ADRIENNE ROBERSON

[Pistis Sophia: The Gnostic Text of Jesus, Mary, Mary Magdalene, Jesus, and His Disciples](#) Forgotten Books

In this groundbreaking work, Gnostic teacher Tau Malachi and Harvard-educated independent scholar Siobhán Houston have teamed up to present powerful Gnostic healing practices in a clear and systematic way found nowhere else. Techniques include mystical prayer, meditation, and sacred ceremony, and are suitable for both beginning and experienced healers. All the practices in this guidebook facilitate direct spiritual and mystical experiences that will awaken your soul and lead to self-realization. Essentially, it is a book of healing as a way of the Path to Enlightenment—Divine Gnosis. Praise for Tau Malachi “Malachi perfectly captures the oral tradition within the written word.”—Publishers Weekly

Pistis Sophia - A Gnostic Gospel (With Extracts from the Books of the Saviour Appended)
SteinerBooks

The first English translation of the Gnostic religious document that was the most influential of all Gnostic studies before the discovery of the Nag Hammadi library. Some of the Contents: Documents & General Literature of Gnosticism; Probable History of the Treatise; Jesus Hitherto Instructeth His Disciples Only up to the Region of the First Mystery; Treasure of Light; Confusion of the Powers & the Great Earthquake; Dismay of the Disciples; Jesus Addresseth Them; That John Was Elias in a Former Birth; Mystery of the Five Words on the Vesture; Sophia & Her Fellow-Powers Behold the Light.

This eye-opening collection of texts sheds light on the esoteric knowledge of Gnosticism, revealing intimate conversations between Jesus and his Disciples. In 1945, several gospels, hidden since the first century, were found in the Egyptian Desert at Nag Hammadi. This discovery caused a sensation as the scrolls revealed the mysteries of the Gnostics—a movement which emerged during the formative period of Christianity. ‘Gnosis’, from the Greek, broadly meaning ‘hidden spiritual knowledge’, was associated with renouncing the material world, and focusing on attaining the life of the Holy Spirit. Many Christian sects are derived from the esoteric knowledge of Gnosticism. The gospels selected here by Alan Jacobs reveal intimate conversations between Jesus and his Disciples. The Gospel of Mary Magdalene sheds new light on his relationship with his favorite follower, while the Gospel of Thomas consists of mini-parables of deep inward and symbolic meaning—many of which are not found in the New Testament. The wisdom in this inspiring collection of texts is wholly relevant to our lives today, addressing the questions of good and evil, sin and suffering, and the path to salvation.

Pistis Sophia Forgotten Books

This edition of the Pistis Sophia is a complete and accurate reprint of the original translation by G.R.S. Mead in 1921. It contains all of Mead's original notes and running commentary, as well as his

annotated bibliography which includes numerous sources and further research material for the reader. The Pistis Sophia is a gnostic text thought to have been written sometime between the 3rd and 4th centuries AD. According to Mead, there were two codices discovered in the late 18th century that contained the original work. The Bruce Codex was brought to Oxford by the famous Scottish traveler Bruce in 1769, and the Askew Codex was given to the British Museum by the heirs of a wealthy doctor in 1785. Both codices were thereafter translated by experts and their contents ordered in a fashion that seemed proper according to their best abilities. Mead's translation followed these efforts, but as he says in his introduction, the order of the contents was changed "to place the contents of these Coptic translations roughly in such a sequence that the reader may be led from lower to higher grades of the Gnosis." The Pistis Sophia itself is of such a marvelous and complex nature, that it is hard to describe in a short space. But generally, the book shows the risen Jesus revealing the lower and higher mysteries to a group of his followers over the period of 22 years. Included in these mysteries are complex cosmologies that the human soul must travel through in order to reach Gnosis with the Father. A new story of the rise and fall of a restorative figure known as the Pistis Sophia is also given by Christ. The text in the first three of the four books is a dialogue between Jesus and his disciples, including Mary Magdalene, who is the most active in the discussion. Other disciples involved include John the Virgin, Andrew, Bartholomew, James, John, Mary, Martha, Mathew, Philip, Salome, Simon the Canaanite, and Thomas. It is apparent, based on the character of the text, that the work was a compilation of various earlier editions, as some subjects and events are covered multiple times with slight variations. Changes in certain words used in describing the same ideas also illustrate that the collected works were from different time periods. The first book details how Jesus, after his resurrection, stayed with his disciples for eleven years teaching the lowest of the mysteries. An intricate cosmology is introduced through the details of Jesus ascending the so called aeons in order to do battle with certain servants (archons) of the creator god who stands between human beings and gnosis. It is in this cosmology that the new myth of the Pistis Sophia is introduced and discussed continuing into the second book, where connection between the current work and the Book of Jeu is demonstrated. Interestingly, unlike such other Gnostic myths such as the Apocryphon of John, the Pistis Sophia myth is limited to the lower aeons, not herself being a divine being from the higher levels of heaven. The third book concerns the ethical code for the adherents of Christianity, and outlines punishments for the transgression of that ethical system. Additionally, human beings and their spiritual nature are discussed, along with their connectedness to each other and when they should be given the mysteries. The fourth book details further cosmological and astrological systems, including myths of fallen archons and their imprisonment within certain zodiacal spheres. Five realms of punishment with their corresponding types of sinners are revealed, along with the ritual and requirements for their release.

