Understanding Purpose NewSouth Books

In 1953, Major (Old Bob) Ferguson, a soldier recently blinded on duty in Kenya, relates his untold story to a ten-year-old village lad, Mike Gilbride. In 2012, Mike, his days fast closing in, is seeking final catharsis as he relates both their colourful tales to Teddy, his only grandson. Family lies, treason and death flourish. Eventually, their lives collide.

Lives Collide Zondervan Publishing Company

Sherry has always known there was something out there. She's eighteen, works for a tabloid newspaper in Chicago and has a brother, Danny who is a lazy mooch. They live a pretty normal dull life with hippie parents and a normal existence. Then the moon disappears and people start to go missing only to reappear later, but different. She has an abusive ex-boyfriend who shows up

and claims to be one of these beings that has been showing up around the world. He's no longer the same person in that body. He tells her he has come to protect her and her brother and takes her underground, against her will to save her, where they meet others like them. She begins to unravel the truth about Merrick, about what he's really doing there, about the way he looks at her, about the crazy dangerous world they live in. Can he convince her that he's there to help? Will she like what she finds when she opens up to the truth? Will he be the one to love her when everyone else has failed? Will he be able to protect her?

The Viral Underclass Writers Republic LLC

The much-anticipated final book in New York Times bestselling author Kimberly McCreight's *Outliers* trilogy. KEEP YOUR ENEMIES CLOSE. Wylie is finally out of the detention center, but that doesn't mean she's safe. As much as she wants to forget everything that's happened and return to her normal life, Wylie knows that true freedom means discovering, once and for all, who is hunting the girls who are *Outliers*—and why. Armed with only a few clues and a handful of trusted allies, Wylie sets out to separate fact from fiction. But soon she is unearthing long-buried secrets and finds herself entangled in a conspiracy that is much bigger and more dangerous than she ever

could have imagined. Worse yet, the nearer Wylie gets to discovering the truth, the closer her enemies get to silencing her and the other girls. This time, maybe forever. In the explosive conclusion to New York Times bestselling author Kimberly McCreight's *Outliers* series, Wylie learns that when danger lurks in unexpected places, fighting for who and what you believe in can matter even more than you realized . . . and that trusting yourself might be the one thing that saves you. [When Life and Beliefs Collide](#) Penguin

The ancient book of Ruth speaks into today's world with astonishing relevance. In four short episodes, readers encounter refugees, undocumented immigrants, poverty, hunger, women's rights, male power and privilege, discrimination, and injustice. In *Finding God in the Margins*, Carolyn Custis James reveals how the book of Ruth is about God, the questions that surface when life falls apart, and how God reaches into the margins and chooses two totally marginalized women who, in the eyes of the patriarchal culture, are zeros. Against the backdrop of disturbing issues in today's world, this bracing narrative puts on display a radical gospel way of living together as human beings that shouts the Kingdom of God, foreshadows Jesus' gospel, and raises the bar for men and women, then and now.

When celebrity biographer Jada Eastman uncovers painful secrets and a deep spiritual chasm while interviewing Hollywood heartthrob Jack Harrington and his wife Grace Winslow, the proverbial "girl next door," their marriage is quickly in jeopardy as these discoveries threaten their future together. Original.

[When We Collide](#) Transformative Word

The women of the Bible have a strong, relevant message for women today that has been lost underneath layers of traditional interpretations and the expectation that God does his most important work through men. Crucial dimensions of their lives have been muted, forgotten, or passed over. Their strong voices are silent at a time when women are searching for answers that will hold up under the pressures and challenges confronting them today. This book brings the women of the Bible into the twenty-f

[When Two Worlds Collide](#) HarperChristian Resources

Few things seem to press more on the minds of Christians than the search for God's will for their lives: Where is God leading me, how can I know, and what are the signs? As he cites the various methods people use for finding answers to these questions, along with the disappointment and disillusionment many have suffered, author Dan Schaeffer examines this subject from a new vantage point. "We will look at the will of God as a journey, rather than a destination; something to walk in, rather than just seek out." An insightful, inspiring, and healing examination of an ever-popular subject.

Traditionally, the Book of Ruth is viewed as a beautiful love story between Ruth and Boaz. But if you dig deeper, you'll find startling revelations---that God makes much of broken lives, he calls men and women to serve him together, and he's counting on his daughters to build his kingdom. Now in softcover.

Everyone knows the prayer. Most of us can quote it in our sleep. Whether it was something that we recited in school assemblies or at weddings, or even something that we muttered as we were falling asleep at the end of a boring sermon. Everyone knows the drill.Our Father...Who art in heaven...Hallowed be thy name...Thy Kingdom come..Thy will be done...Wait! Let's rewind. Thy Kingdom come. What does that mean?This short book is a must read for people who are ready to go to the next level in their Christian lives. Watch what happens as your perspective changes, as you understand what the Kingdom of God really is, and how it can come into your life in a powerful way. Experience what can happen when you apply these life enabling principles and from your heart cry out, Thy Kingdom Come! You need this book. In this book you will learn biblical principles that are rarely preached from a pulpit but will bring you closer to God as you understand his Kingdom Plan.

