, his coaches,  
industry  
people,  
tournament  
officials, etc.

Rios possessed the wondrous talent which could have won ten Grand Slams - according to Marat Safin, and a maverick personality which fascinated, bewildered and awed the tennis world from 1994 to 2003. In this book you will learn many insights and anecdotes about Rios and his unparalleled experience on the professional tennis circuit, such as the time he

punched out a fan at a Miami restaurant, the time a woman left his hotel room screaming, how his spectacular skills could make even a top ten player feel like a novice on the court. All hardcore tennis fans will greatly enjoy this book.

The Accidental Zillionaire  
Virgin Books Limited  
New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly

made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

**Pete Sampras:**

## Greatness Revisited

Bloomsbury Publishing USA

The first in-depth look at one of the world's richest-and most secretive-businessmen. Though his wealth is certainly no secret, the world's fourth richest man remains an enigma. Paul Allen made his fortune as Bill Gates's partner in Microsoft, supplemented it with questionable, though often profitable, venture

capital schemes, and has since invested his wealth in a widely divergent list of interests. He owns the NBA's Portland Trailblazers and the NFL's Seattle Seahawks. Among hundreds of smaller ventures, he is a primary stakeholder in the film production company DreamWorks SKG and formerly held a large piece of the widely despised Ticketmaster monopoly. Dubbed the

"Accidental Zillionaire" by Wired magazine, Allen has often appeared to be a bumbler who succeeded primarily through luck and by coopting the visionary ideas of others. In *The Accidental Zillionaire*, Laura Rich, one of the foremost chroniclers of the Internet economy, unravels the secret Paul Allen, his inner motivations, his vision, and his personality.

She tells Allen's story from his days as a fledgling computer geek in suburban Washington state, to his role in founding the world's largest software company, to his battle with cancer, to his sycophantic flirtation with Hollywood and its brightest stars. Paul Allen is a man of various interests and passions, but few if any know him well. The Accidental Zillionaire for the first time reveals the

inner workings of a towering figure in the worlds of technology, business, sports, and entertainment . Laura Rich (Los Angeles, CA) is a former writer for The Industry Standard, Adweek, and Inside Media. She currently covers the world of digital entertainment for Entertainment Weekly, Fortune, and The Hollywood Reporter. She penned The Standard's popular "Rich List" report

and has reported on Paul Allen for years.

### **Monica Seles**

HarperCollins Leadership  
In this career biography of Sampras, the author recaptures the magic of the man, recalling the supreme hold he had on his era, bringing this isngularly gifted player vividly back to life.

[Understanding Rivalry and Its Influence on Sports Fans](#)

HarperCollins Publishers  
An exploration of the glory and the gossip of the

women's professional tennis circuit - big money, overbearing coaches and fathers, lesbianism, sponsorships, corruption, and the sheer excitement of competing. The book was short-listed for the 1993 William Hill Sports Book of the Year Award. Bloomsbury Publishing USA This New York Times hardcover bestseller is a remarkable journey through fame, tragedy, self-discovery, and

triumph Getting a Grip chronicles Monica Seles's early success on the tennis circuit where, at age sixteen, she became the youngest winner in French Open history. For three years she dominated the tour, seemingly unstoppable, until a deranged Steffi Graf fan plunged a knife into her back during a match in Hamburg and turned her life upside down. Her injuries healed but the

emotional trauma was deep. She spent more than two years in seclusion from the media and the tennis world, trying to fight off the fog of despair until she continued the battle against herself- grueling six-hour workouts were sabotaged by secretive late-night binges- and she was assaulted with criticism about her weight from her trainers and, most brutally, the press. After an excruciating

injury forced her to take time off from tennis in 2003, Seles embarked on her own journey. As she uncovered the painful emotional reasons that had been the trigger for her binge-eating, she finally found the peace and balance she had been searching for. Seles's determination, amazing talent, and touching vulnerability make her story truly inspiring.

