Now, with the big school dance coming up, time is running short for Dany, Madison, and their

WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE One of the New York Times's 100 Best Books of the 21st Century Shortlisted for the 2019 Man Booker International Prize Considered by many to be the iconic French memoirist's defining work and a breakout bestseller when published in France in 2008 *The Years* is a personal narrative of the period 1941 to 2006 told through the lens of memory, impressions past and present—even projections into the future—photos, books, songs, radio, television and decades of advertising, headlines, contrasted with intimate conflicts and writing notes from 6 decades of diaries. Local dialect, words of the times, slogans, brands and names for the ever-proliferating objects, are given voice here. The voice we

recognize as the author's continually dissolves and re-emerges. Ernaux makes the passage of time palpable. Time itself, inexorable, narrates its own course, consigning all other narrators to anonymity. A new kind of autobiography emerges, at once subjective and impersonal, private and collective. On its 2008 publication in France, *The Years* came as a surprise. Though Ernaux had for years been hailed as a beloved, bestselling and award-winning author, *The Years* was in many ways a departure: both an intimate memoir "written" by entire generations, and a story of generations telling a very personal story. Like the generation before hers, the narrator eschews the "I" for the "we" (or "they", or "one") as if collective life were inextricably intertwined with a private life that in her parents' generation ceased to exist. She writes of her parents' generation (and could be writing of her own book): "From a common fund of hunger and fear, everything was told in the "we" and impersonal pronouns." Co-winner of the 2018 French-American Foundation Translation Prize in Nonfiction Winner of the 2017 Marguerite Yourcenar Prize for her entire body of work Winner of the 2016 Strega European Prize

Not an Alphabet Book: The Case of the Missing Cake Scholastic Paperbacks

Bouncer, Ariol's rabbit classmate, is the best one at sports (even if he wears a dental device). That's just one typical detail you'll discover in the latest all-new collection of twelve delicately delightful Ariol stories. Ariol, that cute little blue donkey with the big eye glasses, whose best friend is a pig, who is hopelessly in love with a cow, while a fly is equally head-over-heels in love with him (not that he cares). Ariol's ever-expanding universe features

many endearing characters that will remind you of your friends and (possibly) your enemies too. After all, Ariol's just a donkey like you and me.

**Salina: The Three Exiles** BD Kids

A son recounts the epic story of his late mother's life in this mythic novel of love, family, hatred, and revenge. When Salina dies, it falls to her youngest son to tell her story, a story of violence and suffering, vengeance and passion. Exiled three times, the first time as a newborn abandoned outside a village by a mysterious horseman, Salina was taken in and raised by a clan that only ever saw her as a stranger and an enemy to be defeated. Three times a mother, her children born from strife, Salina never knew love, and revenge became her reason to live. To gain admittance to the cemetery, to a place of peace at last, Salina's son must face up and tell the tale of Salina's ordeals—her rape the most harrowing—in minute detail. He has no choice but to give voice to all that for years fed into Salina's rage. With this short novel set in an ancestral world, Laurent Gaudé explores a narrative space where time flows to rhythmic rituals, where fate blurs to legend, and secrets become myth. Praise for *Salina: The Three Exiles* "It's a simply superb text, a perfect accomplishment uniting two of Laurent Gaudé's talents, playwriting and novel writing." —Livres Hebdo "With this sun scorched ode of a novel, [Laurent Gaudé] confirms that he is one of our greatest storytellers." —Philippe Chevilley, *Les Echos* "A brief and powerful tale. A striking reflection on exile and vengeance." —François Busnel, *France5* "Tenaciously beautiful, this brief epic has the astonishing power of a myth." —Claire Julliard, *L'Obs* "Beautiful, powerful, and moving. Between African

tale and ancient tragedy, tinged with universal and very modern accents, Laurent Gaudé has written a brief novel that is insanely powerful.” —Bernard Lehut, RTL

**Making Friends: Back to the Drawing Board: A Graphic Novel (Making Friends #2)** BD Kids

Wendell Flutz's room isn't a mess. It's a total pigsty. But Wendell's mother can't get him to clean it up. Wendell doesn't think the mess is so awful. In fact, he doesn't even mind it when one day he discovers a real pig sitting on his bed. Full color.

