Kate Independently Published
INSTANT INTERNATIONAL BESTSELLER *
NEW YORK TIMES BESTSELLER * #1
SUNDAY TIMES BESTSELLER The first,
epic and true story of the Duke and
Duchess of Sussex's life together, finally
revealing why they chose to pursue a
more independent path and the reasons
behind their unprecedented decision to
step away from their royal lives, from

two top royal reporters who have been behind the scenes since the couple first met. Finding Freedom is complete with full color photographs from Harry and Meghan's courtship, wedding, Archie's milestones, and many more unforgettable moments. When news of the budding romance between a beloved English prince and an American actress broke, it captured the world's attention and sparked an international media frenzy. But while the Duke and Duchess of Sussex have continued to make headlines—from their engagement,

wedding, and birth of their son Archie to their unprecedented decision to step back from their royal lives—few know the true story of Harry and Meghan. For the very first time, *Finding Freedom* goes beyond the headlines to reveal unknown details of Harry and Meghan's life together, dispelling the many rumors and misconceptions that plague the couple on both sides of the pond. As members of the select group of reporters that cover the British Royal Family and their engagements, Omid Scobie and Carolyn Durand have witnessed the young couple's lives as few outsiders can. With unique access and written with the participation of those closest to the couple, *Finding Freedom* is an honest, up-close, and disarming portrait of a confident, influential, and forward-

thinking couple who are unafraid to break with tradition, determined to create a new path away from the spotlight, and dedicated to building a humanitarian legacy that will make a profound difference in the world.

The Making of a Royal Romance Kings Road Publishing

The story of Princess Kate, or as she is officially known, Catherine, Duchess of Cambridge is a true fairy tale: A solid upper middle-class upbringing in the UK to college girlfriend to princess bride to royal mom. And though it seems like the stuff that dreams are made of, it's actually a formidable job, and Kate has proven herself to be an intelligent and deft navigator of her roles as royal wife, mother, figurehead, and advocate. In this all-new special edition from People,

with over 180 photographs, Kate's evolution from middle-class young woman to modern princess-mom is traced from her early days as Prince William's girlfriend to the heady days of "will they or won't they?," the engagement and wedding that captivated the world, and the birth of two adorable children who Kate and William are dedicated to raising with as much privacy as possible - at least for their early years. Also included are some of Kate's best looks, how Kate and William keep their marriage strong, her warm relationship with Queen Elizabeth, and much more. For any royal watcher, or anyone who believes that dreams can come true, Prince Kate: Royal Mom, Future Queen is required reading!

Battle of Brothers HarperCollins

Meghan Markle, Duchess of Sussex, made history when she married Prince Harry in a genuine love match, as the first divorced, bi-racial American woman to be welcomed into the British royal family. But for centuries it was accepted that princes married virginal aristocrats for dynastic reasons (and often the large dowries of their brides) and few arranged royal marriages were happy. Most kings and princes took mistresses - or, in the case of Edward II and James I, male lovers. Royal wives were used as baby factories and if found to be unfaithful could be beheaded or have the lover murdered. Prince George of Wales (later George IV) married for money but found his bride, Princess Caroline of Brunswick, physically repulsive, and his marriage became the

first War of the Wales. This fascinating book is now able to tell the full story of the second War of the Wales - the tragic mismatch of Prince Charles and Princess Diana which ended in 'Camillagate' and divorce. Now, decades later, the Queen has relaxed the ancient rules, allowing Prince Charles to marry his mistress and the Queen's grandsons, William and Harry to marry for love, in a significant change in royal history.

Meghan Markle and Kate Middleton

Lerner Publications

With the world watching, Prince George Alexander Louis of Cambridge, third in line of succession to the throne, was born on 22nd July 2013. The next day, his proud parents stepped out of St Mary's hospital, London, to present their baby to the excited crowds. From the

beginning, the world had watched with bated breath as the charming prince and his future bride overcame the struggles of university, rumours and a brief break-up before finally reconciling and becoming engaged. The royal wedding in 2011 - watched by an incredible estimated 2 billion people worldwide - was a defining moment, not only in their young lives, but also for the perception of the monarchy. When the Palace announced the Duchess's much-anticipated pregnancy in 2012, a public frenzy surrounded the arrival of the heir to the throne. Now that the Duke has left the military to focus on his royal duties and charity work, there is already speculation as to whether George will follow in his father's footsteps, with a passion for wildlife and conservation.