In 2004, Dutch filmmaker Theo van Gogh was brutally murdered on a busy Amsterdam street. His killer was Mohammed Bouyeri, a twenty-six-year-old Dutch Moroccan offended by van Gogh's controversial film about Muslim suppression of women. The Dutch government had funded separate schools, housing projects, broadcast media, and community organizations for Muslim immigrants, all under the umbrella of multiculturalism. But the reality of terrorism and radicalization of Muslim immigrants has shattered that dream. In this arresting book, Paul Sniderman and Louk Hagendoorn demonstrate that there are deep conflicts of values in the Netherlands. In the eyes of the Dutch, for example, Muslims oppress women, treating them as inferior to men. In the eyes of Muslim immigrants, Western Europeans deny women the respect they deserve. Western Europe has become a cultural conflict zone. Two ways of life are colliding. Sniderman and Hagendoorn show how identity politics contributed to this crisis. The very policies

meant to persuade majority and minority that they are part of the same society strengthened their view that they belong to different societies. At the deepest level, the authors' findings suggest, the issue that government and citizens need to be concerned about is not a conflict of values but a clash of fundamental loyalties.

In Praise of When Life and Beliefs Collide.Sooner or later, life's difficulties bring every Christian woman to God's doorstep with questions too personal to ignore. "Why does God let me go through such painful circumstances?" "Why does he seem indifferent to my prayers?" We're tired of spiritual pie in the sky. We want authentic, God-as-he-really-is faith—the kind that holds us together when our world is falling apart and equips us to offer strength and hope to others.When Life and Beliefs Collide raises a long-overdue call for us to think seriously about what we believe about God. With passion, brilliance, and eloquence, Carolyn Custis James weaves stories of contemporary women with episodes from the life of Mary of Bethany to illustrate the practical benefits of knowing God deeply. Examining the misperceptions and abuses that discourage women from pursuing a deeper understanding of God, this insightful book demonstrates how practical and down to earth knowing God can be."This outstanding book offers the best demonstration that everyone needs theology, the best expository account of Mary and Martha, and the best trajectory for women's ministry in modern North America that I have yet read." —James I. Packer"Thoughtful, scholarly, and motivating. . . should inspire and encourage women for years to come." —Joni Eareckson Tada"You will not think the same way, nor hopefully be the same, after reading this thought-provoking book." —Vonette Zachary Bright". . . affirms women in their calling, chosenness, and gifting, and makes us know we are cherished and planned for." —Jill Briscoe

[An Unconventional Life](#) Dorrance Publishing

Her mind tried to fight a bloody battle against what her body already knew. She wanted him, and she wanted him bad. On the heels of college graduation and the unexpected death of her mother, Emily Cooper moves to New York City to join her boyfriend for a fresh start. Dillon Parker has been sweet, thoughtful, and generous through Emily's loss, and she can't imagine her life without him—even as her inner voice tells her to go slow. Then she meets Gavin Blake. A rich and notorious playboy, Gavin is dangerously sexy and charming as hell. Their first encounter is brief, but it's enough to inflame Emily's senses. When their paths cross again through an unexpected mutual acquaintance, she tries to deny the connection she feels, but Mr. Tall, Dark, and Handsome won't let go so easily. As she discovers Gavin's pain-filled past and Dillon's true nature begins to surface, Emily knows she must take action or risk destroying everyone—including herself. But how can she choose when she can't trust her own heart?

[Worlds Collide](#) Harvest House Publishers

"An irresistibly readable and humane exploration of the barbarities of class...readers are gifted that most precious of things in these muddled times: a clear lens through which to see the world." —Naomi Klein, New York Times bestselling author of This Changes Everything and The Shock Doctrine From preeminent LGBTQ scholar, social critic, and journalist Steven W. Thrasher comes a powerful and crucial exploration of one of the most pressing issues of our times: how viruses expose the fault lines of society. Having spent a ground-breaking career studying the racialization, policing, and criminalization of HIV, Dr. Thrasher has come to understand a deeper truth at the heart of our society: that there are vast inequalities in who is able to survive viruses and that the ways in which viruses spread, kill, and take their toll are much more dependent on social structures than they are on biology alone. Told through the heart-rending stories of friends, activists, and teachers navigating the novel coronavirus, HIV, and other viruses, Dr. Thrasher brings the reader with him as he delves into the viral underclass and lays bare its inner workings. In the tradition of Isabel Wilkerson's Caste and Michelle Alexander's The New Jim Crow, The Viral Underclass helps us understand the world more deeply by showing the fraught relationship between privilege and survival.

