KARLEE SKYLAR

The Publisher Macmillan

The New York Times bestseller and basis for the Tony-winning hit musical, soon to be a major motion picture starring Cynthia Erivo and Ariana Grande With millions of copies in print around the world, Gregory Maguire's *Wicked* is established not only as a commentary on our time but as a novel to revisit for years to come. *Wicked* relishes the inspired inventions of L. Frank

Baum's 1900 novel, *The Wonderful Wizard of Oz*, while playing sleight of hand with our collective memories of the 1939 MGM film starring Margaret Hamilton (and Judy Garland). In this fast-paced, fantastically real, and supremely entertaining novel, Maguire has populated the largely unknown world of Oz with the power of his own imagination. Years before Dorothy and her dog crash-land, another little girl makes her presence known in Oz. This girl, Elphaba, is born with emerald-green skin—no easy burden in a land as mean and poor as Oz, where superstition and

magic are not strong enough to explain or overcome the natural disasters of flood and famine. Still, Elphaba is smart, and by the time she enters Shiz University, she becomes a member of a charmed circle of Oz's most promising young citizens. But Elphaba's Oz is no utopia. The Wizard's secret police are everywhere. Animals—those creatures with voices, souls, and minds—are threatened with exile. Young Elphaba, green and wild and misunderstood, is determined to protect the Animals—even if it means combating the mysterious Wizard, even if it means

risking her single chance at romance. Ever wiser in guilt and sorrow, she can find herself grateful when the world declares her a witch. And she can even make herself glad for that young girl from Kansas. Recognized as an iconoclastic tour de force on its initial publication, the novel has inspired the blockbuster musical of the same name—one of the longest-running plays in Broadway history. Popular, indeed. But while the novel's distant cousins hail from the traditions of magical realism, mythopoeic fantasy, and sprawling nineteenth-century sagas of moral urgency, Maguire's *Wicked* is as unique as its green-skinned witch. Cryptid Cinema Algonquin Books

New York Times bestselling author Yasmine Galenorn invites readers to *Whisper Hollow*, where spirits walk among the living and the lake never gives up her dead... Fifteen years ago, I ran away from *Whisper Hollow*, Washington, a small town on Lake Crescent in the Olympic Peninsula. But truth is, if you were born here, you can never really leave. I'm Kerris Fellwater, and I'm a spirit shaman. It's my responsibility to drive the dead back to their graves, because around *Whisper*

Hollow, people—and secrets—don't always stay buried. My best friend Peggin finds herself under a curse after she is almost taken by the Lady of the Lake, and the Unliving are determined to drag her back to the hungry waters. As Bryan—my guardian and mate—and I work to break the hex, we uncover a dark and violent mystery from the past. One the Hounds of Cú Chulainn will do anything to guard—even if they must summon a legion of the dead to destroy *Whisper Hollow*. From the Paperback edition. *Luxury Arts of the Renaissance* Harvard University Press

FINALIST FOR THE CENTER FOR FICTION'S FIRST NOVEL PRIZE "Cain's small but mighty novel reads like a ghost story and packs the punch of a feminist classic." —The New York Times Book Review A haunted feminist fable, *Amina Cain's Indelicacy* is the story of a woman navigating between gender and class roles to empower herself and fulfill her dreams. In "a strangely ageless world somewhere between Emily Dickinson and David Lynch" (Blake Butler), a cleaning woman at a museum of art nurtures aspirations to do more than simply dust the paintings

around her. She dreams of having the liberty to explore them in writing, and so must find a way to win herself the time and security to use her mind. She escapes her lot by marrying a rich man, but having gained a husband, a house, high society, and a maid, she finds that her new life of privilege is no less constrained. Not only has she taken up different forms of time-consuming labor—social and erotic—but she is now, however passively, forcing other women to clean up after her. Perhaps another and more drastic solution is necessary? Reminiscent of a lost Victorian classic in miniature, yet taking equal inspiration from such modern authors as Jean Rhys, Octavia Butler, Clarice Lispector, and Jean Genet, *Amina Cain's Indelicacy* is at once a ghost story without a ghost, a fable without a moral, and a down-to-earth investigation of the barriers faced by women in both life and literature. It is a novel about seeing, class, desire, anxiety, pleasure, friendship, and the battle to find one's true calling. *Sister Wendy's 1000 Masterpieces* Rizzoli Publications

Lady Sophia D'Artiers plays a dangerous game of deception that pits her against

the most unlikely of adversaries, her betrothed, Giles Corliss.

