Winner of Children's book of the year at the 2016 Speaking

Volumes Christian book awards. Based on the healing of the official's son in John chapter 4, this wonderful storybook will teach children about the instant power of the words of Jesus, and that they should trust Jesus because he is God's Son.

Stunningly illustrated by Catalina Echeverri, author and illustrator of several bestselling children's books, including Monty's Christmas, as

well as the first two storybooks from The Good Book for Children, Alby's Amazing Book and The Christmas Promise. Written by Alison Mitchell, author of The Christmas Promise and several of our children's tracts. This book is perfect for children aged 3-6 years old and makes a beautiful gift.

Teach children about two

extraordinary events in history when the God of the Bible proved himself to be the one true God. Kids today are faced with a huge range of different views on who God is (or isn't). How can they be sure who's got it right? This beautifully illustrated hardback storybook for children aged 3-6 is written by the team behind The Garden, the Curtain and the Cross. It retells two extraordinary events in history when

the God of the Bible proved himself to be the one true God. First it takes children back to Elijah's time and the gripping "God contest" between the God of the Bible, Yahweh, and the false god Baal. Then it fast-forwards to a different mountain and another "God contest" at an empty tomb. Once the evidence is examined, it invites kids, in a world of so many options, to decide with confidence to join Team Jesus.

Classic Children's Books  
Child of God, Delight in Him  
combines God's names with mind mapping to explore new paths for prayer, worship, and inductive Bible study. The thirty-two creative clusters are colorful structures that compress yet expand, contain yet perpetuate, and simplify yet mystify. Once readers learn to unpack the maps, they

will be amazed by the blessings of spiritual growth. Various activities reinforce the comprehension and memorization of God's names and scripture references. Each map provides its own paths to color while the pages of creative responses can be filled with artwork, journaling, poetry and songs. The illustrations accompanying the story of Carrie's butterfly, Joy,

provide hours of enjoyable coloring. The workbook can be used individually or adapted easily for prayer, worship, and Bible study groups. Since God's names are infinite and the journey has just begun, the author hopes that fellow travelers will create their own maps. *Don't Look Inside Tales That Tell the Truth* The NIV is the world's best-selling modern translation, with over 150 million copies

in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation. **Any Time, Any Place, Any Prayer** Legare Street Press Teach kids how to pray with this beautifully illustrated Bible storybook.

Standard Publishing Company  
In the early 1900s, Starr Daily was a hardened criminal, the kind of man who seemed destined to spend his life behind bars. Everyone, including Starr himself, believed that he was beyond

rehabilitation and without hope in this world. Then, like the poet once said, he was "touched by the Master's hand." Where HATE had once been the driving force of his life, now LOVE ruled. The love of God changed Starr Daily; and as he learned to walk in that love, he changed his circumstances, the people around him, the prison institution, and the course of his life. Love Can Open Prison

Doors does more than tell the story of how one man was changed by God's love. It opens the eyes of the reader to the limitless possibilities of what love can do.
