There are a few things Jeremy Marsh was sure he'd never do:

he'd never leave New York City; never give his heart away again after barely surviving one failed marriage; and, most of all, never become a parent. Now, Jeremy is living in the tiny town of Boone Creek, North Carolina, married to Lexie Darnell, the love of his life, and anticipating the birth of their daughter. But just as his life seems to be settling into a blissful pattern, an unsettling and mysterious message re-opens old wounds and sets off a chain of events that will forever change the course of this young couple's marriage. Dramatic, heartbreaking and surprising, this is a story about the love between a man and a woman and between a parent and a child. More than that, it is a story that beautifully portrays how the same emotion that can break your heart is also the one that will ultimately heal it. While the novel picks up the tale of Lexie Darnell and Jeremy Marsh that started in *True Believer* and will delight fans of that novel, it stands on its own as one of Nicholas Sparks's most deeply moving love stories.

Starring Michelle Monaghan, James Marsden, Luke Bracey, and Liana Liberator "Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen." In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in the small town of Oriental, North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back to Oriental for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can forget the passionate first love that forever changed their lives.

As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew -- about Tuck, about themselves, and about the dreams they held dear -- was not as it seemed. Best of Me Hachette UK

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The impassioned love of two teenagers leaves a path of destruction in its perilous wake. Seventeen-year-old David Axelrod is consumed with his love for Jade Butterfield. So when Jade’s father exiles him from their home, David does the only thing he thinks is rational: He burns down their house. Sentenced to a psychiatric institution, David’s obsession metastasizes, and upon his release, he sets out to win the Butterfields back by any means necessary. Brilliantly written and intensely sexual, *Endless Love* is the deeply moving story of a first love so powerful that it becomes dangerous—not only for the young lovers, but for their

families as well. This ebook features an illustrated biography of Scott Spencer, including rare photos from the author’s personal collection.

Three Weeks with My Brother Hachette UK

An avid, near-six-foot-tall surfer, John Jude Parish cuts a striking figure on the beaches of the Outer Banks in North Carolina. When he isn’t on water, John lives on wheels, a self-described skate rat—grinding and kickflipping with his friends, and encouraged by his progressive parents. His hero is the great explorer Richard Burton, his personal prophet is Bob Dylan, and his world is wide open—to new ideas, philosophies, and religions. Through online forums and chat rooms, John meets a young woman from Brooklyn who spurs his interest in Islam and Arab literature. Deferring Brown University for a year, he moves to the idyllic New York borough to study Arabic. Like Burton, John embraces the experience heart, body, and soul—submitting to Islam, practicing the salaah, fasting and meditating, dancing with dervishes, and encountering the extraordinary. Burton lived the life of a nineteenth-century adventurer, but he also penetrated the ancient wisdom of secret worlds. John will too—with unforeseen consequences. Critically acclaimed novelist Pearl Abraham uses her gifts of psychological acuity and uncommon empathy to depict a typical upper-middle-class family snared by the forces of history, politics, and faith. In *American Taliban*, she imagines this young surfer/skater on a distinctly American spiritual journey that begins with Transcendentalism and countercultural impulses, enters into world mysticism, and finds its destination in Islam. Provocative, unsettling, and written in a brilliantly inventive, refreshingly original voice, *American Taliban*

is poised to become one of the most talked-about novels of the year.
