Anne of West Philly Delacorte Press

Based on Portuguese legend, this #OwnVoices historical fantasy is an epic tale of mystery, magic, and making the impossible choice between love and duty... With just one touch, bread turns into roses. With just one bite, cheese turns into lilies. There's a famine plaguing the land, and Princess Yzabel is wasting food simply by trying to eat. Before she can even swallow, her magic—her curse—has turned her meal into a bouquet. She's on the verge of starving, which only reminds her that the people of Portugal have been enduring the same pain for years. If only it were possible to reverse her magic. Then she could turn flowers into food. Fatyan, a beautiful Enchanted Moura, is the only one who can help. But she is trapped by magical binds. She can teach Yzabel how to control her curse—if Yzabel sets her free with a kiss. As the King of Portugal's betrothed, Yzabel would be committing treason, but what good is a king if his country has starved to death? With just

one kiss, Fatyan is set free. And with just one kiss, Yzabel is yearning for more. She'd sought out Fatyan to help her save the people. Now, loving her could mean Yzabel's destruction. A Curse of Roses includes themes, imagery, and content that might be triggering for some readers.

Discussions of religious-based self harm, religious-based eating disorders, and religious-based internalized homophobia appear throughout the novel.

Curse of the Night Witch Dean, part of Farshore

The heart-stopping third installment in the New York Times bestselling Shatter Me series, which Ransom Riggs, author of *Miss Peregrine's Home for Peculiar Children* and *Hollow City*, called "a thrilling, high-stakes saga of self-discovery and forbidden love." With Omega Point destroyed, Juliette doesn't know if the rebels, her friends, or even Adam are alive. But that won't keep her from trying to take down The Reestablishment once and for all. Now she must rely on Warner, the handsome commander of Sector 45. The one person she never thought she could trust. The same person who saved her life. He promises to help Juliette master her powers and save their dying world . . . but that's not all he wants with her. The Shatter Me series is perfect for fans who crave

action-packed young adult novels with tantalizing romance like *Red Queen* by Victoria Aveyard, *The Hunger Games* by Suzanne Collins, and *Legend* by Marie Lu. Tahereh Mafi has created a captivating and original story that combines the best of dystopian and paranormal and was praised by *Publishers Weekly* as "a gripping read from an author who's not afraid to take risks." This bestselling series from powerhouse author Tahereh Mafi showcases relentlessly thrilling action, heart-stopping romance, and a war-torn world in which rebellion is the only path to freedom. And don't miss *Watch Me*, the first book in a new series in the Shatter Me universe set ten years after the fall of The Reestablishment, on sale in April 2025!

Defy Me Harbour Publishing

Juliette and Warner's story continues in the thrilling fifth installment of Tahereh Mafi's New York Times bestselling Shatter Me series. Juliette Ferrars isn't who she thinks she is. Nothing in her world is what it seemed. She thought she'd finally defeated the Reestablishment. She thought she'd finally taken control of her life, her power, and her pain. But Juliette has only just begun to unravel a lifetime of lies, and she finds herself faced with a familiar choice: Be a weapon. Or be a

warrior. This time, she’s not alone. Stronger, braver, and more resilient than ever, Juliette will fight for life and love with her friends by her side—but first, she has to survive the war being waged against her mind: She has to remember who she was. Narrated by Juliette, Warner, and Kenji Kishimoto, this gripping novel will leave readers hungry for *Imagine Me*, the sixth novel in the series.

The girl with the power to kill with a single touch now has the world in the palm of her hand. Juliette Ferrars thought she’d won. She took over Sector 45, was named the new Supreme Commander of North America, and now has Warner by her side. But when tragedy strikes, she must confront the darkness that dwells both around and inside her. Who will she become in the face of adversity? Will she be able to control the power she wields, and use it for good? This bestselling series from powerhouse author Tahereh Mafi showcases relentlessly thrilling action, heart stopping romance, and a war-torn world in which rebellion is the only path to freedom. “Will have fans groaning aloud for the next installment.”—Booklist

Reveal Me Penguin

The explosive finale to the New York Times and USA Today bestselling *Shatter Me* series. Juliette Ferrars. Ella Sommers. Which is the truth and which is the lie? Now that Ella knows who Juliette is and what she was created for, things have only become more complicated. As she struggles to understand the past that haunts her and looks to a future more uncertain than ever, the lines between right and wrong—between Ella and Juliette—blur. And with old enemies looming, her destiny may not be her own to control. The day of reckoning for the Reestablishment is coming. But she may not get to choose what side she fights on.

Imagine Me Electric Monkey

Ava is a firebug—she can start fires with her mind. Which would all be well and good if she weren't caught in a deadly contract with the Coterie, a magical mafia. She's one of their main hitmen . . . and she doesn't like it one bit. Not least because her boss, Venus, killed Ava's mother. When Venus asks Ava to kill a family friend, Ava rebels. She knows very well that you can't say no to the Coterie and expect to get away with it, though, so she and her friends hit the road, trying desperately to think of a way out of the mess they find themselves in. Preferably keeping the murder to a minimum, in Lish McBride's *Firebug*.

