Escape the cube. Ditch
the commute. It's not

just a dream anymore.
Many people already
spend 12 hours a day
getting to work,
working, getting home
from work. Here's
some good news:
thanks to advances in
technology,
acceptance of
outsourcing, the trend
towards corporate
flextime, and other
factors, working from
home is easier than
ever. Good Morning
America's Workplace
Contributor Tory
Johnson and consumer
advocate Robyn
Freedman Spizman tell
readers exactly how to
turn today's cultural
change to their
advantage without
giving up an income.
Specific business plans
will teach them how to:
• Take their current
position home • Find a
new company whose
policies will allow them

to work from home •
 Reseach a product
 they believe in, and
 sell it from home •
 Start their own
 business, doing
 something they love,
 for a minimal initial
 investment With real-
 life stories, a step-by-
 step plan, resource
 guides, and lists of
 scams to avoid, this is
 the book that will help
 readers finally make
 the leap—and show
 them that they don't
 have to give up their
 family, creativity, or
 peace of mind to earn
 a decent salary.

Paid to Party John
 Wiley & Sons
 New York Times
 bestselling author and
 Queen of the Beach
 Reads Mary Kay
 Andrews delivers her
 next blockbuster, Hello
 Summer. It's a new
 season... Conley
 Hawkins left her

family's small town
 newspaper, The Silver
 Bay Beacon, in the
 rearview mirror years
 ago. Now a star
 reporter for a big-city
 paper, Conley is
 exactly where she
 wants to be and is
 about to take a fancy
 new position in
 Washington, D.C. Or so
 she thinks. For small
 town scandals... When
 the new job goes up in
 smoke, Conley finds
 herself right back
 where she started,
 working for her sister,
 who is trying to keep
 The Silver Bay Beacon
 afloat—and she doesn't
 exactly have warm
 feelings for Conley.
 Soon she is given the
 unenviable task of
 overseeing the local
 gossip column, "Hello,
 Summer." And big-time
 secrets. Then Conley
 witnesses an accident
 that ends in the death

of a local congressman—a beloved war hero with a shady past. The more she digs into the story, the more dangerous it gets. As an old heartbreaker causes trouble and a new flame ignites, it soon looks like their sleepy beach town is the most scandalous hotspot of the summer.

William Morrow
Paperbacks
What do Bill Gates, Henry Ford, J. P. Morgan, Mary Kay Ash, and Walt Disney all have in common? Uncompromising vision, a willingness to take risks, and exceptional business acumen. Not only did these individuals amass great fortunes, they revolutionized the business world and helped shape society

as we know it. Theirs are just a few of the stories collected in this anthology of commercial ingenuity. Drawing on a wealth of sources, this priceless collection brings to life extraordinary achievements, many of them forgotten or little known: how Robert Morris, the preeminent merchant of the eighteenth century, financed the American Revolution with his personal credit; how Ray Kroc used a shrewd real estate strategy to turn a faltering hamburger franchise operation into the McDonald's fast food empire; and how Mary Kay Ash built a billion-dollar direct sales cosmetics company by preaching a message of economic empowerment to women. Enlightening

and fascinating, Forbes(r) Greatest Business Stories of All Time celebrates larger-than-life ambition, inspired leadership, wheeling and dealing, and hard work. Forbes is a registered trademark of Forbes Inc. Its use is pursuant to a license agreement with Forbes Inc.

Mary Kay Penguin
A revised and updated edition of the cosmetics icon's timeless guide to entrepreneurial success, featuring her people-centered business philosophy. Mary Kay Ash built a global independent sales force that today numbers 1.8 million women, and is respected by business and academic leaders. How? The secret is in this book. For forty-five years, the principles in

The Mary Kay Way have helped the company succeed through changing economic times and explosive global growth. It has been said that no company wholeheartedly embodies the values and reflects the beliefs of its founder more than Mary Kay Inc. Now you can put the same inspiring principles to work for you.

Recognized today as America's greatest woman entrepreneur, Mary Kay Ash stepped out in 1963 in a man's world to blaze a new path for women. She grew her business based not on the rules of competition, but on The Golden Rule. By "praising people to success" and "sandwiching every bit of criticism between two heavy layers of

praise," this energetic Texas titan opened new opportunities for women around the world and built a multibillion-dollar corporation. Mary Kay's unconventional business philosophy was first published in 1984. Now revised and updated for the first time, with examples from her company's top independent salespeople, *The Mary Kay Way* is perhaps her most important legacy. Praise for *The Mary Kay Way* "One of the most inspiring entrepreneurial leaders, Mary Kay always understood the importance of people and the value they can bring to an organization." —J. W. Marriott, Jr., Chairman and CEO, Marriott International, Inc. "Mary Kay knew that

when you put people first and then surround them with processes and disciplines that recognize their efforts, performance will soar." —David C. Novak, Chairman and CEO, Yum! Brands, Inc. (KFC, Taco Bell, Pizza Hut, Long John Silver's, A&W)