La Belle Créole Simon and Schuster

Modern maximalist designer Philip Mitchell reveals his talent for blending collections, family heirlooms, contemporary art, and accessories in visually creative environments that are brimming with personality, color, authenticity, and warmth. The elegant, clean classicism of Philip Mitchell's style is on full display in these homes, where he masterfully incorporates a wide-ranging mix of antiques, vintage collectibles, and contemporary pieces—everything from inherited furniture collections to modern art—in rooms that are filled with memories and warmth. As a master of what he calls modern maximalism, Mitchell embraces the challenge of taking wonderful things that a homeowner already has and making more of them. Once Mitchell has established a connecting thread among a variety of disparate pieces—whether through finish, material, scale, color, texture, or line—he starts the process of building the relationships that bring a space to life. Brilliant photographs take readers on in-depth tours of nine homes,

ranging from an elegant Upper East Side pied-à-terre to a classic cottage on the water in Nova Scotia. Mitchell's personal narrative in elegant text enlightens, while his takeaways accompanying each home help readers understand how to blend new and old, mix colors and patterns, and fill a home with an eclectic mix that is truly their own.

The Arcades Project Celadon Books

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

Indelicacy Chronicle Books

Inspired by "The Little Mermaid," Coral explores what it means to be human in a world where humanity often seems lost. Coral has always been different, standing out from her mermaid sisters in a society where blending in is key. She fears she has been afflicted with the dreaded Disease said to be carried by humans: emotions. Her sister had the Disease, and Red Tide took her away. Will it come for Coral next? Above the sea, Brooke has nothing left to give. Depression and anxiety have left her feeling isolated. Forgotten. The only thing she can rely on is the numbness she finds within the cool

and comforting ocean waves. If only she weren't stuck at a new group-therapy home that promises a second chance at life. But what's the point of living if her soul is destined to bleed? Merrick may be San Francisco's golden boy, but he wants nothing more than to escape his controlling father. When his younger sister's suicide attempt sends Merrick to his breaking point, escape becomes the only option. If he can find their mom, everything will be made right again—right? When their worlds collide, all three will do whatever it takes to survive. But what—and who—must they leave behind for life to finally begin? Praise for Coral: "This heart-wrenching tale will pull you under its spell." —ANNIE SULLIVAN, author of *A Touch of Gold* and *Tiger Queen* "A beautiful reimagining." —LAUREN MANSY, author of *The Memory Thief* "A breathless, powerful journey of the heart and mind." —LINDSAY A. FRANKLIN, award-winning author of *The Story Peddler* A stand-alone, full-length Young Adult novel Trigger warning: suicide and depression

Faire le deuil du couple qu'elle croyait

former avec Jared et être témoin du bonheur de son frère Ethan et de sa meilleure amie Kaylee, c'en est trop pour Andréa... sans pouvoir le connaître elle-même un jour. Aimer et comprendre un artiste aux multiples facettes n'est pas chose facile. Mais on est toujours plus fort qu'on ne le croit. Et Andréa va le prouver. *Collected Interiors* Delacorte Press

Style expert Diane Dorrans Saeks has an eye for design and she's setting her sights on the City by the Bay. This lavishly photographed book opens the doors to exquisite Bay Area dwellings, inviting readers of all tastes into just-so apartments, grand houses, light-drenched lofts, and cozy bungalows. Enter the graceful abode of San Francisco luminary Ann Getty, whose unique vision is reflected in a multitude of textures unrestricted by style or period. Visit designer Steven Volpe's South of Market loft, converted from a 1916 printing factory. A tour of Dr. Paul Turek's hillside home pays homage to classic contemporary Italian design (and the art of crafting the perfect surfboard). With more than 200 inspiring color photographs, this collection captures the scope of homes

and lifestyles that make the northern California region unique. And with Diane Dorrans Saeks's list of where to shop, view art, and truly get an inside look at the city notorious for stealing hearts, this is the perfect guide for interior designers, accomplished home stylists, and anyone looking to create San Francisco style. *John Derian Picture Book* Clarkson Potter

The celebrated design expert and creator of EyeSwoon shares an inspiring look at how creatives arrange and decorate their homes. Beautiful design isn't just pleasant to look at; it improves the quality of our lives. In *Live Beautiful*, EyeSwoon creator Athena Calderone taps into her international network of interior decorators, fashion designers, and tastemakers to reveal how carefully crafted interiors come together. She also opens the doors to two of her own residences. With each homeowner, Athena explores the spark of inspiration that started their design journey. She then breaks down the details of the rooms—like layered textures and patterns, collected pieces, and customized vignettes—and offers helpful tips on how to bring these elevated elements into your own space.

Filled with gorgeous photography by Nicole Franzen, *Live Beautiful* is both a showpiece of exquisite design and a guide to creating a home that's thoughtfully put together.