[Worlds in Collision](#) Paradigma Ltd

A new edition of this spiritual classic with a preface by Stephan Bodian, friend of the late author and the original editor of Collision with the Infinite. Stephan writes: "Since the book first appeared in 1996, spiritual awakening and the nondual perspective it reveals have become increasingly popular among seekers who realize the limitations of progressive practices and want more immediate access to the limitless openness and freedom of their essential nature. At the same time, a number of teachers have emerged who point directly to this truth and invite their students to inquire into their experience, rest in awareness, and realize the truth for themselves. Long

before these resources were readily available, Suzanne had a powerful awakening that completely obliterated the illusion of a separate self. But in 1982 she could find no one to guide her through the process, and as a result she spent years in fear, wandering from therapist to therapist, desperately trying to cure herself of being no one, because no one in her world knew what to make of her experience. After a dozen years in the wilderness of what she describes as a spiritual wintertime, she emerged into the radiant springtime of full nondual realization. Because she awoke without a teacher or tradition, and her understanding was so complete, her detailed descriptions of how the vastness functions through these body-minds to realize itself in form are original, and fresh from their source. I'm thrilled to have this spiritual classic back in print, after years of languishing in obscurity. Now I can begin recommending it to my students once again and share with them the clarity of her vision. As I say in the afterword, Suzanne never pretended to be a teacher, preferring instead to call herself a describer of what it's like to live as the vastness. In this profound and articulate memoir, she chronicles her journey, and in the process transmits the wisdom that revealed itself to her." Editorial reviews "Collision with the Infinite is like a diamond on fire with living spirit, and a testament to the strange and wonderful ways that spiritual awakening can unpredictably burst forth in any one of us at any time. Read this book as what it has always been, a modern-day revelation of how spiritual presence came alive in one extraordinarily ordinary woman, and how she embodied it like the sky embodies a shooting star." -Adyashanti "A fascinating, deeply moving account of a powerful spiritual opening and the ensuing process of understanding and integration. The book dispels some of our most cherished myths about spiritual awakening-especially that it is a blissful and easy process. Awakening is not the end of the path, but the beginning of a sometimes difficult journey." -Steve Taylor Ph.D., author of The Leap: The Psychology of Spiritual Awakening

Dionne Moses is a self-made beautiful young woman that has everything together. As the creative director and manager at Luxe Salons, Dionne has the life of her dreams. Working hard to live her best life, Dionne has no space in her life for distractions. Fantasizing about her favorite singer is the only action this driven young lady has time for. Enter Damien Strong. A sexy R&B singer who enjoys his privileges as a nearly irresistible, handsome, young man with enough money and power to have any woman he wants. Yin meets yang when these two come together and experience an indescribable energy that supersedes sex. Their newly found passion is soon interrupted when the jealousy of frenemies and past relationships come in to play. What will happen when the infatuation of a overzealous fan turns deadly? Will their lust turn into a love that will get them through tragedy? Or will the fire die and leave them to figure out exactly what happens when A Fantasy is real and Life and Lust collide?

[When Kingdoms Collide](#) Multnomah

A race against time, war, and the very fabric of the universe itself, perfect for fans of Sliding Doors and 11/22/63. Sixteen-year-old Winnie Schulte has always seen splits--the moment when two possible outcomes diverge, one in her universe and one in another. Multiverse theory, Winnie knows, is all too real, though she has never been anything but an observer of its implications--a secret she keeps hidden from just about everyone, as she knows the uses to which it might be put in the midst of a raging WWII. But her physicist father, wrapped up in his research and made cruel by his grief after the loss of Winnie's mother, believes that if he pushes her hard enough, she can choose one split over another and maybe, just maybe, change their future and their past. Winnie is certain that her father's theories are just that, so she plays along in an effort to placate him. Until one day, when her father's experiment goes wrong and Scott, the kind and handsome lab assistant Winnie loves from afar, is seriously injured. Without meaning to, Winnie chooses the split where Scott is unharmed. And in doing so, finds herself pulled into another universe, an alternate reality. One that already has a Winnie. In this darkly thrilling novel that blends science and war with love and loss, some actions just can't be undone. Praise for When You and I Collide: "A serious tale of attempting reinvention at the cost of rending reality." --Kirkus Reviews

[Choosing to Cheat](#) Discovery House Pub

From the New York Times Bestselling Author of Lost to You and Take This Regret comes a gripping new tale of loss and love. William has spent six years running from his past and the last eight months trying to rid his mind of the dreams that increasingly haunt his nights. Trapped in a world of false ambitions and feigned affections, William knows he's reached a breaking point and something's going to give. Maggie had lived her entire life without hope until one man showed her what it meant to be loved. He'd been her light in a lifetime of darkness. Six years ago, that

darkness stole him away. Without him, she's surrendered herself to an existence she doesn't know how to escape. When the family William left behind is struck by tragedy, he is called back to the one place he's sworn to never return to again. In a moment that will change his life forever, William comes face to face with the girl who, with one look, captured his heart. He is unable to ignore the buried desires and the hope for the future they'd once believed they'd have. Now

William is ready to fight to take back what had been stolen from him six years before. But he never imagined what that fight might cost him. A.L. Jackson gives you an intimate look into the lives of a family bound by an unseen connection in this new contemporary romance. "There are some love stories that will take you on such intensely emotional journeys, shake you to the very core of your

being, make you scream, cry, curse, throw things against walls, but also fill you with more hope than you ever thought possible - THIS is one of those books. This is the second novel by A.L. Jackson that I have read and I am ready to build this woman a shrine." Natasha is a Book Junkie *NIV, Mom's Devotional Bible*, eBook Lulu.com
