Introduction: Canterbury tales IV-V and literary value -- Clerk -- Merchant -- Squire -- Franklin.

Chaucer's Canterbury Tales W.W. Norton & Company

SHORTLISTED FOR THE TED HUGHES PRIZE 2015 Tabard Inn to Canterb'ry

Cathedral, Poet pilgrims competing for free picks, Chaucer Tales, track by track, it's the remix From below-the-belt base to the topnotch; I won't stop all the clocks with a stopwatch when the tales overrun, run offensive, or run clean out of steam, they're authentic and we're keeping it real, reminisce this: Chaucer Tales were an unfinished business. In Telling Tales award-winning poet Patience Agbabi presents an inspired 21st-Century remix of Chaucer's Canterbury Tales retelling all of the stories, from the Miller's Tale to the Wife of Bath's in her own critically

acclaimed poetic style. Celebrating Chaucer's Middle-English masterwork for its performance element as well as its poetry and pilgrims, Agbabi's newest collection is utterly unique. Boisterous, funky, foul-mouthed, sublimely lyrical and bursting at the seams, Telling Tales takes one of Britain's most significant works of literature and gives it thrilling new life. *The Canterbury Tales* W. W. Norton & Company Nationalism, like medieval romance literature, recasts history as a mythologized and seamless image of

reality. *Living in the Future* analyzes how the anachronistic nationalist fantasies in Geoffrey Chaucer's *Canterbury Tales* create a false sense of England's historical continuity that in turn legitimized contemporary political ambitions. This book spells out the legacy of the *Tales* that still resonates throughout English literature, exploring the idea of England in the medieval literary imagination as well as critiquing more recent centuries' conceptions of Chaucer's nationalism. Chaucer uses two extant national ideals, sovereignty and domesticity, to introduce the concept of an English nation into the contemporary popular imagination and reinvent an idealized England as a hallowed homeland. For nationalist thinkers, sovereignty governs communities with linguistic, historical, cultural, and religious affinities. Chaucerian sovereignty appears primarily in romantic and household contexts that function as microcosms of the nation, reflecting a pseudo-familial love between sovereign and subjects and relying on a sense of shared ownership and judgment. This notion also has deep affinities with popular and political theories flourishing

throughout Europe. Chaucer's internationalism, matched with his artistic use of the vernacular and skillful distortions of both time and space, frames a discrete sovereign English nation within its diverse interconnected world. As it opens up significant new points of resonance between postcolonial theories and medieval ideas of nationhood, *Living in the Future* marks an important contribution to medieval literary studies. It will be essential for scholars of Middle English literature, literary history, literary political and postcolonial theory, and literary transnationalism.

*The Divine Comedy* Simon and Schuster *Playing the Canterbury Tales* addresses the additions, continuations, and reordering of the *Canterbury Tales* found in the manuscripts and early printed editions of the *Tales*. Many modern editions present a specific set of tales in a specific order, and often leave out an entire corpus of continuations and additions. Andrew Higl makes a case for understanding the additions and changes to Chaucer's original open and fragmented work by thinking of them as distinct interactive moves in a game similar to the

storytelling game the pilgrims play. Using examples and theories from new media studies, Higl demonstrates that the *Tales* are best viewed as an "interactive fiction," reshaped by active readers. Readers participated in the ongoing creation and production of the tales by adding new text and rearranging existing text, and through this textual transmission, they introduced new social and literary meaning to the work. This theoretical model and the boundaries between the canonical and apocryphal texts are explored in six case studies: the spurious prologues of the *Wife of Bath's Tale*, John Lydgate's influence on the *Tales*, the Northumberland manuscript, the ploughman character, and the *Cook's Tale*. The *Canterbury Tales* are a more dynamic and unstable literary work than usually encountered in a modern critical edition.

**Telling Tales** University of Michigan Press "This book has been more helpful to the students--both the better ones and the lesser ones--than any other book I have ever used in any of my classes in my more than a quarter century of university teaching." --RICHARD L. KIRKWOOD, University of Wisconsin-Eau Claire

*The Clerkes Tale* Boydell & Brewer  
 Readers of this witty and fluent new translation of *The Canterbury Tales* should find themselves turning page after page: by recasting Chaucer's ten-syllable couplets into eight-syllable lines, Joseph Glaser achieves a lighter, more rapid cadence than other translators, a four-beat rhythm well-established in the English poetic tradition up to Chaucer's time. Glaser's shortened lines make compelling reading and mirror the elegance and variety of Chaucer's verse to a degree rarely met by translations that copy Chaucer beat for beat. Moreover, this translation's full, Chaucerian range of diction--from earthy to Latinate--conveys the great scope of Chaucer's interests and effects. The selection features complete translations of the majority of the stories, including all of the more familiar tales and narrative links along with abridgments or summaries of the others. To reflect Chaucer's interest in poetic technique, Glaser presents the tales written in non-couplet stanzas in their original forms. An Introduction, marginal glosses, bibliography, and notes are also included.

