"A fast-paced, science-filled caper." --The Wall Street Journal Max Einstein is the first and only children's adventure series officially approved by the Albert Einstein Archives. Max Einstein's typical day is not your average 12-year-old's. She... - TEACHES classes at a New York college - Dodges KIDNAPPING attempts with her best friends - Goes on SECRET MISSIONS for her billionaire boss - Has a MYSTERIOUS CONNECTION to Albert Einstein Just a day in the life of the Change Makers Institute's top agent! What does an Irish town and a village in India have in common? A water crisis that only a group of kid geniuses can fix! Max and her CMI friends attempt to use their smarts to find solutions, but it's hard to save the world when you're trying not to be kidnapped! A greedy corporation with an eye on capturing Max seems to know their every move. It's almost like the bad guys have a spy inside the Change Makers...

*Rebels at Work* HarperCollins

A fascinating account of the evolution of the "teen movie" analyzes more than one hundred films for and about teenagers, discusses the relationship between teen movies and the youth movement, and offers a comprehensive filmography of teen flicks. Original.

*Be More Pirate* Groundwood Books Ltd

"The next best young adult novel."—Huffington Post Mariam Just Wants to Fit In. That's not easy when she's the only Egyptian at her high school and her parents are super traditional. So when she sneaks into a party that gets busted, Mariam knows she's in trouble...big trouble. Convinced she needs more discipline and to reconnect with her roots, Mariam's parents send her to Cairo to stay with her grandmother, her sittu. But Marian's strict sittu and the country of her heritage are nothing like she imagined, challenging everything Mariam once believed. As Mariam searches for the courage to be true to herself, a teen named Asmaa calls on the people of Egypt to protest their president. The country is on the brink of revolution—and now, in her own way, so

is Mariam.

*Reluctant Rebels* University of Pennsylvania Press

An extraordinary history of resistance and the fight for Indian independence—the little-known story of seven foreigners to India who joined the movement fighting for freedom from British colonial rule. *Rebels Against the Raj* tells the story of seven people who chose to struggle for a country other than their own: foreigners to India who across the late 19th to late 20th century arrived to join the freedom movement fighting for independence from British colonial rule. Of the seven, four were British, two American, and one Irish. Four men, three women. Before and after being jailed or deported they did remarkable and pioneering work in a variety of fields: journalism, social reform, education, the emancipation of women, environmentalism. This book tells their stories, each renegade motivated by idealism and genuine sacrifice; each connected to Gandhi, though some as acolytes where others found endless infuriation in his views; each understanding they would likely face prison sentences for their resistance, and likely live and die in India; each one leaving a profound impact on the region in which they worked, their legacies continuing through the institutions they founded and the generations and individuals they inspired. Through these entwined lives, wonderfully told by one of the world's finest historians, we reach deep insights into relations between India and the West, and India's story as a country searching for its identity and liberty beyond British colonial rule.

*Rebels Rising* Routledge

What Harry Potter did for magic, Max Einstein does for kids' imaginations! Max leads a group of kid geniuses in this #1 New York Times bestseller officially approved by the Albert Einstein archives. Max Einstein is not your typical genius. She . . . Hacks the computer system at NYU to attend classes Builds inventions to help the homeless And talks to Albert Einstein! (Okay, that's just in her imagination) But everything changes when Max is recruited by a mysterious organization! Their mission: solve some of the world's toughest problems using science. She's helped by a diverse group of young geniuses from around the globe as they invent new ways to power the farthest reaches of the planet. But that's only if the sinister outfit known only as The Corporation

doesn't get to her first . . . Max Einstein is a heroine for the modern age and will be looked up to by readers for generations to come. "[A] fast-paced, science-filled caper." -- The Wall Street Journal

*Market Rebels* jimmy patterson

"Looks at why independents are gaining support, how they relate to the major parties, and how they exercise power in state and federal parliaments." - cover.

