FRIDA LEBLANC

[Perennial Seller](#) Random House Books for Young Readers

For many gay men and lesbians, Betty DeGeneres, mother of actress Ellen DeGeneres, has come to represent the mother stolen from them by homophobia. Here she talks directly to parents, children, friends, teachers, employers and politicians in a straightforward and heartfelt manner on homophobia and the destruction it can cause in loving families and society at large. 'An excellent book for parents striving to be reconciled with their children' - Booklist

Natalie Wood Grand Central Publishing

The economy uncertain, education in decline, cities under siege, crime and poverty spiraling upward, international relations roiling: we look to leaders for solutions, and when they don't deliver, we simply add their failure to our list of woes. In doing so, we do them and ourselves a grave disservice.

We are indeed facing an unprecedented crisis of leadership, Ronald Heifetz avows, but it stems as much from our demands and expectations as from any leader's inability to meet them. His book gets at both of these problems, offering a practical approach to leadership for those who lead as well as those who look to them for answers. Fitting the theory and practice of leadership to our extraordinary times, the book promotes a new social contract,

a revitalization of our civic life just when we most need it. Drawing on a dozen years of research among managers, officers, and politicians in the public realm and the private sector, among the nonprofits, and in teaching, Heifetz presents clear, concrete prescriptions for anyone who needs to take the lead in almost any situation, under almost any organizational conditions, no matter who is in charge. His strategy applies not only to people at the top but also to those who must lead without authority—activists as well as presidents, managers as well as workers on the front line.

When a premier magazine runs a story about a high profile celebrity, there is only one photographer they call: Nigel Parry. His brilliant lens has captured the most powerful politicians, the most famous celebrities and the most beautiful people of our day. His in-your-face style and exacting precision yields portraits like no others. His newest project, *Blunt*, is a deluxe volume with 145 iconic images, each in Parry's own signature style - intimate, honest and wholly original.

[It Ends with Us](#) Simon and Schuster

Vectors and Vector Operators provides an introduction to the use of vectors and vector operators that will be especially helpful to first-year undergraduates of the physical sciences. The vector forms of many of the equations of physics clearly demonstrate the essential geometrical relationships between the quantities involved. Topics covered include vector algebra, products of vectors, differentiation of vectors, the gradient operator, and the divergence and curl of vector fields. Throughout the text, the author emphasizes the application of vector techniques to problems in

physics and includes many worked examples.

PREVIOUS BOOK IN SERIES: IT ENDS WITH US, ISBN 9781501110368. Before 'It Ends with Us', it started with Atlas. Colleen Hoover tells fan favourite Atlas side of the story and shares what comes next in this long-anticipated sequel to the glorious and touching (USA TODAY) 'It Ends With Us'.

I'm Just Happy to Be Here Make Me a World

“An unforgettable look at the peculiar horrors and humiliations involved in solitary confinement” from the prisoners who have survived it (New York Review of Books). On any given day, the United States holds more than eighty-thousand people in solitary confinement, a punishment that—beyond fifteen days—has been denounced as a form of cruel and degrading treatment by the UN Special Rapporteur on Torture. Now, in a book that will add a startling new dimension to the debates around human rights and prison reform, former and current prisoners describe the devastating effects of isolation on their minds and bodies, the solidarity expressed between individuals who live side by side for years without ever meeting one another face to face, the ever-present specters of madness and suicide, and the struggle to maintain hope and humanity. As Chelsea Manning wrote from her own solitary confinement cell, “The personal accounts by prisoners are some of the most disturbing that I have ever read.” These firsthand accounts are supplemented by the writing of noted experts, exploring the psychological, legal, ethical, and political dimensions of solitary confinement. “Do we really think it makes sense to lock so many people alone in tiny cells for twenty-three hours a day, for months, sometimes for years at a time? That is not going to make us safer. That’s not going to make us stronger.” —President Barack Obama “Elegant but harrowing.” —San Francisco Chronicle “A potent cry of anguish from men and women buried way down in the hole.” —Kirkus Reviews

My Two Moms Hachette Books

"I didn't decide to become anorexic. It snuck up on me disguised as a healthy diet, a professional attitude. Although there was a certain glamour to anorexics, I didn't want to be one. I just wanted to excel in dieting. And weighing in at 80 pounds on 300 calories a day, I was the best little dieter there ever was." In scalding prose, Portia de Rossi reveals the pain and illness that haunted her for decades. She alternately starved herself and binged, putting her life in danger and lying to herself and everyone around her about the depth of her illness. From her lowest point, Portia began the painful climb back to health and happiness, ultimately falling head over heels in love with Ellen DeGeneres. In this remarkable and landmark book, she tells a story that inspires hope and nourishes the spirit.

