 With Revision Workbooks for question practice and Revision Guides for classroom and independent study, our revision resources are the smart choice for those revising for GCSE PE.  
 Pearson REVISE AQA GCSE (9-1) Physical Education Revision Workbook: For 2024 and 2025 Assessments and Exams (REVISE AQA GCSE PE 2016) Oxford University Press - Children  
 Boost confidence with our all-in-one textbook for AQA A-level Physical Education. This updated and accessible textbook combines Year 1 and Year 2 content with brand new assessment preparation to provide detailed support for both the academic and practical elements of the course. This book:  
 - Develops conceptual understanding with thorough coverage of topics on the AQA A-level specification together in one book - Includes updates to 'end of chapter practice' questions and assessment preparation - Contains summaries, diagrams and key questions to direct thinking and

aid revision - Stretches, challenges and encourages independent thinking and a deeper understanding through extension questions, stimulus material and suggestions for further reading  
 - Features definitions of key terms to aid and consolidate understanding of technical vocabulary and concepts - Builds sound knowledge and understanding, analysis, evaluation and application skills through activities This Student Book has been approved by AQA  
**Physical Education** CGP GCSE Combined Science 9-1 Revision  
 Specifically tailored for the new AQA GCSE Science (91) specifications, this third edition supports your students on their journey from Key Stage 3 and through to success in the new linear GCSE qualifications. This series help students and teachers monitor progress, while supporting the increased demand, maths, and new practical requirements.  
 Python Challenge! Oxford University Press, USA  
 AQA approved Stretch and challenge your students to achieve their full potential with learning materials that guide them through the new content and assessment requirements; developed by subject experts with examining experience and one of the leading Geography publishers. - Enables

students to learn and practise geographical, mathematical and statistical skills through engaging activities specifically designed for the reformed 2016 curriculum - Helps higher ability students boost their knowledge and understanding via suitably challenging extension tasks that go beyond the core content - Develops students' skills responding to a range of questions with topic-specific Question Practice in each section, supplemented by practical insight from skilled teachers with examining experience - Incorporates possible fieldwork enquiries throughout with unrivalled advice on the changed fieldwork assessment from authors specialising in this key area - Reduces your research time by providing a bank of contemporary case studies that includes numerous UK examples for the revised criteria  
*New Grade 9-1 GCSE Physical Education AQA Complete Revision* Hodder Education  
 The only textbook that fully supports the OxfordAQA International GCSE Geography specification (9230), for first teaching from September 2018. It will fully engage students with physical and human topics, make learning relevant with current, international case studies.  
 AQA GCSE Biology 9-1 Student Book (GCSE Science 9-1) Hodder Education

Clear, concise and relevant explanations help develop and reinforce students' basic understanding of the subject. Practical and theoretical activities encourage all abilities to learn through prior knowledge and experience. An attractive four-colour design focuses on core information in order to engage the interest of students. Exam-style questions test and develop students' levels of response and understanding.

*Oxford Revise: AQA GCSE Physics Revision and Exam Practice* HarperCollins UK

Exam Board: AQA Level & Subject: GCSE Biology First teaching: September 2016 First exams: June 2018 AQA approved

*ClearRevise OCR GCSE Computer Science J277* Oxford University Press - Children

Strengthen students' understanding of key AQA GCSE topics and develop the vital skills required to attain the best results possible in the exams, with this expert-written Student Workbook. Written by experienced examiners Ross Howitt and Mike Murray, this write-in Student Workbook: - Actively develops knowledge and the ability to recall information with consolidation questions and short topic summaries - Reinforces understanding and boosts confidence with exam-style practice questions and clear spotlight of the Assessment Objectives - Encourages independent learning as students can use the Workbook at home or in class, throughout the course or for last-minute revision, with answers to tasks and activities supplied online

*AQA GCSE Food Preparation and Nutrition* Hodder Education

This is a brand new book that provides comprehensive yet concise coverage of all the topics and disciplines covered in the new AQA 8552 Design and Technology (9-1) specification, written and presented in a way that is accessible to teenagers and easy to teach from. It will be invaluable both as a course text and as a revision guide for students nearing the end of their course. It is divided into neat sections covering every element of the specification. Sections 5A to 5F of the textbook cover each of the six specialist technical areas. These sections would complement practical classroom experience. Solutions to all questions and exercises are provided in a free teacher pack available on our website. To accompany this textbook, PG Online also publishes a series of 12 downloadable teaching units. Each topic in a unit consists of a PowerPoint presentation, teacher's notes, worksheets, homework sheets and a final assessment test with practice questions. Each topic within a unit is expected to be taught over several lessons in a week. Units are sold as a lifetime site licence and may be loaded onto the school's private network or VLE.

*AQA Sport Examined* Pg Online Limited

Written by leading PE specialists, students will be guided through the AQA GCSE (9-1) PE specification topic by topic and have opportunity to improve their understanding, analysis, evaluation and application skills through exam-style questions and detailed insight to the NEA. Approved by AQA, this Student Book: - develops understanding with thorough coverage of topics and contains summaries, diagrams and key questions to direct thinking and aid revision - provides clear definitions of key terms, technical vocabulary and concepts, including those that students have struggled the most - builds sound knowledge and analysis, evaluation and application skills through detailed support and exam-style questions - stretches, challenges and encourages independent thinking and a deeper understanding through activities, stimulus material and suggestions for further reading.
