GIOVANNA CROSS

A Series of Unfortunate Events #3: The Wide Window Random House Books for Young Readers
 The Baudelaire orphans disguise themselves as employees of the Hotel Denoument and find themselves pursued by the evil Count Olaf and others.

Small Steps Egmont Books (UK)

Wintertime is here, and that means it is bedtime for Bear. But Bear's friends don't think so. They want Bear to come and play outside in the snow. Bear can hear his friends calling. He hears them laughing and playing. Bear can't sleep. But it's bedtime! What is a bear to do?

Rough Animals Harper Collins

With a dash of Lemony Snicket, a dollop of the Addams Family, and a hearty dose of adventure, New York Times bestselling author Natalie Lloyd introduces a new series about seven strange and adventurous siblings who tackle problems together—even when their new neighbors try to tear them apart. Filled with mystery, humor, and adventure, the first book in this new trilogy is an unforgettable tale of adventure, family, and finding the courage to face any problem heart-first. When the Problim children's ramshackle bungalow in the Swampy Woods goes kaboom, the seven siblings—each born on a different day of the week—have to move into their grandpa's bizarre old mansion in Lost Cove. No problem! For the Problim children, every problem is a gift! But rumors about their family run rampant in the small town: tales of a bitter feud, a hidden treasure, and a certain kind of magic lingering in the halls of #7 Main Street. Their neighbors, the O'Pinions, will do anything to find the secrets lurking inside the Problim household—including sending the seven children to seven different houses on seven different continents!

The Incomplete History of Secret Organizations Macmillan

Hello. I am Daniel Handler, the author of this book. Did you know that authors often write the summaries that appear on their book's dust jacket? You might want to think about that the next time you read something like, "A dazzling page-turner, this novel shows an internationally acclaimed storyteller at the height of his astonishing powers." *Adverbs* is a novel about love -- a bunch of different people, in and out of different kinds of love. At the start of the novel, Andrea is in love with David -- or maybe it's Joe -- who instead falls in love with Peter in a taxi. At the end of the novel, it's Joe who's in the taxi, falling in love with Andrea, although it might not be Andrea, or in any case it might not be the same Andrea, as Andrea is a very common name. So is Allison, who is married to Adrian in the middle of the novel, although in the middle of the ocean she considers a fling with

Keith and also with Steve, whom she meets in an automobile, unless it's not the same Allison who meets the Snow Queen in a casino, or the same Steve who meets Eddie in the middle of the forest. . . . It might sound confusing, but that's love, and as the author -- me -- says, "It is not the nouns. The miracle is the adverbs, the way things are done." This novel is about people trying to find love in the ways it is done before the volcano erupts and the miracle ends. Yes, there's a volcano in the novel. In my opinion a volcano automatically makes a story more interesting.

Adverbs Harper Collins

I'm telling you why we broke up, Ed. I'm writing it in this letter, the whole truth of why it happened. Min Green and Ed Slaterton are breaking up, so Min is writing Ed a letter and giving him a box. Inside the box is why they broke up. Two bottle caps, a movie ticket, a folded note, a box of matches, a protractor, books, a toy truck, a pair of ugly earrings, a comb from a motel room, and every other item collected over the course of a giddy, intimate, heartbreaking relationship. Item after item is illustrated and accounted for, and then the box, like a girlfriend, will be dumped.

The Dark Harper Collins

Tolstoy wrote that happy families are alike and that each unhappy family is unhappy in a different way. In *Watch Your Mouth*, Daniel Handler takes "different" to a whole new level...

Watch Your Mouth Bloomsbury Publishing USA

New York Times Bestseller: "A marvelously readable biography" of the couple and their relationships with Picasso, Fitzgerald, and other icons of the era (The New York Times Book Review). Wealthy Americans with homes in Paris and on the French Riviera, Gerald and Sara Murphy were at the very center of expatriate cultural and social life during the modernist ferment of the 1920s. Gerald Murphy—witty, urbane, and elusive—was a giver of magical parties and an acclaimed painter. Sara Murphy, an enigmatic beauty who wore her pearls to the beach, enthralled and inspired Pablo Picasso (he painted her both clothed and nude), Ernest Hemingway, and F. Scott Fitzgerald. The models for Nicole and Dick Diver in Fitzgerald's *Tender Is the Night*, the Murphys also counted among their friends John Dos Passos, Dorothy Parker, Fernand Léger, Archibald MacLeish, Cole Porter, and a host of others. Far more than mere patrons, they were kindred spirits whose sustaining friendship released creative energy. Yet none of the artists who used the Murphys for their models fully captured the real story of their lives: their Edith Wharton childhoods, their unexpected youthful romance, their ten-year secret courtship, their complex and enduring marriage—and the tragedy that struck them, when the world they had created seemed most perfect. Drawing on a wealth of family diaries, photographs, letters and other papers, as well as on archival research and interviews on two continents, this

"brilliantly rendered biography" documents the pivotal role of the Murphys in the story of the Lost Generation (Los Angeles Times). "Often considered minor Lost Generation celebrities, the Murphys were in fact much more than legendary party givers. Vaill's compelling biography unveils their role in the European avant-garde movement of the 1920s; Gerald was a serious modernist painter. But Vaill also shows how their genius for friendship and for transforming daily life into art attracted the most creative minds of the time." —Library Journal

Goldfish Ghost Simon and Schuster

This terribly tempting blank book offers ruled pages detailed with illustrations and quotable quotations from Mr. Snicket's archives. This journal is resilient enough to hold even the most revolting revelations from any budding young researcher or writer in disguise. Consumable.

