HAILIE JORDAN

Performance and
Spanish film John Wiley
& Sons

In this new edition of a wordless modern classic, a frog picks a beautiful flower. When a mouse sees him with it, his jealousy overcomes him, and he grabs it for himself.

Then Frog's friends chase the mouse away. But before the frogs can celebrate, a counter-attack from Mouse's friends surprises them—and the conflict soon escalates into a full-blown war. When the dust finally clears, all either side can ask is: Why? With an afterword by children's literature expert Leonard S. Marcus, this

seemingly simple book is an invaluable way to talk to young children about conflict and warfare.

WHY? Manchester University Press
Teeming with tapestries, manuscript illuminations, carpets, and tiles, this far-reaching compendium brings together the two greatest 19th-century catalogues of ornament into one indispensable reference book.

Encompassing designs from medieval times through to the 19th century, in styles as diverse as Egyptian, Etruscan, or Middle Eastern, this...

Contemporary Spanish Cinema

Open Road Media
Contemporary Colonialities in Mexico and Beyond explores the changing dynamic

of coloniality by focusing on how modern cultural products connect to the foundational structures of colonialism. The book examines how these structures have perpetuated discourses of racial, ethnic, gender, and social exclusion rooted in Mexico's history. Given the intimate relationship between coloniality and modernity, the volume addresses three central questions: How does the Mexican colonial history influence the definition of Mexico from within and outside its borders? What issues rooted in coloniality recur over time and space? And finally, how do cultural products provide a concrete and tangible way of studying

coloniality, its history, and its evolution? The book analyses how literary works, movies, television series, and social media posts reconfigure colonial difference and spatialization.

Supported by careful historical and cultural contextualization, these analyses will allow readers to appreciate contemporary Mexico vis-à-vis culture and borderland issues in the United States and debates on imperial memory in Spain.

Ultimately, *Contemporary Colonialities in Mexico and Beyond* presents a handbook for readers looking to learn more about coloniality as a pervasive part of global interactions today.

Live Cinema and Its

Techniques TAURUS

From a master of cinema comes this “gold mine of a book . . . a rocket ride to the potential future” of filmmaking (Walter Murch). Celebrated as an “exhilarating account” of a revolutionary new medium (Booklist), Francis Ford Coppola’s indispensable guide to live cinema is a boon for moviegoers, film students, and teachers alike. As digital movie-making, like live sports, can now be performed by one director—or by a collaborative team online— it is only a matter of time before cinema auteurs will create “live” movies to be broadcast instantly in faraway theaters. “Peppered with brilliant personal observations” (Wendy Doniger), *Live*

Cinema and Its Techniques offers a behind-the-scenes look at a consummate career: from Coppola's formative boyhood obsession with live 1950s television shows and later attempts to imitate the spontaneity of live performance on set, the book usefully includes a guide to presenting state-of-the-art techniques on everything from rehearsals to equipment. A testament to Coppola's prodigious enthusiasm for reinvigorating the form, *Live Cinema* is an indispensable guide that "reenergizes . . . the search for a new way of storytelling" (William Friedkin). *Hispanic and Lusophone women filmmakers* Ediciones AKAL
A "lively" memoir by

the Hollywood legend about the making of *Spartacus*, with a foreword by George Clooney (Los Angeles Times). One of the world's most iconic movie stars, Kirk Douglas has distinguished himself as a producer, philanthropist, and author of ten works of fiction and memoir. Now, more than fifty years after the release of his enduring epic *Spartacus*, Douglas reveals the riveting drama behind the making of the legendary gladiator film. Douglas began producing the movie in the midst of the politically charged era when Hollywood's moguls refused to hire anyone accused of Communist sympathies. In a risky move, Douglas chose

Dalton Trumbo, a blacklisted screenwriter, to write *Spartacus*. Trumbo was one of the “Unfriendly Ten,” men who had gone to prison rather than testify before the House Un-American Activities Committee about their political affiliations. Douglas’s source material was already a hot property, as the novel *Spartacus* was written by Howard Fast while he was in jail for defying HUAC. With the financial future of his young family at stake, Douglas plunged into a tumultuous production both on- and off-screen. As both producer and star of the film, he faced explosive moments with young director Stanley Kubrick, struggles with a leading lady, and negotiations with giant

personalities, including Sir Laurence Olivier, Charles Laughton, Peter Ustinov, and Lew Wasserman. Writing from his heart and from his own meticulously researched archives, Kirk Douglas, at ninety-five, looks back at his audacious decisions. He made the most expensive film of its era—but more importantly, his moral courage in giving public credit to Trumbo effectively ended the notorious Hollywood blacklist. A master storyteller, Douglas paints a vivid and often humorous portrait in *I Am Spartacus!* The book is enhanced by newly discovered period photography of the stars and filmmakers both on and off the set.

