**Theology of Work Bible Commentary** New Paradigm Pub.  
 Coming from a remote area of Judah, and from a farming background, Amos was called to a prophetic ministry to the nation of Israel. His prophetic message was a blend of mercy and judgment, as he challenged an erring nation to seek the Lord. In addition to strong condemnation of errant Israel, Amos also held out the -promise of restored fortunes, and particularly of the continuing place and significance of the Davidic family. Allan Harman's commentary is a careful exposition of the text. While using the ESV translation, he gives particular attention to the Hebrew, discussing words that are most significant for the translation and -interpretation of this eighth-century BC covenantal messenger. He also includes sections of application, that preachers will find particularly helpful. The author has spent a lifetime in teaching the Old Testament, and brings his skills to another biblical book. This commentary complements his other commentaries on Exodus, Deuteronomy, Psalms, Isaiah, Joel, and Daniel, all of which have been aimed at making plain the

significance of the text, without unnecessary reference to other writers.

Truth's Victory Over Error Wm. B. Eerdmans Publishing

The reader who comes to 1 Kings with the tumultuous events of 2 Samuel in mind will be expecting a resolution to them, particularly the narrative concerning the succession (2 Samuel 920) and there is considerable literary and theological interaction between the two books. 1 Kings recounts what happens to the kingdom of David over the following two centuries from the death of David to the time of Kings Ahaziah of Israel and Jehoram of Judah. The division of Kings into two books is a later development (not necessarily without rationale), and we must regard the story of 1 Kings as leading into the traumatic Judean exile to Babylon with which 2 Kings concludes.

**A Study Commentary on Daniel** Ravenio Books

A political scientist explains how the American immigration system ran off the rails -- and proposes a bold plan for reform Under the Trump administration, US immigration agencies terrorize the undocumented, target people who are here legally, and even threaten the constitutional rights of American citizens. How did we get to this point? In *Illegal*, Elizabeth F. Cohen reveals

that our current crisis has roots in early twentieth century white nationalist politics, which began to reemerge in the 1980s. Since then, ICE and CBP have acquired bigger budgets and more power than any other law enforcement agency. Now, Trump has unleashed them. If we want to reverse the rising tide of abuse, Cohen argues that we must act quickly to rein in the powers of the current immigration regime and revive saner approaches based on existing law. Going beyond the headlines, Illegal makes clear that if we don't act now all of us, citizen and not, are at risk. *A Biblical-Theological Introduction to the Old Testament* Crossway EP Study Commentaries have been described as: 'Sufficiently scholarly to give [them] credence in the academic world, but at the same time ... sufficiently straightforward to make [them] accessible to any serious student of the Bible'. (Banner of Truth) - Provided by publisher.

#### **Romans** EP BOOKS

The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout the book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. The book of Deuteronomy contains the final words of Moses to Israel as they wait to enter the Promised Land. Reflecting on the nation's past mistakes, Moses calls Israel to faithful obedience while recounting the past faithfulness of God. This study guide helps Christians understand that the only hope for obedience to God's commands is the grace of God found in the person and work of Jesus.

#### Deuteronomy Simon and Schuster

Every chapter of the Bible summarised in 140 characters or less. These summaries originally appeared as the @biblesummary project on Twitter. For three-and-a-half years, Chris Juby posted one tweet per chapter, one chapter per day to 30,000 followers, finishing the project in November 2013. This edition is the full archive of all 1,189 summaries.

#### Baxter's Explore the Book Grove/Atlantic, Inc.

The book of Numbers tells a story with two main characters—God and Israel. The way the story is told sounds odd and often harsh to readers today. The main point of the book is nevertheless of immense importance for God's people in any age: exact obedience to God is crucial. This comprehensive and erudite commentary presents a thorough explication of this significant Hebrew text. Timothy Ashley's introduction discusses such questions as structure, authorship, and theological themes, and it features an extended bibliography of major works on the book of Numbers. Then, dividing the text of Numbers into five major sections, Ashley elucidates the theological themes of obedience and disobedience, which run throughout. His detailed verse-by-verse comments primarily explain the Hebrew text of Numbers as it stands rather than speculate on how the book came to be in its present form. This second edition includes revisions that reflect Ashley's decades of experience with the book of Numbers, as well as updates to the footnotes and bibliography, which add many important works published in the last thirty years. With these new features, Ashley's commentary solidifies its place as the church's most faithful and definitive reference on the book of Numbers.

#### The Bible Study Zondervan

These essays are concerned with broad hermeneutical and theological issues raised by the book of Deuteronomy.

#### A Study Commentary on 1 Kings Moody Publishers

Evidence Unseen is the most accessible and careful though through response to most current attacks against the Christian worldview.

#### **A Study Commentary on Deuteronomy** Christian Focus

USA Today Bestseller Christianity Today 2022 Book Award Finalist (History & Biography) "A powerful work of skillful research and personal insight."--Publishers Weekly *Biblical womanhood--the belief that God designed women to be submissive wives, virtuous mothers, and joyful homemakers--pervades North American Christianity. From choices about careers to roles in local churches to relationship dynamics, this belief shapes the everyday lives of evangelical women. Yet biblical womanhood isn't biblical, says Baylor University historian Beth Allison Barr. It arose from a series of clearly definable historical moments. This book moves the conversation about biblical womanhood beyond Greek grammar and into the realm of church history--ancient, medieval, and modern--to show that this belief is not divinely ordained but a product of human civilization that continues to creep into the church. Barr's historical insights provide context for contemporary teachings about women's roles in the church and help move the conversation forward. Interweaving her story as a Baptist pastor's wife, Barr sheds light on the #ChurchToo movement and abuse scandals in Southern Baptist circles and the broader evangelical world, helping readers understand why biblical womanhood is more about human power structures than the message of Christ.*
