The Mesmerist CASTALIA

"Raquel Margarita Raquel Álvarez is hard-working, stays on the straight and narrow, and focuses on her future. She's got one goal--make that two goals: become a psychologist...and get Ares Hildago to look at her. Ares is the hot, rich, local playboy,

and Raquel's been obsessed with him since she was eight-years-old--even though they've never spoken...After a chance encounter reveals her crush, Raquel decides it's time to stop hiding and make Ares notice her."--Page 4 of cover. *Wide Sargasso Sea* National Geographic Books
After the death of his father, young Jack Knight is forced to take over his role as legendary superhero Starman. *Ghost Stories of an Antiquary* W. W.

Norton & Company

London, 1838: the controversial practice of Mesmerism, with its genuine practitioners and its fraudulent chancers, has hypnotised the city. Miss Cordelia Preston, a beautiful, ageing, out-of-work actress terrified of returning to the poverty of her childhood, suddenly emerges as a Lady Phreno-Mesmerist. In her candle-lit Bloomsbury basement she learns to harness her talent - and to finally look towards the future. But success is fragile

when you have a past filled with secrets. On a wintry, moonlit night a body is found in Bloomsbury Square, and what began as an audacious subterfuge erupts into a scandal. Cordelia's past is revealed, bringing not only heartache but terror - and the mystery of a cloaked figure who waits for her in the shadowy London streets.

The Magic Flute Little Brown GBR
Leo es un niño de seis años que juega a cazar espíritus con la ayuda de una espada de madera a la que llama «antifantasmas» y que encontró un día tirada por la calle. En casa de una amiga de su madre, durante unas vacaciones en Bariloche, descubre que tres fantasmas atemorizan a su hija Noa. Los fantasmas son tres pacíficos indios mapuches que muchos años antes fueron obligados por un cruel guerrero a participar en una batalla contra una aldea vecina. Tras averiguar que el guerrero pensaba perpetrar una masacre en la aldea, avisaron a sus habitantes y huyeron. Este acto salvó a la aldea, pero provocó que cayera sobre ellos la maldición de vagar eternamente convertidos en fantasmas. Y dicha maldición solo tendría fin si

realizaban un acto heroico. Algo para lo que, hoy, contarán con la ayuda de Leo, Noa y Carlos, el jardinero de la casa. ¿Conseguirán las almas de los tres mapuches poner fin a la maldición y descansar en compañía de las almas de sus familiares?

Las fantasmas de Madrid y estafermos de la Corte UNM Press

The Turn of the Screw by Henry James is a classic ghost story that continues to captivate readers over a century after its initial publication. Set in the late 19th century, the novella follows a young governess who is hired to care for two young children, Flora and Miles, at the remote and eerie Bly Manor. As the governess begins her duties, she becomes increasingly convinced that the manor is haunted by the spirits of the previous governess, Miss Jessel, and her lover, Peter Quint, who both died under mysterious circumstances. The story unfolds as the governess tries to protect the children from the malevolent ghosts, while also questioning her own sanity and the motives of the children in their interactions with the spirits. One of the most intriguing aspects of The Turn of the

Screw is its unreliable narrator. The story is told through the perspective of the governess, whose mental state and perceptions of events are constantly called into question. This creates a sense of ambiguity and uncertainty, leaving readers to question whether the ghosts are real or just figments of the governess's imagination. James masterfully plays with the theme of perception and reality, leaving readers to draw their own conclusions about the events at Bly Manor. Another striking element of the novella is its use of Gothic elements. The isolated location, the decaying mansion, and the presence of ghosts all contribute to the eerie atmosphere of the story. James also incorporates psychological horror, as the governess's fears and paranoia intensify throughout the story, building tension and suspense. The Turn of the Screw is a prime example of Gothic literature, with its exploration of the dark side of human nature and the blurred lines between the living and the dead. One of the most controversial aspects of the novella is its ambiguous ending. The governess's final confrontation with the ghosts and the fate of the children are left open to

interpretation, inviting readers to ponder the true meaning of the story. Some critics argue that the ghosts are a product of the governess's overactive imagination, while others believe that they are real and that the children are in danger. This open-ended conclusion has sparked countless debates and interpretations, making *The Turn of the Screw* a thought-provoking and enduring piece of literature. In addition to its literary merits, *The Turn of the Screw* also offers insight into the societal norms and expectations of the time period in which it was written. James explores themes of gender roles and class distinctions through the character of the governess, who is expected to be subservient and obedient to her male employer and to maintain the social hierarchy between herself and the children. The story also touches on the taboo subject of sexual relationships, particularly in regards to the ghosts and their influence on the children. Ultimately, *The Turn of the Screw* is a haunting and enigmatic work that continues to captivate readers with its complex characters, Gothic atmosphere, and thought-provoking themes. It is a testament to

Henry James's mastery of storytelling and his ability to create a sense of unease and suspense that lingers long after the final page. A must-read for anyone interested in Gothic literature, psychological thrillers, or the blurred lines between reality and the supernatural.

