This volume shares the stories of 120 people whose lives were changed thanks to their personal relationship with Jesus Christ. In 2014, Lindsay Schuling Cooper made a New Year's resolution to read the Bible from beginning to end. Her eagerness to read daily turned into pure joy. In February she began praying to

God, "Lord, use me to do your works."

Then Lindsay received her assignment.

In June of 2015, Lindsay began interviewing people, asking two

questions: "What can you say about God?" and "How has He changed your life or worked in it?". She planned on interviewing fifty people. Within three months, that number grew to 120.

Lindsay started out in her comfort zone, but God led her elsewhere. She met with people in churches, shelters, and even jails. Kindred Faith shares the stories of

the people she met—stories of God’s people, whose faith in Him impacted their lives.

You don't have to be perfect to do God's work. Look no further than the twelve disciples, whose many weaknesses are forever preserved throughout the pages of the New Testament. Join bestselling author John MacArthur in *Twelve Ordinary Men* as he draws principles from Christ's careful, hands-on training of the original disciples for today's modern disciple, you! Jesus chose ordinary men--fishermen, tax collectors, political zealots--and turned their weakness into strength, producing greatness from people who were otherwise unremarkable. The twelve disciples weren't the stained-glass saints

we imagine. On the contrary, they were truly human, all too prone to mistakes, misstatements, wrong attitudes, lapses of faith, and bitter failure. Simply put, they were flawed people, just like us. But under Jesus' teaching and touch, they became a force that forever changed the world. MacArthur takes you into the inner circle of the disciples--their selection, their training, their personalities, and their incredible impact. As MacArthur took a closer look at the lives of the twelve disciples, he found himself asking difficult questions along the way, including: Why did Jesus pick each of the twelve disciples? How did Jesus teach them everything he could in just eighteen short months? Can the lessons that Jesus taught the disciples can still influence our faith

today? In *Twelve Ordinary Men*, you'll learn that disciples are living proof that God's strength is made perfect in weakness. As you get to know the men who walked with Jesus, you'll see that if he can accomplish his purposes through them, he can do the same through you.

The 12 men the world have forgotten. These 12 men were physically chosen by God. God walked with them here on earth. We became Christians through these 12 men, the 12 disciples of Jesus. These 12 men walked, slept, ate and shared everything with God. Children have always been taught about the other prophets in the bible but not about the 12 disciples of Jesus. As Christians we must know how we

became Christians, and who were the first people that began this religious group called Christianity. The children must know their religious background, how it began, who God chose to spread his word, their background, their status, their careers, their family and how and where they met Jesus-God. We must always remember that these 12 men were physically chosen by God to revolutionize the world. They were chosen by God for the non-Jews because we are also created by God and God wants us to be saved too

When a health scare puts him in the hospital, Eric Weiner—an agnostic by default—finds himself tangling with an unexpected question, posed to him by a

well-meaning nurse. "Have you found your God yet?" The thought of it nags him, and prods him-and ultimately launches him on a far-flung journey to do just that. Weiner, a longtime "spiritual voyeur" and inveterate traveler, realizes that while he has been privy to a wide range of religious practices, he's never seriously considered these concepts in his own life. Face to face with his own mortality, and spurred on by the question of what spiritual principles to impart to his young daughter, he decides to correct this omission, undertaking a worldwide exploration of religions and hoping to come, if he can, to a personal understanding of the divine. The journey that results is rich in insight, humor, and heart. Willing to do anything to better understand faith, and to find the god or

gods that speak to him, he travels to Nepal, where he meditates with Tibetan lamas and a guy named Wayne. He sojourns to Turkey, where he whirls (not so well, as it turns out) with Sufi dervishes. He heads to China, where he attempts to unblock his chi; to Israel, where he studies Kabbalah, sans Madonna; and to Las Vegas, where he has a close encounter with Raelians (followers of the world's largest UFO-based religion). At each stop along the way, Weiner tackles our most pressing spiritual questions: Where do we come from? What happens when we die? How should we live our lives? Where do all the missing socks go? With his trademark wit and warmth, he leaves no stone unturned. At a time when more Americans than ever are choosing a new

faith, and when spiritual questions loom large in the modern age, MAN SEEKS GOD presents a perspective on religion that is sure to delight, inspire, and entertain.

A. W. Tozer's *Men Who Met God* is a compelling survey of seven biblical figures who had the tremendous experience of walking and communing with God in some fashion—in the coolness of the afternoon, through a

burning bush, in personal discussion, or by another divinely inspired method. Originally preached as a series of sermons by A. W. Tozer at Southside Alliance Church in Chicago, this compilation enlightens the mind and cuts to the heart in the way we've come to expect from Tozer. May you be moved toward God as you see how men of old encountered his Awesome Presence.

