*Ultimate Shark Rumble  
(Who Would Win?)* Cork  
Reads from back to  
front and from right to  
left.  
*Battle Royale Ultimate  
Edition* Little, Brown

Books for Young  
Readers  
A “deeply researched  
and brilliantly written”  
blueprint to the  
criminal possibilities in  
the world all around us  
(Warren Ellis, author of  
Gun Machine). At the  
core of A Burglar’s  
Guide to the City is an  
unexpected and  
thrilling insight: how

any building transforms when seen through the eyes of someone hoping to break into it. Studying architecture the way a burglar would, Geoff Manaugh takes readers through walls, down elevator shafts, into panic rooms, and out across the rooftops of an unsuspecting city. Encompassing nearly two thousand years of heists and break-ins, the book draws on the expertise of reformed bank robbers, FBI special agents, private security consultants, the LAPD Air Support Division, and architects past and present. Whether discussing how to pick padlocks, climb the walls of high-rise apartments, find gaps in a museum's surveillance routine, or discuss home invasions in ancient Rome, A

Burglar's Guide to the City ensures readers will never enter a bank again without imagining how to loot the vault, or walk down the street without planning the perfect getaway. Praise for *A Burglar's Guide to the City* "This burglar's guide isn't for ordinary smash-and-grab burglars, it's for the rest of us—who steal in, steal out, and get away with glorious dreams. A spectacularly fun read." —Robert Krulwich, cohost of Radiolab "Who knew that urban studies could be so riveting? Geoff Manaugh excels at finding new, illicit, and fresh angles on a subject as loved as it is overexposed—the city. In his new book, elegant, perverse, sinuous supervillains

maneuver and master the city like parkour champions. I see the TV series already.”  
 —Paola Antonelli, design curator, MoMA  
Azathoth TokyoPop  
 Sixteen different bugs battle it out in an epic fight! Who will be the champion? This nonfiction reader compares and contrasts 16 ferocious insects. *The Book of Esports*  
Prima Games  
"Lucy Parker writes

deliciously fun enemies-to-lovers perfection!" — Tessa Bailey, New York Times bestselling author  
Beloved author Lucy Parker pens a delicious new romantic comedy that is a battle of whisks and wits. Ready... Four years ago, Sylvie Fairchild charmed the world as a contestant on the hit baking show, Operation Cake. Her ingenious, creations captivated viewers and intrigued all but one of the judges, Dominic De Vere. When Sylvie's unicorn cake went spectacularly sideways, Dominic was quick to vote her off the show. Since then, Sylvie has used her fame to fulfill her dream of opening a bakery. The toast of Instagram, Sugar Fair has captured the

attention of the Operation Cake producers...and a princess. Set... Dominic is His Majesty the King's favorite baker and a veritable British institution. He's brilliant, talented, hard-working. And an icy, starchy grouch. Learning that Sylvie will be joining him on the Operation Cake judging panel is enough to make the famously dour baker even more grim. Her fantastical baking is only slightly more troublesome than the fact that he can't stop thinking about her pink-streaked hair and irrepressible dimple. Match... When Dominic and Sylvie learn they will be fighting for the once in a lifetime opportunity to bake a cake for the upcoming wedding of Princess

Rose, the flour begins to fly as they fight to come out on top. The bride adores Sylvie's quirky style. The palace wants Dominic's classic perfection. In this royal battle, can there be room for two? With its quirky characters, witty humor, and mouth-watering descriptions of baked goods, *Battle Royal* is the perfect beach read for fans of contemporary romance and the Great British Bake Off.

### Battle Royal

Independently  
Published

One day, a mysterious stranger arrives at a boardinghouse of the widow Gateau- a sad-faced stranger, who keeps to himself. When the widow's daughter, Mirette, discovers him crossing the courtyard on air, she begs him to teach her how he does it. But Mirette doesn't know that the stranger was once the Great Bellini- master wire-walker. Or that Bellini has been stopped by a terrible fear. And it is

she who must teach him courage once again. Emily Arnold McCully's sweeping watercolor paintings carry the reader over the rooftops of nineteenth-century Paris and into an elegant, beautiful world of acrobats, jugglers, mimes, actors, and one gallant, resourceful little girl.

Macmillan + ORM

Death is not always the end. After falling to her death while investigating a strange ritual in an abandoned church Olivia finds herself sharing her own mind with a demon known as Azazel. Before she knows it, half of the supernatural world wants her head on a plate and the other half wants

Azazel's. Olivia can draw on Azazel's demonic powers to defend herself but doing so makes it easier for Azazel to take control of her. Will Olivia be able to take on these dangers from without and within? Pick up your copy of *The Demon's Advocate* today to find out!

