LUCAS MAXIMO

MY MOTHER'S BOOK. Andrews Mcmeel+ORM

"A story that lingers in the heart long after the last page is turned." —HOPE EDELMAN, bestselling author of *Motherless Daughters* and *The Possibility of Everything* This provocative, poignant memoir of a daughter whose mother left her behind by choice begs the question: Are we destined to make the same mistakes as our parents? One summer, Melissa Cistaro's mother drove off without explanation Devastated, Melissa and her brothers were left to pick up the pieces, always tormented by the thought: Why did their mother abandon them? Thirty-five years later, with children of her own, Melissa finds herself in Olympia, Washington, as her mother is dying. After decades of hiding her

painful memories, she has just days to find out what happened that summer and confront the fear she could do the same to her kids. But Melissa never expects to stumble across a cache of letters her mother wrote to her but never sent, which could hold the answers she seeks. Haunting yet ultimately uplifting, *Pieces of My Mother* chronicles one woman's quest to discover what drives a mother to walk away from the children she loves. Alternating between Melissa's tumultuous coming-of-age and her mother's final days, this captivating memoir reveals how our parents' choices impact our own and how we can survive those to forge our own paths.

[My Mom Is a Foreigner, But Not to Me](#) HarperCollins

It is the last season of high school life for Nadia Turner, a rebellious, grief-stricken beauty. Mourning her mother's recent suicide, she takes up with the local pastor's son. Luke Sheppard is twenty-one, a former football star whose injury has reduced him to waiting tables at a diner. It's not serious-- until the pregnancy. As years move by, Nadia, Luke, and her friend Aubrey are living in debt to the choices they made that one seaside summer, caught in a love triangle they must carefully maneuver, and dogged by the constant, nagging question: What if they had chosen differently?

[The Mother of All Jobs](#) Anchor

A New York Times Notable Book A Library Journal Best Book of 2021 A "marvelous...superbly effective" (The New Yorker) debut novel about a young woman coming of age with a dazzling yet damaged mother who lived and loved in extremes. Met by rave reviews in The New Yorker, The New York Times, and more, this stunning translation of Violaine Huisman's "witty, immersive autofiction showcases a Parisian childhood with a charismatic, depressed parent" (Oprah Daily). Beautiful and magnetic, Catherine, a.k.a. "Maman," smokes too much, drives too fast, laughs too hard, and loves too extravagantly, and her daughter Violaine wouldn't have it any other way. But when Maman is hospitalized after a third divorce and a breakdown, everything changes. Even as Violaine and her sister long for their mother's return, once she's back Maman's violent mood swings and flagrant disregard for personal boundaries soon turn their home

into an emotional landmine. As the story of Catherine's own traumatic childhood and adolescence unfolds, the pieces come together to form an indelible portrait of a mother as irresistible as she is impossible, as triumphant as she is transgressive. With spectacular ferocity of language, a streak of dark humor, and stunning emotional bravery, *The Book of Mother* is an exquisitely wrought story of a mother's dizzying heights and devastating lows, and a daughter who must hold her memory close in order to surrender, and finally move on.

Working Mother Assouline Publishing

The Mother of All Jobs is about the battle to make modern working parenting actually work. If not for our own sanity, then perhaps for our children's. Have you ever looked at the lengthy school holiday dates and silently screamed in desperation? Have you gone part time yet are still doing a full-time workload? Have you ever been too afraid to ask about maternity benefits or flexible working? Do you constantly feel guilty about missing school events and secretly envious of other mums at the school gates who seem to be doing it all better than you? If any (or all) of the above rings true for you, you are NOT alone. While the demands of work are increasing with longer working hours and more pressure to remain 'switched on' to our phones and computers, the needs of our children and the world of school and childcare have stayed the same. Something has got to change before we all reach breaking point. *The Mother of All Jobs* brings together the wisdom of women who opened up about their experiences into a manifesto to help working parents thrive.

The Mothers Allen & Unwin

Shortly after Albert Cohen left France for London to escape the

Nazis, he received news of his mother's death in Marseille. Unable to mourn her, he expressed his grief in a series of moving pieces for La France libre, which later grew into *Book of My Mother*. Achingly honest, intimate, and moving, this love song is a tribute to all mothers. Cohen himself expressed, "I shall not have written in vain if one of you, after reading my hymn of death, is one evening gentler with his mother because of me and my mother."

