MILES MAXIMO

The Complete English-Maori Dictionary Raupo

Learn about the Maori language and culture with this unique lexicon, compiled by the renowned missionary William Colenso. Featuring specimens of both Maori-English and English-Maori dictionaries, this book is an invaluable resource for scholars and enthusiasts alike. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no

entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Reed Essential Maori Dictionary: Maori English Oxford University Press, USA

Revised edition of the best-selling, self-help tutor in the Maori language presented in a new, easy-to-use format.

A Dictionary of the New Zealand Language Penguin Random House New Zealand Limited

Dictionary with Maori-English and English-Maori sections (over 50,000 words). With reference lists including proverbs, personal

names, NZ and overseas place names. Suitable for self-study and building vocabulary.

English-Maori Learner's Dictionary (Arranged by Themes, Elementary Level) Conran Octopus

A concise dictionary with about 10,000 entries. Entries are in brief form, with brief definitions. It includes recent additions to the Maori language, and has a separate list of proper names. There is a guide to the pronunciation of Maori. There is a companion volume, Maori-English.

Nga Tini a Tangaroa Longman

Multi Linguis offers you a frequency-thematic dictionary of the Maori language. It includes up to 1'500 essential lemmas belonging to the Elementary level. The entries are divided into 300 vocabulary themes as well as 1 importance level. They are arranged by themes, not by the alphabet. The book is intended to help you learn this language or revise your vocabulary in a thematic way, but can also be applied for translating or entertaining. You may use it separately or as an additional tool for any suited educational course. You can find full version of this and other dictionaries of the Maori language on <https://multilinguis.com/languages/maori-l/>.

Austral English Reed Publishing (NZ)

The Raupo Essential Maori Dictionary is an invaluable introductory dictionary for students of te reo Maori. It features: clear, easy-to-follow Maori-English and English-Maori sections, with the Maori and English alphabets at the top of each page, all the words a learner is likely to encounter, including contemporary usage and modern terms, a section of themed word lists, including days of the week, months of the year, numbers, cities of

New Zealand, colours, emotions, actions, parts of the body, in the classroom, and on the marae.

A Dictionary of the New Zealand Language Cambridge University Press

"Provides useful information on parts of speech. It offers practical help with pronunciation of Māori words. It relates well to contemporary life by including words from English commonly used by today's Māori speakers." -- Back cover.

New Zealand Dictionary Maori and English Raupo

"Third edition of Māori-English dictionary"--BIM.

Concise Maori Dictionary Raupo

"Māori dictionary with English definitions and Polynesian comparisons"--BIM.

Te aka Penguin Random House New Zealand Limited

"Revised edition of an 1848 dictionary of natural history"--BIM.

English-Maori Dictionary Auckland University Press

Compiled by a renowned linguist and expert in New Zealand's Maori language, this dictionary was designed as a comprehensive finder list. Incorporating words from leading dictionaries from the colonial periods as well as contemporary Maori words, this handy introduction to the language includes more than 15,000 headwords--each of which may have several Maori equivalents. First published in 1981, this updated edition offers an authoritative snapshot into an indigenous culture.

The Reed Pocket Dictionary of Modern Maori Raupo

A concise dictionary with about 10,000 entries. Entries are in brief form, with brief definitions. It includes recent additions to the Maori language, and has a separate list of proper names. There is a guide to the pronunciation of Maori. There is a

companion volume, English-Maori.

The Complete English-Maori Dictionary Independently Published
 "New Zealand possesses a relatively young and certainly vibrant variety of English. The influence of te reo Maori makes a significant contribution to that lexical vitality." "Maori words began to enter English in 1769 after the arrival of James Cook and H.M.S. Endeavour. They continue to do so today, with an estimated six words out of every thousand in written and spoken New Zealand English being of Maori origin. These words include the names of flora and fauna, aspects of material and social culture, and new creations, as well as place and personal names." "This dictionary presents a comprehensive picture of that presence in New Zealand English, and provides a vignette of New Zealand society through the citation accompanying many of the words."--BOOK JACKET.

English-Maori Dictionary Penguin Random House New Zealand Limited

"Fourth edition of Māori-English, English-Māori dictionary"--BIM.

The Reed Essential Maori Dictionary Raupo

Fully revised and enlarged, this edition of P.M. Ryan's dictionary has 5000 additional entries. It now contains over 45,000 concise entries divided into Maori-English and English-Maori sections.

The revised dictionary of modern Māori Raupo

This dictionary and index comprises a selection of modern and everyday language that will be extremely useful for learners of the Maori language. It has a broader scope than traditional dictionaries, so as well as the words one would usually expect in a dictionary, it also includes; encyclopaedic entries designed to provide key information, explanations of key concepts central to

Maori culture, comprehensive explanations for grammatical items, with examples of usage, idioms and colloquialisms with their meanings and examples.

The Raupo Concise Maori Dictionary Multi Linguis

This dictionary and index comprises a selection of modern and everyday language that will be extremely useful for learners of the Maori language. It has a broader scope than traditional dictionaries, so as well as the words one would usually expect in a dictionary, it also includes: encyclopaedic entries designed to provide key information about plants, animals (including sea and insects), stars, planets, heavenly bodies, important Maori people, key ancestors of traditional narratives, tribal groups, ancestral canoes, song types, traditional musical instruments, Maori names for institutions, country names, place names and other proper names, explanations of key concepts central to Maori culture; comprehensive explanations for grammatical items, with examples of usage idioms and colloquialisms. These have all been included because they are important in communicating in a Maori context, and contribute to understanding and speaking the language in a natural way. While this dictionary is designed to stand alone, it not only contains all the words used in the Te Whanake series of narrative texts and resources, but is indexed to the Te Whanake series, thus giving quick access to topics, maps, illustrations, idioms, colloquialisms, proverbs, tribal sayings, grammar and usage explanations.

A Dictionary of the Maori Language Legare Street Press

"Specimen of an uncompleted dictionary"--BIM.

Maori Picture Dictionary Auckland University Press

The first scholarly dictionary of Australian and New Zealand

English, including loan words from indigenous languages, originally published in 1898.

A Dictionary of the Maori Language Auckland University Press

An excellent tool for students of New Zealand's Maori language, this pocket guide contains more than 4,000 entries in both its

English and Maori sections. With a useful pronunciation guide and helpful information on parts of speech, it will be of relevance to linguists, anthropologists, researchers, and academics interested in Pacific Oceanic cultures and history.
