When Blaire
Wynn's
mother
passed away,
her life
changed in an
instant and
she finds
herself
uprooted into

a new world of
luxury and
extravagance
when she has
to move in
with her
estranged
father and his
new wife.
Blaire knows
she'll never fit
into this life,
and to make
matters
worse, her
father has
gone overseas
for the
summer with

his wife,
leaving her
stranded with
Rush, her new
stepbrother,
who's
irritating,
arrogant
and...
seriously sexy.
Blaire knows
Rush is
anything but
good for her,
but somehow
she can't fight
the attraction
she's feeling,
especially

when she starts to think the attraction might be mutual... Rush is jaded and has dark secrets that Blaire is afraid of uncovering, but despite Rush's troubles, Blaire just may have fallen too far to walk away... Full of passion and hot romance this ebook collection of Abbi Glines' *Fallen Too Far* Trilogy is perfect fans of New Adult! Includes a sneak peak of the new hot book in the Rosemary

Beach series, *Take a Chance! As She Fades* Feiwel & Friends In the follow-up to Abbi Glines's #1 New York Times bestseller *Until Friday Night*—which bestselling author Kami Garcia called “tender, honest, and achingly real”—three teens from a small southern town are caught in a dramatic love triangle. Willa can't erase the bad decisions of her past that led her down

the path she's on now. But she can fight for forgiveness from her family. And she can protect herself by refusing to let anyone else get close to her. High school quarterback and town golden boy Brady used to be the best of friends with Willa—she even had a crush on him when they were kids. But that's all changed now: her life choices have made her a different person from

the girl he used to know. Gunner used to be friends with Willa and Brady, too. He too is larger than life and a high school football star—not to mention that his family basically owns the town of Lawton. He loves his life, and doesn't care about anyone except himself. But Willa is the exception—and he understands the girl she's become in a way no one else can. As secrets come to light and hearts are

broken, these former childhood friends must face the truth about growing up and falling in love...even if it means losing each other forever. *Take a chance* Simon and Schuster When her rocker father goes on tour, Harlow Manning is sent to live with her half-sister, Nan, who hates her, and must try to keep a low profile, which becomes harder and harder when Nan's gorgeous

boyfriend takes an interest in her.  The only thing hotter than the weather South of the Mason Dixon line are the boys. Worn, faded blue jeans, slow Southern drawls, and those naughty moments in the back of

pickup trucks a girl never forgets. Welcome to the world of the Sutton boys. Five brothers who fight, party, drink a little too much, but more importantly, they love their momma. Nothing can tear them apart... until the girl next door wins more than one of their hearts.
The Fallen Too Far
Trilogy Simon and Schuster
 When it comes to relationships, I have really bad luck. Each time I meet a

guy, I cross my fingers and hope he is at least halfway normal. I'm so tired of dealing with crybabies and freak shows that I could just scream. At this point, I'm so close to just joining a convent, taking the vow of chastity, and calling it quits with men entirely. Well, I probably don't need to go to that extreme... I mean who am I kidding? There's no way I could be a nun. But becoming an old crotchety

lady with 20 cats lurking around? Now THAT is a definite possibility. That is until I see him, my brown-eyed stallion man, swooping in to save me from an unforeseen wrinkly old balls attack, and then... he is gone. Well, not gone completely, because I can't stop fantasizing about him. I fantasize about him so much that when I finally do see him again, I make a complete and total ass of myself.

Several times in fact. How I do not drop dead of embarrassment right then and there is beyond me. So, remember I said I have really bad luck? Well, sit back, grab a glass of wine or your favorite mixed drink, and let me tell you how it all started, and how it all ends...

and brief. I wondered what it would have felt like to curl up in Rush's arms anytime I wanted. To know I was safe and that he loved me. We'd never had that chance. Just when Blaire allowed herself to fall for her stepbrother, Rush, he revealed a life-altering secret so devastating that she couldn't forgive him. Unable to face him again, Blaire leaves the promise of true love

behind in Rosemary Beach and returns to the comforts of her small town in Alabama, wanting nothing more than to put the summer behind her. But unexpected news complicates Blaire's plans, and she's forced to trust the one man she shouldn't. Trapped between Rush's fierce desire to win her back and her own sense of self-preservation, Blaire doesn't know if she's doing the right

thing...or if she's making the biggest mistake of her life.

Misbehaving

While it

Lasts Simon and Schuster
From the author of the red-hot Vincent Boys, Sea Breeze and Too Farnovels, comes another steamy romance... Can you handle bad-boy Woods? My future was about to be completely thrown off track because Della Sloane was under my skin, and I had to have her. I couldn't ignore it anymore. . . . I'd gotten close enough to her to see deeper. Della

Sloane is not your average girl. Yearning to break free of her dark and sheltered past, Della plans a solo road trip to experience real life on her own terms. But the trip is nearly cut short in the little beach town of Rosemary when she realizes she can't even pump her own gas-until Woods Kerrington shows up, more than willing to help out a pretty girl in need. Woods's family wants

him to settle down with a wealthy woman in pearls, but he can't resist this carefree girl in cutoffs passing through town. A one-night stand should have been enough, but months later, Woods can't get the irresistible Della out of his head. When a twist of fate brings Della back to Woods, all signs point to trouble if they don't keep their distance. Neither is truly free, and a relationship could destroy

both of them. With their hearts on the line, Della thinks the safest bet is to walk away. But Woods isn't about to let that happen...

When I'm

Gone Simon and Schuster
The year is 1992, and no one on the rock music scene is hotter than Kiro Manning, the lead singer of Slacker Demon. With a multi-platinum record, total ownership of the Billboard charts, sold-out concerts, and sinful

amounts of money, Kiro can have anything—and anyone—he wants. So when a dark-haired, conservative beauty rebuffs him at a concert after-party, his first thought is, “Who the hell does she think she is?” His second thought: “How do I make her mine?” Kiro has always loved a good challenge, but not every girl wants to get involved with a rock god. Especially this girl. He let her go that night, but he never

forgot her. And when they met again, he vowed not to give up again so easily. As the world worshipped Kiro, he came to worship the girl, who became everything he never knew he needed. The only girl he would ever love. His Emily. From #1 New York Times bestselling author Abbi Glines comes a heart-wrenching e-novella in the Rosemary Beach series about the star-crossed

romance between Kiro and Emily, first introduced in Take a Chance. This is Abbi's holiday gift to the devoted fans of the series.

Fallen Too Far Simon and Schuster Set in the steamy coastal Alabama town of Sea Breeze, an interconnected group of older teens hook up, break up . . . and much, much more. Cage York has a free ride to college for baseball - or

he did, until he got in trouble for drink-driving. Now he has to give in to his coach's demands and spend his summer baling hay. No hot babes in bikinis waiting to meet a Southern boy to make her vacation complete. Just him and the damned cows. Oh and an uptight, snarky brunette with the biggest blue eyes he's ever seen. Eva Brooks planned out her life step by step when she was eight

years old. Not once over the years had she lost sight of her goals. Josh Beasley, her next door neighbour, had been the centre of those goals. He'd been her first boyfriend at seven, her first kiss at ten, her first date at fifteen and her first tragedy at eighteen. The moment she'd received the phone call from Josh's mother saying he'd been killed along with four other soldiers just north of Baghdad, Eva's carefully

planned life imploded in the worst way possible. Now she has to deal with the arrogant Cage York and his irritating smile. But as the summer bailing hay rolls by, Cage and Eva learn that what they want (and need) may be something they never saw coming.
