**Marco Visconti** Doubleday Canada

In a world where mysterious underground dwellers rule the state of Ambergris and control its residents with addictive drugs, internment camps and random acts of terror, John Finch and his partner, Wyte, must solve a double murder for their oppressive masters, all while trying to make contact with the scattered rebel resistance.

*Essays on Realism* Lindhardt og Ringhof

Poetry. Literary Nonfiction. Politics. Edited by Joshua Clover. Translated from the French by Joshua Clover, Abigail Lang, and Bonny Roy. Published in 2011 by Editions du Seuil, Tarnac, un acte préparatoire interrogates in poetic form the fallout from and precedent for the notorious cause célèbre of the Tarnac Nine--associated with the Invisible Committee, pseudonymous authors of *The Coming Insurrection*. It is his Anglo-American debut full-length, though as editor of the journal *Nioques*, he is well-known to American readers for, among other things, importing to France the work of some more daring poets from the U.S. Gleize's formulations of nudité and littéralité give some sense of his poetics, antithetical to the verse of flourish and ornament, but also to the performance of allusive depth and immanent ambiguity. Directness, detail, and documentation are keywords. In translation, TARNAC, A PREPARATORY ACT not only lends insight into radical aesthetic politics that characterize ongoing transatlantic--indeed global--intellectual affinities, but it introduces to American readers an inestimably important figure of French letters. About the translators: Bonnie Roy is a young scholar and poet specializing in contemporary work; Abigail Lang teaches at the Université Paris-Diderot where she is a scholar of modernist poetry, and a noted translator of English-language poetry into French; Joshua Clover has published two volumes of poetry, *Madonna anno domini* and *The Totality for Kids*. His poems have also appeared three times in *Best American Poetry*, and he has written two books of film and cultural criticism: *The Matrix* and *1989: Bob Dylan Didn't Have This to Sing About*. He teaches at the University of California, Davis. Can we situate an act of political autonomy in/as the provisional autonomy (surfaces) of a poem? // TARNAC, A PREPARATORY ACT riffs on/around a 2008 case against Julien Coupat, alleged leader of the Tarnac Nine, a putative 'anarchist' cell, who was accused of 'criminal conspiracy to commit a terrorist act.' // Jean-Marie Gleize considers the implication of an arrest for something 'preparatory, ' that is, something like speech. // Can a poem (a preliminary act) be insurrectionary?--Charles Bernstein

An expedition arrives on the planet Verfebro in search of the universe's greatest treasure: immortality.

*The Third Policeman* Penguin

Accomplished in his career but unaccomplished in love, a middle-aged architect is torn apart by his obsession with an enigmatic young woman in this delicately told story of desire and abjection by a

titan of Italian literature. Antonio Dorigo is a successful architect in Milan, nearing fifty, who has always been afraid of women. A regular at an upscale brothel for years, he mourns the lack of close female companionship in his life. One afternoon, the madam at the brothel introduces Tonio to "a new girl," Laide. Tonio sees nothing especially remarkable about her, though it intrigues him that she dances at La Scala and also at a strip club, and yet in a very short time he becomes completely obsessed with her. Laide leads Antonio on, confounds him, uses and humiliates him, treats him tenderly from time to time, lies to him, makes no apologies to him, and he loves her ever more. This helpless and hopeless love, he feels, is what he is, even as it prevents him from ever seeing Laide for who she is. Because Who is she? is the question at the heart of Buzzati's clear-eyed and darkly comic tale of infatuation. Is *A Love Affair* a love story or is it a story of anything but love? Buzzati's novel, with its psychological subtleties, vivid cityscapes, unsettling comedy, and compassion, keeps the reader guessing till the end.

*An Autobiographical Account by a Leading Sardinian Republican Politician of Resistance to Fascism in Sardinia from 1918-1930* Open Road Media

The Battlefield of the Mind Bible will help readers connect the truths of Joyce Meyer's all-time bestselling book, *Battlefield of the Mind*, to the Bible, and change their lives by changing their thinking. Worry, doubt, confusion, depression, anger, and feelings of condemnation. . .all these are attacks on the mind. If you struggle with negative thoughts, take heart! The Battlefield of the Mind Bible will help you win these all-important battles through clear, practical application of God's Word to your life. With notes, commentary, and previously unpublished insights by Joyce Meyer, this Bible is packed with features specifically designed for helping you deal with thousands of thoughts you have every day and focus your mind to think the way God thinks. Special Features Include: BOOK INTRODUCTIONS -- thoughts on the importance of each book and how it relates to the battlefield of the mind WINNING THE BATTLES OF THE MIND -- core teaching to help you apply specific biblical truths to winning the battle PRAYERS FOR VICTORY -- Scripture-based prayer to help you claim God's guarantee of winning PRAYERS TO RENEW YOUR MIND -- help for you to learn to think the way God thinks KEYS TO A VICTORIOUS LIFE -- practical truths for overcoming mental or emotional challenges POWER POINTS -- insight into how to think, speak, and live victoriously SPEAK GOD'S WORD--first-person Scripture confessions to train your mind for ultimate victory SCRIPTURES ON THOUGHTS AND WORDS -- more than 200 Bible passages that teach you how to think and speak in agreement with God's Word.

