A Conspiracy in Belgravia SAMPI Books

This first book in a feminist space opera duology follows seven resistance fighters who will free the galaxy from the ruthless Tholosian Empire--or die trying. When Eris faked her death, she thought she had left her old life as the heir to the galaxy's most ruthless empire behind. But her recruitment by the Novantaen Resistance, an organization opposed to the empire's voracious expansion, throws her right back into the fray. Eris has been assigned a new mission: to infiltrate a spaceship ferrying deadly

cargo and return the intelligence gathered to the Resistance. But her partner for the mission, mechanic and hotshot pilot Cloelia, bears an old grudge against Eris, making an already difficult infiltration even more complicated. When they find the ship, they discover more than they bargained for: three fugitives with firsthand knowledge of the corrupt empire's inner workings. Together, these women possess the knowledge and capabilities to bring the empire to its knees. But the clock is ticking: the new heir to the empire plans to disrupt a peace summit with the only remaining alien empire, ensuring the empire's continued expansion. If they can find a way to stop him, they will save the galaxy. If they can't, millions may die.

The Further Adventures of Sherlock Holmes: The Scroll of the Dead Titan Books (US, CA)

The stunning new novel from the New York Times bestselling author of *The Age of Odin*, in which the worlds of Arthur Conan Doyle and H.P. Lovecraft collide. It is the autumn of 1910, and for fifteen long years Sherlock Holmes and Dr John Watson have battled R'Iluhloig, the Hidden Mind that was once Professor James Moriarty. Europe is creeping inexorably towards war, and a more cosmic conflict is nearing its zenith, as in a single night all the most eminent members of the Diogenes Club die horribly, seemingly by their own hands. Holmes suspects it is the handiwork of a German spy working for R'Iluhloig, but his search for vengeance costs an old

friend his life. The companions retreat to Holmes's farm on the Sussex Downs, and it is not long before a client comes calling. Three young women have disappeared from the nearby town of Newford, and the locals have no doubt who is responsible. For legend has it that strange amphibious creatures dwell in a city on the seabed, coming ashore every few centuries to take fresh captives. As Holmes and Watson seek out the terrifying interlopers, the scene is set for the final battle that will bring them face to face with the Sussex Sea-Devils, and perhaps with Cthulhu himself...

Warlock Holmes: The Hell-Hound of the Baskervilles HarperCollins UK

"A Case of Identity" is a classic Sherlock Holmes mystery by Arthur Conan Doyle. Miss Mary Sutherland seeks Holmes'

help to find her missing fiancé, Mr. Hosmer Angel, who disappeared under mysterious circumstances. As Holmes investigates, he uncovers a web of deceit and familial intrigue that reveals unexpected truths.

Sherlock Holmes in Cornwall

HarperCollins UK

Holmes' much-needed spa vacation in Cornwall is cut short when a bizarre case crops up, prompting the famed detective and his assistant Watson to get involved. Although the strange tragedy that befalls a local family is initially blamed upon the Devil himself, Holmes' clever sleuthing proves that the true perpetrator was all too human.

Sherlock Holmes: The Patchwork Devil
Thomas Nelson

"Compulsively readable."—New York Times Book Review From Stuart Turton, author of *The 7 1/2 Deaths of Evelyn Hardcastle*, comes an extraordinary new locked-room murder mystery. A murder on the high seas. A remarkable detective duo. A demon who may or may not exist. It's 1634, and Samuel Pippis, the world's greatest detective, is being transported to Amsterdam to be executed for a crime he may, or may not, have committed. Traveling with him is his loyal bodyguard, Arent Hayes, who is

determined to prove his friend innocent. Among the other guests is Sara Wessel, a noblewoman with a secret. But no sooner is their ship out to sea than devilry begins to blight the voyage. A strange symbol appears on the sail. A dead leper stalks the decks. Livestock dies in the night. And then the passengers hear a terrible voice, whispering to them in the darkness, promising three unholy miracles, followed by a slaughter. First an impossible pursuit. Second an impossible theft. And third an impossible murder. Could a demon be responsible for their misfortunes? With Pippis imprisoned, only Arent and Sara can solve a mystery that stretches back into their past and now threatens to sink the ship, killing everybody on board. Shirley Jackson

meets Sherlock Holmes in this chilling thriller of supernatural horror, occult suspicion, and paranormal mystery on the high seas.

