Mary and Martha HarperCollins

"American historians began producing in-depth studies of slavery and slave life shortly after World War II, but it was not until the early 1980s that the country's museums took the first tentative steps to interpret those same controversial topics. Perhaps because of the tremendous amount of primary material related to

George Washington, almost no one looked into the lives of Mount Vernon's enslaved population. Incorporating the results of detailed digging, of both the archaeological and archival varieties, the number of chapters grew as further questions arose. While a few scholars outside Mount Vernon turned their attention to Washington's changing ideas about slavery, they largely overlooked the daily lives of those who were enslaved on the estate, a subject about which visitors expressed a desire to know more. The resulting book makes use of a wide range

of sources, including letters, financial ledgers, work reports, travel diaries kept by visitors to Mount Vernon, the reminiscences of family members, former slaves, and neighbors, reports by archaeologists, and surviving artifacts to flesh out the lives of a people who left few written records, but made up 90 percent of the estate's population. The book begins with a look at George and Martha Washington as slaveowners, before turning to various facets of slave life ranging from work, to family life, housing, foodways, private enterprise, and

resistance. Along the way, readers will see a relationship between Washington's military career and his style of plantation management, learn of the many ways slaves rebelled against their condition, and get to know many of the enslaved people who made Mount Vernon their home"--
George Washington's Mother Forgotten Books

"Built on her ... Modern Love column, 'When a Couch is More Than a Couch' (9/23/2016), a ... memoir of living meaningfully with 'death in the room' by the 38-year-old great-great-great granddaughter of Ralph Waldo Emerson--mother to two young boys, wife of 16 years--after her terminal cancer diagnosis"--

Master George's People Good Press
 Mary Ball was born in Virginia in 1706. She married Augustin Washington, a widower with two sons, in 1730. Her oldest child, George Washington, was born in Westmoreland County. The family then moved to an estate in Stafford County, Virginia, when her other two sons and three daughters were born. She died at Fredericksburg, Virginia, in 1789.

Realistic Visionary e-artnow

White Like Her: My Family's Story of Race and Racial Passing is the story of Gail Lukasik's mother's "passing," Gail's struggle with the shame of her mother's choice, and her subsequent journey of self-discovery and redemption. In the historical context of the Jim Crow South, Gail explores her mother's decision to pass, how she hid her secret even from her own husband, and the price she paid for choosing whiteness. Haunted by her mother's fear and shame, Gail embarks on a quest to uncover her mother's racial lineage, tracing her family back to eighteenth-century colonial Louisiana. In coming to terms with her decision to publicly out her mother, Gail changed how she looks at race and heritage. With a foreword written by Kenyatta Berry, host of PBS's Genealogy Roadshow, this unique and fascinating story of coming to terms with oneself breaks down barriers.

George Washington's Hair Madison & Adams Press

An insightful biography of Mary Ball Washington, the mother of our nation's father The Widow Washington is the first life of Mary Ball Washington, George Washington's mother, based on archival sources. Her son's biographers have, for the most part, painted her as self-centered and crude, a trial and an obstacle to her oldest child. But the records tell a very different story. Mary Ball, the daughter of a wealthy planter and a formerly indentured servant, was orphaned young and grew up working hard, practicing frugality and piety. Stepping into Virginia's upper class, she married an older man, the planter Augustine Washington, with whom she had five children before his death eleven years later. As a widow deprived of most of her late husband's properties, Mary struggled to raise her children, but managed to secure them places among Virginia's elite. In her later years, she and her wealthy son George had a contentious relationship, often disagreeing over money, with George dismissing as

imaginary her fears of poverty and helplessness. Yet Mary Ball Washington had a greater impact on George than mothers of that time and place usually had on their sons. George did not have the wealth or freedom to enjoy the indulged adolescence typical of young men among the planter class. Mary's demanding mothering imbued him with many of the moral and religious principles by which he lived. The two were strikingly similar, though the commanding demeanor, persistence, athleticism, penny-pinching, and irascibility that they shared have served the memory of the country's father immeasurably better than that of his mother. Martha Saxton's *The Widow Washington* is a necessary and deeply insightful corrective, telling the story of Mary's long, arduous life on its own terms, and not treating her as her son's satellite. *The Mother of Washington and Her Times* Arcadia Publishing

BOOK OF THE YEAR "In her form-
shattering and myth-crushing book....Coe
examines myths with mirth, and writes
history with humor... [You Never Forget

Your First] is an accessible look at a president who always finishes in the first ranks of our leaders." —Boston Globe Alexis Coe takes a closer look at our first-- and finds he is not quite the man we remember Young George Washington was raised by a struggling single mother, demanded military promotions, caused an international incident, and never backed down--even when his dysentery got so bad he had to ride with a cushion on his saddle. But after he married Martha, everything changed. Washington became the kind of man who named his dog Sweetlips and hated to leave home. He took up arms against the British only when there was no other way, though he lost more battles than he won. After an unlikely victory in the Revolutionary War cast him as the nation's hero, he was desperate to retire, but the founders pressured him into the presidency--twice. When he retired years later, no one talked him out of it. He left the highest office heartbroken over the partisan nightmare his backstabbing cabinet had created. Back on his plantation, the man who fought for liberty must confront his greatest hypocrisy--what to do with the

men, women, and children he owns-- before he succumbs to death. With irresistible style and warm humor, *You Never Forget Your First* combines rigorous research and lively storytelling that will have readers--including those who thought presidential biographies were just for dads--inhaling every page.

