Christmas Origami Courier Corporation
Through the art of origami, students will journey back in time to when dinosaurs roamed the earth. Readers will follow step-by-step instructions and diagrams to make impressive models of familiar prehistoric favorites such as the pterodactyl, Tyrannosaurus rex, and triceratops, as well as come to learn about some not so well-known species such as the

camptosaurus, plateosaurus, and plesiosaurus. The book also includes an introduction to the types of paper that can be used, a key explaining the different symbols, a glossary, a further reading section, and an index.

Dinogami Courier Corporation
Provides instructions for making twenty animals of varying levels of difficulty in origami, including a chicken, a hippo, a dragon, and a frog.
