These traditional Newfoundland mittens are patterns that every knitter should have in their collection. This book is a collection of rare mitten patterns collected, and in some cases recreated, by Christine LeGrow of Spindrift Handknits and Shirley "Shirl the Purl" Scott. These two women have teamed

up to preserve and promote traditional Newfoundland knitting. By assembling patterns for hand-knit items such as trigger mitts, flap caps and scarves these women are keeping knitting culture alive.

*History of Fairy-Tale Films* offers readers a long overdue, comprehensive look at the rich history of fairy tales and their influence on film, complete with the inclusion of an extensive filmography compiled by the author. With this book, Jack Zipes not only looks at the extensive, illustrious life of fairy tales and cinema, but he also reminds us that, decades before Walt Disney made his mark on the genre, fairy tales were central to the birth of cinema as a medium, as they offered cheap, copyright-free material that could easily engage audiences not only through their familiarity but also through their dazzling

special effects. Since the story of fairy tales on film stretches far beyond Disney, this book, therefore, discusses a broad range of films silent, English and non-English, animation, live-action, puppetry, woodcut, montage (Jim Henson), cartoon, and digital. Zipes, thus, gives his readers an in depth look into the special relationship between fairy tales and cinema, and guides us through this vast array of films by tracing the adaptations of major fairy tales like "Little Red Riding Hood," "Cinderella," "Snow White," "Peter Pan," and many more, from their earliest cinematic appearances to today. Full of insight into some of our most beloved films and stories, and boldly illustrated with numerous film stills, *The Enchanted Screen*, is essential reading for film buffs

and fans of the fairy tale alike.

**Knitted Fairy Tales** Clarkson Potter Amigurumi-expert and fairy tale lover Tessa van Riet-Ernst puts numerous world famous fairy tale characters in a new crochet jacket - all with a little twist! The big bad wolf is secretly a softy, but he tries to look more dangerous by wearing a spiky collar. And Prince Charming is still not sure which princess stole his heart: the lovely Snow White or Cinderella. Or maybe Rapunzel, with her beautiful long hair? Goldilocks, Little Red Riding Hood, the seven goats, the ugly duckling and the three little pigs all play a leading role. This book contains 8 world famous stories and more than 20 new patterns. Projects range from beginner-friendly to suitable for the advanced crocheter. Each project comes

with easy-to-follow instructions as well as explanations for all stitches used.

This volume of Tudor Roses presents new and reimagined garments based on the original Tudor Roses published in 1998. Alice Starmore looks to historical female figures of the Tudor Dynasty as inspiration for her stunning knitwear, and her modernization of traditional Fair Isle and Aran patterns has created a sensation in the knitting world. Through garment design, Starmore and her daughter Jade tell the stories of fourteen women connected with the Tudor dynasty. They weave a narrative around the known facts of their subjects' lives using photography, art, and the only medium through which the Tudor women

could leave a lasting physical record in their world — needlework. *Tudor Roses* includes fourteen patterns for sweaters and other wearables that follow the chronological order of the Tudor dynasty. A different model portrays each of the Tudor women, from Elizabeth Woodville, grandmother of Henry VIII, through Mary, Queen of Scots. The stunning design and photography appeals to knitters seeking designs that offer an attractive balance of historic and modern elements.

**Knitted Nursery Rhymes** Interweave iconic fairy-tale characters from storybooks, movies, and television inspire this collection of magical knitting patterns perfect for modern knights, villains, and princesses. Once again, Genevieve Miller taps a wide range of

contributors (from knitwear designers to students) to create a collection of 28 wearables, accessories, and toys that can be knit for adults or kids. Inspired by the recent resurgence of fairy-tale and fantasy characters, these projects draw from classic stories as well as pop-culture phenomena featuring romantic, feminine costumes. Projects range from kid- and teen-friendly animals hats to an Alice in Wonderland beret to a crystal-embellished vest fit for a Snow Queen, adding a little dress-up fun to knitters' everyday wardrobes.

 "Explode[s] with cuddle-factor! It doesn't matter what they're into—unicorns, wolves, dragons or princesses, one of these hooded blankets will surely suit." —Inspirations Newsletter  
 Bedtime bookworms will love snuggling up and listening to their favorite story in a cozy hooded blanket. Bring storytime to life as they act out the characters—will they be a goodie or a baddie, Little Red Riding Hood or the wolf? Lynne Rowe's latest

new book has ten fun, fairytale projects to crochet, including a deer, a dragon, a lion and a unicorn. Each blanket can be made in two sizes: for toddlers (age 2 to 4) and for young children (age 5 to 7). Along with crochet techniques, there are suggestions for varying the yarn color to create a different character (changing a polar bear into a brown bear, for example) and you can choose between a rounded or a pointed hood. Lynne has also designed a strip of matching bunting to accompany each project. Every blanket tells a story, with pockets on the sides for snuggly paws and different tails. Perfect for unwinding for a bedtime story and animating the oral tradition of storytelling—little listeners, as well as their parents, will find themselves enchanted. "There's nothing

quite like wrapping up someone you love in a homemade blanket, and this collection is certain to be loved by little ones and big ones alike!” —Inside Crochet “Bright, colorful and whimsical.” —The Loopy Lamb “We love everything the Lynne designs and this book is no exception to that rule if you ask us, this is probably her most exciting and enjoyable book to date.” —Crochet Now Crochet Ever After Polperro Heritage Press

knitting—woven together in 14 original patterns inspired by each story. “How fairy tales are told and remembered has a great deal in common with knitting traditions. Seamlessly woven into the plot of each tale is a magical garment or accessory inspired by the bravery and self-reliance of the tale’s heroine and brought to life through an imaginative and bespoke knit pattern. Mittens and Amulet Necklace, each project is as wearable as it is magical.  COUNTY Limerick is a place of kings and commoners. It is where Donn Fírinne, king of the Munster fairies, is said to have once roamed and where Sean na Scuab, a poor broom seller from the wrong side of the river, was chosen to be mayor of the city. It is a land filled with stories, poetry, music and drama. In these pages you can read about Sionainn, who was carried away by the flowing waters of the River Shannon; the bright and beautiful goddess Áine, the fairy queen, who knits the earth's green mantle below Lough Gur; Finn MacCool and his band of warriors, the Fianna; the wise woman Joan Grogan and her

ingenious cures; foolish Tadhg who outwitted a gang of thieves; and the poet-magician, Gearóid Iarla, on his horse with silver shoes. In this unique collection, storyteller Ruth Marshall recounts tales of mystery, music and magic from across the rich tapestry of the folklore of County Limerick.