*Rebels with a Cause* Penguin Random House India Private Limited

Fiona McTavish is an engineer, a chemist, a rebel—and no one's idea of a proper lady. She prefers breeches to ballrooms, but her new invention—matches—will surely turn as many heads. There's just a little matter of her being arrested for a crime she didn't commit. And the only person she can turn to for help is the man who broke her heart years ago. Edward Stirling, Duke of Wildeforde, will do anything to restore his family's name and put his father's scandalous death behind them. But when Fiona needs his help getting released from prison, he can't deny her—even though it means she must live with him as a condition of her freedom. With the desire between them rekindling as fast as the gossip about their arrangement is spreading among the ton, Edward will have to choose what matters most to him—his reputation or his heart.

*The Art of Creative Rebellion* Rebels With A Cause

Can a creative mind thrive in a corporate landscape? Can a business leader use creativity to guide teams more effectively? From one of today's leading creative minds comes a book for modern rebels on building a rewarding life without losing your edge. Written for uncompromising creative thinkers and aspiring changemakers, *The Art of Creative Rebellion* encapsulates insights and wisdom collected over a life of creative and professional prosperity. In these frank and insightful reflections, John S. Couch shares with young free thinkers the uncompromising principles needed to thrive in a world that seems to reward conformity. Above all, *The Art of Creative Rebellion* is a guide to shaping a life, career and reality that nourishes the spirit and feeds the soul—without compromises or apologies.

*Max Einstein: Rebels with a Cause* Knopf

In this whirlwind regency romance, perfect for fans of Netflix's *Bridgerton*, a near-death experience leads to a marriage of convenience for two unsuspecting strangers, but will their unusual meeting lead them to true love? Lady Amelia was raised to be the perfect duchess, accomplished in embroidery, floral arrangement, and managing a massive household. But when an innocent mistake forces her and the uncouth, untitled Benedict Asterly into a marriage of convenience, all her training appears to be for naught. Even worse, she finds herself inexplicably drawn to this man no finishing school could have prepared her for. Benedict Asterly never dreamed saving Amelia's life would lead to him exchanging vows with the hoity society miss. Benedict was taught to distrust the aristocracy at a young age, so when news of his marriage endangers a business deal, Benedict is wary of Amelia's offer to help. But his quick-witted, elegant bride defies all his expectations . . . and if he's not careful, she'll break down the walls around his guarded heart.

University of Texas Press

Whatever your ambitions, ideas and challenges, this book will revolutionize the way you live, think and work today, and tomorrow. Pirates didn't just break the rules, they rewrote them. They didn't just reject society, they reinvented it. Pirates didn't just challenge the status-quo, they changed everything. Pirates faced a self-interested establishment, a broken system, industrial scale disruption and an uncertain future. Sound familiar? Pirates stood for MISCHIEF, PURPOSE and POWER. And you can too. In *Be More Pirate*, Sam Conniff Allende unveils the innovative strategies of Golden Age pirates, drawing parallels between the tactics and teachings of legends like Henry Morgan and Blackbeard with modern rebels, like Elon Musk, Malala and Banksy. Featuring takeaway sections and a guide to build your own pirate code 2.0, *Be More Pirate* will show you how to leave your mark on the 21st century. So what are you waiting for? Join the rebellion now. ----- 'Unique...reminds me of the fun we've had with our airlines' - Sir Richard Branson 'Totally compelling' Ed Miliband 'I'd rather be a pirate than join the navy' Steve Jobs 'A model for how to break the system and create radical change' Evening Standard 'Be More Pirate feels so important as it looks to history to help us grip the future' Martha Lane Fox 'This isn't a book, it's the beginning of a movement. *Be More Pirate* should

come with a health warning' Tom Goodwin, author of *Digital Darwinism*

#### Rebels with a Cause Simon and Schuster

The world's #1 bestselling author has teamed up with the world's most famous genius to entertain, educate and inspire a generation of kids--with the first and only kids' book series officially approved by the Albert Einstein Archives. Albert Einstein + James Patterson = A Must Read! Max is back with a thrilling new adventure that involves time travel, creepy bad guys, killer drones, and a shocking mystery about her past that she will stop at nothing to solve! Under constant danger of being kidnapped by the shadowy Corporation, Max is on the run from New York to London and beyond. But soon the call comes for the Change Maker kids' next mission: make sure no kid ever goes hungry again! If anyone can tackle a problem this big, Max and her genius friends can. But mysterious clues about her past keep distracting Max's focus. She always wanted to know who her parents were and why they abandoned her as a baby. If she manages to build a time machine, she could find them and get all the answers! What's more important - her past, or the future of the Change Makers?