Quantum Wellness Simon and Schuster

#1 NEW YORK TIMES BESTSELLER • The critically acclaimed singer-songwriter, producer, and six-time Grammy winner opens up about faith, sexuality, parenthood, and a life shaped by music in “one of the great memoirs of our time” (Glennon Doyle, author of *Untamed*). **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND AUTOSTRADDLE** • “The best-written, most engaging rock autobiography since her childhood hero, Elton John, published *Me*.”—*Variety* Brandi Carlile was born into a musically gifted, impoverished family on the outskirts of Seattle and grew up in a constant state of change, moving from house to house, trailer to trailer, fourteen times in as many years. Though imperfect in every way, her dysfunctional childhood was as beautiful as it was strange, and as nurturing as it was difficult. At the age of five, Brandi contracted bacterial meningitis, which almost took her life, leaving an indelible mark on her formative years and altering her journey into young adulthood. As an openly gay teenager, Brandi grappled with the tension between her sexuality and her faith when her pastor publicly refused to baptize her on the day of the ceremony. Shockingly, her small town rallied around Brandi in support and set her on a path to salvation where the rest of the misfits and rejects find it: through twisted, joyful, weird, and wonderful music. In *Broken Horses*, Brandi Carlile takes readers through the events of her life that shaped her very raw art—from her start at a local singing competition where she performed Elton John’s “Honky Cat” in a bedazzled white polyester suit, to her first break opening for Dave Matthews Band, to many sleepless tours over fifteen years and six studio albums, all while raising two children with her wife, Catherine Shepherd. This hard-won success led her to collaborations with personal heroes like Elton John, Dolly Parton, Mavis Staples, Pearl Jam, Tanya Tucker, and Joni Mitchell, as well as her peers in the supergroup The Highwomen, and ultimately to the Grammy stage, where she converted millions of viewers into instant fans. Evocative and piercingly honest, *Broken Horses* is at once an examination of faith through the eyes of a person rejected by the church’s basic tenets and a meditation on the moments and lyrics that have shaped the life of a creative mind, a brilliant artist, and a genuine empath on a mission to give back.

Pet Random House

A critically acclaimed novelist pulls Nick Carraway out of the shadows and into the spotlight in this "masterful" look into his life before *Gatsby* (Richard Russo, Pulitzer Prize-winning author of *Empire Falls* and *Chances Are*). Before Nick Carraway moved to West Egg and into *Gatsby*'s periphery, he was at the center of a very different story—one taking place along the trenches and deep within the tunnels of World War I. Floundering in the wake of the destruction he witnessed firsthand, Nick delays his return home, hoping to escape the questions he cannot answer about the horrors of war. Instead, he embarks on a transcontinental redemptive journey that takes him from a whirlwind Paris romance-doomed from the very beginning-to the dizzying frenzy of New Orleans, rife with its own flavor of debauchery and violence. An epic portrait of a truly singular era and a sweeping, romantic story of self-discovery, this rich and imaginative novel breathes new life into a character that many know but few have pondered deeply. Charged with enough alcohol, heartbreak, and profound yearning to paralyze even the heartiest of golden age scribes, Nick reveals the man behind the narrator who has captivated readers for decades.

Leadership Without Easy Answers Simon and Schuster

Ten years of infertility issues culminate in the destruction of music therapist Zoe Baxter's marriage, after which she falls in love with another woman and wants to start a family, but her ex-husband, Max, stands in the way.

My Point...And I Do Have One Crown

You are Lone Wolf. In a devastating attack the Darklords have destroyed the monastery where you were learning the skills of the Kai Lords. You are the sole survivor. You swear revenge. Choose your skills and your weapons carefully - for they can help

you succeed in the most fantastic and terrifying journey of your life. The LONE WOLF adventures are a unique interactive fantasy series - each episode can be played separately or you can combine them all to create a fantastic role-playing epic.

Flight from the Dark Simon and Schuster

Ellen DeGeneres' personal chef, Roberto Martin, shares over 125 delicious vegan recipes he's created for Ellen DeGeneres and Portia de Rossi that he hopes will make healthy vegan cooking accessible and easy for everyone. Portia de Rossi explains in her foreword, "Roberto taught me that the key to making good food vegan is substitution ... you can enjoy all your favorite foods and never feel deprived." Some of the standouts Martin, a Culinary Institute of America-trained chef, has developed for Ellen and Portia include: Banana and Oatmeal Pancakes, Avocado Reuben, Red Beans and Rice, "Chick'n" Pot Pie, and Chocolate Cheesecake. Featuring mouthwatering photographs by award-winning food photographer, Quentin Bacon, this cookbook will appeal to die-hard carnivores and vegetarians alike.

Home Mongoose Pub

In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her tumultuous early years in this “compelling...unvarnished, resonant” (BookPage) story of a childhood spent torn between two parents and two countries. As her parents make the dangerous trek across the Mexican border to “El Otro Lado” (The Other Side) in pursuit of the American dream, Reyna and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to “El Otro Lado” to live with the man who has haunted her imagination for years, her long-absent father. Funny, heartbreaking, and lyrical, *The Distance Between Us* poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart forever, calling out to us of those places we first called home. Also available in Spanish as *La distancia entre nosotros*.