**The Only Way to Win**

John Maguire  
A biography of Steffi Graf. Her talent and determination have taken Graf from child prodigy to a Grand Slam and the number one position in women's tennis. Despite the focus of international media, she has remained an enigmatic figure. This book looks at both her private and public persona.

Getting a Grip  
IGI Global  
Follows the life of the tennis star who became

the youngest winner of a Grand Slam title in over 100 years, from her childhood in Yugoslavia through the traumatic attack during at a match in Germany in 1993 to her comeback in 1995.

for a successful life. If these well-intentioned promises are true, why does winning never seem to be enough? In *The Only Way to Win*, Jim Loehr draws upon two decades of work with Fortune 500 executives; world-class athletes such as Monica Seles, Dan Jansen, and Eric Lindros; and other high achievers at the Human Performance Institute (HPI) to reveal surprising insights about achievement

motivation. Specifically, Loehr finds that the blind pursuit of external achievement often results in emptiness, addiction, and, ironically, poor performance. It's not really about what you achieve, he argues, it's about who you become as a consequence of the chase. From the bestselling author of *On Form*, comes a compelling, practical, and hopeful read filled with relatable stories and useful

exercises. *The Only Way to Win* will serve as a powerful wake-up call for business leaders, employees, teachers, and coaches. It will also provide inspiration for readers looking to perform better, achieve more, and change both their own lives and those of the people they influence. *Monica Seles* Lerner Publishing Group  
A biography of the Yugoslavian tennis star, who won a

Grand Slam title in 1989, and whose career was interrupted by a traumatic attack in which she was stabbed at a match in Germany in 1993.

**Marcelo Rios**

Bloomsbury Publishing USA  
Get tested and proven advice on how to navigate risk and succeed in all phases of business ownership from a successful entrepreneur who turned a small startup into a billion-dollar

company. Self-made billionaire and Paychex founder Tom Golisano understands the fears, risks, and challenges small-business owners face every day. He has launched and grown his own highly successful business and mentored dozens of entrepreneurs, helping them build their own fruitful companies. Golisano knows how nervous aspiring business owners are about the

risks of entrepreneurs hip. Now, he's sharing the startup-to-exit secrets to success and how he turned \$3,000 into \$28 billion dollars. Built, Not Born shows you: How going against the grain can be a great strategy for finding business opportunities and why it pays to question conventional wisdom. Why the pregnant pause can be an effective weapon in negotiations and when interviewing

potential employees. Why a prenuptial or even a postnuptial agreement is critical to any business owner. What potential buyers and funding sources look for, and the best way to present a business plan. And finally, the key growth and leadership strategies that have helped Paychex sustain its incredible level of growth and profitability. Built, Not Born provides a

direct and practical approach on how to overcome everyday challenges. This essential handbook is a key resource for current and aspiring entrepreneurs on how to start, grow, and operate a successful business. **Monica Seles** eBookIt.com "This reference work covers the careers of 35 champions who made significant contributions to the sport both on and off the court. The book

features photos, statistics and records of each player"-- Provided by publisher. *Ladies of the Court* Saint Martin's Paperbacks While rivalries are a key aspect of the sports world, they are not well understood. It is essential to study how rivalries influence fan behavior in order to predict and identify their effect on social interaction, consumer behavior, and the

entertainment industry. Understanding Rivalry and Its Influence on Sports Fans is an essential reference source that discusses what causes and influences rivalry, as well as how it impacts sport fans. Featuring research on topics such as bracketed morality, competitive sports, and social identity, this book is ideally designed for academics, students, and researchers studying the rivalry

phenomenon across such disciplines as psychology, sociology, political science, sport and entertainment , consumer behavior, and marketing. **The Academy: Game On** Henry Holt and Company Controversial coach looks at the inner world of professional tennis. His relationships with players Andre Agassi, Monica Seles, Jim Courier, and Boris Becker among others. *My Aces, My*

*Faults* Turtleback Follows the life of the tennis star who became the youngest winner of a Grand Slam title in over 100 years, from her childhood in Yugoslavia to her comeback in 1995. *Harsh Justice* Bloomsbury Publishing USA Welcome to this series of Short Talking Books.