Mary and Martha HarperCollins
Excerpt from *Mary and Martha, the Mother and the Wife of George Washington* So quiet, so unostentatious, so eminently domestic were the lives of the mother and the wife of George Washington that the biographer and the historian have rarely mentioned theirs as distinct from their relations as mother and wife of that illustrious man. For a faithful portraiture of the character and deeds of either of these notable women, the sum of trustworthy materials to be found in memoirs, annals, or records, is very meagre. And yet the lives of these two women were indissolubly associated with the earthly destiny of one of the grandest characters in the world's history: one as his maternal guide in his childhood and youth, and the other as his conjugal companion and counsellor in his manhood and exalted

career. From 1848 until late in 1860, I was a frequent visitor at Arlington House, in Virginia, the pleasant seat of the late George Washington Parke Custis. It is situated upon high ground on the right bank of the Potomac River, overlooking the cities of Washington and Georgetown. Mr. Custis was a grandson of Martha Washington, and one of the two foster-children of her husband. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. This carefully crafted collection of Sara Agnes Rice Pryor's works is formatted for your eReader with a functional and detailed table of contents: *The Mother of Washington and her Times Reminiscences of Peace and War* *The Birth of the Nation: Jamestown, 1607* *Autobiography of Sara Agnes Rice Pryor - My Day: Reminiscences of a Long Life* [The Indian World of George Washington](#) Literary Licensing, LLC *In the Name of the Mother* examines the cultural relationship between African American intellectuals and Italian American writers and artists, and how it relates to American blackness in the twentieth century. Samuele Pardini links African American literature to the Mediterranean tradition of the Italian immigrants and examines both against the white intellectual discourse that defines modernism in the West. This previously unexamined encounter offers a hybrid, transnational model of modernity capable of producing democratic forms of aesthetics, social consciousness, and political economy. This volume emphasizes the racial "in-betweenness" of Italian Americans rearticulated as

"invisible blackness," a view that enlarges and complicates the color-based dimensions of American racial discourse. This strikingly original work will interest a wide spectrum of scholars in American Studies and the humanities.

The Mother of George Washington Simon and Schuster

"The gifted historian Craig Shirley has written a surprising and important account of an essential figure long shrouded in the mists of time and legend: Mary Ball Washington, the woman who gave us the Father of our country." — Jon Meacham, Pulitzer Prize winner and number-one New York Times bestselling author of *Destiny and Power*, *American Lion*, and *Thomas Jefferson* "George Washington: gentleman farmer, revered military general, first American president, Father of our country . . . and son with mother issues? Craig Shirley brings to life America's first First Family in vivid detail, in this dazzling biography of George's colorful—and often difficult—mother. This riveting page-turner puts you at the center of one of the greatest Colonial family dramas—and you will see Washington and the forces that made him in a whole new light." — Monica

Crowley, New York Times bestselling author and columnist for the Washington Times “To read this magnificent biography of America’s First Mother is to understand the founding of our great nation from a fresh vantage point. Craig Shirley is at once a first-rate historian and a spellbinding writer. Mary Ball Washington is a major contribution to Colonial and early republic scholarship. Highly recommended!” — Douglas Brinkley, Katherine Tsanoff Brown Chair in Humanities and professor of history at Rice University, and CNN’s Presidential Historian “Craig Shirley brings the same appetite for fresh facts and original insights he applied to Ronald Reagan and Franklin Roosevelt to Mary Ball Washington, the mother—and prime shaper—of George Washington.” — Michael Barone, resident fellow at the American Enterprise Institute “Craig Shirley has delivered a long-overdue, captivating book about the exceptional mother of the Father of our country.” — Gay Hart Gaines, former Regent of the Mount Vernon Ladies’ Association “Written with verve, fairness and sympathetic imagination...it fills a long-standing void in

our understanding of how George Washington evolved from an ambitious, largely self-educated young provincial who had trouble controlling his temper, into an inspiring, stoically self-disciplined leader of men.” — Washington Times
George Washington Gómez National Geographic Books
 Describes the life of the mother of our first president and her relationship with her children.
Contemplations Moral and Divine Penguin
 In 'Mary Ball Washington: The Mother of George Washington and her Times (Illustrated Edition)', Sara Agnes Rice Pryor delves into the life of Mary Ball Washington, the mother of the first President of the United States, George Washington. This biographical work not only explores the personal and family life of Mary Washington but also provides a vivid portrayal of the historical context during her time. Pryor's detailed narrative and inclusion of illustrations offer a comprehensive understanding of the role of women in early American history. The book combines historical facts with engaging storytelling, making it an essential read for those interested in

American history and the experiences of women in the 18th century. Sara Agnes Rice Pryor's meticulous research and writing style elevate the biography to a scholarly work that sheds light on a lesser-known figure in American history. Through 'Mary Ball Washington', Pryor brings to life the complexities and challenges faced by women of that era, while highlighting the significant influence of Mary Washington on her renowned son, George Washington. This book is highly recommended for history enthusiasts looking to explore the untold stories of influential women in early America.

