*The whole works of ... John Lightfoot, ed.
by J.R. Pitman* Thomas Nelson

For so many of us, our friends are like family members--we lean on them through our highest highs and our lowest lows--but sometimes those friendships don't turn out quite as we hoped. Bible teacher Kelly Needham debunks our world's constricted, narrow view of friendship and casts a

richer, more life-giving, biblical vision for friendship. In *Friend-ish*, Kelly Needham reminds us that we were called to more than halfhearted friendships and lukewarm connections. We need something more stable, secure, and sacred. We were designed for real friendship--but the difficult truth is that too many of us are settling for less. Kelly deconstructs what Scripture says about the gift of friendship and takes a closer look at the distorted view that most of us have instead. As she shares the lessons she's learned from

experience, Kelly paints her own glorious vision of what Christian friendship could look like. With hard-fought wisdom, a clear view of Scripture, and a been-there perspective, *Friend-ish* teaches us how to: Recognize symptoms of idolatry and toxic dependency Boldly ask for what we need from our community of friends Understand and address the problems that arise in friendship--from neediness to discord Recognize when it's time to end an unhealthy friendship Reorient toward the purposeful, loving relationships we all

crave that ultimately bring us closer to God Find the friends you need and start to become that friend for others Join Kelly as she challenges you to view your chosen family in a new light, gain a vision of friendship according to Jesus, and finally enjoy friendships as God intended.

Conrad is regarded as one of the greatest novelists in English, though he did not speak the language fluently until he was in his twenties. He wrote stories and novels, often with a nautical setting, that depict trials of the human spirit in the midst of an indifferent universe. He was a master prose stylist who brought a distinctly non-English tragic sensibility into English literature.

Parallel Bible-PR-Am/NKJV Wipf and Stock Publishers

One of the greatest science fiction epics ever written, John Varley's Titan, Wizard, and Demon comprise a groundbreaking trilogy that will live forever. Human explorers have entered the sprawling mind of Gaea. Now they must fight her will. For she is much too powerful...and definitely insane."These books are going to be around for a long time." --Locus

A Commentary on the Apocalypse. By Moses Stuart. [With the Text.] e-artnow

An Act of God (previously published as The Last Testament: A Memoir) is now a major Broadway show starring Jim Parsons (The Big Bang Theory) and directed by Joe Mantello (Wicked) Over the course of his long and distinguished career, God has literally seen it all. And not just seen. In fact, the multitasking deity has played a pivotal role in many major events, including the Creation of the universe, the entirety of world history, and the successful transitioning of American Idol into the post-Simon Cowell era. Sometimes preachy, sometimes holier-than-thou, but always lively, An Act of God

is the ultimate celebrity autobiography.

A New Dictionary of the English Language Simon and Schuster

John Milton put a twist on the story of Adam and Eve--in the process he created what some have called one of the greatest literary works in the English Language. It has inspired music, art, film, and even video games. But it's hundreds of years old and reading it today sometimes is a little tough. BookCaps is here to help! BookCaps puts a fresh spin on Milton's classic by using language modern readers won't struggle to make sense of. The original English text is also presented in the book, along with a comparable version of both text. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCapsTM can help. We are a small, but growing company, and are adding titles every month.

An American Dictionary of the English Language Reyma Publishing

O'er All the Weary World is a lively collection of short stories for the Christmas season. These thought-provoking and resonant stories recount moments of

enlightenment, incarnation, decision, and revelation--moments to which all human beings, by the grace of God, have access. With one exception, the stories are related to traditional Scripture lessons found in the common lectionary during the season of Advent. Each story may be used for contemplative reading, family storytelling, adult study groups, and in the worship setting.