The Wretched Stone Harper Collins

Original working manuscript of Swinburne's poem "The garden of Proserpine". Bound with the manuscript pages are a printed version of the poem from an unknown published edition (pages numbered 189-192). Formerly owned by the book collector and literary forger Harry Buxton Forman. A note from Forman is written on a blank leaf preceding the manuscript: The Garden of Proserpine, perhaps the loveliest lyric poem Swinburne ever wrote, was set up from this autograph manuscript when the poem took its place in the renowned volume known as *Poems and Ballads*, issued in the Autumn of 1866, immediately withdrawn under pressure by Mr. Moxon, and speedily re-issued by John Camden Hotten. The calligraphy is more characteristic than excellent. The cancellings and changes, however, are of considerable interest.

A Series of Unfortunate Events: Lemony Snicket Scholastic

A book of blank pages for writing personal observations in the spirit of "A series of unfortunate events" by Lemony Snicket.

The Dilemma Deepens Farshore

Looking for wit, wisdom, and inspiration all within the pages of one useful book? Read *Something Else*. Life is a turbulent journey, fraught with confusion, heartbreak, and inconvenience. This collection of wit and wisdom from New York Times bestselling author Lemony Snicket is unlikely to help. It includes a new introduction filled with curious aphorisms, a handful of never-before-seen-or-heard quotations, and fan favorites from works over the years. These dubious offerings, collected from Snicket's books, unpublished papers, and more, have been made pleasing to the eye by illustrations, select fan art, and design flourishes.

The Basic Eight HMH

Book 4 in the New York Times bestselling series - perfect for curious readers! 'This book reminded me of some of the children's books I grew up with, like Charlie and the Chocolate Factory and

The Phantom Tollbooth.' RICK RIORDAN, author of the PERCY JACKSON series on book 1 'Like the Potter books, this story goes beyond mere adventure' BOOKLIST on book 1 After starring in three adventures, the inimitable quartet of Reynie, Sticky, Kate, and Constance haven't had a mission together in some time. Check out the prequel to the series, THE EXTRAORDINARY EDUCATION OF NICHOLAS BENEDICT [The Mysterious Benedict Society and the Riddle of Ages](#) Hachette Books

This mysterious illustrated tie-in to Netflix's award-winning A Series of Unfortunate Events -- featuring an introduction by Count Olaf's legal representative, Neil Patrick Harris -- shares insider secrets about the Baudelaire family and the making of the show. In every library there is a single book that can answer the question that burns like a fire in the mind... In this collector's companion you will discover never-before-seen photographs, never-before-told stories, and never-before, revealed secrets spanning all three seasons of the hilariously twisted, critically acclaimed hit series. You will encounter original concept art, annotated script excerpts, and interviews with the creative team and all-star cast, as well as glossaries, recipes, lyric sheets, hidden Easter eggs, shocking backstories, and suspicious pages from the titular tome, unredacted, and revealed here for the first time. Featuring interviews with: Tony Hale Daniel Handler Aasif Mandvi Sara Rue Barry Sonnenfeld Patrick Warburton Bo Welch Alfre Woodard and more... Perhaps you are wondering how a noble person such as yourself might become a member of a secret organization. Like so many things in life, it starts by picking up the right book. So go ahead, read at your own risk. [Horseradish](#) Little, Brown Books for Young Readers

A boat has gone missing. Goods have been stolen. There is blood in the water. It is the twenty-first century and a crew of pirates is terrorizing the San Francisco Bay. Phil is a husband, a father, a struggling radio producer and the owner of a large condo with a view of the water. But he'd like to be a rebel and a fortune hunter. Gwen is his daughter. She's fourteen. She's a student, a swimmer and a best friend. But she'd like to be an adventurer and an outlaw. Phil teams up with his young, attractive assistant. They head for the open road, attending a conference to seal a deal. Gwen teams up with a new, fierce friend and some restless souls. They head for the open sea, stealing a boat to hunt for treasure. We Are Pirates! is a novel about our desperate searches for happiness and freedom, about our wild journeys beyond the boundaries of our ordinary lives. Also, it's about a teenage girl