Through My Window Vintage

Offers a look at the causes and effects of poverty and inequality, as well as the possible solutions. This title features research, human stories, statistics, and compelling arguments. It discusses about the world we live in and how we can make it a better place.

"A considerable tour de force by any standard." ?New York Times Book Review"

The Book Thief Lulu.com

From television to travel bans, geopolitics to popular dance, *The Subject of Revolution* explores how knowledge about the 1959 Cuban Revolution was produced and how the Revolution in turn shaped new worldviews. Drawing on sources from over twenty archives as well as film, music, theater, and material culture, this book traces the consolidation of the Revolution over two decades in the

interface between political and popular culture. The "subject of Revolution," it proposes, should be understood as the evolving synthesis of the imaginaries constructed by its many "subjects," including revolutionary leaders, activists, academics, and ordinary people within and beyond the island's borders. The book reopens some of the questions that have long animated debates about Cuba, from the relationship between populace and leadership to the archive and its limits, while foregrounding the construction of popular understandings. It argues that the politicization of everyday life was an inescapable effect of the revolutionary process as well as the catalyst for new ways of knowing and being.

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel

Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist-books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Tiran al maricón. Los fantasmas "queer" de la democracia (1970-1988)

SUDAMERICANA

Fourteen terrifying ghost stories chosen by the master of the macabre, Roald Dahl. 'Spookiness is the real purpose of the ghost story. It should give you the creeps and disturb your thoughts . . .' Who better to choose the ultimate in spine-chillers

than Roald Dahl, whose own sinister stories have teased and twisted the imagination of millions? Here are fourteen of his favourite ghost stories, including Sheridan Le Fanu's *The Ghost of a Hand*, Edith Wharton's *Afterward*, Cynthia Asquith's *The Corner Shop* and Mary Treadgold's *The Telephone*. Roald Dahl, the brilliant and worldwide acclaimed author of *Charlie and the Chocolate Factory*, *James and the Giant Peach*, *Matilda*, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, *Roald Dahl's Twisted Tales* by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today. *Tesoro del sacerdote o Repertorio de las principales cosas que ha de saber y practicar el sacerdote para santificarse a sí mismo, y santificar a los demás* W by Wattpad Books

«No sabría decirlo muy bien de qué va mi libro porque trata de muchas cosas. En él analizo de qué manera los discursos de señores como Freud nos siguen afectando; también es un trabajo de recuperación de

una historia necesaria para muchas, de defensa de la bisexualidad como herramienta de desestabilización y como identidad política. Y, por supuesto, este libro va de feminismo y de teoría queer, de mantener luchas hermanas y de generar alianzas inesperadas. Aquí encontraréis unas pinceladas al aire que, quizá, a alguien, igual que a mí, también le hagan falta». Ana Amigo «Este libro tiene los ingredientes necesarios para seguir pensando de manera crítica y avivando la reflexión colectiva frente a las ortodoxias, las intransigencias y los actuales marcos discursivos del conmigo o contra mí... vengan de donde vengan». Gracia Trujillo

International Bulletin of Bibliography on Education Scholastic Inc.

Set in the 1920's Jazz Age on Long Island, *The Great Gatsby* chronicles narrator Nick Carraway's interactions with the mysterious millionaire Jay Gatsby and Gatsby's obsession to reunite with his former lover, the beautiful Daisy Buchanan. First published in 1925, the book has enthralled generations of readers and is considered one of the greatest American novels.

Mil y un fantasmas UNC Press Books
A través de testimonios, archivos periodísticos y documentos judiciales, el autor bucea en el resurgimiento de la denominada «teoría de los dos demonios», a partir de la reapertura de los juicios a represores de la última dictadura militar y analiza la estrategia desplegada por diversos sectores del centro a la derecha para calificar como «crímenes de lesa humanidad» a los atentados de la guerrilla. ¿Por qué la evocación en torno de las víctimas de la guerrilla implica siempre de manera explícita o velada una reivindicación de la última dictadura militar? Partiendo de cuatro casos emblemáticos de víctimas atribuidas a la guerrilla -Argentino del Valle Larrabure, Pedro Eugenio Aramburu, Jordán Bruno Genta y José Ignacio Rucci-, Germán Ferrari indaga en las relaciones entre estos personajes y la aparición de un nuevo discurso que equipara el terrorismo de Estado con las acciones de las organizaciones milicianas. Los casos elegidos reúnen todos los elementos necesarios para ensayar una respuesta a ese interrogante crucial ante la construcción de un futuro sin lastres de

autoritarismo. Fueron símbolos para la última dictadura y son fantasmas que aún acosan a esta democracia imperfecta. «Símbolos y fantasmas» demuestra cómo detrás del lema «justicia para todos» se oculta una realidad más compleja, en la que se mezclan el dolor y el oportunismo político.

From Poverty to Power Knopf Books for Young Readers

Eight classics by great Edwardian scholar and storyteller. "Number Thirteen," "The Mezzotint," "Canon Alberic's Scrapbook," more. Renowned for their wit, erudition and suspense, these stories are each masterfully constructed and represent a high achievement in the ghost genre.

