Aprenda fácilmente y paso a paso cómo se realizan los ejercicios más espectaculares de la equitación clásica.

Principios de la equitación Storey Publishing, LLC

A highly illustrated guide to simple yet effective methods for keeping horses sound, healthy, and performing their best. Over time, horses (like people) acquire postural habits, compensate for soreness and injury, and develop poor movement patterns. This limits performance ability, causes unsoundness and health issues, and ultimately undermines the horse's overall well-being. Jec Aristotle Ballou has made a name for herself advocating for the horse and providing sensible instruction in his schooling, conditioning, and care. Her bestselling books and popular clinics

are designed to enable any horse person to correctly apply proven principles that bring measurable progress while avoiding boredom and confusion. In her latest collection of mounted and unmounted corrective exercises, Ballou demonstrates how we can actively work to improve the horse's posture and movement, whether he is: An active performance or pleasure mount. An aging or older horse that benefits from gentle exercise. A horse being rehabilitated following injury, illness, or lack of conditioning. Ballou's positive cross-training techniques are free of shortcuts, and her guidelines for analyzing the horse's posture and way of going help readers gain a new awareness of the equine body. Applicable for all disciplines and full of quality color photographs to explain the exercises, this is an integral collection that optimizes how the horse uses his body and helps ensure he stays sounder and healthier for more years of his life.

The Spanish American Reader Bantam

Monty Roberts is a real-life horse whisperer—an American original whose gentle Join-Up® training method reveals the depth of communication possible between man and animal. He can take a wild, high-strung horse who has never before been handled and persuade that horse to accept a bridle, saddle, and rider in thirty minutes. His powers may seem like magic, but his amazing “horse sense” is based on a lifetime of experience. In *The Man Who Listens to Horses*, Roberts reveals his unforgettable personal story and his exceptional insight into nonverbal communication, an understanding that applies to human relationships as well. He shows that between parent and child, employee and employer, abuser and abused, there are forms of communication far stronger than the spoken word that are accessible to all who will learn to listen. This new edition features engaging photographs, a chapter that traces Roberts's amazing experience gentling with a mustang in the wild, and an Afterword about the remarkable impact this book has had on the world.

Iniciación a la doma clásica Editorial HISPANO EUROPEA

A collection of charming and witty stories that cover a life with horses from an ordinary day at the barn to the frustrations of training and riding lessons.

Manual de equitación Editorial HISPANO EUROPEA

Si somos capaces de realizar perfectamente los 101 ejercicios

descritos en este libro por Linda Alien, no nos encontraremos con ninguna sorpresa desagradable en un recorrido; o al menos, con muy pocas. -WILLIAM steinkraus Medallista de oro olímpico de Salto de Pista 1968. La práctica nos lleva a la perfección, pero ¡sólo si practicamos correctamente! En este manual Linda Alien, una amazona de primera línea, competidora de Gran Premio y diseñadora internacional de recorridos de salto, muestra los ejercicios necesarios, desde los más sencillos hasta los más complejos, para todos los caballos y jinetes. ? Para principiantes: cómo establecer y mantener un "diálogo" entre jinete y caballo. ? Para entrenadores: ejercicios para conseguir el equilibrio y la técnica adecuada para que el caballo se aproxime a cada uno de los obstáculos con confianza. ? Para monitores: con nuevas ideas para que las clases sean instructivas y divertidas al mismo tiempo.? Para jinetes competidores experimentados: ideas frescas y nuevas para lograr y mantener un nivel competitivo.

Principios de adiestramiento Editorial HISPANO EUROPEA

Ofrece a todos los implicados en la Doma Clásica la posibilidad de beneficiarse de la gran riqueza de conocimientos de su autor. Analiza las partes del entrenamiento y cada uno de los movimientos de escuela.

The Theft of History Editorial HISPANO EUROPEA

The acclaimed author and preeminent military historian John Keegan examines centuries of human conflict. From primitive man in the bronze age to the end of the cold war in the twentieth century, Keegan shows how armed conflict has been a primary preoccupation throughout the history of civilization and how deeply rooted its practice has become in our cultures. "Keegan is at once the most readable and the most original of living military historians . . . A History of Warfare is perhaps the most remarkable study of warfare that has yet been written."--The New York Times Book Review.

The Man Who Listens to Horses Editorial HISPANO EUROPEA

In *The Theft of History* Jack Goody builds on his own previous work to extend further his highly influential critique of what he sees as the pervasive Eurocentric or occidentalist biases of so much western historical writing and the consequent 'theft' by the West of the achievements of other cultures in the invention of (notably) democracy, capitalism, individualism and love. Goody,

one of the world's most distinguished anthropologists, raises questions about theorists, historians and methodology and proposes a new comparative approach to cross-cultural analysis which allows for more scope in examining history than an East versus West style.

101 Jumping Exercises for Horse & Rider Simon and Schuster
La doma clásica exige que tanto el jinete como el caballo se conviertan en atletas. Como en cualquier programa de puesta en forma, es necesario contar con una guía que muestre cómo realizar el entrenamiento, qué ejercicios son necesarios y la manera, paso a paso, de llevarlos a cabo. 101 Ejercicios de doma clásica ofrece a jinetes entrenadores y monitores (en capítulos organizados según los diferentes objetivos), ejercicios para: la soltura, el equilibrio, la ligereza, la posición del jinete, el alargamiento del tranco y el perfeccionamiento de los cambios de pie en el aire. Cada uno de los 101 ejercicios se describen con un diagrama de la pista o una ilustración que explica su ejecución. El entrenamiento regular ayudará al jinete a desarrollar su habilidad y crear un binomio con el caballo que todo jinete desea alcanzar en todas las disciplinas.