Pistis Sophia Legare Street Press

Excerpt from Pistis Sophia: A Gnostic Miscellany; Being for the Most Part Extracts From the Books of the Saviour, to Which Are Added Excerpts From a Cognate Literature; Englished (With an

Introduction and Annotated Bibliography) The schwartze-petermann marginal pagination, which is the usual scheme of reference, and which in the first edition was shown in brackets in the text, is now indicated at the Side of the page. I have also adopted Schmidt's division into chapters as an additional convenience for more general reference, and have numbered the verses of the Psalms and Of the Odes of Solomon for easier comparison with the Repentances and Songs of Sophia. It should, of course, be understood that the detailed paragraphing does not exist in the original, which runs on for the most part monotonously without break. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

[Pistis Sophia](#) Glorian Publishing

The most comprehensive collection of gnostic literature ever published, this volume is the result of a unique collaboration between a renowned poet-translator and a leading scholar of early Christian texts.

[Pistis Sophia](#) CreateSpace

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

The Nag Hammadi Library in English Brill Archive

Arguably the most important of all Gnostic documents, this ancient text is remarkable for its deeply mystical teachings on spiritual hierarchies, reincarnation, and the ascent and descent of the human soul. Extraordinarily comprehensive, it grants insights into Baptism, the Psalms, the New Testament, and the role of women in the early church.

Pistis Sophia SteinerBooks

A document of paramount historical importance, not only in terms of Christianity but also with respect to the development of Western religion. It chronicles the teachings of Jesus, who explains life's mysteries to his disciples and Mary Magdalene. Their discussions take place after Christ's resurrection and include accounts of his ascension into heaven.

Pistis Sophia Shambhala Publications

The Coptic Gnostic narrative theme which attempts to explain the dilemma of humanity's

predicament as a realm of intelligence amidst many realms of Life, both visible and invisible. It also emphasizes the role of female disciples in the ministry of Jesus the Christ. The later chapters contain much information concerning the soul and its origin: exploring how the soul comes to birth through the Virgin of Light and departs from earth-life. The text also explains how the soul works within the Light-power and the spiritual elements in humanity, all being connected with the striving's of Wisdom/Sophia.

The Books of Jeu and the Pistis Sophia as Handbooks to Eternity National Geographic Books

"The Pistis Sophia teaches us that humanity has inherited from the First Space of the Divine an indwelling divine power. The Savior is directed by the Ineffable to assist in the extension of the Divine powers into the human kingdom according to the desires of humanity, and to reveal the efficacy of the highest mysteries of salvation to humankind." J.J. Hurtak Pistis Sophia is an early Christian writing written between the 3rd and 4th centuries AD. It relates one Gnostic group's teachings of the transfigured Jesus to the assembled disciples, including his mother Mary, Mary Magdalene, and Martha. The complete text was translated into Latin in the mid-nineteenth century by M. G. Schwartze, but it was only half a century later that it was translated into modern European languages, such as French, German and English.

[Pistis Sophia](#) B&H Publishing Group

Despite the surge of interest in Gnostic texts following the discovery of the Nag Hammadi library, the Coptic Books of Jeu and Pistis Sophia remain understudied. Often dismissed as convoluted, confused, and repetitious, Erin Evans convincingly shows that these texts represent the writings of a distinct religious group with a consistent system of theology, cosmology, and ritual practice. This book offers an in-depth examination of these texts, their relationship to other contemporary Gnostic ideas, and their use in the context of a practicing religious group. Three thematic sections demonstrate how the collection of texts functions as a whole, covering baptisms and mystical ascent procedures, guides to moral living, and introductory texts and myths.

[Pistis Sophia](#) A & D Publishing

Why Were the Teachings of the Original Christians Brutally Suppressed by the Roman Church? • Because they portray Jesus and Mary Magdalene as mythic figures based on the Pagan Godman and

Goddess • Because they show that the gospel story is a spiritual allegory encapsulating a profound philosophy that leads to mythical enlightenment • Because they have the power to turn the world inside out and transform life into an exploration of consciousness Drawing on modern scholarship, the authors of the international bestseller *The Jesus Mysteries* decode the secret teachings of the original Christians for the first time in almost two millennia and theorize about who the original Christians really were and what they actually taught. In addition, the book explores the many myths of Jesus and the Goddess and unlocks the lost secret teachings of Christian mysticism, which promise happiness and immortality to those who attain the state of Gnosis, or enlightenment. This daring and controversial book recovers the ancient wisdom of the original Christians and demonstrates its relevance to us today.

Pistis Sophia Read Books Ltd

"Pistis Sophia" is a Gnostic text discovered in 1773 and thought to have been written between the 3rd and 4th centuries AD. It relates to one Gnostic group's teachings of the transfigured Jesus to the assembled disciples that blends primitive Christianity and Hellenic Paganism with other elements such as reincarnation, Astrology, Mystery religion and Hermetic magic. This volume is highly recommended for those with an interest in ancient mythology and religious teaching, and it is not to be missed by collectors of related literature. Many vintage books such as this are becoming increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with the original text and artwork.

Cold-Case Christianity David C Cook

An examination of Gnostic religion in Late Antiquity within its historical and religious context, using Greek, Latin and Coptic sources.