 and Australia

Los Archivos de Pedro Almodóvar University of Toronto Press
 This volume examines the films of Hispanic and Lusophone women filmmakers from the 1930s to the present day. It establishes productive connections between film practices across these geographical areas by identifying common areas of concern on the part of these female filmmakers. Focusing on aesthetic, theoretical and socio-historical analyses, it questions the manifest or latent gender and sexual politics that inform and structure the emerging cinematic productions by women filmmakers in Portugal, Spain, Latin America and the US. With a combination of scholars from the UK, the US, Spain and

Latin America, the volume documents and interprets a fascinating corpus of films made by Hispanic and Lusophone women and proposes research strategies and methodologies that can expand our understanding of socio-cultural and psychic constructions of gender and sexual politics. An essential resource to rethink notions of gender identity and subjectivity, it is a unique contribution to Spanish and Latin American Film Studies and Film Studies.
Die Welt der Ornamente State University of New York Press
 A través de varias entrevistas personales realizadas por la autora, se recoge información sobre la vida y obra del director

de cine. Se da una visión crítica sobre las películas, se realiza una "guía almodovariana" con la finalidad de servir de diccionario temático para seguir la evolución de los objetos, lugares o personajes y una filmografía completa de sus trabajos profesionales acompañados de una sinopsis.

Los archivos de Pedro Almodóvar

John Wiley & Sons
Historical Dictionary of Spanish Cinema covers Spanish cinema, its treasures its constant attempts to break through internationally, reaching out towards universal themes and conventions, and the specific obstacles and opportunities that have shaped the careers of filmmakers and stars.

This book contains a chronology, an introduction, an appendix and an extensive bibliography. The dictionary section has over 200 cross-referenced entries on titles, movements, filmmakers and performers, and genres (such as homosexuality, nuevo cine español or horror).

This book is an excellent resource for students, researchers, and anyone wanting to know more about Spanish cinema.

Les archives Pedro Almodóvar Manchester University Press

Un combativo, riguroso y muy personal recorrido por el underground español. Un relato apasionante y fragmentario de la Contracultura desde sus utópicos inicios hasta el desencanto,

desde su génesis sevillana en clave de mestizaje flamenco-psicodélico hasta un presente donde el universo youtuber ha generado sus propios monstruos millennial, pasando por la ofensiva oficial contra el movimiento hippie en la Formentera de finales de los sesenta. Una memoria sentimental que indaga en las estrategias de resistencia que subyacen al salvaje cómic underground, la poética musical de Jaume Sisa y Vainica Doble y los imaginarios de Almodóvar, Iván Zulueta, Eloy de la Iglesia o Carles Mira, entre otros, y explora los inquietantes puntos de contacto entre esa nueva sensibilidad y los discursos de poder: ¿Es la Iglesia del Palmar de Troya una

construcción camp? ¿Cómo suena el monólogo interior del flower power según José María Carrascal? ¿Está encriptada la Historia de España en las pistas de baile de las discotecas? ¿Se puede ser legionario y hippy? Jordi Costa se pregunta qué fue de la promesa contracultural, malograda a la sombra de la Cultura de la Transición. Al trazar fascinantes puntos de unión, da cuenta de la trascendencia de ese cadáver exquisito que, con una regeneradora y poética irracionalidad como motor y con la oposición política al franquismo como ocasional compañera de viaje, «avanzó como una sola fuerza en busca de la materialización de diversos ideales de

transformación», hasta morir «víctima de un supuesto fuego amigo». La crítica ha dicho... «Un ensayo fabuloso. [...] Costa cartografía brillantemente el underground español.» Joric, Jenesaispop *Alfred Hitchcock* ReadHowYouWant.com Introduction by Thierry Frémaux translated into Spanish from the original French. 100 Years of Spanish Cinema Columbia University Press In the 1970s, especially after Franco's death in 1975, Spanish cinema was bursting at the seams. Numerous film directors broke free from the ancient taboos which had reigned under the dictatorship. They introduced characters who, through their bodies, transgress the

