Star Trek - The Original Series: A Celebration Simon and Schuster

Mr. Scott's Guide to the Enterprise is the most accurate, in-depth look at the U.S.S. Enterprise NCC 1701A available. The Enterprise is thoroughly examined, deck-by-deck in full, fascinating detail. By using dozens of blueprints, sketches, and photographs, the inner workings of a starship are revealed.

On Board the U.S.S. Enterprise Dark Horse Comics

The Star Trek: The Next Generation® Technical Manual, written by Rick Sternbach and Michael Okuda, the technical advisors to Star Trek: The Next Generation, provides a comprehensive schematization of a Galaxy-class starship. From the bridge to the shuttlebays, from the transporter room to crews' quarters, this book provides a never-before-seen glimpse at the inner, intricate workings of the most incredible starship ever conceived. Full of diagrams, technical schematics, and ship's plans, the Star Trek: The Next Generation Technical Manual also takes a detailed look at the principles behind Star Trek®'s awesome technology --

from phasers to warp drive to the incredible holodeck.

Star Trek, Deep Space Nine Technical Manual

A complete episode-by-episode exploration of the hit TV series—with rarely seen photos and illustrations. With the launch of Star Trek: The Next Generation, Gene Roddenberry somehow managed to recapture lightning in a bottle. This new incarnation of Star Trek was an instant hit, and its popularity inspired four films and three spin-off television series. A must-have for fans, *Star Trek: The Next Generation 365* provides a fresh, accessible overview of the entire series, including an authorized guide to all 178 episodes. Featuring classic and rarely seen photography and illustrations, this visual celebration of the voyages of Captain Picard, his crew, and the Enterprise-D offers a loving look back at the Emmy and Hugo Award-winning series.

Lame Deer, Seeker of Visions Hero Collector

On the planet of Lorca, Picard and his party lose contact with the ship and Commander Riker leads a search party to find them. But both men are unaware that their searches are part of a madman's plan - a madman who is setting a trap that will leave him poised to seize control.

Make It So: Leadership Lessons from Star Trek: The Next Generation Chronicle Books

After two hundred years of civil war the planet Oriana is dying. Most of the surface vegetation is gone, the air is nearly unbreathable, and the people themselves are dying. Now, the two warring factions have finally sat down to talk peace, and Captain Picard and the U.S.S. Enterprise™ are sent to help them negotiate a settlement. Picard, Lt. Worf, and Counsellor Troi beam down to Oriana, just as the Starship Enterprise is called away on another urgent mission. Alone on the planet, the U.S.S. Enterprise team learns that there are people that would rather finish the devastating conflict than talk peace. Suddenly, Picard is accused of murder and the delicate negotiations have fallen into the hands of Lt. Worf. Now, Worf and Troi must unravel the truth and prevent planet-wide disaster, before time runs out for the people of Oriana and the crew of the Starship Enterprise.

Lame Deer Storyteller, rebel, medicine man, Lame Deer was born almost a century ago on the Rosebud Reservation in South Dakota. A full-blooded Sioux, he was many things in the white man's world -- rodeo clown, painter, prisoner. But, above all, he was a holy man of the Lakota tribe. Seeker of Vision The story he tells is one of harsh youth and reckless manhood, shotgun marriage and divorce, history and folklore as rich today as ever -- and of his fierce struggle to keep pride alive, though living as a stranger in his own ancestral land.

With Capt. Picard as the role model for effective leadership, this bestselling book uses *Star Trek: The Next Generation* as advice guide for successful business management. The fast-changing business world of today is far different from just a few years ago. Success in today's marketplace requires new leadership techniques, new thinking, and an eye on the future... In *Make It So: Leadership Lessons from Star Trek: The Next Generation*®, Wess Roberts and coauthor Bill Ross take their inspiration from today's most striking and most popular vision of the future -- *Star Trek* -- an unprecedented television, feature film and publishing phenomenon. From the top-rated television series *Star Trek: The Next Generation*, Roberts and Ross find a new symbol for successful leadership: Captain Jean-Luc Picard. As entertaining as it is useful, *Make It So* captures the mythos of *Star Trek: The Next Generation* as it delivers dramatically rich lessons on leadership, including the importance of the ability to focus on a single "mission," effective communication, teamwork, honor . . . and other important concepts. The examples are taken from the on-screen adventures of Captain Picard and the Starship Enterprise™, but the lessons and the benefits are real -- and can

be applied to everyday situations where the goal is the kind of high-performance organization embodied by the crew of the U.S.S. Enterprise. Sure to appeal to Star Trek enthusiasts and serious students of leadership alike, *Make It So* is the most exciting business book on the shelves -- the one book that shows the future of modern leadership while giving managers the tools they need for success today!

Star Trek Blueprints Simon and Schuster

An exhilarating thriller from bestselling author Dayton Ward set in the universe of *Star Trek: The Next Generation*, following Captain Jean-Luc Picard and his crew as they explore the previously uncharted and dangerous Odyssean Pass. Surveying a nebula as part of their continuing exploration of the previously uncharted "Odyssean Pass," Captain Jean-Luc Picard and the crew of the Starship Enterprise encounter a rogue planet. Life signs are detected on the barren world's surface, and then a garbled message is received: a partial warning to stay away at all costs. Determined to render assistance, Picard dispatches Commander Worf and an away team to investigate, but their shuttlecraft is forced to make an emergency landing on the surface--moments before all contact is lost and the planet completely disappears. Worf and his team learn that this mysterious world is locked into an unending succession of random jumps between dimensions, the result of an ambitious experiment gone awry. The Enterprise crewmembers and the alien scientists who created the technology behind this astonishing feat find themselves trapped,

powerless to break the cycle. Meanwhile, as the planet continues to fade in and out of various planes of existence, other parties have now taken notice....™, ®, & © 2016 CBS Studios, Inc. STAR TREK and related marks and logos are trademarks of CBS Studios, Inc. All Rights Reserved.