Literary Gazette and Journal of Belles Lettres, Arts, Sciences, &c Penguin

From the #1 New York Times bestselling author of *A Discovery of Witches* and *The Black Bird Oracle* comes a novel about what it takes to become a vampire—it's the fourth in the *All Souls* series. Look for the hit series "A Discovery of Witches," now streaming on AMC+, Sundance Now, and Shudder! On the battlefields of the American Revolution, Matthew de Clermont meets Marcus MacNeil, a young surgeon from Massachusetts, during a moment of political awakening when it seems that the world is on the brink of a brighter future. When Matthew offers him a chance at immortality and a new life free from the restraints of his puritanical upbringing, Marcus seizes the opportunity to become a vampire. But his transformation is not an easy one and the ancient traditions and responsibilities of the de Clermont family clash with Marcus's deeply held beliefs in liberty, equality, and

brotherhood. Fast-forward to contemporary Paris, where Phoebe Taylor--the young employee at Sotheby's whom Marcus has fallen for--is about to embark on her own journey to immortality. Though the modernized version of the process at first seems uncomplicated, the couple discovers that the challenges facing a human who wishes to be a vampire are no less formidable than they were in the eighteenth century. The shadows that Marcus believed he'd escaped centuries ago may return to haunt them both--forever. A passionate love story and a fascinating exploration of the power of tradition and the possibilities not just for change but for revolution, *Time's Convert*, the fourth books in the All Souls Series channels the supernatural world-building and slow-burning romance that made the previous books instant bestsellers to illuminate a new and vital moment in history, and a love affair that will bridge centuries.

Out Of Control Villard

Out of Control chronicles the dawn of a new era in which the machines and systems that drive our economy are so complex and autonomous as to be

indistinguishable from living things.

The Publishers' Circular and Booksellers' Record Createspace Independent Publishing Platform

All Christians are called. Called to love God with all that we are. Called to serve Him. Called to reach out to the lost. However, if we are honest, the majority of us would admit that we find this last calling the most difficult. While we gladly support the evangelistic ministries of others, many of us feel discouraged by our own attempts at witnessing because our memorized approaches don't seem to work. This biblical study of evangelism gracefully reminds us that the New Testament model of witnessing is not a one-size-fits-all methodology. With compassion for the lost filling every page, Jerram Barrs shows the variety of approaches used in the New Testament--where the same uncompromised Gospel was packaged as differently as the audience--and calls you to follow its example. You can learn to witness comfortably in your particular circumstances so that sharing Christ doesn't feel like a chore. And as you watch God work in the lives of others and see the great blessings He brings, you'll discover

what a privilege it is to live out the heart of evangelism: truly loving others to Christ.

Butcher and Beast Farrar, Straus and Giroux

Beyond Vision is the first English-language collection of essays on art by Pavel Florensky (1882–1937), Russian philosopher, priest, linguist, scientist, mathematician – and art historian. In addition to seven essays by Florensky, the book includes a biographical introduction and an examination of Florensky's contribution as an art historian by Nicoletta Misler. *Beyond Vision* reveals Florensky's fundamental attitudes to the vital questions of construction, composition, chronology, function and destination in the fields of painting, sculpture and design. His reputation as a theologian and philosopher is already established in the English-speaking world, but this first collection in English of his art essays (translated by Wendy Salmond) will be a revelation to those in the field. Pavel Florensky was a true polymath: trained in mathematics and philosophy at Moscow University, he rejected a scholarship in advanced mathematics in order to study

theology at the Moscow Theological Academy. He was also an expert linguist, scientist and art historian. A victim of the Soviet government's animosity towards religion, he was condemned to a Siberian labor camp in 1933 where he continued his work under increasingly difficult circumstances. He was executed in 1937. Live Beautiful Harper Collins

Covering over nine centuries of paintings in the western world, this book which is organised alphabetically focuses on world famous works by artists such as Michelangelo, Leonardo and Turner. Sister Wendy focuses on subject matter, technique and other key elements of each major work. Many artists are represented by two paintings on double-page spreads. A featured works section gives the reader the location of each masterpiece.

Lady Smoke Basic Books

Growing Up in a Nonya Kitchen provides a rare and insightful view into the daily life of a Peranakan family harking back to the early 20th century. With comprehensive chapters dedicated to documenting cooking utensils, essential ingredients, the Nonya's agak agak (estimating) philosophy, as well as Chinese New Year

and other festive dishes, baked goods and Nonya kuehs, *Growing Up in a Nonya Kitchen* is a volume to read and treasure for anyone looking for an in-depth understanding of the Peranakan (and Singapore) food heritage.