"The 40th anniversary edition of an Orbis classic-Francis of Assisi's spirituality and life explained in the inimitable voice of Carlo Carretto"--

*Comedy of Vanity & Life-terms* Commonwealth Secretariat

A cosa può arrivare un imbalsamatore frustrato dal proprio capo? E una vedova fervente sostenitrice della rivoluzione? Avete idea di cosa accada se assumete troppi sonniferi durante una sbronza? E come comportarsi dopo che per un giorno si è stati convinti di essere il treno delle 9 e 20 per Dublino? E sapete, qualora foste uno scrittore, cosa accade quando i vostri personaggi si ribellano? Sono questi alcuni degli enigmi che Flann O'Brien affronta in questa formidabile raccolta di racconti brevi, scritti in lingua inglese dall'autore che amava produrre in gaelico, e come il ventaglio di personaggi si spiega davanti ai nostri occhi, così gli pseudonimi più famosi di questo eclettico scrittore firmano le pungenti narrazioni. Quelli compresi sono i testi scritti da O'Brien nell'arco di più di trent'anni, dal 1934 al 1967, in una nuova, inedita traduzione e con due testi di approfondimento a cura del traduttore dei racconti, Francesco Laurenti, e di Enrico Terrinoni. Numero di caratteri: 155.240

*A Love Affair* Harvill Press

When *The Best of Myles* was published in 1968, it was hailed (by S. J. Perelman among others) as one of the supreme comic achievements of the English language. Now, in response to the clamorous demands of men of science and the arts, men of steam, of straw and of the law, comes *Further Cuttings from Cruiskeen Lawn*. Flann O'Brien adopted the name "Myles na Gopaleen" for the hilarious Cruiskeen Lawn column which he wrote for *The Irish Times* from 1940-1966. Whereas *The Best of Myles* covered the first five years of the column's life, this companion edition covers the period from 1947-1957. Here can be found the true transcripts of Myles's clashes with the law courts on charges of larceny, currency offenses, marrying without the consent of his parents, gang warfare, and using bad language; here too are bizarre obituaries, bores, banalities, jovialities and immoralities, and the return of the preposterous Brother. Also included is the first-ever Myles article. *Realism and Nationalism 1852-1871* MIT Press (MA)

Hailed by Terry Eagleton in the *Guardian* as "definitive," this is the only complete and authoritative edition of Antonio Gramsci's deeply personal and vivid prison letters.

**Narrative Discourse** Cornell University Press

In addition to his many remarkable paintings and drawings, Vincent van Gogh (1853-1890) left behind a fascinating and voluminous body of correspondence. This highly accessible book includes a broad selection of 265 letters, from a total of 820 in existence, that focus on Van Gogh's relentless quest to find his destiny, a search that led him to become an artist; the close bond with his brother Theo; his fraught relationship with his father; his innate yearning for recognition; and his great love of art and literature. The correspondence not only offers detailed insights into Van Gogh's complex inner life, but also re-creates the world in which he lived and the artistic avant-garde that was taking hold in Paris. The letters are accompanied by a general introduction, historic family photographs, and reproductions of 100 actual letters that contain sketches by Van Gogh. In sum, this book is the essential book on Van Gogh's letters, which every art and literature lover needs to own.

**The Exile** Samuel French, Inc.

Piersanti uses sharp detail and nuance to construct an everyday life. *Luisa and the Silence* is the

portrait of an ordinary person, distinctive neither in appearance nor in the depth of her thoughts. Avoiding any pretension to social criticism, Piersanti instead has created a daring novel where the main character simply is.

"I Give You My Body . . ." *New York Review of Books*

PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is dependent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream-fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

*Life And Death of Harriett Frean* Edwin Mellen Press

"'Comedy of Vanity, ' a dark satire on mass movements and narcissism, is a prophetic vision of fascism; in 'Life Terms' everybody in a new society is assigned the number of years he or she may

live. Canetti's plays provide a missing link in the European dramatic heritage."--Publisher's description.

