The Gauls have only one fear: that the sky may fall on their heads tomorrow. But tomorrow never comes, says Chief Vitalstatistix. Or does it? It looks as if it's come at last for Asterix, Obelix and the other villagers. And some surprising new characters fall along with the sky. Our friends soon find

themselves in the middle of a space race...

*Webster's new world French dictionary* Les Éditions du Beffroi

[In this book, the author's] analysis of the effects and causes of capitalist underdevelopment in Latin America present [an] account of ... Latin American history. [The author] shows how foreign companies reaped huge profits through their operations in Latin America. He explains the politics of the Latin American bourgeoisies and their subservience to foreign powers, and how they interacted to create increasingly unequal capitalist societies in Latin America.-Back cover.