"Klaits' work is not only a major contribution to the anthropology of religion and the social scientific literature on AIDS, but also a significant intervention into debates on how Africanists should approach their understandings of sociality and relatedness."--Matthew Engelke, author of *A Problem of Presence: Beyond*

Scripture in an African Church "The reader gets the sense of being a welcome party to a close conversation. Klaitz sustains a direct, clear, humane, and jargon-free voice, and we come away with a radically challenged understanding of what it means in an African church to be 'born anew'."-- Richard Werbner, author of *Tears of the Dead: The Social Biography of an African Family*

On Acquaintance with God. Twelve Lectures Univ of California Press

I became a believer in Jesus Christ after I turned forty. As a result of my new converted perspective, I started seeing my former self in people who thought they were saved but weren't. I also met people who doubted their salvation, people who couldn't explain why they were saved, and others who admitted their faith was unfulfilling. I subsequently determined that their weak spiritual condition was the result of not having a personal relationship with Christ Jesus. That's because they never became acquainted with him by studying his life

and ministry as recorded in the Gospels. I wrote *Eight Through Twelve* to show believers that anyone who has a humble heart and a desire to know Jesus more intimately can indeed draw closer to him by studying his ministry as recorded in the Gospels. In these five chapters in the Gospel of Matthew, the reader will learn that Jesus described himself using three distinct titles - Shepherd, Teacher, and Master. It is my hope that a sincere study of Jesus' life using this book will lead readers into a more clear relationship with him as his sheep, student, and servant. We can't truly understand Jesus until we know him. And without knowing him, we can't truly love him. But if we love Jesus as our Savior and Master, we can love others the way he loves us. That is my prayer for

anyone who seeks to know Jesus using Eight Through Twelve.

Twelve Extraordinary Women offers a poignant and personal look into the lives of some of the Bible's most faithful women, teaching modern believers that true faith can leave a lasting legacy.

These women were ordinary, common, and in some cases even ostracized and rejected by society, yet each was made extraordinary by her life-changing

encounter with God. In Twelve Extraordinary Women, bestselling author and Bible teacher John MacArthur shows us that the God to whom they were so faithful is the same God who continues to mold and guide us today. As you meet these women in Scripture and get to know more about their lives and characters, they will challenge you, motivate you, encourage you, and inspire you with love for the God whom they trusted, served, and loved, teaching us that: Our personal struggles and temptations are the very same kinds of trials that all believers of all ages have confronted Even in the midst of our trouble, God remains eternally faithful Through God, anyone can become extraordinary From Eve to the Samaritan Woman, these twelve women each serve

as reminders of both our frailty and our potential. Together, they all point us to Christ and His grace.

Brothers, We are Not Professionals

The Father of Jesus is the only One True God. And he has only one person—not three. As the son of the king shares in the ‘royalty’ of his father but not in his father’s person, so do Jesus and the Holy Spirit share in the ‘divinity’ of God, but

not in God’s person. God, Jesus, and the Holy Spirit are three distinct and separate persons sharing in one divinity, with the Father of Jesus as being the “Almighty God,” Jesus as being the “Divine Son of God,” and the Holy Spirit as being the “Divine Spirit of God.” Another thing, Jesus is inherently divine—not human. He is divine made man, not man made divine. And even during the time that he was living in the world as man, his divinity was yet all perfectly intact with him as God’s Son. Amen.

Christopher Hitchens, described in the *London Observer* as “one of the most prolific, as well as brilliant, journalists of our time” takes on his biggest subject yet—the increasingly dangerous role of religion in the world. In the tradition of Bertrand Russell’s *Why I Am Not a Christian* and Sam Harris’s recent bestseller, *The End Of Faith*, Christopher

Hitchens makes the ultimate case against religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble Telescope’s awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix.

Maurice C. received the gift of sobriety more than twenty-five years ago through membership in Alcoholics Anonymous. Through AA, Maurice found the ability to let go of the past and let God take the future. In God Is at the Meeting, Maurice gives insight into a world where hurt and shame lead people to feel that they are “less than” and that they must build walls to protect themselves. Those walls get higher and higher until alcohol or drugs seem to be the only relief. Once enslaved, the alcoholic tries desperately to maintain and strengthen the walls of self-protection, to do it all on his or her own until, finally, the effort becomes too exhausting. If this is you—listen. You don't have to live that way any longer.

There is a way out, and this way out has worked for thousands of people just like you for more than seventy-five years. If you will let Him, God will walk with you through the twelve steps to sobriety and a life without walls. This book is not

meant in any way to replace the time-tested books of Alcoholics Anonymous. It is one man's insight into finding, leaning on and growing into a stronger relationship with God as you work through the steps.