The Circus Of Ghosts Aegitas

A never-before-translated collection by the bestselling author of *Suite Française*. Written between 1934 and 1942, these ten gem-like stories mine the same terrain of Némirovsky's bestselling novel *Suite Française*: a keen eye for the details of social class; the tensions between mothers and daughters, husbands and wives; the manners and mannerisms of the French bourgeoisie; questions of religion and personal identity. Moving from the drawing

rooms of pre-war Paris to the lives of men and women in wartime France, here we find the beautiful work of a writer at the height of her tragically short career.

Fantasmas del invierno U of Nebraska Press

Chilean writer Isabel Allende's classic novel is both a richly symbolic family saga and the riveting story of an unnamed Latin American country's turbulent history. In a triumph of magic realism, Allende constructs a spirit-ridden world and fills it with colorful and all-too-human inhabitants. The Trueba family's passions, struggles, and secrets span three generations and a century of violent social change, culminating in a crisis that brings the proud and tyrannical patriarch and his beloved granddaughter to opposite sides of the barricades. Against a backdrop of revolution and counterrevolution, Allende brings to life a family whose private bonds of love and hatred are more complex and enduring than the political allegiances that set them at odds. *The House of the Spirits* not only brings another nation's history thrillingly to life, but also makes its people's joys and anguishes wholly our own.

Cartas espirituales de San Francisco de Sales ... Mr momo
 New York, late 1840s, and in the wild, noisy, brash and beautiful circus of Silas P. Swift a shadowy, mesmeric woman entrances crowds because she can unlock the secrets of troubled minds. Above them all her daughter sweeps and soars: acrobat and tightrope-walker. People cannot take their eyes from the mysterious woman in the Big Top who can help so many others - but she cannot unlock dark, literally unspeakable, memories of her own. In London memories fester in the mind of an old and venomous duke of the realm. He plots, with an unscrupulous lawyer (and a huge financial reward) against the mother and the daughter: to kill one, and to abduct the other and bring her across the Atlantic to him: She is mine. The actress and mesmerist Cordelia Preston and her daughter Gwenlliam live with their unusual family in the exciting new city among exciting new ideas: the telegraph, the daguerrotype, anaesthesia, table-tapping. And among the dangerous street-gangs of New York also, whose raw violence meets Cordelia and Gwenlliam and those that

they love, with unexpected results. *Encuentros de ayer y reencuentros de hoy* Ediciones AKAL
 En una de sus más extensas novelas, el autor retoma el oficio de hacer volar al lector, sin pena alguna, más allá de los límites de su imaginación. Esta vez reaviva sus propios muertos, los de las revoluciones y guerras fratricidas y civiles. Son personajes que confunden la vida con la muerte. Muertos que se embarazan, lloran, recolectan huesos y parientes perdidos. Muertos que adivinan el destino y que aprenden a leer, creyendo que esa es la salvación del mundo. Los primeros capítulos se escribieron hace 30 años (1988) y sus últimos tres capítulos son de 2006. La revisión final exigió doce años de análisis hemerobibliográficos en los que se recrean los sucesos que constituyen, la decadencia del "Imperio de la Nada" Una novela histórico-política sobre los escenarios ocultos del poder y los periodos revolucionarios y de crisis de cualquier país que se precie de independiente y soberano, aunque de soberanos no les quede sino la dependencia, y de independientes... ; les queden todas sus dudas !

LOS FANTASMAS DE LA IMPUGNACIÏN
"Dejad que la Siembra Murmure" Eterna Cadencia
 Daniel Link se ocupa en estos textos de una de las categorías menos exploradas por la crítica en torno a los movimientos estéticos del siglo XX: la imaginación. A través de recorridos por textos literarios, imágenes y películas, Link traza un mapa de imaginarios (o formas de la imaginación) e intenta definir las unidades de una fantasmagoría. Así, el adentro (la familia) y el exterior (la ciudad como intemperie), hombres, mujeres, infancia, niños y niñas son examinados como figuras fantasmáticas, dueñas de una potencia que es "pura potencia del ser (o del no ser), nunca un límite, siempre un umbral". Una audaz teoría de la imaginación que señala a su autor como uno de los pensadores más importantes de la ensayística latinoamericana.
Starman Everyman's Library
 Written over an extended period, *Ostinato* is the long-awaited autobiography of Louis-Renã des Forçats, one of France's most beloved writers. A few sections of this remarkable text have been published in fragments over the years, and then,

with some reluctance on the part of the author, as a series of fragments in France in 1997. The ostinato-a persistently repeated musical figure or rhythm-is a continual, stubborn, and essential element of certain musical pieces and of the life that emerges in this book. A series of connected, loosely chronological, imagistic

reflections that form an emotional history, Ostinato is neither poetry nor prose. Rather, it is a kind of antibiography, in which the facts of this life are less important than the style in which they are rendered. What is there to tell that matters? Neither history, nor memory, but

emotions. It is not the events that make this work possible to understand but the work that gives the life its form and its music. Louis-Ren  des For ts (1918?2000) lived in Paris. He was best known for his novels and poetry and was awarded the Grand Prix National des Lettres for the entirety of his work.