**The Selected Canterbury Tales: A New**

**Verse Translation** Springer

No library's complete without the classics! This new edition collects the greatest works of Charles Dickens, one of the most popular novelists of all time. *Oliver Twist*. *Pip*. The ghosts of Christmas past, present, and future. The characters of Charles Dickens live on in our imaginations long after we've read his renowned works of social commentary and vivid storytelling. And though these novels were written more than one hundred years ago, no home library today would be complete without them. This *Canterbury Classics* edition of Charles Dickens collects some of his most famous and beloved works--*The Adventures of Oliver Twist*, *A Christmas Carol*, *A Tale of Two Cities*, and *Great Expectations*--into a single volume. For those who've never read Dickens, it's the perfect opportunity to experience his unique and compelling writing. And for those who are already Dickens devotees, an introduction by a renowned scholar will provide additional context and food for thought.

**Chaucer's Tale** Penguin

An instant classic and eerily prescient cultural phenomenon, from "the patron

saint of feminist dystopian fiction" (*New York Times*). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, *The Handmaid's Tale* is at once a mordant satire and a dire warning.

**Five Canterbury Tales** Penguin Books  
 "A truly remarkable achievement." —Barry Unsworth  
 In the tradition of Seamus Heaney's *Beowulf* and Marie Borroff's *Sir Gawain and the Green Knight*, Sheila Fisher's *The Selected Canterbury Tales* is a vivid, lively, and readable translation of the most famous work of England's premier medieval poet. Preserving Chaucer's rhyme and meter, Fisher makes

these tales accessible to a contemporary ear while inviting readers to the Middle English original on facing pages. Her informative introduction highlights Chaucer's artistic originality in his memorable portrayals of surprisingly modern women and men from across the spectrum of medieval society.

**Ancient Greek Philosophers** University of Wales Press

Both an enhanced digital edition and a handsome print volume, The Norton Chaucer provides the complete poetry and prose, meticulously glossed and annotated specifically for undergraduate readers, with apparatus reflecting current scholarship—all at an unmatched value.

[The Canterbury Tales: Seventeen Tales and the General Prologue \(Third International Student Edition\)](#) (Norton Critical Editions) W. W. Norton & Company

It's the Middle Ages, and an ill-matched band of strangers is setting off on a pilgrimage to Canterbury. To amuse themselves along the way, they hold a storytelling competition. But the tales soon turn from ripping yarns to slanging matches... With a cast of unforgettable characters, from the blue-blooded Knight

and the merry Wife of Bath to the shifty Pardoner, the story is as much about the riotous pilgrims as the weird and wonderful tales they tell. Clearly written in a modern, approachable style to introduce young readers to this much-loved classic story.

**The Complete Canterbury Tales of Geoffrey Chaucer** Prestwick House Inc

A fresh, modern prose retelling captures the vigorous and bawdy spirit of Chaucer's classic. Renowned critic, historian, and biographer Peter Ackroyd takes on what is arguably the greatest poem in the English language and presents the work in a prose vernacular that makes it accessible to modern readers while preserving the spirit of the original. A mirror for medieval society, Chaucer's Canterbury Tales concerns a motley group of pilgrims who meet in a London inn on their way to Canterbury and agree to take part in a storytelling competition. Ranging from comedy to tragedy, pious sermon to ribald farce, heroic adventure to passionate romance, the tales serve not only as a summation of the sensibility of the Middle Ages but as a representation of the drama of the human condition. Ackroyd's

contemporary prose emphasizes the humanity of these characters—as well as explicitly rendering the naughty good humor of the writer whose comedy influenced Fielding and Dickens—yet still masterfully evokes the euphonies and harmonies of Chaucer's verse. This retelling is sure to delight modern readers and bring a new appreciation to those already familiar with the classic tales.

**The Canterbury Tales** Simon and Schuster

The classic collection of beloved tales, both sacred and profane, of travelers in medieval England.

*The Manuscripts of the Canterbury Tales* Boydell & Brewer

Geoffrey Chaucer's Canterbury Tales, the most celebrated literary work of medieval England, portrays the culture of the late Middle Ages as a deeply commercial environment, replete with commodities and dominated by market relationships. However, the market is not the only mode of exchange in Chaucer's world or in his poem. Chaucer's Gifts reveals the gift economy at work in the tales. Applying important recent advances in anthropological gift theory, it illuminates

and explains this network of exchanges and obligations. Chaucer's *Gifts* argues that the world of the *Canterbury Tales* harbours deep commitments to reciprocity and obligation which are at odds with a purely commercial culture, and demonstrates how the market and commercial relations are not natural, eternal, or inevitable - an essential lesson if we are to understand Chaucer's world or our own.

Literary Value and Social Identity in the *Canterbury Tales* Penguin

"A lively microbiography of Geoffrey Chaucer, the "father of English literature", focusing on the surprising and fascinating story of the tumultuous year that led to the creation of the *Canterbury Tales*"--

Provided by publisher.
