Né de l'idée de célébrer les vingt ans du City Ballet de la ville de San Diego aux Etats-Unis et de la rencontre de l'initiatrice du projet avec une photographe de talent, cet ouvrage nous transporte non seulement dans les coulisses de cette compagnie de danse, mais aussi dans les rues et quartiers de sa ville de résidence. Evoquant les origines et des scènes de vie du City Ballet, les plus grands ballets classiques et contemporains de leur répertoire sont décrits et mis en scène dans ces pages par l'auteur qui nous dévoile des anecdotes touchantes, parfois même amusantes. Faisant la part belle aux photographies d'Ursula Bensimon, " Echappés In The Streets " constitue, pour les néophytes, une découverte de ce monde onirique et, pour les initiés, un dépaysement assuré. La majorité des images est issue de séances spécifiques qui font renaître les ballets Carmen, Roméo et Juliette, le Lac des cygnes ou encore Casse-noisette dans des décors grandeur nature comme le musée de l'espace, le zoo de San Diego, la plage, les carrefours de la ville, le tarmac de l'aéroport, les quartiers industriels, etc. Comme son titre le suggère, " Echappés In The Streets " est, sous la forme d'un livre bilingue français/anglais, une invitation à suivre les danseuses et danseurs du City Ballet de San Diego dans les rues d'une ville magnifique qui sait à coup sûr séduire ses visiteurs.

*Dictionnaire des ballets* Wesleyan University Press

The story of Rinaldo and Armida, where love conflicts with duty, magic plays a role, and morality wins the day, lends itself to being dramatised, and a number of librettists adapted it for the stage in the 17th and 18th centuries. In France, where the ballet de cour was the prime dramatic entertainment, the earliest adaptation of Tasso for the theatre was the Ballet du Roy danced by Louis XIII and his courtiers in the Salle du Louvre on Sunday, 29 January 1617. The fifteen-year-old King chose the subject from several proposed to him by Etienne Durand, the designer placed in charge of the occasion. La Délivrance de Renaud. The present publication is dedicated entirely to the study of a single ballet de

cour. Its centrepiece is a modern edition of the complete livret, compiled by Etienne Durand, his Discours au vray du ballet danse par le Roy, le dimanche XXIXe jour de janvier 1617, avec les desseins, tant des machines et apparences différentes, que de tous les habits des Masques (Paris, Ballard, 1617) In the first group of articles we look at the kind of historical evidence provided by the main sources for the ballet de cour, the Vers and the livret, and the noble participants are introduced ; the second group deals with the sources of inspiration for the ballet; in the third group, we consider the music of our ballet; the fourth group deals with the scenography and other visual aspects of the performance; at the end, the last group of articles is dedicated to the dance.

The pathbreaking revival in Paris ca. 1900 of long-neglected operas by Mozart, Gluck, and Rameau -- and what this meant to French audiences, critics, and composers.

### **Relation du grand ballet du roy ... sur l'aventure de Tancrede ... 1619** Brepols Publishers

This new collection of essays surveys the history of dance in an innovative and wide-ranging fashion. Editors Dils and Albright address the current dearth of comprehensive teaching material in the dance history field through the creation of a multifaceted, non-linear, yet well-structured and comprehensive survey of select moments in the development of both American and World dance. This book is illustrated with over 50 photographs, and would make an ideal text for undergraduate classes in dance ethnography, criticism or appreciation, as well as dance history—particularly those with a cross-cultural, contemporary, or an American focus. The reader is organized into four thematic sections which allow for varied and individualized course use: Thinking about Dance History: Theories and Practices, World Dance Traditions, America Dancing, and Contemporary Dance: Global Contexts. The editors have structured the readings with the understanding that contemporary theory has thoroughly questioned the discursive construction of history and the resultant canonization of certain dances, texts and points of view. The historical readings are presented in a way that encourages

thoughtful analysis and allows the opportunity for critical engagement with the text. Ebook Edition Note: Ebook edition note: Five essays have been redacted, including "The Belly Dance: Ancient Ritual to Cabaret Performance," by Shawna Helland; "Epitome of Korean Folk Dance", by Lee Kyong-Hee; "Juba and American Minstrelsy," by Marian Hannah Winter; "The Natural Body," by Ann Daly; and "Butoh: 'Twenty Years Ago We Were Crazy, Dirty, and Mad'," by Bonnie Sue Stein. Eleven of the 41 illustrations in the book have also been redacted.

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

This is the first bibliography in its field, based on first-hand collations of the actual articles. International in scope, it includes publications found in public theatre libraries and archives of Barcelona, Berlin, Brussels, Budapest, Florence, London, Milan, New York and Paris amongst others. Over 3500 detailed entries

on separately published sources such as books, sales and exhibition catalogues and pamphlets provide an indispensable guide for theatre students, practitioners and historians. Indices cover designers, productions, actors and performers. The iconography provides an indexed record of over 6000 printed plates of performers in role, illustrating performance costume from the 18th to 20th century.

**Le Grand ballet des effets de la nature** Routledge

*Dance as Text: Ideologies of the Baroque Body* is a historical and theoretical examination of French court ballet over a hundred-year period, beginning in 1573, that spans the late Renaissance and early baroque. Utilizing aesthetic and ideological criteria, author Mark Franko analyzes court ballet librettos, contemporary performance theory, and related commentary on dance and movement in the literature of this period. Examining the formal choreographic apparatus that characterizes late Valois and early Bourbon ballet spectacle, Franko postulates that the evolving aesthetic ultimately reflected the political situation of the noble class, which devised and performed court ballets. He shows how the body emerged from verbal theater as a self-sufficient text whose autonomy had varied ideological connotations, most important among which was the expression of noble resistance to the increasingly absolutist monarchy. Franko's analysis blends archival research with critical and cultural theory in order to resituate the burlesque tradition in its politically volatile context. *Dance as Text* thus provides a picture of the complex theoretical underpinnings of composite spectacle, the ideological tensions underlying experiments with autonomous dance, and finally, the

subversiveness of Molière's use of court ballet traditions.

*The Oxford Handbook of the British Musical* Springer

Cet ouvrage présente, depuis les origines jusqu'à nos jours, les principaux ballets accompagnés d'un générique qui résume l'œuvre chorégraphique. Le lecteur y trouvera aussi de nombreux articles sur les grands chorégraphes, les maîtres de ballet, ainsi que sur les danseurs et les danseuses les plus représentatifs de leur époque. Une partie importante de ce dictionnaire est également consacrée à la technique de la danse classique, à la musique de ballet et à la mise en scène.

Decolonization changed the spatial order of the globe, the imagination of men and women around the world and established images of the globe. Both individuals and social groups shaped decolonization itself: this volume puts agency squarely at the centre of debate by looking at elites and leaders who changed the course of history across the world.