*Ariol, Tome 12* Hesperus Press

Voici douze nouveaux épisodes de la vie d'Ariol, le craquant petit âne à lunettes qui connaît tous les problèmes existentiels des enfants timides et attachants... Dans ce onzième volume, Ariol n'a pas pris une ride. Toujours amoureux de Pétula, qui ne le lui rend pas, alors que Bisibille se consume d'amour pour lui. Ramono est son meilleur copain, Tiburge son ennemi juré. Et dans la classe de monsieur Le Blount, le petit âne s'entend plutôt bien avec tout le monde, y compris Vanesse, la petite grenouille. D'ailleurs, lorsqu'elle perd sa grand-mère, Ariol se trouve malgré lui embarqué dans l'organisation d'une collecte pour un cadeau commun... Finalement, les élèves offrent un savon parfumé à Vanesse pour la consoler. Ça tombe bien, Pétula aime BEAUCOUP cette marque-là...

*I Am Not an Octopus* Europe Comics

Twenty-something guitarist Aksel stutters when he sings, and the latest reviews say he has the voice of a crow with throat plague.

That's not a compliment, even for the avant-garde music his band Perkeros plays. Aksel is having a hard time keeping the band together, stopping his girlfriend from kicking him out, and not getting eaten by his drummer (who happens to be a cranky brown bear). There are also the rival bands that Perkeros find themselves in battle with to save the city from supernatural forces set loose by ancient music. The key to it all could be in the music Aksel hears in his dreams—if it doesn't drive him mad first. With a visual soundtrack that blasts off the page, *Sing No Evil* is a wild ride through otherworldly dangers and the power of pure rock'n'roll.

*Sorceline* Europe Comics

Boasting a notorious thief as one of their ancestors, the Scorta family are met by indifference and general opprobrium in the small town in southern Italy where they live. Yet despite these testing circumstances, the family finds pride in its roots and discovers happiness despite the abject poverty in which they are forced to live.

Ariol knows he's just like his hero in every way: brave, er...handsome, and...um...tall? Well, maybe Ariol has a way to go, but that's not going to stop him from doing everything he can to grow up and become just like the guardian of the stars! With charming artwork and hilarious vignettes, *ARIOL* is the right series for anyone who ever started off life as a kid!

*Midnight on the Moon* BD Kids

Ariol adore les chansons qu'on chante à voix haute ou dans sa tête, seul ou accompagné. Bisibille en a composée une pour lui! Entre dans la classe, assieds-toi au milieu des mamans et des

papas venus écouter la chorale de monsieur Le Blount et ouvre bien tes oreilles. En avant la musique !

*Ariol #2* Andrews McMeel Publishing

"For far too long, Afghan women have been faceless and voiceless. Until now. With *The Patience Stone*, Atiq Rahimi gives face and voice to one unforgettable woman—and, one could argue, offers her as a proxy for the grievances of millions...it is a rich read, part allegory, part a tale of retribution, part an exploration of honor, love, sex, marriage, war. It is without doubt an important and courageous book." from the introduction by Khaled Hosseini, author of *The Kite Runner* and *A Thousand Splendid Suns* In Persian folklore, Syngue Sabour is the name of a magical black stone, a patience stone, which absorbs the plight of those who confide in it. It is believed that the day it explodes, after having received too much hardship and pain, will be the day of the Apocalypse. But here, the Syngue Sabour is not a stone but rather a man lying brain-dead with a bullet lodged in his neck. His wife is with him, sitting by his side. But she resents him for having sacrificed her to the war, for never being able to resist the call to arms, for wanting to be a hero, and in the end, after all was said and done, for being incapacitated in a small skirmish. Yet she cares, and she speaks to him. She even talks to him more and more, opening up her deepest desires, pains, and secrets. While in the streets rival factions clash and soldiers are looting and killing around her, she speaks of her life, never knowing if her husband really hears. And it is an extraordinary confession, without restraint, about sex and love and her anger against a man who never understood her, who mistreated her, who never showed her any respect or kindness. Her admission releases the

weight of oppression of marital, social, and religious norms, and she leads her story up to the great secret that is unthinkable in a country such as Afghanistan. Winner of the Prix Goncourt, *The Patience Stone* captures with great courage and spare, poetic, prose the reality of everyday life for an intelligent woman under the oppressive weight of the Taliban regime in Afghanistan.

"When I was eighteen, Uncle Sam told me he'd like me to put on a uniform and go off to fight a guy by the name of Adolf. So I did." When Alan Cope joined the army and went off to fight in World War II, he had no idea what he was getting into. This graphic memoir is the story of his life during wartime, a story told with poignant intimacy and matchless artistry. From it, *Alan's War* was born – a graphic novel that is a deeply personal and moving experience, straight from the heart of the Greatest Generation – a unique piece of WWII literature and a ground-breaking graphic memoir.
