Tradition Seal Books

For the past three decades, the Shelly Cashman Series has effectively introduced computers to millions of students - consistently providing the highest quality, most up-to-date, and innovative materials in computer education. We are proud of the fact that our series of Microsoft Office 4.3, Microsoft Office 95, Microsoft Office 97, Microsoft Office 2000, and Microsoft Office XP textbooks have been the most widely used books in computer education. With each new edition of our Office books, we have made significant improvements based on software changes and comments made by both instructors and students. Our Microsoft Office 2003 books continue with the innovation, quality, and reliability that you have come to expect from the Shelly Cashman Series.

Monk Pushcart Press

The biggest revision in ten years of "the Bible of the business" ("Wall Street Journal"). This essential reference for writers, librarians, students of modern literature, and readers worldwide was started in the 1960s during the initial phase of the small-press revolution. It is safe to say that, in its forty-first edition, the directory is a publishing legend. It includes information on over 5,000 presses and journals from around the world, listing addresses, manuscript requirements, payment rates, and recent publications. Subject and regional indexes are also provided.