traditional borders of social, cultural and sexual identities. Post-Franco cinema exhibits women, homosexuals, transsexuals, and delinquents in new and challenging ways. Under Franco rule, all of these dissident bodies were 'lost'. Here, they reflect new mythological figures, inhabiting an idealised body form (a prototypical body). Conversaciones con Pedro Almodóvar Los Archivos de Pedro Almodóvar Uno de los cineastas en activo más influyentes y prolíficos de los últimos 40 años, el director de culto español Pedro Almodóvar ha seducido al público internacional con sus emocionantes disertaciones sobre el deseo, la pasión, la familia y la identidad. Basta un simple repaso

a su larga lista de producciones para encontrar excitantes historias cargadas de melodrama psicológico, humor negro, riñas familiares y violenta lujuria. Esta edición de Los Archivos de Pedro Almodóvar ofrece un acceso único a imágenes entre bastidores y recuerdos personales con las que el director nos descubre su trayectoria, desde los inicios hasta Los amantes pasajeros (2013) y Julieta (2016). Basado en el volumen XL de TASCHEN, realizado en colaboración con Almodóvar, el libro es una ampliación del original y ofrece una visión fascinante de las claves del proceso creativo de obras magistrales como Mujeres al borde de un

ataque de nervios, la ganadora de un Óscar Todo sobre mi madre y Hable con ella. Cada película se presenta con su cartel original, una lista del reparto y equipo técnico, así como un ensayo realizado por un relevante autor español. El propio Almodóvar complementa el vívido material fotográfico acompañando cada imagen con sus reflexiones y comentarios. Este volumen profundiza en una época brillante del cine, llena de creatividad. Una guía indispensable para descubrir el imponente canon cinematográfico de Almodóvar creada por él mismo. Los archivos de Pedro Almodóvar Introduction by Thierry Frémaux translated into Spanish

from the original French. The Pedro Almodóvar Archives: An updated edition of The Pedro Almodóvar Archives, offering inside access to the cult Spanish director who beguiles audiences worldwide with his thrilling dissertations on desire, passion, and identity. With behind-the-scenes pictures and personal reminiscences, Almodóvar himself guides the reader through his singular journey from its early... Madrid en el cine de Pedro Almodóvar. Let the good times roll is the motto of this celebration of a way of life unaffected by the demands of safe sex and queer politics. It features a narrator who only wants to have sex, listen to house music

and visit London. *Pedro Almodovar* Anchor Contemporary Spanish Cinema offers an essential analysis of the main trends and issues in Spanish film since the death of Franco in 1975. While taking account of cinema during the Franco dictatorship, the book focuses principally on developments in the last two decades. Acknowledging the sheer breadth and diversity of Spanish film production since the ending of the regime and the transition to democracy, this study includes chapters on Spanish film's obsessive concern with the past on popular genre film (including the comedy and the thriller), on

representations of gender and sexuality and the work of women film professionals, both behind and in front of the camera, as well as on film produced in Spain's autonomous communities, particularly in Catalonia and the Basque Country. This book offers a unique and up-to-date focus on a wide range of materials, including work on such established directors as Carlos Saura, Víctor Erice, Pedro Almodóvar, Pilar Miró, Bigas Lina and Josefina Molina as well as exciting new talents such as Julio Medem, Juanma Bajo Ulloa, Alex de la Iglesia, Iciar Bollan, Isabel Coixet and Marta Balletbò-Coll.

Puzzle Films St. Martin's Griffin

A Companion to Pedro Almodóvar "Marvin D'Lugo and Kathleen M. Vernon give us the ideal companion to Pedro Almodóvar's films. Established and emerging writers offer a rainbow of insights for fans as well as academics." Jerry W. Carlson, Professor of Film Studies, The City College & Graduate Center CUNY "Rarely has a contemporary film artist been treated to the kind of broad, rich discussion of their work that can be found in A Companion to Pedro Almodóvar." Richard Peña, Professor of Film Studies, Columbia University Once the enfant terrible of Spain's youth culture explosion, the Movida, Pedro Almodóvar's distinctive film style and career longevity

have made him one of the most successful and internationally known filmmakers of his generation. Offering a state-of-the-art appraisal of Almodóvar's cinema, this original collection is a searching analysis of his technique and cultural significance that includes work by leading authorities on Almodóvar as well as talented young scholars. Crucially included here are contributions by film historians from Almodóvar's native Spain, where he has been undervalued by the academic and critical establishment. With a balance between textual and contextual approaches, the book expands the scope of previous work on the director to explore his fruitful

