son of Darkness, ancient crimes awaken, intent on revenge. It seems Love and Death are indeed about to arrive...hand in hand, dancing. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
Visits to Fields of Battle in

England of the Fifteenth Century HarperCollins
From the #1 New York Times bestselling author of *The Wrath and the Dawn*, comes a sweeping, action-packed YA adventure set against the backdrop of Feudal Japan where Mulan meets *Throne of Glass*. The daughter of a prominent samurai, Mariko has long known her place—she may be an accomplished alchemist, whose cunning rivals that of her brother Kenshin, but because she is not a boy, her future has always been out of her hands. At just seventeen years old, Mariko is promised to Minamoto Raiden, the son of the emperor's favorite consort—a political marriage that will elevate her family's standing. But en route to the imperial city of Inako, Mariko narrowly escapes a bloody ambush by a dangerous gang of bandits known as the Black Clan, who she learns has been hired to kill her before she reaches the palace. Dressed as a peasant boy, Mariko sets out to infiltrate the Black Clan and track down those responsible for the target on her back. Once she's within their ranks, though, Mariko finds for the first time she's appreciated for her

intellect and abilities. She even finds herself falling in love—a love that will force her to question everything she's ever known about her family, her purpose, and her deepest desires.

The Bet HarperCollins David Kepesh is white-haired and over sixty, an eminent TV culture critic and star lecturer at a New York college, when he meets Consuela Castillo, a decorous, well-mannered student of twenty-four, the daughter of wealthy Cuban exiles, who promptly puts his life into erotic disorder. Since the sexual revolution of the 1960s, when he left his wife and child, Kepesh has experimented with living what he calls an "emancipated manhood," beyond the reach of family or a mate. Over the years he has refined that exuberant decade of protest and license into an orderly life in which he is both unimpeded in the world of eros and studiously devoted to his aesthetic pursuits. But the youth and beauty of Consuela, "a masterpiece of volupté" undo him completely, and a maddening sexual possessiveness transports him to the depths of deforming jealousy. The carefree erotic adventure

evolves, over eight years, into a story of grim loss. What is astonishing is how much of America's post-sixties sexual landscape is encompassed in THE DYING ANIMAL. Once again, with unmatched facility, Philip Roth entangles the fate of his characters with the social forces that shape our daily lives. And there is no character who can tell us more about the way we live with desire now than David Kepesh, whose previous incarnations as a sexual being were chronicled by Roth in THE BREAST and THE PROFESSOR OF DESIRE. A work of passionate immediacy as well as a striking exploration of attachment and freedom, THE DYING ANIMAL is intellectually bold, forcefully candid, wholly of our time, and utterly without precedent—a story of sexual discovery told about himself by a man of seventy, a story about the power of eros and the fact of death.

Women's Writing in Colombia Museum Tusulanum Press Indulge in this "laugh-out-loud" (Jill Shalvis) #1 New York Times bestseller about two childhood enemies who--decades later--discover that there is a fine line between love

and hate. "I have a proposition for you." Kacey should have run the minute those words left Seattle millionaire Jake Titus's mouth. It's been years since Kacey's seen her childhood friend Jake, but the minute Jake mentions his ill grandmother, Kacey is ready to do anything for the sweet old woman. And if that means pretending they're engaged for her sake, so be it. But Kacey wasn't counting on Jake's older brother Travis still being there. She calls him "Satan" for a reason: she's never forgotten the way he teased and taunted her. Yet when they meet again, Travis's gorgeous smile is a direct hit to her heart . . . and Kacey's more confused than ever. As the days pass, only one thing starts to become alarmingly clear -- she never should have accepted Jake's deal.