Da Capo Lifelong Books
It's not what you steal. It's getting away with it that's so much fun.
Lifted, a novel by Wendy Toliver.
Never Too Late Temple University Press
An instant #1 New York Times bestseller!
Pacific Rim meets *The Handmaid's Tale* in this blend of Chinese history and mecha science fiction for YA readers. The boys of Huaxia dream of pairing up with girls to

pilot Chrysalises, giant transforming robots that can battle the mecha aliens that lurk beyond the Great Wall. It doesn't matter that the girls often die from the mental strain. When 18-year-old Zetian offers herself up as a concubine-pilot, it's to assassinate the ace male pilot responsible for her sister's death. But she gets her vengeance in a way nobody expected—she kills him through the psychic link between pilots and emerges from the cockpit unscathed. She is labeled an Iron Widow, a much-feared and much-silenced kind of female pilot who can sacrifice boys to power up Chrysalises instead. To tame her unnerving yet invaluable mental strength, she is paired

up with Li Shimin, the strongest and most controversial male pilot in Huaxia. But now that Zetian has had a taste of power, she will not cower so easily. She will miss no opportunity to leverage their combined might and infamy to survive attempt after attempt on her life, until she can figure out exactly why the pilot system works in its misogynist way—and stop more girls from being sacrificed.

ALICE FEENEYS NEW YORK TIMES AND INTERNATIONAL BESTSELLER “Boldly plotted, tightly knotted—a provocative true-or-false thriller that deepens and darkens to its ink-black finale. Marvelous.” —AJ Finn, author of The

Woman in the Window
My name is Amber Reynolds. There are three things you should know about me: 1. I'm in a coma. 2. My husband doesn't love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can't move. She can't speak. She can't open her eyes. She can hear everyone around her, but they have no idea. Amber doesn't remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

More Than a Pink Cadillac Harlequin
The New York Times bestselling author of Summer Rental delivers her delicious new escapist novel about small towns, old flames, and deep secrets Annajane Hudgens truly believes she is over her ex-husband, Mason Bayless. They've been divorced for four years, she's engaged to a new, terrific guy, and she's ready to leave the small town where she and Mason had so much history. She is so over Mason that she has absolutely no problem attending his wedding to the beautiful, intelligent, delightful Celia. But when fate intervenes and the wedding is called to a halt as the bride is literally walking down the aisle,

Annajane begins to realize that maybe she's been given a second chance. Maybe everything happens for a reason. And maybe, just maybe, she wants Mason back. But there are secrets afoot in this small southern town. On the peaceful surface of Hideaway Lake, Annajane discovers that the past is never really gone. Even if there are people determined to keep Annajane from getting what she wants, happiness might be hers for the taking, and the life she once had with Mason in this sleepy lake town might be in her future.

SPRING BREAKDOWN

It's springtime again, and all P.I. Maggie

Skerritt and her charmingly levelheaded business partner and fiancé, Bill Malcolm, can do is hope that rite of passage infamously known as spring break is quiet and painless. Luckily, as the week progresses, Maggie and Bill find the influx of college kids committing only minor offenses, albeit they're piling up like empty kegs at a frat party. If only life could remain that simple... While the tourists wreak mostly harmless havoc, the murder of a woman and her possible connection to a local politician grabs all Maggie's attention. And when that same connection leads her and Bill back to the unsolved case that changed—and still haunts—both their

lives, Maggie suddenly wishes party patrol was all she had to worry about.

Hello, Summer St.

Martin's Press

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church
What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.”

So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in

our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Remarkable insight

into the leadership culture of one of the world's largest cosmetics companies. It's no secret that Mary Kay Inc. -- home of the famous "Pink Cadillac" -- is one of the best run and most successful companies in the world, prompting Harvard professors and U.S. Government agencies to study what made the company a global phenomenon. But what many people may not realize is that Mary Kay is much more than a Pink Cadillac. While this widely recognized icon is a symbol of top performance, it stands for something greater - a way of doing business with a personal concern for people that has made Mary Kay a different kind of company. This book explains the

methods and mindset that can bring the same kind of success to your organization. More than a Pink Cadillac provides insights into a unique and extraordinarily successful business - one that grew out of, and is still founded upon, a simple set of powerful principles. It represents the first time the company has given an outside author -- Jim Underwood -- unlimited access to its employees and management. The principles he reveals in this book have already influenced the lives of hundreds of thousands of men and women around the world - and they can do the same for your organization.