collaborations with fellow professionals in the areas of art design, fashion, and music as well as the growing reach of a global Almodóvar brand beyond Europe and the United States to Latin America and Asia. It also proposes a reevaluation of the political meanings and engagement of his cinema from the perspective of the profound cultural and historical upheavals that have transformed Spain since the 1970s. Pedro Almodóvar
Ediciones de la Universidad de Castilla La Mancha
WINNER OF THE IMPAC DUBLIN AWARD • Widely considered a masterpiece, a breathtaking novel about family secrets that chronicles the relentless power of the

past—from the award-winning author of *The Infatuations* and "Spain's best writer" (Roberto Bolaño, national bestselling author of *The Savage Detectives*). Juan knows little of the interior life of his father Ranz; but when Juan marries, he begins to consider the past anew, and begins to ponder what he doesn't really want to know. Secrecy—its possible convenience, its price, and even its civility—hovers throughout the novel. *A Heart So White* becomes a sort of anti-detective story of human nature. Intrigue; the sins of the father; the fraudulent and the genuine; marriage and strange repetitions of violence: Marías elegantly sends shafts of inquisitory

light into shadows and onto the costs of ambivalence.

Madrid en el cine de Pedro Almodóvar
Amsterdam University Press

Alfred Hitchcock rigorously controlled his public image, drawing certain carefully selected childhood anecdotes into full focus and blurring out all others. In this gripping short biography, Peter Ackroyd wrests the director's chair back from the master of control to reveal a lugubriously jolly man fond of practical jokes, who smashed a once-used tea cup every morning to remind himself of the frailty of life. Iconic film stars make cameo appearances throughout Hitchcock's story, just as the

director did in his own films: Grace Kelly, Cary Grant, James Stewart and, perhaps most famously of all, Tippi Hedren, who endures cuts and bruises from a fearsome flock of real birds. Perceptive and intelligent, Alfred Hitchcock is a fascinating look at one of the most revered directors of the twentieth century.

Las Colecciones y Archivos de Arte Contemporáneo (CAAC) de la Facultad de Bellas de Cuenca surgen a finales del año 2012 con la

pretensión de reunir bajo dicha marca al conjunto de centros, museos, colecciones y archivos que distintos profesores-investigadores pertenecientes a este centro han ido construyendo desde su creación, en 1986, hasta lograr compilar después de todos estos años unos recursos patrimoniales que tienen como marco común las prácticas artísticas desarrolladas por las vanguardias alternativas surgidas a lo largo de la segunda mitad del siglo XX y comienzos del XXI. En las CAAC de Cuenca se agrupan en la actualidad el Museo Internacional de Electrografía (MIDE), el Centro de Creación Experimental (CDCE) y su Archivo de Arte Sonoro, los Archivos de

Artes Escénicas (ARTEA), la Colección Parkett de Arte Múltiple, la Colección de Grabado Contemporáneo de Juana Mordó, y la Colección de Arte Gráfico y Múltiple de la Facultad de Bellas Artes de Cuenca. Desde las CAAC de Cuenca se gestionan además los archivos cinematográficos pertenecientes al Centro Pedro Almodóvar de la UCLM y los archivos históricos de arte sonoro del Laboratorio de Música Electroacústica. Sus fondos y recursos están permanentemente a disposición de investigadores, especialistas y estudiosos, tanto a través de sus espacios físicos especialmente

habilitados para tal fin, como online, a través de sus distintos espacios virtuales en red.

Contemporary Colonialities in Mexico and Beyond Ediciones AKAL

A lo largo de sus conversaciones con Frédéric Strauss, la palabra del cineasta Pedro Almodóvar fluye libre, rompiendo los límites de la entrevista para evocar los recuerdos de la infancia, la explicación técnica de una escena, el comentario apasionado y cinéfilo de sus películas fetiche, la narración de un guión nunca rodado, las interpretaciones personales de un objeto, de una imagen, de un personaje... Las declaraciones del cineasta son tan

prolíficas como el universo al que nos llevan y que se van dibujando a través de los documentos de trabajo del cineasta y de sus colaboradores

más próximos: fotos, dibujos, textos, partituras, maquetas... El libro encuentra así el movimiento de una creación que siempre se renueva.