who pulls together a ragtag crew to commit mayhem in the San Francisco Bay, while her hapless father tries to get her home. [Why We Broke Up](#) Albert Whitman & Company
 “Simply put, there is absolutely nothing on the market with the range of ambition of this strikingly eclectic collection of essays. Not only is it impossible to imagine a more comprehensive view of the subject, most readers – even specialists in the subject – will find that there are elements of the Gothic genre here of which they were previously unaware.” - Barry Forshaw, Author of British Gothic Cinema and Sex and Film The Palgrave Handbook of Contemporary Gothic is the most comprehensive compendium of analytic essays on the modern Gothic now available, covering the vast and highly significant period from 1918 to 2019. The Gothic sensibility, over 200 years old, embraces its dark past whilst anticipating the future. From demons and monsters to post-apocalyptic fears and ecological fantasies, Gothic is thriving as never before in the arts and in popular culture. This volume is made up of 62 comprehensive chapters with notes and extended bibliographies contributed by scholars from around the world. The chapters are written not only for those engaged in academic research but also to be accessible to students and dedicated followers of the genre. Each chapter is packed with analysis of the Gothic in both theory and practice, as the genre has mutated and spread over the last hundred years. Starting in 1918 with the impact of film on the genre's development, and moving through its many and varied international incarnations, each chapter chronicles the history of the gothic milieu from the movies to gaming platforms and internet memes, television and theatre. The volume also looks at how Gothic intersects with fashion, music and popular culture: a multi-layered, multi-ethnic, even a trans-gendered experience as we move into the twenty first century.

The Wide Window McSweeney's

What if when you died, no one would ever know you were all that stood between man and the enemy? When Jonathan Tibbs awakes in a puddle of his own blood, there isn't a scratch on him to explain it. In the weeks to follow, he comes to find he's been drafted for a war with a violent otherworldly species. A war that only he can remember. Now, the man Jonathan imagined himself becoming is no longer the man who can endure his future. The first installment in this science fiction action adventure series, The Never Hero is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon. Abandoned with little guidance, and at the mercy of a bargain struck far outside his reach, Jonathan races to unlock the means to surmount the odds, and understand the mystery behind a conflict raging outside of time and memory. In the end, the real question is what Jonathan is willing to become to save a planet that will never see his sacrifice.

[The Reptile Room](#) Farshore

Lazlo is afraid of the dark. It hides in closets and sometimes sits behind the shower curtain, but mostly it lives in the basement.

One night, when Lazlo's nightlight burns out, the dark comes to visit him in his room. "Lazlo," the Dark says. "I want to show you something." And so Lazlo descends the basement stairs to face his fears and discover a few comforting facts about the mysterious presence with whom all children must learn to live. Beautifully rendered with sympathy and wit, this first collaboration between Snicket and Klassen offers a fresh take on a universal childhood experience.

The Garden of Proserpine Harper Collins

Lemony Snicket's work is filled with bitter truths, like: 'It is always cruel to laugh at people, of course, although sometimes if they are wearing an ugly hat it is hard to control yourself.' Or: 'It is very easy to say that the important thing is to try your best, but if you are in real trouble the most important thing is not trying your best, but getting to safety.' For all of life's ups and downs, its celebrations and its sorrows, here is a book to commemorate it all - especially for those not fully soothed by chicken soup. Witty and irreverent, *Horseradish* is a book with universal appeal, a delightful vehicle to introduce Snicket's uproariously unhappy observations to a crowd not yet familiar with the Baudelaires' misadventures.

Poison for Breakfast Harper Collins

Washington Post Bestseller A new stand-alone adventure—appropriate for all ages—by Lemony Snicket, one of the twenty-first century's most beloved authors. In the years since this publishing house was founded, we have worked with an array of wondrous authors who have brought illuminating clarity to our bewildering world. Now, instead, we bring you Lemony Snicket. Over the course of his long and suspicious career, Mr. Snicket has investigated many things, including villainy, treachery, conspiracy, ennui, and various suspicious fires. In this book, he is investigating his own death. *Poison for Breakfast* is a different sort of book than others we have published, and from others you may have read. It is different from other books Mr. Snicket has written. It could be said to be a book of philosophy, something almost no one likes, but it is also a mystery, and many people claim to like those. Certainly Mr. Snicket didn't relish the dreadful task of solving it, but he had no choice. It was put in front of him, right there, on his plate.

[The Penultimate Peril](#) Harper Collins

Dear Reader, If you have not read anything about the Baudelaire orphans, then before you read even one more sentence, you should know this: Violet, Klaus, and Sunny are kindhearted and quick-witted, but their lives, I am sorry to say, are filled with bad luck and misery. All of the stories about these three children are unhappy and wretched, and this one may be the worst of them all. If you haven't got the stomach for a story that includes a hurricane, a signalling device, hungry leeches, cold cucumber soup, a horrible villain, and a doll named Pretty Penny, then this book will probably fill you with despair. I will continue to record these tragic tales, for that is what I do. You, however, should decide for yourself whether you can possibly endure this miserable story. With all due respect, Lemony Snicket