*In the Hold* Scholarly Title

This book opens up a neglected chapter in the reception of Athenian drama, especially comedy; and it gives stage-centre to a particularly attractive and entertaining series of vase-paintings, which have been generally regarded as marginal curiosities. These are the so-called 'phlyax vases', nearly all painted in the Greek cities of South Italy in the period 400 to 360 BC. Up till now, they have been taken to reflect some kind of local folk-theatre, but Oliver Taplin, prompted especially by three that have only been published in the last twelve years, argues that most, if not all, reflect Athenian comedy of the sort represented by Aristophanes. This bold thesis opens up questions of the relation of tragedy as well as comedy to vase-painting, the cultural climate of the Greek cities in Italy, and the extent to which Athenians were aware of drama as a potential 'export'. It also enriches appreciation of many key aspects of Aristophanic comedy: its metatheatre and self-reference, its use of stage-action and stage-props, its unabashed indecency, and its polarised relationship, even rivalry, with tragedy. The book has assembled thirty-six photographs of vase-paintings. Many are printed here for the first time outside specialist publications that are not readily accessible.

*Pots & Plays* Doubleday Canada

Now in a brand-new edition, newly updated throughout, including new material from the author, 16 pages of Showcase television series tie-in photographs, and a gorgeous new cover and timed with the new season of *Outlander* on Showcase beginning April 2015. The *Outlandish Companion* is the comprehensive insider's guide to the first four books of Diana Gabaldon's bestselling series. New York Times bestselling author Diana Gabaldon takes readers behind the scenes in *The Outlandish Companion*, an encyclopedic look at the first four books of the *Outlander* series. Necessary reading for new fans just starting the series who need to catch up, long-time readers wanting to relive how it all began, and everyone in between, the companion is packed with character guides, plot synopses, an extensive Gaelic glossary, and more.

*Luisa and the Silence* Clarendon Press

Genette uses Proust's *Remembrance of Things Past* as a work to identify and name the basic constituents and techniques of narrative. Genette illustrates the examples by referring to other literary works. His systemic theory of narrative deals with the structure of fiction, including fictional devices that go unnoticed and whose implications fulfill the Western narrative tradition.

**Tonight We Improvise** Marlboro Press

From the bestselling author of *About a Boy*, *A Long Way Down* and *Dickens and Prince*, a wise and hilarious novel about love, heartbreak, and rock and roll. "I've always loved Nick Hornby, and the way he writes characters and the way he thinks. It's funny and heartbreaking all at the same time."—Zoë Kravitz Rob is a pop music junkie who runs his own semi-failing record store. His girlfriend, Laura, has just left him for the guy upstairs, and Rob is both miserable and relieved. After all, could he have spent his life with someone who has a bad record collection? Rob seeks refuge in the company of the offbeat clerks at his store, who endlessly review their top five films; top five Elvis Costello songs; top five episodes of *Cheers*. Rob tries dating a singer, but maybe it's just that he's always wanted to sleep with someone who has a record contract. Then he sees Laura again. And Rob begins to think that life with kids, marriage, barbecues, and soft rock CDs might not be so bad.

**Forty-four Scotland Street** Penguin

For writers looking to make sure their next physical interlude on the page inspires readers to share the moment rather than to laugh at it, bestselling author Diana Gabaldon divulges the writing secrets behind the sex scenes in her wildly popular *Outlander* novels. "Ask me to your bed," he said. "I shall come to ye." In this revealing compendium, acclaimed writer Diana Gabaldon shares her invaluable lessons for creating an immersive reading experience, from evoking a mood to using the power of emotions to communicate physical intimacy. You'll learn the difference between gratuitous sex and genuine encounters that move the story forward, and how to handle less-than-savory acts that nevertheless serve a narrative purpose. Gabaldon also notes that sex can be conveyed instead of described. With such tips as "The Rule of Three" for involving the senses, handy lists of naughty euphemisms (with instructions for use), and Gabaldon's own examples from the *Outlander* novels, "I Give You My Body . . ." is a master class in writing to draw readers in and keep them riveted to the page.

**Million Dollar Fake** Underland Press

This interdisciplinary study opens up a fascinating interaction between art and theater. It shows how the mythological vase-paintings of fourth-century B.C. Greeks, especially those settled in southern Italy, are more meaningful for those who had seen the myths enacted in the popular new medium of tragedy. Of some 300 relevant vases, 109 are reproduced and accompanied by a picture-by-picture discussion. This book supplies a rich and unprecedented resource from a neglected treasury of painting.