The Churchman Kregel Academic

If You Love God's Word You Will Love This New Testament! The Disciples' Literal New Testament sets you free from our artificial 460 year old chapter and verse structure, replacing it with paragraphing that reflects the flow of thought in the original Greek writings. Paragraph headings make that flow of thought explicit to you, speeding your understanding of the NT books. This translation retains the writing style of the apostles themselves, rather than transforming their Greek ways of writing into an elegant or contemporary English writing style, as has been beautifully done so many times. It is the same translation as the author's New Testament TransLine, first published by Zondervan in 2002. Now you can read the New Testament as the

original writers intended it, and see it with a clarity formerly available only to those who could carefully study their Greek New Testament. You can even see the difference in writing style between Matthew, Mark and Luke! Used along with your standard Bible version, you will profit from both methods of translation. *Easily grasp the relationship of the whole and the parts of each book with the big-picture overview outlines that use the words of the original author. *Gain quick insight into the flow of thought from descriptive paragraph headings that summarize the main point of each paragraph in its context. *You can visually follow the apostles' thinking because the 'Intelligent Paragraphing' visually displays their main and subordinate thoughts. *The hindrance to your understanding caused by our artificial chapter and verse structure is eliminated by paragraphing based on the Greek writings. *You will more fully appreciate the minds and thinking patterns and intent of the original writers because the translation corresponds more closely to their words and their grammar and their sentence structure. *Deepen and expand your understanding of the New

Testament by meditating on the notes containing alternative renderings, explanations of what is being said, and different views of the meaning.

O'er All The Weary World BookCaps Study Guides

Intriguing and endlessly contentious ideas and images of apocalyptic measure come together in the book of Revelation. It is a rich and hermeneutically complicated Scripture that, unsurprisingly, has no universally accepted interpretation. Reading Revelation compares these four major approaches to Revelation by laying out the different interpretive translations provided by each school of thought in parallel columns.

Ellicott's Commentary on the Whole Bible Volume VIII Hendrickson Publishers

Complementary translations encourage in-depth study of the Scriptures Bible study leaders, Scripture students, preachers, and people curious to see their favorite biblical texts in different translations will benefit from this volume. The same set of verses from both the NKJV and the Amplified Bible appear in side-by-side columns on each page, making for effortless verse comparison. And, readers

will appreciate this edition's easy-to-read type, which is larger than that used in other parallel Bibles. FEATURES - 9.4 point type - Black letter text NEW KING JAMES VERSION Completely updated, this translation remains faithful to the accuracy and beauty of the KJV, yet uses contemporary, readable language. AMPLIFIED BIBLE Displaying additional words that communicate shades of meaning in the original text, this translation expands the reader's understanding of the Scriptures.

The Whole Works of ... J. L. ... Edited by J. R. Pitman [With the Prefaces of Former Editions.] Penguin

World War I began disastrously for the English when the Germans routed them at Mons, Belgium, on August 23 and 24, 1914. On September 29, 1914, the Anglo-Welsh writer Arthur Machen fictionalized this encounter in a newspaper story, claiming that the English were saved by the appearance of angelic bowmen sent by St. George. But his fiction became accepted as fact. The believers--notables G. K. Chesterton, Arthur Conan Doyle and C. S. Lewis, along with almost forgotten figures like Harold Begbie, Phyllis

Campbell and T. W. H. Crosland--wrote pamphlets, testimonies and poems, performed music and created motion pictures attesting to the existence of the guardian angels. This history of the Angels of Mons controversy for the first time collects and annotates Machen's work and the responses it inspired, most of which have not been available since their publication a century ago. Also reprinted for the first time are several of Machen's responses to the believers, including "The Angels of Mons: Absolutely My Last Word on the Subject" and "The Return of the Angels: This Time They Are at Ypres." *The Second Epistle of Peter, the Epistles of John and Judas, and the Revelation. Translated from the Greek on the basis of the Common English Version, with notes.* Gr. & Eng Wipf and Stock Publishers

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Friend-ish McFarland

ELLCOTT'S COMMENTARY ON THE WHOLE BIBLE is a practical and ideal commentary for Sunday school teachers, Christian workers, Bible students, libraries, and ministers. Each of the durably bound volumes in this handsome set is designed with an eye to the convenience of the user. The large, double-column pages are distinctive and easy-to-read. The helpful running commentary is always on the same page with the actual Bible text, making it simple for the user to locate the information he or she seeks. The

comments in every case are crisply written and wonderfully practical and up-to-date. You, the user, will not have to read pages of extraneous material to get the important information. If you ever need help for: Sunday sermons Prayer Meeting talks Messages for Young People's Groups, etc. Sunday school lessons Personal Bible study Messages for special occasions you will find it in ELLCOTT'S COMMENTARY ON THE WHOLE BIBLE.