Mother Land Penguin

As the first President of the United States of America and the Commander in Chief who led a rebel army to victory in the Revolutionary War, George Washington was a legendary leader of men. He had high expectations of his soldiers, employees, and associates. At his Virginia plantation, Mount Vernon, his expectations of his workers were no different: "I expect such labor as they ought to render" he wrote. Except there was a big difference. The workers who kept Mount Vernon operating were enslaved. And although

Washington called them "my people," by law they were his property. But the people of Mount Vernon were so much more, and they each have compelling stories to tell. These are fascinating portraits of cooks, overseers, valets, farm hands, and more-essential people nearly lost in the shadows of the past- interwoven with an extraordinary examination of the conscience of the Father of Our Country.

"The Only Unavoidable Subject of Regret" Arte Publico Press

This Is A New Release Of The Original 1886 Edition.

Mary and Martha, the Mother and the Wife of George Washington University of Virginia Press

A "must-read . . . gorgeous and intimate" novel that demystifies the idea of the selfless Japanese mother and the adult daughter honor-bound to care for her (Washington Post) Mitsuki Katsura, a Japanese woman in her mid-50s, is a French-language instructor at a private university in Tokyo. Her husband, whom she met in Paris, is a professor at another private university. He is having an affair with a much younger woman. In addition to her husband's infidelity, Mitsuki must

deal with her ailing 80-something mother, a demanding, self-absorbed woman who is far from the image of the patient, self-sacrificing Japanese matriarch. Mitsuki finds herself dreaming of the day when her mother will finally pass on. While doing everything she can to ensure her mother's happiness, she grows weary of the responsibilities of a doting daughter and worries she is sacrificing her chance to find fulfillment in her middle age.

Inheritance from Mother not only offers insight into a complex and paradoxical culture, but is also a profound work about mothers and daughters, marriage, old age, and the resilience of women.

The Bright Hour Macmillan + ORM

Mostly hidden from public view, like an embarrassing family secret, scores of putative locks of George Washington's hair are held, more than two centuries after his death, in the collections of America's historical societies, public and academic archives, and museums. Excavating the origins of these bodily artifacts, Keith Beutler uncovers a forgotten strand of early American memory practices and emerging patriotic identity. Between 1790 and 1840, popular memory took a turn

toward the physical, as exemplified by the craze for collecting locks of Washington's hair. These new, sensory views of memory enabled African American Revolutionary War veterans, women, evangelicals, and other politically marginalized groups to enter the public square as both conveyors of these material relics of the Revolution and living relics themselves. George Washington's Hair introduces us to a taxidermist who sought to stuff Benjamin Franklin's body, an African American storyteller brandishing a lock of Washington's hair, an evangelical preacher burned in effigy, and a schoolmistress who politicized patriotic memory by privileging women as its primary bearers. As Beutler recounts in vivid prose, these and other ordinary Americans successfully enlisted memory practices rooted in the physical to demand a place in the body politic, powerfully contributing to antebellum political democratization.

Mary and Martha, the Mother and the Wife of George Washington Good Press

Examines the accomplishments and mistakes made by George Washington, discussing why he was sensitive to

criticism and slow to accept blame, but still managed to envision a free and united America.

George Washington's Virginia e-artnow
 “Lively and evocative, *Mother Land* is a deftly crafted exploration of identity and culture, with memorable and deeply human characters who highlight how that which makes us different can ultimately unite us.”—Amy Myerson, author of *The Bookshop of Yesterdays* and *The Imperfects* From the critically acclaimed author of *America for Beginners*, a wonderfully insightful, witty, and heart-piercing novel, set in Mumbai, about an impulsive American woman, her headstrong Indian mother-in-law, and the

unexpected twists and turns of life that bond them. When Rachel Meyer, a thirtysomething foodie from New York, agrees to move to Mumbai with her Indian-born husband, Dhruv, she knows some culture shock is inevitable. Blessed with a curious mind and an independent spirit, Rachel is determined to learn her way around the hot, noisy, seemingly infinite metropolis she now calls home. But the ex-pat American’s sense of adventure is sorely tested when her mother-in-law, Swati, suddenly arrives from Kolkata—a thousand miles away—alone, with an even more shocking announcement: she’s left her husband of more than forty years and moving in with them. Nothing the newlyweds say can budge the steadfast

Swati, and as the days pass, it becomes clear she is here to stay—an uneasy situation that becomes more difficult when Dhruv is called away on business. Suddenly these two strong-willed women from such very different backgrounds, who see life so differently, are alone together in a home that each is determined to run in her own way—a situation that ultimately brings into question the very things in their lives that had seemed perfect and permanent . . . with results neither of them expect. Heartfelt, charming, deeply insightful and wise, *Mother Land* introduces us to two very different women from very different cultures . . . who maybe aren’t so different after all.