Working Mother Haymarket Books

A memoir by American former actress and singer Jennette McCurdy about her career as a child actress and her difficult relationship with her abusive mother who died in 2013

Motherless Mothers Harper Perennial

"Slay Like a Mother is a feisty, clever, and fun blueprint for modern motherhood that belongs on every book shelf and in every diaper bag...As a woman and mother, you'll gain a newfound power, happiness, and ability to leap tall Lego buildings in a single bound."—Erin Falconer, author of *How To Get Sh*t Done: Why Women Need to Stop Doing Everything So They Can Achieve Anything* A revelatory, inspirational guide for mothers to crush their "never enough" mentality and slay every day!

Katherine Wintch knows firsthand the self-doubt that rages inside modern moms. As founder and CEO of The Mom Complex, she has studied the passions and pain points of moms worldwide to help some of the largest brands develop innovative new products and services. As a working mom of two, she was running in an exhausting cycle of "never enough"—not strong enough, not thin enough, not patient enough, not "mom" enough. In *Slay Like a Mother*, you'll laugh, you'll cry, and you'll discover eye-opening

lessons about: **THE MASK YOU'RE WEARING**. The one you hide behind when you say everything is "just fine" when it's not. **YOUR UNREALISTIC EXPECTATIONS**. The goal-setting tactics you're deploying to get ahead could be what's holding you back. **THE DIFFERENCE BETWEEN STRUGGLING AND SUFFERING**. Being a mother is a struggle — it always has been — but your suffering is optional. Brave, supportive, and insightful, the stories and advice in this book will encourage you to live more confidently, enjoy the present, and become your best self — as a woman, a mother, and beyond. Perfect for fans of *Girl Wash Your Face* and **#IMomSoHard!** ***As featured in *The Wall Street Journal* and *Parade.com**** Additional Praise for *Slay Like a Mother*:

"Wintch's style is brisk and forthright with enough humor to make readers laugh even as she illuminates dark corners.

Although this is aimed at moms, any woman will find this enlightening and encouraging."—Booklist, STARRED review "Slay Like a Mother is much more than a self-help book for women; it is the end of self-doubt and the beginning of self-love... and that is nothing short of life-changing"—Rachel Macy Stafford, *New York Times* bestselling author of *Hands Free Mama*

Discovering the Inner Mother Tor Nightfire

THE INSTANT NEW YORK TIMES BESTSELLER An addictive psychological thriller about a group of women whose lives become unexpectedly connected when one of their newborns goes missing. A night out. A few hours of fun. That's all it was meant to be. They call themselves the May Mothers—a group of new moms whose babies were born in the same month. Twice a week, they get together in Brooklyn's Prospect Park for some much-needed adult time. When the women go out for drinks at

the hip neighborhood bar, they want a fun break from their daily routine. But on this hot Fourth of July night, something goes terrifyingly wrong: one of the babies is taken from his crib.

Winnie, a single mom, was reluctant to leave six-week-old Midas with a babysitter, but her fellow May Mothers insisted everything would be fine. Now he is missing. What follows is a heart-pounding race to find Midas, during which secrets are exposed, marriages are tested, and friendships are destroyed. Thirteen days. An unexpected twist. *The Perfect Mother* is a "true page turner." —B.A. Paris, author of *Behind Closed Doors*

You Are the Mother of All Mothers HarperCollins

"I tore through this urgent, timely, and deeply disturbing tale."—Andrea Bartz, New York Times bestselling author of *We Were Never Here* Spine-chilling and sharp, Anne Heltzel's *Just Like Mother* is a modern gothic from a fresh new voice in horror, and "will disturb readers to their core." (Library Journal) A GoodReads Choice Award Finalist for Best Horror, and named one of the Best Books of 2022 by LitReactor! The last time Maeve saw her cousin was the night she escaped the cult they were raised in. For the past two decades, Maeve has worked hard to build a normal life in New York City, where she keeps everything—and everyone—at a safe distance. When Andrea suddenly reappears, Maeve regains the only true friend she's ever had. Soon she's spending more time at Andrea's remote Catskills estate than in her own cramped apartment. Maeve doesn't even mind that her cousin's wealthy work friends clearly disapprove of her single

lifestyle. After all, Andrea has made her fortune in the fertility industry—baby fever comes with the territory. The more Maeve immerses herself in Andrea's world, the more disconnected she feels from her life back in the city; and the cousins' increasing attachment triggers memories Maeve has fought hard to bury. But confronting the terrors of her childhood may be the only way for Maeve to transcend the nightmare still to come... "A fierce, frightening novel."—Rachel Harrison, author of *Cackle At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.*