Versos sencillos / Simple Verses Editorial HISPANO EUROPEA
Poetry. SIMPLE VERSES is the first complete English translation of the classic collection VERSOS SENCILLOS, written by the Cuban poet Jose Marti (1853-1895) in the United States during his years of exile and revolutionary struggle. This great political and literary figure of the nineteenth century has been one of the most influential men in all the Americas. A spiritual autobiography, SIMPLE VERSES captures in each poem an experience, a feeling or a moment that formed the poet and the man. The poet, the soldier, the troubadour, the legislator, the searcher for truth, the enraptured and the disenchanted lover, the defender of poetry and its transformer, the genius and the man - all alternate in a modulated and musical flow like life itself, which it embodies. The translations of Manuel Tellechea, a Cuban American living in Union City, New Jersey, have been published by the University of Pittsburgh, Freedom House, Transaction Publishers, and others.
101 ejercicios de pista para caballo y jinete : nivel básico a medio

El texto oficial de la Federación Ecuéstre Alemana sobre la enseñanza básica para el jinete y el caballo

The Ship of Fools Stanford University Press

Amongst the novel objects that attracted my attention during my stay in the United States, nothing struck me more forcibly than the general equality of conditions. I readily discovered the prodigious influence which this primary fact exercises on the whole course of society, by giving a certain direction to public opinion, and a certain tenor to the laws; by imparting new maxims to the governing powers, and peculiar habits to the governed. I speedily perceived that the influence of this fact extends far beyond the political character and the laws of the country, and that it has no less empire over civil society than over the Government; it creates opinions, engenders sentiments, suggests the ordinary practices of life, and modifies whatever it does not produce. The more I advanced in the study of American society, the more I perceived that the equality of conditions is the fundamental fact from which all others seem to be derived, and the central point at which all my observations constantly terminated. I then turned my thoughts to our own hemisphere, where I imagined that I discerned something analogous to the spectacle which the New World presented to me. I observed that the equality of conditions is daily progressing towards those extreme limits which it seems to have reached in the United States, and that the democracy which governs the American communities appears to be rapidly rising into power in Europe. I hence conceived the idea of the book which is now before the reader. It is evident to all alike that a great democratic revolution is going on amongst us; but there are two opinions as to its

nature and consequences. To some it appears to be a novel accident, which as such may still be checked; to others it seems irresistible, because it is the most uniform, the most ancient, and the most permanent tendency which is to be found in history. Let us recollect the situation of France seven hundred years ago, when the territory was divided amongst a small number of families, who were the owners of the soil and the rulers of the inhabitants; the right of governing descended with the family inheritance from generation to generation; force was the only means by which man could act on man, and landed property was the sole source of power. Soon, however, the political power of the clergy was founded, and began to exert itself: the clergy opened its ranks to all classes, to the poor and the rich, the villein and the lord; equality penetrated into the Government through the Church, and the being who as a serf must have vegetated in perpetual bondage took his place as a priest in the midst of nobles, and not infrequently above the heads of kings. The different relations of men became more complicated and more numerous as society gradually became more stable and more civilized. Thence the want of civil laws was felt; and the order of legal functionaries soon rose from the obscurity of the tribunals and their dusty chambers, to appear at the court of the monarch, by the side of the feudal barons in their ermine and their mail. Whilst the kings were ruining themselves by their great enterprises, and the nobles exhausting their resources by private wars, the lower orders were enriching themselves by commerce. The influence of money began to be perceptible in State affairs. The transactions of business opened a new road to power, and the financier rose to a station of political influence in which he was at once flattered and despised. Gradually the spread of mental acquirements, and the increasing taste for literature and art, opened chances of success to talent; science became a means of government, intelligence led to social power, and the man of letters took a part in the affairs of the State. The value attached to the privileges of birth decreased in the exact proportion in which new paths were struck out to advancement. In the eleventh century nobility was beyond all price; in the thirteenth it might be purchased; it was conferred for the first time in 1270; and equality was thus introduced into the Government by the aristocracy itself.

The Empty Space Editorial HISPANO EUROPEA

La fórmula de la doma clásica fue publicada por primera vez en inglés en 1980 y desde entonces ha sido objeto de una demanda constante. Aparece ahora en castellano, también por primera vez, la traducción de la cuarta edición inglesa, completamente revisada y ampliada, y se presenta en el mismo formato claro y sencillo que ha contribuido a convertirlo en uno de los libros de doma clásica más populares y ampliamente citados. Basado en

los principios de la escuela clásica, el autor trata los aspectos estéticos y prácticos de la equitación y del entrenamiento, para animar a cualquier jinete, sea profesional o aficionado, a conseguir el máximo placer y rendimiento de su equitación y de sus caballos. El texto de Erik Herbermann está iluminado por su profundo conocimiento y amor a los caballos. El libro está generosamente ilustrado con fotografías del autor montando y

entrenando caballos de todos los niveles. Como profesor, Erik Herbermann se ha ganado el reconocimiento y el respeto de todos por su constante dedicación a la difusión de los ideales clásicos. Ha dedicado la mayor parte de su tiempo a impartir conferencias, a enseñar y a dirigir clinics por todo el mundo, y es autor de numerosos artículos aparecidos en variedad de publicaciones en los Estados Unidos, Holanda y Canadá