Shatter City HarperCollins

Return to the stunning world of IMPOSTORS in this new book by global bestselling author Scott Westerfeld. When the world sees Frey, they think they see her twin sister Rafi. Frey was raised to be Rafi's double, and now she's taken on the role . . . without anyone else knowing. Her goal? To destroy the forces that created her. But with the world watching and a rebellion rising, Frey is forced into a detour. Suddenly she is stranded on her own in Paz, a city where many of the citizens attempt to regulate their emotions through an interface on their arms. Paz is an easy place to get lost . . . and also an easy place to lose yourself. As the city comes under a catastrophic attack, Frey must leave the shadows and enter the chaos of warfare - because there is no other way for her to find her missing sister and have her revenge against her murderous father.

The Wild Ones HarperCollins

From bestselling and National Book Award-nominated author Tahereh Mafi comes a stunning novel about love and loneliness, navigating the hyphen of dual identity, and reclaiming your right to

joy—even when you’re trapped in the amber of sorrow. It’s 2003, several months since the US officially declared war on Iraq, and the American political world has evolved. Tensions are high, hate crimes are on the rise, FBI agents are infiltrating local mosques, and the Muslim community is harassed and targeted more than ever. Shadi, who wears hijab, keeps her head down. She's too busy drowning in her own troubles to find the time to deal with bigots. Shadi is named for joy, but she’s haunted by sorrow. Her brother is dead, her father is dying, her mother is falling apart, and her best friend has mysteriously dropped out of her life. And then, of course, there’s the small matter of her heart— It’s broken. Shadi tries to navigate her crumbling world by soldiering through, saying nothing. She devours her own pain, each day retreating farther and farther inside herself until finally, one day, everything changes. She explodes. An Emotion of Great Delight is a searing look into the world of a single Muslim family in the wake of 9/11. It’s about a child of immigrants forging a blurry identity, falling in love, and finding hope—in the midst of a modern war.

Firebug Penguin

Restore Me Harper Collins

A captivating new thriller in the *Wakeland* detective series that explores the depths of Vancouver’s criminal underworld. Caught between the grimy and glittering sides of Vancouver’s streets, private investigator Dave Wakeland tries to keep his head down at the elite security firm he owns with partner Jeff Chen. But when masked men and women storm an ordinary-looking office building in Chinatown, leaving a trail of carnage, Wakeland finds himself caught up in a mystery that won’t let him go, as hard as he tries to elude it. The police have a vested interest in finding the shooters, and so does the leader of the Exiles motorcycle gang. Both want Wakeland’s help. The deeper he investigates, the more connections he uncovers: to a reclusive millionaire with ties to organized crime, an international security company with a sinister reputation, and a high-ranking police officer who seems to have a personal connection to the case. When the shooters themselves start turning up dead, Wakeland realizes the only way to guarantee his own safety, and that of the people he loves, is by finding out who hired the shooters and why. What Wakeland uncovers are secrets no one wants known—a botched undercover operation, an ambitious gangster and a double-crossing killer who used the shooting to cover up another crime. With a setup like this, anything can go wrong, and does. Skill and luck are needed for Wakeland and Chen to emerge with the killers, the money and their own lives.

The Immortal Rules HarperCollins UK

"A beautiful, lyrical, and achingly brilliant story about love, grief, and family. Henry's writing will leave you breathless." —BuzzFeed Romeo and Juliet meets *One Hundred Years of Solitude* in Emily Henry's brilliant follow-up to *The Love That Split the World*, about the daughter and son of two long-feuding families who fall in love while trying to uncover the truth about the strange magic and harrowing curse that has plagued their bloodlines for generations. In their hometown of Five Fingers, Michigan, the O'Donnells and the Angerts have mythic legacies. But for all the tall tales they weave, both founding families are tight-lipped about what caused the century-old rift between them, except to say it began with a cherry tree. Eighteen-year-old Jack “June” O'Donnell doesn't need a better reason than that. She's an O'Donnell to her core, just like her late father was, and O'Donnells stay away from Angerts. Period. But when Saul Angert, the son of June's father's mortal enemy, returns to town after three mysterious years away, June can't seem to avoid him. Soon the unthinkable happens: She finds she doesn't exactly hate the gruff, sarcastic boy she was born to loathe. Saul's arrival sparks a chain reaction, and as the magic, ghosts, and coywolves of Five Fingers conspire to reveal the truth about the dark moment that started the feud, June must question everything she knows about her family and the father she adored. And she must decide whether it's finally time for her—and all of the O'Donnells before her—to let go.