A Mother's Reckoning Hachette Books

Sure to become a classic on female empowerment, a groundbreaking exploration of the personal, cultural, and global implications of intergenerational trauma created by patriarchy, how it is passed down from mothers to daughters, and how we can break this destructive cycle. Why do women keep themselves small and quiet? Why do they hold back professionally and personally? What fuels the uncertainty and lack of confidence so many women often feel? In this paradigm-shifting book, leading feminist thinker Bethany Webster identifies the source of women's trauma. She calls it the Mother Wound—the systemic disenfranchisement of women by the patriarchy—and reveals how this cycle is perpetuated by wounded mothers who unconsciously pass on damaging beliefs and behaviors to their daughters. In her workshops, online courses, and talks, Webster has helped countless women re-examine their lives and their relationships with their mothers, giving them the vocabulary to voice their pain, and encouraging them to share their experiences. In this manifesto and self-help guide, she offers

practical tools for identifying the manifestations of the Mother Wound in our daily life and strategies we can use to heal ourselves and prevent our daughters from enduring the same pain. In addition, she offers step-by-step advice on how to reconnect with our inner child, grieve the mother we didn't have, stop people-pleasing, and, ultimately, transform our heartache and anger into healing and self-love. Revealing how women are affected by the Mother Wound, even if they don't personally identify as survivors, *Discovering the Inner Mother* revolutionizes how we view mother-daughter relationships and gives us the inspiration and guidance we need to improve our lives and ultimately create a more equitable society for all.

In the latest body of work by author and photographer Claiborne Swanson Frank, the artist set out to explore what modern motherhood means in the 21st century. Turning her lens on 70 iconic families of mothers and children from such celebrated names as Delfina Figueras, Carolina Herrera, Lauren Santo Domingo, Anne Vyalitsyna, Aerin Lauder, and Patti Hansen, Swanson Frank's stunning portraits capture the emotional bonds and beauty that frame the primal relationship of a mother and her child. Complementing her work is a series of questions-and-answers, in which Swanson Frank delicately tasks each mother to look within themselves and express what being a mother truly means to them. Their answers, while exceedingly thoughtful and introspective, are also amusing, fascinating, and moving. Each one of these deeply intimate and stunning portraits will captivate

and inspire readers as they embark on this profound journey that reminds us all of the power of motherhood and the great gift of love.

Barry Sonnenfeld, Call Your Mother Penguin

A Message from Mike Rowe, the Dirty Jobs Guy: Just to be clear, *About My Mother* is a book about my grandmother, written by my mother. That's not to say it's not about my mother—it is. In fact, *About My Mother* is as much about my mother as it is about my grandmother. In that sense, it's really a book about "mothers." ...It is not, however, a book written by me. True, I did write the foreword. But it doesn't mean I've written a book about my mother. I haven't. Nor does it mean my mother's book is about her son. It isn't. It's about my grandmother. And my mother. Just to be clear.—Mike A love letter to mothers everywhere, *About My Mother* will make you laugh and cry—and see yourself in its reflection. Peggy Rowe's story of growing up as the daughter of Thelma Knobel is filled with warmth and humor. But Thelma could be your mother—there's a Thelma in everyone's life. She's the person taking charge—the one who knows instinctively how things should be. Today, Thelma would be described as an alpha personality, but while growing up, her daughter Peggy saw her as a dictator—albeit a benevolent, loving one. They clashed from the beginning—Peggy, the horse-crazy tomboy, and Thelma, the genteel-yet-still-controlling mother, committed to raising two refined, ladylike daughters. Good luck. When major league baseball came to town in the early 1950s and turned sophisticated Thelma into a crazed Baltimore Orioles groupie, nobody was more surprised and embarrassed than Peggy. Life became a series of compromises—Thelma tolerating a daughter

who pitched manure and galloped the countryside, while Peggy learned to tolerate the whacky Orioles fan who threw her underwear at the television, shouted insults at umpires, and lived by the orange-and-black schedule taped to the refrigerator door. Sometimes it takes a little distance to appreciate the people we love.

Mother God Prabhat Prakashan

'Life With Mother' is a humorous autobiographical book of stories compiled in 1935 by American author and cartoonist Clarence Day Jr. He wrote humorously about his family and life. "Most of the chapters of this book were published before Clarence's death, but some were still in manuscript. These had to be sorted

carefully because he had a habit of writing on whatever scrap of paper was handy--backs of envelopes, tax memoranda, or small pads of paper which he could hold in his hands on days when they were too lame for the big ones." -Editor's Note