Packed with expert analysis and exclusive photographs, this is an essential read for royalists and romantics alike.

Prince William & Kate PowerKids Press
Prince William and Kate Middleton defied all odds to forge a storybook romance amid the scandals, power struggles, tragedies, and general dysfunction that are the hallmarks of Britain's Royal Family.

the forces, his engagement to Kate and more, it also looks at Miss Middleton's background and is full of interesting facts about their lives. Containing many colour pictures, this royal mini biography has been specially formatted for today's e-readers and is written by top-selling celebrity biographer Chris Peacock.
Finding Sarah Greenhaven Publishing LLC

An eBook-only edition of the UK instant bestselling biography of Britain's newest princess Kate Middleton—from her childhood to the royal wedding. Kate is the definitive biography of Britain's newest princess. Bestselling author Sean Smith has retraced the steps of Kate's journey, from her childhood in rural Berkshire and her unhappy time as a victim of school bullies, to her

transformation from a plain, gangly girl into the beauty she is today. He reveals the true story of how the romance with William blossomed at St Andrews University and, later, how they managed to survive as a couple after the relationship hit the rocks in 2007. Smith examines Kate's time spent as a royal apprentice and her evolving role as an ambassador for British fashion. The story ends in Westminster Abbey where Kate and William married, describing all the glamor and spectacle of their big day, and the event of the decade.

William and Kate The Rosen Publishing Group, Inc

William and Harry was an overnight sensation when it was published a week before Prince William and Kate Middleton's engagement announcement

in November 2010. Now the author, a royal insider and the royal correspondent for The Daily Mail, has updated and added crucial material that completes the story of the fairytale romance. In addition to providing fascinating insight into the lives and loves of two young men who are very much in the public spotlight worldwide, this updated version now becomes the definitive book that brings their story—and that of Kate Middleton, the future Queen Catherine—up to date. With a new preface, an epilogue, and two new chapters, the author now fully reveals the secret marriage pact that William and Kate have had for several years, dispelling the notion that Kate Middleton has been “Waity Katie.” It paints a portrait of Kate by looking back

at her family and childhood, her close friends and former boyfriends, and her ever-present devotion to the love of her life, Prince William. It reveals the domestic life that the two have been living in Wales, and provides a look at what the future holds for their new commitment. The epilogue focuses on the wedding preparations. The book will be the most authoritative and entertaining guide to the royal family's most widely anticipated public event since the wedding of Lady Diana Spencer and Prince Charles.

Brothers and Wives Weinstein Books

MEGHAN MARKLE AND KATE

MIDDLETON: The Wives of Windsor - 2

Books in 1 Featuring... *Meghan

Markle*Kate Middleton 2 Great Books in

1! Meghan Markle In 2017, American

cable television actress Meghan Markle

topped Google's annual list of the most searched actors of the year. This would be her second year in a row. She bested, for example, the likes of box office record-breaking Wonder Woman, Gal Gadot, and the living legend herself, multiple Academy Award winner Meryl Streep. Compared to these two names, Ms. Markle's acting resume is thin. As a matter of fact, for many people, she seemed to have come out of nowhere. Only a handful of things can propel a person from relative obscurity to a name in lights. Even little girls all over the world would know the answer to this - a dashing Prince Charming must have found his Cinderella against all odds. They will marry in a beautiful, lavish ceremony before an adoring public and live happily ever after. Kate Middleton In

the lead up to the 20th anniversary of his mother's death, Prince Harry - brother in law to Kate Middleton - made some interesting observations about the monarchy. He firstly said that the younger generation of royals feels that it is their role to modernize the monarchy. In so doing, these royals believe, they will maintain it's popularity and sustain it's role for doing good. They consider that, by bringing the House of Windsor into line with 21st century thinking, attitudes and lifestyles, they will enhance their own standing. In extending the idea of duty and responsibility to Great Britain, to the Commonwealth and, where possible, the world, he recognized that one day one of the young royals would be monarch themselves. It was just that, none of

them wanted to do it. They knew that they would have to, but just as hoovering the sitting room or putting out the bins has to be done but is not much fun, it is a necessary but unappealing job. We can wonder whether this thought was anywhere in the mind of Kate Middleton, Berkshire lass, when she agreed to marry Prince William? And one day become his queen.

Prince William and Kate Middleton defied all odds to forge a storybook romance amid the scandals, power struggles, tragedies, and general dysfunction that are the hallmarks of Britain's Royal Family.