**Battle Royale (The Selwood Boys, #1)**

Scholastic Inc. The definitive guide to the modern world of competitive gaming and the official history of Esports™. Almost overnight, esports—or competitive video games—have exploded into the largest entertainment and sporting phenomenon in human history. The *Book of Esports* answers: What exactly are esports, and how did they become so

popular so quickly? Why did blockbuster video games like *League of Legends*, *Fortnite* and *Starcraft* succeed? Where exactly is all this video gaming headed? What do gamers and college students need to know to position themselves for success in the industry? How do you create a billion-dollar esports business? What strategic choices drive success in the modern gaming industry? Can video games really get your kid into college? (All expenses paid, of course...) Whether you are a lifelong gamer, a curious *Fortnite* parent, or a businessperson seeking to understand the marketing opportunities of this multibillion-dollar phenomenon, *The Book of Esports* charts the rise of this exciting

new industry, for the first time ever crafting a comprehensive overview of esports and its implications for human competition—and even the future of humanity itself. Gaming luminary and Harvard MBA William Collis has painstakingly translated esports’ mysteries into a detailed and accessible testament for today. Featuring select interviews from the biggest names in the industry, *The Book of Esports* weaves tales of trust, betrayal, and superhuman reflexes into predictive frameworks, explaining exactly why our industry looks the way it does, and how all this growth—and more—is inevitable as the divide between man and machine blurs

into oblivion. *The War at the Shore* Scholastic Inc. Since the 1970s, FantasticLand has been the theme park where “Fun is Guaranteed!” But when a hurricane ravages the Florida coast and isolates the park, the employees find it anything but fun. Five weeks later, the authorities who rescue the survivors encounter a scene of horror. Photos soon emerge online of heads on spikes outside of rides and viscera and human bones littering the gift shops, breaking records for hits, views, likes, clicks, and shares. How could a group of survivors, mostly teenagers, commit such terrible acts? Presented as a fact-finding investigation

and a series of first-person interviews, FantasticLand pieces together the grisly series of events. Park policy was that the mostly college-aged employees surrender their electronic devices to preserve the authenticity of the FantasticLand experience. Cut off from the world and left on their own, the teenagers soon form rival tribes who viciously compete for food, medicine, social dominance, and even human flesh. This new social network divides the ravaged dreamland into territories ruled by the Pirates, the ShopGirls, the Freaks, and the Mole People. If meticulously curated online personas can replace private identities, what takes over when those

constructs are lost? FantasticLand is a modern take on Lord of the Flies meets Battle Royale that probes the consequences of a social civilization built online. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we

are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Popular Hits of the Showa Era Penguin  
 "I HATE IMAGE!" The Free Comic Book Day hit is back, with even more pages! Gertrude has been stuck in Fairyland for decades when she finally hears of a secret passage that may be her way back home. But reaching it is easier said than done, as she crosses the border into Image where she'll have to chop her way through your favorite characters from SAGA, THE WALKING DEAD, SAVAGE DRAGON, SPAWN, DESCENDER, BLACK SCIENCE, SOUTHERN BASTARDS, and many more! This

all-new special edition features four additional pages of story as Gert slices and dices her way through even more of your Image favorites, plus a behind the scenes look at Skottie's script, layouts, and black and white artwork all wrapped in a brand-new cover!

*Film Review* Little, Brown Books for Young Readers

Webster is a bundle of nerves headed into his first day of high school, but whatever academic and social horrors he feared are nothing compared to what's in store for him as he stumbles into an unsanctioned street level spelling bee! And this ain't no staged production, either - letters fly like jump kicks and the losers leave bruised and

beaten more often than not! Soon he's propelled into the fast-paced world of competitive spelling by the mysterious Outlaw King and his cohort the Black Queen. Does Webster have what it takes to get the spelling world buzzing? Find out in this word-based battle royale from web-sensations Ananth Panagariya (Johnny Wander) and Tessa Stone (Hanna is Not a Boy's Name)! Fartnite Vs. Minecrapt Pushkin Press

Experiment with mysterious powders and slimy goo to form squishy biopolymers with cute faces! Create 6 custom goeey creatures in an aquatic terrarium. Pour neon gel that forms biopolymer blobs from the chemical reaction between sodium

alginate and calcium chloride. 10 activities explore life cycles, adaptation, and traits that real animals use in the wild. Display your new friends in their very own specimen test tube habitat with custom stickers.

*Battle Royale Volume 1*  
St. Martin's Griffin

H. P. Lovecraft was one of the greatest horror writers of all time. His seminal work appeared in the pages of legendary *Weird Tales* and has influenced countless writer of the macabre. This is one of those stories.

*FORTNITE (Official): Outfits* New Age Books

*I Hate Fairyland: I Hate Image Special Edition*

Little, Brown Books for Young Readers

'A labour of undiluted love and enthusiasm' Daily Telegraph As Daniel Hardcastle careers towards thirty, he looks back on what has really made him

happy in life: the friends, the romances... the video games. Told through encounters with the most remarkable – and the most mind-boggling – games of the last thirty-odd years, *Fuck Yeah, Video Games* is also a love letter to the greatest hobby in the world. From *God of War* to *Tomb Raider*, *Pokémon* to *The Sims*, Daniel relives each game with countless in-jokes, obscure references and his signature wit, as well as intricate, original illustrations by Rebecca Maughan. Alongside this march of merriment are chapters dedicated to the hardware behind the games: a veritable history of Sony, Nintendo, Sega and Atari consoles. Joyous,

absurd, personal and at times swears, Daniel's memoir is a celebration of the sheer brilliance of video games. [Fuck Yeah, Video Games](#) HarperCollins Draw your favorite Outfits, vehicles, weapons, and more with Epic Games' first official how to draw book, including tips to make your sketches as epic as your in-game achievements and featuring the authentic Fortnite holographic seal. Learn how to draw 35 of the game's most popular icons-

including Outfits, weapons, building materials, and vehicles. In easy-to-follow stages, you'll go step-by-step from rough sketch to detailed finish. INCLUDES: 16 iconic Outfits 8 fearsome weapons The craziest in-game vehicles Drawing guide Top art tips, including advanced shading and texture techniques Whether you're a complete novice or an experienced artist, this book will inspire you to pick up a pencil and get sketching!
