 The essential Khushwant Singh collection. In an essay in this anthology, Khushwant Singh claims that he is not a nice man to know. Whatever the truth of that assertion, there is little question about his skill as a witty, eloquent and entertaining

writer. This book collects the best of over three decades of the author's prose—including his finest journalistic pieces, short stories, translations, jokes, plays as well as excerpts from his non-fiction books and novels. Taken together, the pieces in this selection (some of which have never been published before) show just why Khushwant Singh is the country's most widely read columnist and one of its most celebrated authors.

Maskeen ji's most outshining quality was his simplicity and humility truly justifying his name. Paradoxically enough, his pious mother named him Sant and sure enough the Mighty God turned him into a 'Saint'. It is not great men who change the world, but meek and humble men in the hands of Great God! Secondly revered Maskeen ji was an ardent lover of God who sacrificed his life for the ultimate good of humanity. Men of God do not want money, they want souls of people to convert them into lovers of God. During his course of 'Hari Katha', Maskeen ji displayed that drunkenness of lovers comes from the soul. His discourses (Katha) are an entire 'SPIRITUAL CULTURE'. One learns from his 'Katha' that a lover may be solitary but he or she is never alone. For companionship he has always the hidden 'Beloved' (God).

British agitations, are thoughts of going home to his wife. When he returns, he finds out that his wife has died, leaving behind their infant child. As Kuldeep's world collapses around him, he negotiates the divergent pulls exerted by people around him: a holy man who advocates renunciation; his childhood friend Saroj, who has always loved him; and the tempestuous Prakash who hides an unsavoury past. Sahitya Akademi Award-winning author Nanak Singh draws on personal experiences to create this compelling portrait of Punjab in the 1920s. Originally published in Punjabi in 1940, *Adh Kidhiya Phool* is an intense meditation on the choices people make and the consequences these may have.

This publication is an edited English commentary to the text known as the 'Charitropkhyān'. This has become a controversial text which is the largest portion of the Srī Dasam Granth, authored by Srī Gurū Gobind Singh Jī. The context of this text is a series of tales narrated by a minister to a King. This is recounted in the second charitar and all others continue on from there in a constant flow. The flow is of constant stories which have their individual teachings. The majority are not to place trust in others both male and female. There are stories of deceptions, folk stories, stories of deities, etc. Srī Gurū Gobind Singh Jī writes these stories in order to teach the masses about the flaws that the vices cause within people. Well that is what the public think these charitars entail however, there are many stories of bravery within them. For example, the stories of Dropatī and Kekaī are two that show how brave a woman can be and the saviour that women can be towards their partners.

Break Free of Dogma

Five hundred years ago, Guru Nanak founded the Sikh faith in India. The Sikhs defied the caste system; rejected the authority of Hindu priests; forbade magic and idolatry; and promoted the equality of men and women -- beliefs that incurred the wrath of both Hindus and Muslims. In the centuries that followed, three of Nanak's nine successors met violent ends, and his people continued to battle hostile

regimes. The conflict has raged into our own time: in 1984 the Golden Temple of Amritsar -- the holy shrine of the Sikhs-- was destroyed by the Indian Army. In retaliation, Sikh bodyguards assassinated Prime Minister Indira Gandhi. Now, Patwant Singh gives us the compelling story of the Sikhs -- their origins, traditions and beliefs, and more recent history. He shows how a movement based on tenets of compassion and humaneness transformed itself, of necessity, into a community that values bravery and military prowess as well as spirituality. We learn how Gobind Singh, the tenth and last Guru, welded the Sikhs into a brotherhood, with each man bearing the surname Singh, or "Lion," and abiding by a distinctive code of dress and conduct. He tells of Banda the Brave's daring conquests, which sowed the seeds of a Sikh state, and how the enlightened ruler Ranjit Singh fulfilled this promise by founding a Sikh empire. The

author examines how, through the centuries, the Sikh soldier became an exemplar of discipline and courage and explains how Sikhs -- now numbering nearly 20 million worldwide -- have come to be known for their commitment to education, their business acumen, and their enterprising spirit. Finally, Singh concludes that it would be a grave error to alienate an energetic and vital community like the Sikhs if modern India is to realize its full potential. He urges India's leaders to learn from the past and to "honour the social contract with Indians of every background and persuasion."

This publication is a short summary on the twenty-four manifestations of the deity Vishnū found within the Srī Dasam Granth by Srī Gurū Gobind Singh Jī. The works of the Gurū have become controversial and misunderstood within the modern day

Sikhs. People do not understand its inclusion within the faith or what it offers to Sikhs today.

A Summary of the Charitropakhyan Written by Sri Guru Gobind Singh Ji.

The traumas of 1984 were a culmination point of Centre-Sikh conflicts that began even before India`s Independence and erupted into a chain of conflicts each weaving into the next one as years passed by. They were triggered by the Congress party`s repudiation of its pre-independence promises to the Sikhs, complicated by total distrust of them and made more complex by its interventionist policies. The Centre-Sikh conflicts began to consume the state by the 1980s because by then the Congress party under the leadership of Indira Gandhi had set out to destroy institutionalised politics represented by the Akali Dal through a militant leaders, Jarnail Singh Bhindranwale.