Holmes and Watson have been handed the challenge of solving the London Tarot Killings. It is a shadowy episode equaling any dark conspiracy ever committed in the ancient city. Some fiend is brutally murdering random people in Lower Havering and pinning cards from the Italian deck on their faces. The string of murders seems to have some connection to the strange, unsolved slaying of the renowned solicitor Richard Corkright in his cozy, secure Merton office. At the request of the police, Holmes and his faithful chronicler begin an investigation. But unraveling the treacherous scheme of the sinister Tarot Master proves to be no simple task. As the two dauntless men

pursue the case, they begin to piece together a vast plot stretching from London's lofty perches of wealth and privilege all the way down to its seedy backstreets and byways. In the course of resolving this intricate mystery, the Great Detective and his devoted assistant will deal with ritual murder and remorse-driven suicide, confront shady characters both clever and dangerous, uncover dark secrets of affluent society, and face at every turn the violent wrath of a ruthless, diabolical genius.

Seven Devils DigiCat

The latest entry in Laurie R. King and Leslie S. Klinger's popular Sherlock Holmes-inspired mystery series, featuring fifteen talented authors and a multitude of new cases for Arthur Conan Doyle's most acclaimed detective.

Sherlock Holmes has not only captivated readers for more than a century and a quarter, he has fascinated writers as well. Almost immediately, the detective's genius, mastery, and heroism became the standard by which other creators measured their creations, and the friendship between Holmes and Dr. Watson served as a brilliant model for those who followed Doyle. Not only did the Holmes tales influence the mystery genre but also tales of science-fiction, adventure, and the supernatural. It is little wonder, then, that when the renowned Sherlockians Laurie R. King and Leslie S. Klinger invited their writer-friends and colleagues to be inspired by the Holmes canon, a cornucopia of stories sprang forth, with more than sixty of the greatest modern writers

participating in four acclaimed anthologies. Now, King and Klinger have invited another fifteen masters to become In League with Sherlock Holmes. The contributors to the pair's next volume, due out in December 2020, include award-winning authors of horror, thrillers, mysteries, westerns, and science-fiction, all bound together in admiration and affection for the original stories. Past tales have spanned the Victorian era, World War I, World War II, the post-war era, and contemporary America and England. They have featured familiar figures from literature and history, children, master sleuths, official police, unassuming amateurs, unlikely protagonists, even ghosts and robots. Some were new tales about Holmes and Watson; others were about

people from Holmes's world or admirers of Holmes and his methods. The resulting stories are funny, haunting, thrilling, and surprising. All are unforgettable. The new collection promises more of the same!

The Hound of the Baskervilles is the third of the four crime novels written by Sir Arthur Conan Doyle featuring the detective Sherlock Holmes. Originally serialised in The Strand Magazine from August 1901 to April 1902, it is set largely on Dartmoor in Devon in England's West Country and tells the story of an attempted murder inspired by the legend of a fearsome, diabolical hound of supernatural origin. Sherlock Holmes and his companion Dr. Watson

investigate the case. This was the first appearance of Holmes since his apparent death in "The Final Problem", and the success of The Hound of the Baskervilles led to the character's eventual revival

Sherlock Holmes and the Sussex Sea-Devils HarperCollins UK

The game's afoot once more as the long-suffering Dr. John Watson and a partially-decomposed Warlock Holmes (though

he's getting better) face off against Moriarty's gang, the Pinkertons, flesh-eating horses, a parliament of imps, boredom, Surrey, a succubus, an overly-Canadian aristocrat, a tricycle-fight to the death and the dreaded Pumpcrow. Oh, and a hell-hound, one assumes.

The aristocratic Charles Bromley arrives at 221B Baker Street to beg SHERLOCK HOLMES for his help. Bromley believes that his wife is in danger, as she has refused an offer to sell the Moonstone, a fabulous diamond that has been in her family for generations but which is said to be cursed. When a jeweller is found murdered, it seems as if the Moonstone deserves its reputation. Then the diamond is stolen, and Holmes must try

to unravel a mystery centuries in the making.

John McFarlane, a young solicitor, got himself in a mess which could cost him his future. He is afraid that he is about to be arrested for the murder of Jonas Oldacre, a builder who he met a day earlier. The only option McFarlane sees is to get to Holmes and Watson fastest possible before the police find him. Just

as John manages to explain his situation to the two friends, the police burst in the room and arrest him. Is John's life doomed to failure or Holmes and Watson will save the day? "The Adventure of the Norwood Builder" is a part of "The Return of Sherlock Holmes". Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh. After his studies, he worked as a ship's surgeon on various boats. During the Second Boer War, he was an army doctor in South Africa. When he came back to the United Kingdom, he opened his own practice and started writing crime books. He is best known for his thrilling stories about the adventures of Sherlock Holmes. He published four novels and more than 50 short-stories starring the

detective and Dr Watson, and they play an important role in the history of crime fiction. Other than the Sherlock Holmes series, Doyle wrote around thirty more books, in genres such as science-fiction, fantasy, historical novels, but also poetry, plays, and non-fiction.