The Road to Character Hay House, Inc

For the 10th anniversary of the #1 New York Times bestseller, a new release complete with a brand-new Manifesting Scavenger Hunt. E-Squared could best be described as a lab manual with simple experiments to prove once and for all that reality is malleable, that consciousness trumps matter, and that you shape your life with your mind. Rather than take it on faith, you are invited to conduct nine 48-hour experiments to prove there really is a positive, loving, totally hip force in the universe. Yes, you read that right. It says prove. The experiments, each of which can be conducted with absolutely no money and very little time expenditure, demonstrate that spiritual principles are as dependable as gravity, as consistent as Newton’s laws of motion. For years, you’ve been hoping and praying that spiritual principles are true. E-Squared lets you know it for sure. NEW in this edition: A note from Pam Grout on the 10th anniversary of E-Squared, plus a brand-new Manifesting Scavenger Hunt with even more opportunities to prove your manifesting mojo. "I absolutely love this book. Pam has combined a writing style as funny as Ellen DeGeneres with a wisdom as deep and profound as Deepak Chopra's to deliver a powerful message and a set of experiments that will prove to you beyond a doubt that our thoughts really do create our reality." — Jack Canfield, co-creator of the New York Times best-selling *Chicken Soup for the Soul®* series

Style by **Saladino** New Press, The

A hilarious #1 bestselling collection of essays from those nearest and dearest to comedian Chelsea Handler--the people she's lied to. "My tendency to make up stories and lie compulsively for the sake of my own amusement takes up a good portion of my day and provides me with a peace of mind not easily attainable in this economic climate." -- Chelsea Handler, from Chapter 10 of *Chelsea Chelsea Bang Bang* It's no lie: Chelsea Handler loves to smoke out "dumbassness," the condition people suffer from that allows them to fall prey to her brand of complete and utter nonsense. Friends, family, co-workers--they've all been tricked by Chelsea into believing stories of total foolishness and into behaving like total fools. Luckily, they've lived to tell the tales and, for the very first time, write about them.

The Distance Between Us Hachette UK

In this #1 New York Times bestseller, Ellen DeGeneres shares her hilarious take on everything from our most baffling human foibles—including how we behave in elevators, airplanes, and restrooms, and why we’re so scared of the boogeyman-to fashion trends, celebrity, and her secret recipe for Ellen’s Real Frenchy French Toast. Most of all, this witty, engaging book offers insights into the mind of one of America’s most beloved comics.... Dear Reader, I was awfully excited when I was asked to write a book. I was however, nervous. I was afraid I didn’t have anything important to say. But when I began writing, I realized that although I don’t know a lot about any one thing, I know a little about a whole bunch of things: baking a pie; dancing; curing the common cold; running the Iditarod—it’s all in the book. And I realized I notice things that maybe some people don’t notice (or they don’t notice that they don’t notice). That’s all in the book, too.

Just a Mom Abingdon Press

Seriously...I'm Kidding Advocate Books

True love comes from the most forbidden places in this TikTok smash hit from New York Times bestselling author Penelope Douglas, now with bonus material! Jordan has nowhere else to go when her boyfriend offers to let her move in with him and his dad. Working a dead-end job, with her relationship sputtering, she jumps at the opportunity, expecting to help out around the house in exchange. What she doesn’t anticipate is for her heart to race every time Pike pulls into the driveway, or to burn when their eyes meet over the breakfast table. He’s kind and listens to her and protects her in a way no man ever has before. Her sister once told her there are no good men, and if you find one, he’s probably unavailable. Only

Pike isn't the unavailable one...she is. As the days go by, Pike's finding it anything but simple to have his son's girlfriend living in his house. He can't stop thinking about her and holding his breath every time they cross paths. It feels like she's becoming a part of him. Except he knows they're not free to give in to this. How could they when he's her boyfriend's father?

Dark Matter Harper Collins

Do you know what will happen to your digital "stuff" when you die? No? Rest assured, you are not alone. This increasingly important but relatively unknown subject involves what happens to all of your accounts, social media, emails, photos, and documents and how you will be remembered in your online afterlife. This book will let you take control of your online afterlife and ensure that your important digital assets are treated according to your wishes. Given that the average person spends close to seven hours per day online it's a must-read for everyone. Death: of course it's not an easy

subject for any of us. Indeed, there are few subjects more difficult to discuss or imagine than death. It's like we'd rather talk about anything else than the one universal experience we all share. But it's now one that also needs to be addressed in the digital age. *Digital Legacy: Take Control Of Your Online Afterlife* provides both the context of how we got here but also the right guidance to move forward with your planning today. Authored by two tech executives (also former Googlers) and founders of the digital-legacy platform GoodTrust -- Daniel Sieberg and Rikard Steiber, CEO and founder of GoodTrust -- the book outlines the pitfalls, challenges and opportunities that are important for all of us to tackle.

Nick Simon and Schuster

An advocate and son of same-gender parents recounts his famed address to the Iowa House of Representatives on civil unions, and describes his positive experiences of growing up in an alternative family in spite of prejudice.