#### Resisting Occupation in Kashmir OUP USA

From NYU professor of developmental psychology Niobe Way, an in-depth exploration about what boys and young men teach us about themselves, us, and the toxic culture we have created, one in which we value money over people, toys over human connection, and academic achievement over kindness. Based on her longitudinal and mixed-method research over thirty-five years, *Rebels with a Cause* is a true call to action to change the culture so that we stop the vicious cycle of violence and blame. Dr. Niobe Way has spent her career researching social and emotional development and finds that boys and young men desperately want and need the same thing as everyone else: close friendships. Yet they and we grow up in a stereotyped "boy" culture, one that devalues and mocks those relationships, rather than recognizing that they're necessary for human survival. In *Rebels with a Cause*, Way takes her message one step beyond her previous book, *Deep Secrets*, which was the inspiration for an Oscar-nominated film *Close*, to reveal how these "rebels," as she calls the boys and young men in her research and in her classrooms, teach us about their and our crisis of connection,

evidence of which is visible in our soaring rates of depression, anxiety, loneliness, suicide, and mass violence. They also teach us about the solutions to the crisis, which is to care, to listen with curiosity, and to take individual and collective responsibility for the damage we have done to them, to ourselves, and to the world around us. Way provides us not only with data-driven insight into the roots and consequences of this crisis of connection, but also offers us concrete and empirically tested strategies for creating a culture that better aligns with our human nature and our human needs. Her book reminds us that "it's not the rebels who cause the troubles of the world, it's the troubles that cause the rebels." The time to listen to and act on what young rebels have been telling us for almost a century is now.

#### *Rebels for the Cause* Jessica Kingsley Publishers

*Rebels on the Border* offers a remarkably compelling and significant study of the Civil War South's highly contested and bloodiest border states: Kentucky and Missouri. By far the most complex examination to date, the book sharply focuses on the "borderland" between the free North and the Confederate South. As a result, *Rebels on the Border* deepens and enhances understanding of the sectional conflict, the Civil War, and Reconstruction. After slaves in central Kentucky and Missouri gained their emancipation, author Aaron Astor contends, they transformed informal kin and social networks of resistance against slavery into more formalized processes of electoral participation and institution building. At the same time, white politics in Kentucky's Bluegrass and Missouri's Little Dixie underwent an electoral realignment in response to the racial and social revolution caused by the war and its aftermath. Black citizenship and voting rights provoked a violent white reaction and a cultural reinterpretation of white regional identity. After the war, the majority of wartime Unionists in the Bluegrass and Little Dixie joined former Confederate guerrillas in the Democratic Party in an effort to stifle the political ambitions of former slaves. *Rebels on the Border* is not simply a story of bitter political struggles, partisan guerrilla warfare, and racial violence. Like no other scholarly account of Kentucky and Missouri during the Civil War, it places these two crucial heartland states within the broad context of local, southern, and national politics.

#### **[Un]framing the "Bad Woman"** Random House

Ready to stand up and create positive change at work, but

reluctant to speak up? True leadership doesn't always come from a position of power or authority. By teaching you skills and providing practical advice, this handbook shows you how to engage your coworkers and bosses and bring your ideas forward so that they are heard, considered, and acted upon. Authors Carmen Medina and Lois Kelly—once rebels themselves—reveal ways to navigate your workplace, avoid common mistakes and traps, and overcome the fears that may be holding you back. You can achieve more success and less frustration, help your organization do better work, and—most important—find more meaning and joy in what you do.

