### **HUDSON ERNESTO**

*American English File*  
Oxford University Press  
NATIONAL BESTSELLER •  
For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. “A brilliant and thoroughly modern guide to learning new languages.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn’t learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he’s discovered. Starting with pronunciation, you’ll learn how to rewire your ears and turn foreign sounds into familiar sounds. You’ll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you’ll begin

to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you’ll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day. *The Way I Am* OUP Oxford English File third edition: Elementary: Teacher's Book with Test and Assessment CD-ROM OUP Oxford English File third edition: Intermediate: Workbook without key OUP Oxford American English File: Level 2: Workbook *English File Upper-Intermediate* Oxford University Press, USA English File's unique, lively and enjoyable lessons are renowned for getting students talking. In fact, 90% of English File teachers we surveyed in our Oxford Impact Study found that the course improves students'

speaking skills. \*How will English File get your students' talking? Lessons and activities that provide the necessary language, motivation and opportunity for students to talk with confidence. Learners build confidence to communicate with a proven balance of Grammar, Vocabulary, Pronunciation and Skills Development in every File. Teachers and students have access to all their English File resources - video, audio, worksheets and much more - in one easy to manage place. \*The English File Oxford Impact Study was conducted in January and February 2018. Oxford Impact is how Oxford University Press evaluates its educational products and services so that teachers and learners can be sure that our resources make a positive difference.

*English File Third Edition Pre Intermediate Student Book (UK)* Oxford University Press  
English File's unique, lively and enjoyable

lessons are renowned for getting students talking. English File, fourth edition, has been built on tried and trusted methodology and contains uniquely motivating lessons and activities that encourage students to discuss topics with confidence. NEW TO THIS EDITION New and updated texts, topics, and listenings, based on feedback from English File teachers. Each Student Book comes with access to new Online Practice, providing learners with extra practice and activities for each File. Online Practice includes new Sound Bank videos, with the unique opportunity to watch a native speaker pronounce the sound, and new interactive videos where students can take part in the drama themselves. New video listening activities are integrated into each even-numbered File. These short documentaries and dramas make class time more dynamic and exciting. The Classroom Presentation Tool shows the course content on screen, making it easier for you to deliver engaging lessons. Teacher's Resource Centre allows you to manage all English

File resources and download teaching materials in one place. Find out more here **American English File: Starter: Students Book Pack** English File third edition: Elementary: Teacher's Book with Test and Assessment CD-ROM 100% new lessons that work, that are fun, and that get students talking. *American English File* OUP Oxford

*American English File* Second Edition retains the popular methodology developed by world-renowned authors

Christina Latham-Koenig and Clive Oxenden:

language + motivation = opportunity. With

grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility.

Students can learn in the classroom or on the move with Online Practice.

language assessment.

The first goal is to explore the difference between fairness and justice in language assessment.

The authors distinguish internal and external dimensions of the equitable and just treatment of individuals

taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement.

"This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

*American English File: Level 3 Workbook Without Key Pack*

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: *The Phonology of English as an International Language*). American English File integrates

pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.