The Court of Miracles Chicago Review Press

Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is "beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo." (Concepción de León, *New York Times*)

Alvarez's new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas

Trujillo's dictatorship. It doesn't have to. Everybody knows of *Las Mariposas*—the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. "Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas."—Francisco Cantú, *The New York Times Book Review* "This Julia Alvarez classic is a must-read for anyone of Latinx descent." —Popsugar.com "A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion." —People "Shimmering . . . Valuable and necessary." —Los Angeles Times "A magnificent treasure for all cultures and all time." —St. Petersburg

Times "Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed."—Cosmopolitan.com

The Disappearing Spoon Penguin

Today we associate the Renaissance with painting, sculpture, and architecture—the “major” arts. Yet contemporaries often held the “minor” arts—gem-studded goldwork, richly embellished armor, splendid tapestries and embroideries, music, and ephemeral multi-media spectacles—in much higher esteem. Isabella d’Este, Marchesa of Mantua, was typical of the Italian nobility: she bequeathed to her children precious stone vases mounted in gold, engraved gems, ivories, and antique bronzes and marbles; her favorite ladies-in-waiting, by contrast, received mere paintings. Renaissance patrons and observers extolled finely wrought luxury artifacts for their exquisite craftsmanship and the symbolic capital of their components; paintings and sculptures in modest materials, although discussed by some literati, were of lesser consequence. This book endeavors to return to the mainstream material long

marginalized as a result of historical and ideological biases of the intervening centuries. The author analyzes how luxury arts went from being lofty markers of ascendancy and discernment in the Renaissance to being dismissed as “decorative” or “minor” arts—extravagant trinkets of the rich unworthy of the status of Art. Then, by re-examining the objects themselves and their uses in their day, she shows how sumptuous creations constructed the world and taste of Renaissance women and men.

Shadow Silence Thomas Nelson

New York Times Bestseller Named one of the Best Gift Books of the Year by Entertainment Weekly, InStyle, House Beautiful, T: The New York Times Style Magazine, Better Homes & Gardens, Luxe Interiors + Design, People StyleWatch, Garden & Gun, The Los Angeles Times, The Chicago Tribune, New York Magazine, and more John Derian’s home goods empire reaches far and wide—in addition to the four John Derian stores he owns in New York and Massachusetts, his products are sold by more than 600 retailers worldwide, including Neiman Marcus, ABC, and Gump’s in the United

States; Conran and Liberty in the UK; and Astier de Villatte in Paris. It all started with his now-iconic collectible plates decouped with 19th-century artwork sourced from old and rare books, a process that credited him with elevating the decoupage technique into fine art. Over the past 25 years, the brand has expanded greatly to include home and general design gifts and products. Now, for the first time ever, comes the book John Derian fans have been waiting for. Culled from the thousands of images that have appeared in his biannual collections, here is an astoundingly beautiful assortment of nearly 300 full-bleed images in their original form. From intensely colored flowers and birds to curious portraits, hand-drawn letters, and breathtaking landscapes, the best of John Derian is here. The result is an oversized object of desire, a work of art in and of itself, that brilliantly walks the line between commerce and art, and that is destined to become the gift book of the season.

British Books Getty Publications

“A fashionably photographed book that’s as high-rolling and unapologetically carnivorous as [the Beatrice Inn].”—The

New York Times Book Review IACP AWARD FINALIST • NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW The Beatrice Inn's presence in New York City spans close to a century, and its history is ever changing, from one of New York's first speakeasies, frequented by Fitzgerald and Hemingway, to a beloved neighborhood Italian restaurant to one of the city's most notorious night clubs. Angie Mar purchased the Beatrice Inn in 2016 and led the storied landmark into its next chapter. Mar transformed the space and

the menu into a stunning subterranean den where guests are meant to throw caution to the wind and engage in their most primal of senses. Pete Wells, in his rave two-star New York Times review, summed it up best: "It is a place to go when you want to celebrate your life as an animal." Now, in Mar's debut cookbook, the Beatrice Inn experience will resonate with readers no matter where they live. Butcher and Beast invites readers into this glamorous, gutsy, and forever-nocturnal world. Mar's unconventional approach to

flavor profiles are captured in over 80 recipes, including Milk-Braised Pork Shoulder, Duck and Foie Gras Pie, Venison Cassoulet, and Bone Marrow-Bourbon Crème Brûlée. Throughout are also essays on Mar's controversial and cutting-edge dry-aging techniques, her adoration of Champagne, the reality of what it takes to lead in the New York City restaurant scene, and the love and loyalty of her tight-knit family. Visually arresting photography shot entirely on Polaroid film captures the elegant and ever-opulent world of the Beatrice Inn.