**Hacktivism and Cyberwars** Hachette UK

*Rebels With A Cause* Basic Books

*Rebels on the Border* Harmony

This is the first book to examine and compare how rebels govern civilians during civil wars in Latin America, Africa, Asia, and Europe. Drawing from a variety of disciplinary traditions, including political science, sociology, and anthropology, the book provides in-depth case studies of specific conflicts as well as comparative studies of multiple conflicts. Among other themes, the book examines why and how some rebels establish both structures and practices of rule, the role of ideology, cultural, and material factors affecting rebel governance strategies, the impact of governance on the rebel/civilian relationship, civilian responses to rebel rule, the comparison between modes of state and non-state governance to rebel attempts to establish political order, the political economy of rebel governance, and the decline and demise of rebel governance attempts.

*Rebel with a Cause* Capstone Classroom

New York Times bestselling author Beth Revis brings to life the early adventures and heartbreaks of the heroine of the smash hit movie *Rogue One: A Star Wars Story*. When Jyn Erso was five years old, her mother was murdered and her father taken from

her to serve the Empire. But despite the loss of her parents she is not completely alone—Saw Gerrera, a man willing to go to any extremes necessary in order to resist Imperial tyranny, takes her in as his own, and gives her not only a home but all the abilities and resources she needs to become a rebel herself. Jyn dedicates herself to the cause—and the man. But fighting alongside Saw and his people brings with it danger and the question of just how far Jyn is willing to go as one of Saw's soldiers. When she faces an unthinkable betrayal that shatters her world, Jyn will have to pull the pieces of herself back together and figure out what she truly believes in...and who she can really trust.

**Rebel Without a Cause** jimmy patterson

Mei Lin, a woman warrior, and pigboy Wang Lee find love, intrigue, adventure, and danger as rebels seeking to overthrow the Chinese emperor during the 1850s amid the Taiping Rebellion.

*Rebels by Accident* University of Texas Press

Democratic societies take pride in the freedom of expression. Indeed, the right to dissent and tolerance of diverse viewpoints distinguish a democratic society from a dictatorship. In his new book, Prof. T.T. Ram Mohan profiles well-known dissenters Arundhati Roy, Oliver Stone, Kancha Ilaiah, David Irving, Yanis Varoufakis, U.G. Krishnamurti and John Pilger to illustrate how, in practice, dissent tends to be severely circumscribed. It is only the celebrity status of these dissenters that has kept them from being actively harmed. Through an exploration of the lives and ideas of these personalities, the author argues that, while one may not agree with their positions on various issues, their views merit discussion and debate. Engaging with them and responding to their analyses holds out the prospect for substantive reform within the system. Yet, the dominant elites prefer not to do so, instead marginalizing and even ostracizing dissenters precisely because they find change of any sort threatening. *Rebels with a Cause* is a book that asks hard questions to challenge the way we

view, and live in, the world—an important book for anyone who refuses to accept the status quo.

*Star Wars: Rebel Rising* Routledge

Social Marketing involves the application of marketing techniques (usually associated with promoting consumption) to social ends. This new addition will arm the socially conscious marketing student with: Case studies from across the globe, accessible exercises, engaging stories and online support with an expanded and enhanced companion website which will all enable you to think critically about the individual and systemic drivers of both harm and progress, and provide you with the tools to act. This popular introductory textbook has been thoroughly updated to enable students to challenge the bad, champion the good and become rebels with a cause. Now including more on systems thinking, evaluation and apps, Hastings and Domegan also introduce the influential new 3Cs model (Containment, Counter-Marketing, Critical Capacity Building). This book is essential reading for all social marketing, marketing ethics, and marketing and society courses. Cover Picture: 'La Sardane de la Paix' by Pablo Picasso. The sardane is a traditional circle dance from Catalonia which has come to symbolise the struggle of ordinary people against oppression, from Napoleon through Hitler and Franco and into the modern era. The individual dancer holds his or her hands in the air in a gesture of autonomy and empowerment, and is able to maintain what would quickly become a tiring stance thanks to the supporting hands of her fellow-dancers. It illustrates the key social marketing lesson that addressing complex social problems, such as climate change or inequalities – as with dictators – requires a combination of individual agency and collective action. It also shows that critical analysis, the questioning and challenging of the current system, lies at the heart of progressive social change, and that good social marketers should be rebels with a cause.