William and Harry Bluewater

Productions

Delivers the story of Kate Middleton's early life, first romances and love with Prince William.

Kate Time Home Entertainment

Following the royal wedding, the Diamond Jubilee and the birth of Kate and William's first baby, popular sentiment towards the royal family has rarely been higher. At the centre of this surge in affection is a woman who has captured the heart of a nation and who, at the side of her husband, Prince William, is ushering in a new dawn for the United Kingdom's reigning family. For, due to planned amendments to the rules of accession to the British Crown, their first child, regardless of gender, will succeed William to the throne. This biography explores the life of the woman

who has done so much to revitalize the public image of the royal family, covering her early years, her family, her time at St Andrews University and her meeting with Prince William, their early relationship and its trials, the wedding and her new official role, her style, and, of course, her pregnancy. Besides being the perfect book for admirers of this remarkable young woman, *Kate: A Biography* marks a crucial moment in the history of the royal line.

The New Royal Family - Prince George, William and Kate: The Next Generation Whitman Pub Llc

Kate Middleton, now Catherine, Duchess of Cambridge, is today's princess. She is a role model, wife and mother of a future king, and she's a style icon. Here readers get a close-up view of Kate Middleton -

from her school days to her wedding to the future king - with interesting facts, fun trivia and quotes.

William and Kate Time Inc. Books

On April 29, 2011, the whole world watched as Prince William of Wales and Kate Middleton exchanged marriage vows. This royal wedding was one of the most anticipated events in England in recent years. Ever since the couple officially announced their engagement in November 2010, every detail of the wedding has captured headlines around the globe. Why all the excitement? William is second in line to become Britain's king. William Arthur Philip Louis of Wales is the firstborn child of Charles and Diana, Prince and Princess of Wales. And through marriage to William, Catherine Elizabeth Middleton—known

as Kate—turned from a commoner into a princess. If William becomes king one day, Kate will be the Queen Consort.

Follow the couple's royal romance from their first meeting at the University of St. Andrews, through the ups and downs of their relationship, to the romantic wedding ceremony at London's Westminster Abbey.

From attending events to traveling with guards, readers will discover what it's like to represent a royal family as a princess! Features include a table of contents, maps, "Did You Know" fun facts, a "Snapshot" page with vital information, a glossary with phonetic spellings, and an index. Big Buddy Books is an imprint of ABDO Publishing Company.

The New Royal Family - Prince George, William and Kate: The Next Generation Simon and Schuster

This compelling volume focuses on the life of Prince William and Duchess Kate. The book begins by delving into both Will and Kate's childhoods. It then moves into their college years where they met and

became a couple and eventually engaged. The book ends with their marriage, the birth of Prince George, and settling into their royal duties as the future king and queen of England.

Kate Middleton Kings Road Publishing Catherine, Duchess of Cambridge, was born in Berkshire, England, to a middle-class family. She had no aspirations to be royalty. Now married to Prince William, Duke of Cambridge, [Kate] is a mother, an activist, and a style icon. Young readers will learn about her early life in England, the issues that are important to her, and how she became the subject of a modern-day fairy tale. Easy-to-follow text is supported by full-color photos and quotes from the duchess herself. A Words to Know section helps readers learn new

vocabulary, while Further Reading encourages deeper learning.

Kate Simon and Schuster

An inspirational memoir from New York Times bestselling author Sarah Ferguson, Duchess of York, who, after hitting rock bottom, gathered the strength to put her life back together. More than a year ago my life was so off course that I wondered whether I would ever be able to find my way back. I was broken and lost, not even sure where I was, but out of this emotional barrenness I knew I had to find me. And so, I took a journey to find myself and begin the process of healing all the broken places. Finding Sarah is the story of that journey. So begins this extraordinarily personal memoir by Sarah Ferguson, The Duchess of York.

She knows, firsthand, what it means to feel lost and she also knows that it is never too late to find your way back, to attain your goal, to take back control of your life and to make a special dream come true. Through intimate diary excerpts and personal emails from friends and family, Sarah opens herself unsparingly. On every page of this book you will hear from her “real-life angels”—Dr. Phil McGraw, Suze Orman, Martha Beck, and many more—as they help her get to the root of her problems, from comfort eating to self-loathing, from reckless overspending to notorious mishaps. Sarah hopes that her experiences will inspire you to look closely at your own life and how you wish to improve it, then encourage you to follow your instincts and find your true

path. Sarah Ferguson did, and so can you.