The Negro Motorist Green Book
WaterBrook

Mary Kay Ash, one of America's most dynamic businesswomen, lived her life with simple and timeless principles. Through her uncomplicated formula for success -- God first, family second and career third -- she achieved her dream. She inspired. She motivated. She cared. Mary Kay often said that if you expect great things, great things will happen. So expect results. Expect success. Miracles happen. Mary Kay Ash knew when she created her dream company that its success would largely depend on the principles upon which it was founded. In her wisdom, she realized that by building a solid foundation, and never wavering from it, she

would distinguish her company and set the stage for women to succeed for decades to come. Mary Kay herself said, "The Company bears my name, but it has a life of its own. The true success is the lives that have changed for the better." Today, the independent sales force wholeheartedly embraces Mary Kay's vision of enriching women's lives.

Because she believed that women would understand and support her mission, her legacy will continue to grow, inspiring generations of women around the world to believe that miracles happen.

Forbes Greatest Business Stories of All Time HarperChristian + ORM
NEW YORK TIMES

BESTSELLER • A candid and moving memoir of how one woman's pregnancy forced her to confront her definition of how to live a successful life "Slyly ironic, frequently hilarious, [Martha] Beck's memoir charts the journey from being smart to becoming wise."—Time This edition includes a new afterword about Adam. From the moment Martha and her husband, John, accidentally conceived their second child, all hell broke loose. They were a couple obsessed with success. After years of matching IQs and test scores with less driven peers, they had two Harvard degrees apiece and were gunning for more. They'd plotted out a future in the most vaunted ivory tower of

academe. But when their unborn son, Adam, was diagnosed with Down syndrome, doctors, advisers, and friends in the Harvard community warned them that if they decided to keep the baby, they would lose all hope of achieving their carefully crafted goals. Fortunately, that's exactly what happened. By the time Adam was born, Martha and John were propelled into a world in which they were forced to redefine everything of value to them, put all their faith in miracles, and trust that they could fly without a net. And it worked. Expecting Adam captures the abject terror and exhilarating freedom of facing impending parenthood, being forced to question

one's deepest beliefs, and rewriting life's rules.

Ask Me About Mary Kay Harmony

Describes the psychological techniques cults use to indoctrinate their members and discusses deprogramming.

Spring Break Llewellyn Worldwide

Mary Kay, You Can Have it All St. Martin's Press

The business world has changed beyond all

recognition in recent years. New skills, insights, tools, technologies and best practice have emerged. The Capstone Encyclopaedia of Business brings all of this progress together, distilling the facts and essential information into one single volume. It represents the most up-to-date, authoritative and accessible guide to the modern business world available, providing a gateway to the state of the art in marketing, finance, strategy, leadership, people management and beyond. The Capstone Encyclopaedia of Business is organized alphabetically into over 1,000 entries covering the whole spectrum of business and management

including: business terms - concepts - thinkers - practitioners organizations - brands - companies Each entry provides a sharp, incisive overview of the subject and, crucially, points to how the ideas can be put into practice. The Capstone Encyclopaedia of Business makes sense of the new world of business, embracing the best of the new and the most robust of the old. The first one-volume, accessibly-priced reference book for business in years. Kicks off this exciting new series and will anchor Capstone as the one stop shop for busy professionals. Key title in large promotion including web site and extract mailings. Internationally-recognized editorial board. Annual updates

will occur making this a classic key title to keep on the shelves.

Cultivating Your Character

WmMorrowPB

On any given night in living rooms across America, women gather for a fun girls' night out to eat, drink, and purchase the latest products—from Amway to Mary Kay cosmetics. Beneath the party atmosphere lies a billion-dollar industry, Direct Home Sales (DHS), which is currently changing how women navigate work and family. Drawing from numerous interviews with consultants and observations at company-sponsored events, Paid to Party takes a closer look at how DHS promises to change the way we think and feel about

the struggles of balancing work and family. Offering a new approach to a flexible work model, DHS companies tell women they can, in fact, have it all and not feel guilty. In DHS, work time is not measured by the hands of the clock, but by the emotional fulfillment and fun it brings.

How to Get, Build & Keep Your Clientele Vintage

Drawing on nearly forty years of tarot experience, Mary K. Greer has developed a new energizing approach—made up of twenty-one stimulating techniques to interpret or deepen your understanding of each card. Just as the twenty-six letters of the alphabet can be combined to form billions of words,

Greer's twenty-one methods can be used in any combination for gaining amazing new insights and perspectives.

Emphasizing both traditional and personal methods of interpretation, Greer's techniques involve storytelling, sketching, symbols, metaphors, dialogues, acting, and

other imaginative exercises. Designed to bring about interaction, transformation, and empowerment, this twenty-one-pronged approach to tarot can help readers expand standard interpretations and evolve new ways of connecting to the cards. COVR Award Winner or Best Divination Book
