"Christine Barber is new to the Southwest in the sense that The Replacement Child is her first novel. But she has a great feel for the territory and for the family connections that enforce its strong community bonds." —THE NEW YORK TIMES BOOK REVIEW Every year, the people of Santa Fe gather together for the burning of a four-story-tall figure called Zozobra, a local custom that takes place during the Fiesta de Santa Fe. Early the next morning, as the sounds of the Fiesta celebration still echo through the streets, skull is discovered in the ashes of Zozobra. As Detective Sergeant Gilbert

Montoya starts to investigate the case, disturbing displays of human bones begin appearing at religious sites around the city. With a possible psychopath on the loose, Gil goes to newspaper editor Lucy Newroe for help to find the person responsible in a case that will take them into the highest and lowest levels of Santa Fe society. Christine Barber was highly praised for her first book, The Replacement Child, which won the first annual Tony Hillerman Prize and was named a New York Times Notable Book. While many scholars who write about animals deal with animal agency in some way, this volume is the first to position the question of nonhuman agency as the primary focus of inquiry. Section I presents studies of actual animals demonstrating agency; Section II moves agency into new terrain while considering key representations of animal agency in literature; Section III analyzes animals as mediators and as conveyances of human-to-human communication; and Section IV investigates the agency of beings who defy conventional species categories. The Envoi demonstrates how the microscopic polyp is interwoven into notions of agency and mythical superagency. This volume's interdisciplinary explorations press hard on issues of agency to open up space for more questions about how we can understand relationships between the human and the nonhuman.

In the 1930s a band of smart and able young men, some still in their twenties, helped Franklin D. Roosevelt transform an American nation in crisis. They were the junior officers of the New Deal. Thomas G. Corcoran, Benjamin V. Cohen, William O. Douglas, Abe Fortas, and James Rowe helped FDR build the modern Democratic Party into a progressive coalition whose command over power and ideas during the next three decades seemed politically invincible. This is the first book about this group of Rooseveltians and their linkage to Lyndon Johnson's Great Society and the Vietnam War debacle. Michael Janeway grew up inside this world. His father, Eliot Janeway, business editor of *Time* and a star writer for *Fortune* and *Life* magazines, was part of this circle, strategizing and practicing politics as well as reporting on these men. Drawing on his intimate knowledge of events and previously unavailable private letters and other documents, Janeway crafts a riveting account of the exercise of power during the New Deal and its aftermath. He shows how these men were at the nexus of reform impulses at the electoral level with reform thinking in the social sciences and the law and explains how this potent fusion helped build the contemporary American state. Since that time efforts to

reinvent government by "brains trust" have largely failed in the U.S. In the last quarter of the twentieth century American politics ceased to function as a blend of broad coalition building and reform agenda setting, rooted in a consensus of belief in the efficacy of modern government. Can a progressive coalition of ideas and power come together again? The Fall of the House of Roosevelt makes such a prospect both alluring and daunting.

This book relates true stories of adventures, both dangerous and humorous, which I encountered while working in the convenience store business. It also tells about some of the characters I have had to deal with in my retail sales career. Having received the nickname of "Dirty Joe" early on, I have tried to live up to the image it represents. Having said that, this book may surprise you as to what the word "Dirty" means. I am certain this book will provide an inexpensive and enjoyable reading experience for every reader.

The Book of Joe BRILL

"A sparkling debut novel...a bittersweet tale about love, marriage, and the perils of fame." —People "Julia and Joe Ferraro are living the good life in Manhattan now that Joe's finally made it; he's the star of a hit TV show and has just been nominated for a Golden Globe. Even better, Julia and Joe are still madly in love. Or so Julia thinks until the fateful evening when she accidentally hears a voice mail on Joe's phone—a message left by a woman who is clearly more than a friend. Suddenly Julia is in a tailspin, compulsively checking Joe's messages, stalking him in cyberspace, and showing up unannounced on his sets, wondering all along if she should confront him. Julia's search forces her to consider the possibility that in the long process of helping Joe become something, she has

become a bit of a "nothing," as her daughter once described her to her class on career day. When Julia and Joe first met, she was an edgy East Village girl who wrote music reviews for the *Village Voice* and threw famed parties in a gritty downtown loft with her friends. But after Joe won her heart, she settled into doting motherhood and a new life of comfy clothes and parenting associations. Now, faced with the looming awards show and the possibility of a destroyed marriage, Julia embarks on an accelerated self-improvement routine of Botox, hair extensions, and erotically charged shrink sessions while dodging the sancti-mommies who lie in wait for her at her son's preschool each day. A unique take on the perennially popular issue of women trying not to lose themselves in matrimony and motherhood, *Outtakes* from a Marriage is expertly and humorously set against the Manhattan preschool mafia, the Hollywood machine, and the ticking clock of a waiting red carpet. "How does a free spirit turned wife and mother cope with her actor husband's infidelity?...With tears, irreverent humor and, ultimately, a reaffirmed sense of self...A witty take on marital survival in Manhattan—with heart." —Kirkus Reviews (starred review)
