Zonderkidz  
Growing Godly Women is a blueprint for making a vital difference in a girl's life through a mentoring relationship, providing her with crucial support and wisdom during her complex teen years. Stories, Scriptures, and biblical principles illustrate to Christian women how to comfort a teen and mentor her toward God's plan. Chapters cover the qualities that make a good mentor, what makes girls tick, how to study the Bible with a teen girl, lessons for inner and outer beauty, and creating ties that bind.

### **Blossoming Hope**

Harvest House Publishers  
"From meetings and conversation with men, love affairs arise. In the midst of pleasures, banquets, dances, laughter, and self-indulgence, Venus and her son Cupid reign supreme. . . . Poor young girl, if you emerge from these encounters a captive prey! How much better it would have been to remain at home or to have broken a leg of the body rather than of the mind!" So wrote the sixteenth-century Spanish humanist Juan Luis Vives in a famous work dedicated to Henry VIII's daughter, Princess Mary,

but intended for a wider audience interested in the education of women. Praised by Erasmus and Thomas More, Vives advocated education for all women, regardless of social class and ability. From childhood through adolescence to marriage and widowhood, this manual offers practical advice as well as philosophical meditation and was recognized soon after publication in 1524 as the most authoritative pronouncement on the universal education of women. Arguing that women were intellectually equal if not superior to men, Vives stressed intellectual companionship in marriage over procreation, and moved beyond the private sphere to show how women's progress was essential for the good of society and state.

You never thought divorce would happen to you. But it did. You may feel traumatized, relieved, hopeful, afraid, or all of the above. What choices will help you heal? How can you minimize the trauma for your kids? When is too soon to date...and what about

sex? How can you learn from your mistakes instead of repeating them? And where is God in all of this? Michelle and Connie have been where you are. They're Christian women who are a little ahead of you on the journey. Michelle was divorced seven years and now is happily remarried. Connie is ten years into the journey and at peace with being single. They've each made good choices and their fair share of mistakes. In this book they rally their collective experience to help you navigate some of the twists and turns of the post-divorce journey, avoid pitfalls, and emerge stronger and more confident. This is not one of those authoritative, "do as we say" tomes. It's a woman-to-woman, been-there-done-that, faithful, and hopeful approach to such topics as acceptance, forgiveness, loneliness, online dating (or "CON-line dating"), sex, money, respect, finding friends, and caring for your physical, financial, and spiritual health. Most of all, it's a powerful reassurance that no matter what has happened or what may happen next, God still has good plans for you. You will live and laugh and

love again. This book can help you do it.

### **Keeping the Faith**

One father was murdered. Another was convicted of his death. And all because their children fell in love. Nate Beckett has spent his life fighting wildfires instead of the lies and rumors that drove him from his Colorado hometown. His mother begs him to come back now that his father has been released from prison, but it isn't until he's sidelined by an injury that he's forced to return and face his past. But that means facing Brenna too. Fourteen years ago, Nate was in love with the preacher's daughter. When Pastor Strickland discovered Brenna had defied him to sneak out with Nate, the fight between the Pastor and Nate's drunken dad was

loud—and very public. The Pastor was found murdered later that night, and everyone accused Nate's father, Roy, of the murder. When the church burned down not long after, people assumed Nate set the fire to get even for his father's conviction. He let the rumors fly and left town without looking back. Brenna is stunned to learn that the man convicted of murdering her father has been pardoned. The events of that night set her life on a bad course, and now she's fighting a brutal custody battle with her ex and his new wife where he's using lies and his family's money to sway the judge. Brenna is barely hanging on. As Nate and Brenna deal with the present—including new information about that fateful night and a wildfire that's threatening their town—the past keeps igniting. Nate is the steady force Brenna has so desperately needed. But she'll have to learn to trust him again first. But after all, it may be said, our fathers were certainly mistaken, for the Bible sanctions Slavery, and that is the highest authority. Now the Bible is my ultimate appeal in all matters of faith and practice, and it is to this test I am anxious to bring the subject at issue between us. Let us then begin with Adam and examine the charter of

privileges which was given to him. "Have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth."

*Appeal to the Christian women of the South* Live, Laugh, Love Again Black Christian women are sisters: We are connected through our identity in Christ and a common history forged by the African Diaspora. These cultural and spiritual legacies not only strengthen us, but also present us with unique challenges to our health and wholeness. As daughters of the Diaspora, we encounter negative stereotypes and denigrating images imposed upon us by others. As Christians, we can be tempted to overspiritualize our lives to the detriment of our wholeness. These realities can leave us merely surviving our fragmented lives, when in reality, we want to blossom! Well, *Blossoming Hope: The Black Christian Woman's Guide to Mental Health and Wellness* was written

to help do just that. As a licensed psychologist, minister, and seminary administrator, Dr. Tonya Armstrong attends in Blossoming Hope to the need to transcend everyday stressors, difficulties of the past, and even mental health challenges to reach the highest purpose for which God created us. By taking seriously the cultural and spiritual identities of Black Christian women, Dr. Armstrong addresses the unique challenges of Black women and provides practical resources that promote wholeness. Using the transformative tools of psychoeducation, vignettes of Black Christian women living with mental illness, inspirational music, spoken word exercises, and a wealth of spiritual, mental health, and wellness resources, Dr. Armstrong guides us toward optimal functioning in mind, spirit, body, and soul. In short, Blossoming Hope equips you for full blossoming, firmly planted in the God of our hope.
